Item 1.01. Entry Into a Material Definitive Agreement.

On June 28, 2013, Carpenter Technology Corporation, a Delaware Corporation (the Company) entered into a new unsecured revolving credit facility (the Credit Facility) pursuant to a Credit Agreement with Bank of America, N.A., as administrative agent, swingline lender and letter of credit issuer, and the other lenders party thereto (collectively, the Lenders), JPMorgan Chase Bank, N.A., as syndication agent, PNC Bank, National Association, The Bank Of Tokyo-Mitsubishi UFJ, Ltd., New York Branch and Sovereign Bank, each, as a documentation agent and Merrill Lynch, Pierce, Fenner & Smith Incorporated, and J.P. Morgan Securities LLC, as joint lead arrangers and joint book managers (the Credit Agreement).

The Credit Agreement replaces the Company's Credit Agreement dated as of June 21, 2011 (the Prior Credit Agreement), by and among the Company, the financial institutions party thereto, as lenders, Bank of America, N.A., as administrative agent for the lenders, swingline lender and letter of credit issuer, and the other agents and arrangers party thereto, which had been set to expire on June 21, 2016. The Prior Credit Agreement was described in Item 1.01 of the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on June 21, 2011, and which description is incorporated herein by reference. The Prior Credit Agreement was terminated effective June 28, 2013.

The Credit Agreement extends to June 28, 2018; permits the Company to borrow funds for working capital and other general corporate purposes; contains a revolving credit commitment amount of \$500,000,000, subject to the Company's right, from time to time, to request an increase of the commitment to \$700,000,000 in the aggregate; and provides for the issuance of letters of credit within such amount. The Company has the right to voluntarily prepay and reborrow loans, to terminate or reduce the commitments under the Credit Facility, and, subject to certain lender approvals, to join subsidiaries as subsidiary borrowers.

Interest on the borrowings under the Credit Facility will accrue at variable rates, based upon a defined Base Rate and Eurocurrency Rate, and that are determined based upon the rating of the Company's senior unsecured long-term debt (the Debt Rating). The applicable margin to be added to Eurocurrency Rate ranges from 0.75% to 1.90%, and for Base Rate-determined loans, from 0.0% to 0.90%. The Company will also pay quarterly a commitment fee ranging from 0.075% to 0.375%, determined based upon the Company's Debt Rating, of the unused portion of the commitment under the Credit Agreement. In addition, the Company must pay certain letter of credit fees, ranging from 0.75% to 1.90%, with respect to letters of credit issued under the Credit Agreement.

The Company is subject to certain financial and restrictive covenants under the Credit Agreement, which, among other things,

- require the maintenance of a minimum interest coverage ratio of 3.50 to 1.00;
- require the Company maintain a debt to capital ratio of no more than 55%;
- prohibit certain additional indebtedness or contingent obligations and certain new liens on assets,
- prohibit certain acquisitions of or investments in businesses;
- restrict the Company's ability to merge or consolidate with, or otherwise sell substantially all of its assets to, another party;
- restrict the Company's ability to dispose of or sell certain assets in other situations; and

Edgar Filing: CARPENTER TECHNOLOGY CORP - Form 8-K

- restrict the Company's ability to declare or make dividends or stock distributions in circumstances that would cause a material adverse effect.

The restrictions of these covenants (other than the financial ratio covenants) are subject to certain exceptions or threshold triggering amounts or events specified in the Credit Agreement, and in some cases the restrictions may be waived by the Lenders. If the Company were to fail to comply with these covenants, the Company would be in default under the Credit Agreement.

The foregoing summary of the Credit Agreement is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated by reference. On June 28, 2013, the Company issued a press announcing the execution of the Credit Agreement, a copy of which is furnished as Exhibit 99.1 hereto.
