  - Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act
  
  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act
-

**Item 8.01 Other Events**

In the second quarter of 2014, Rockwood reorganized its metal sulfides business and began reporting it within its Surface Treatment segment. The metal sulfides business was previously reported in the Corporate and other category. In its Form 10-Q for the quarterly period ended June 30, 2014, Rockwood reclassified its consolidated financial statements to reflect this segment change for all periods presented in such Form 10-Q. The effect of this segment change was not material to previously issued annual and interim financial statements. As a result, the consolidated financial statements and accompanying notes as of and for the years ended December 31, 2013, 2012 and 2011 included in Rockwood's Annual Report on Form 10-K for the fiscal year ended December 31, 2013, as well as for the three months ended March 31, 2014 and 2013, respectively, included in Rockwood's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2014, have not been recast to reflect the metal sulfides business within the Surface Treatment segment.

The table below sets forth Rockwood's financial information by segment (i) as reported in its Annual Report on Form 10-K for the fiscal year ended December 31, 2013 and its Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2014 and (ii) as would have been reported if the financial statements reflected the segment change.
