Item 1.01. Entry into a Material Definitive Agreement

On July 9, 2013, NGL Energy Partners LP (the Partnership), NGL Energy Holdings LLC, the general partner of the Partnership (the General Partner), and certain of the Partnership's subsidiaries (together with the Partnership and the General Partner, the Partnership Entities) entered into an Underwriting Agreement (the Underwriting Agreement) with Deutsche Bank Securities Inc., as representative of the several underwriters (the Underwriters) named therein, pursuant to which the Partnership agreed to sell to the Underwriters 10,350,000 common units (the Units) representing limited partner interests in the Partnership (including 1,350,000 Units pursuant to Underwriters' option to purchase additional Units, which was exercised in full on July 11, 2013) at a price to the public of \$29.00 per Unit (or \$27.84 per Unit, net of underwriting discounts and commissions in the amount of \$1.16 per Unit). The Units have been registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a Registration Statement on Form S-3 (File No. 333-189842) of the Partnership and the base prospectus, dated July 8, 2013, included therein, as supplemented by the prospectus supplement, dated July 9, 2013, relating to the Units, filed with the Securities and Exchange Commission (the Commission) pursuant to Rule 424(b)(5) of the Securities Act on July 10, 2013. Legal opinions relating to the Units are included as Exhibits 5.1 and 8.1 hereto.

The Underwriting Agreement contains customary representations, warranties and agreements by the Partnership Entities, and customary conditions to closing, indemnification obligations of the Partnership Entities and the Underwriters, including for liabilities under the Securities Act, other obligations of the parties and termination provisions. The summary of the Underwriting Agreement in this report does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 hereto, and is incorporated herein by reference.

The offering closed on July 15, 2013. The Partnership received net proceeds from the offering of approximately \$287.5 million, including the net proceeds from the Underwriters' exercise of the option to purchase additional Units. As described in the prospectus supplement, the Partnership intends to use the net proceeds from the offering to repay indebtedness and for general partnership purposes, including capital expenditures and potential acquisitions.

The Underwriters may, from time to time, engage in transactions with and perform services for the Partnership and its affiliates in the ordinary course of business. Affiliates of certain of the Underwriters are lenders under the Partnership's revolving credit facility and, accordingly, will receive a portion of the net proceeds from this offering.
