On June 25, 2014, Tenet Healthcare Corporation ( Tenet ) issued \$500,000,000 in aggregate principal amount of 5.00% senior notes due 2019 (the Notes ). The Notes have not been registered under the Securities Act of 1933, as amended, or any state securities laws. Tenet will pay interest on the Notes semi-annually, in arrears, on March 1 and September 1 of each year, commencing September 1, 2014, to holders of record on the immediately preceding February 15 and August 15. The Notes are unsecured and will rank equally with all of Tenet's existing and future unsecured senior debt, will rank senior to all of Tenet's existing and future unsecured subordinated debt and will be effectively subordinated to all of Tenet's existing and future secured debt, to the extent of the value of the collateral securing such secured indebtedness.

The Notes were issued as additional notes pursuant to the indenture, dated as of November 6, 2001, between Tenet and The Bank of New York Mellon Trust Company, N.A. (the Trustee ), as supplemented by the twenty-third supplemental indenture thereto, dated as of March 10, 2014, between Tenet and the Trustee (collectively, the Indenture ). The Indenture contains covenants that, among other things, restrict Tenet's ability and the ability of its subsidiaries: to incur liens; enter into sale and lease-back transactions; or consolidate, merge or sell all or substantially all of their assets, other than in certain transactions between one or more of Tenet's wholly owned subsidiaries and Tenet. These restrictions, however, are subject to a number of important exceptions and qualifications. In particular, there are no restrictions on Tenet's ability or the ability of its subsidiaries to incur additional indebtedness, make restricted payments, pay dividends or make distributions in respect of capital stock, purchase or redeem capital stock, enter into transactions with affiliates or make advances to, or invest in, other entities (including unaffiliated entities).

The Indenture also provides that the Notes may become subject to redemption under certain circumstances, including a change of control (as defined in the Indenture) of Tenet. In addition, Tenet may, at its option, redeem the Notes in whole or in part at any time at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus the applicable make-whole premium set forth in the Indenture, together with accrued and unpaid interest.

In connection with the issuance of the Notes, Tenet also entered into an Exchange and Registration Rights Agreement, dated as of June 25, 2014 (the Registration Rights Agreement ), with Barclays Capital Inc., as representative of the initial purchasers named in the purchase agreement for the Notes. Pursuant to the Registration Rights Agreement, Tenet has agreed to consummate an exchange offer for the Notes for notes registered with the Securities and Exchange Commission within 450 days from March 5, 2014.

The foregoing is a summary and is qualified by reference to the Indenture and the Registration Rights Agreement, which are filed herewith as Exhibits 4.1, 4.2 and 10.1, respectively, and are incorporated herein by reference. A press release announcing the closing of the Notes offering is filed herewith as Exhibit 99.1 and incorporated herein by reference.

## Edgar Filing: TENET HEALTHCARE CORP - Form 8-K

The proceeds from the sale of the Notes will be used to redeem Tenet's 9.25% Senior Notes due 2015 and to pay related transaction fees and expenses.
