The Issuer and the Guarantors are soliciting the holders of each Series (the **Noteholders**) to consider and, if thought fit, approve the Proposals, by separate Extraordinary Resolutions pursuant to the Conditions and the relevant Trust Deed (the **Consent Solicitation**). The Consent Solicitation is made on the terms and subject to the conditions contained in this consent solicitation memorandum (the **Consent Solicitation Memorandum**).

The Extraordinary Resolutions to approve the Proposals will be considered and, if thought fit, passed, at the Meetings. The initial Meeting in respect of the 2018 Notes will start at 3.00 p.m. (CET) on 24 November 2014 and the initial Meeting in respect of the 2020 Notes will start at 5.00 p.m. (CET) on 24 November 2014, in each case at the offices of the Issuer at Viale del Campo Boario 56/d, 00154 Rome, Italy. Notices convening the Meetings (the **Notices**) have been given to the Noteholders in accordance with the Conditions, the relevant Trust Deed, applicable provisions of Italian law and as further described herein in *The Consent Solicitation Notices* . The form of the Notices is set out in this Consent Solicitation Memorandum in *Annex - Form of Notice and Extraordinary Resolutions in respect of the Notes* .

If within fifteen minutes after the commencement of the relevant initial Meeting a quorum is not present, such Meeting shall be adjourned and the adjourned initial Meeting shall be held on 25 November 2014 at the same time and location (the **Second Meeting**) and if within fifteen minutes after the commencement of the Second Meeting a quorum is not present, then the Second Meeting shall be adjourned and the adjourned Second Meeting shall be held on 26 November 2014 at the same time and location (the **Third Meeting**).

The Issuer and the Guarantors are inviting the Noteholders of each Series to:

- (i) approve the Transaction generally and also in accordance with, and for the purposes of, Article 2503-bis of the Italian Civil Code (which Article provides that each Noteholder may oppose the Merger involving the Issuer unless a Noteholders' meeting has approved such Merger) and any other applicable statutory or court creditor process;

(ii) agree that no Put Event (as defined in the relevant Conditions) will be deemed to occur as a result of, or in connection with, the Transaction; and

(iii) waive any and all Events of Default, Potential Events of Default (as such terms are defined in the relevant Trust Deed) and any other breach of the Conditions of the Notes or the relevant Trust Deed that have been, are or may be, within the period of twelve months from the passing of the relevant Extraordinary Resolution, triggered by or in connection with the Transaction,

(together, the **Proposals**).

Whether or not the Proposals are approved and without any requirement of consent from Noteholders, the Trust Deeds will each be amended with the consent of the Trustee (subject to such customary conditions as the Trustee may require) to include the Post Merger Amendment, which provides for an additional covenant requiring any Relevant Holdco Subsidiary (including subsequent to completion of the Sub Merger, IGT) which guarantees Holdco's other debt securities and, subsequent to the completion of the Merger and Sub Merger, the IGT Notes, to guarantee each Series of Notes on a pari passu basis.

Subject to the terms and conditions specified in this Consent Solicitation Memorandum including the Payment Conditions being satisfied, Noteholders who have voted in favour of the relevant Extraordinary Resolution by delivering or procuring the delivery of a Consent Instruction (which is not validly revoked) will be eligible to receive, in the case of the 2018 Notes, the Consent Fee of 2.5 per cent. of the aggregate principal amount of Notes which are the subject of such Consent Instruction and, in the case of the 2020 Notes, the Consent Fee of 4.5 per cent. of the aggregate principal amount of Notes which are the subject of such Consent Instruction, in each case only if such Consent Instruction is received by the Tabulation Agent **by the Early Voting Deadline** and not validly revoked.

The Consent Fee in respect of each Series will be paid in two instalments, on the First Payment Date and the Final Payment Date, in each case only if the relevant Payment Conditions are satisfied as more fully described in *The Consent Solicitation – Consent Fee* .

No Consent Fee will be payable to Noteholders voting in favour of the relevant Extraordinary Resolution after the Early Voting Deadline, attending and voting at the Meeting(s) in person or through a representative, voting against the relevant Extraordinary Resolution or abstaining from voting or to any Noteholder that validly revokes its vote.

The Proposals in respect of each Series are independent and are not conditional on the approval of the Extraordinary Resolution in respect of the other Series (or on the passing of any other extraordinary resolution by the holders of any other securities of the Issuer). As such, the Proposals in respect of each Series will be effective if the relevant Extraordinary Resolution is approved, whether or not the Extraordinary Resolution in respect of the other Series (or any other extraordinary resolution by the holders of any other securities of the Issuer) is also approved.

THE EARLY VOTING DEADLINE IS 5.00 P.M. (CET) ON 6 NOVEMBER 2014 AND THE EXPIRATION DEADLINE IS 5.00 P.M. (CET) ON 13 NOVEMBER 2014, IN EACH CASE UNLESS EXTENDED OR AMENDED AT THE SOLE DISCRETION OF THE

ISSUER.

The provisions of this Consent Solicitation Memorandum are without prejudice to the rights of Noteholders under the relevant Trust Deed. Accordingly, notwithstanding the Expiration Deadline, Noteholders may vote until 19 November 2014 in respect of the relevant initial Meeting, 20 November 2014 in respect of any Second Meeting and 21 November 2014 in respect of any Third Meeting, provided in each case that they are Noteholders on the Expiration Deadline. However, in order to submit a late instruction, Noteholders must contact the Tabulation Agent for further instructions. Additional procedural requirements will apply.

Custodians, Direct Participants and Clearing Systems will have deadlines for receiving instructions prior to the Early Voting Deadline and Expiration Deadline and Noteholders should contact the intermediary through which they hold their Notes as soon as possible to ensure proper and timely delivery of instructions.

Before making a decision with respect to the Consent Solicitation, Noteholders should carefully consider all of the information in this Consent Solicitation Memorandum and in particular the risk factors described in *Risk Factors and Other Considerations* on page 21.

BACKGROUND TO THE PROPOSALS

The Transaction

On 15 July 2014, the Issuer entered into the Merger Agreement with IGT to acquire IGT through the formation of Holdco, a new holding company incorporated under the laws of England and Wales named Georgia Worldwide PLC. The acquisition of IGT will be effected by (i) the merger of the Issuer with and into Holdco (the **Merger**), pursuant to which each issued and outstanding ordinary share of the Issuer, par value 1.00, will be converted into the right to receive one ordinary share of Holdco, nominal value US\$0.10 (**Holdco ordinary shares**), the Merger being more fully described in the Common Cross-Border Merger Terms (*Progetto Comune di Fusione Transfrontaliera*); and (ii) immediately thereafter, the merger of Sub with and into IGT (the **Sub Merger**), with IGT surviving as a wholly-owned subsidiary of Holdco, in each case subject to the terms and conditions of the Merger Agreement.

In connection with the Merger, the Issuer intends that certain steps will be taken, including (i) the transfer by the Issuer of all or part of its assets and liabilities relating to its Italian businesses (including the Lotto concession but excluding the equity interest in its subsidiaries) to a new Italian subsidiary; (ii) the transfer by the Issuer of its equity interest in its existing Italian subsidiaries to an additional new Italian subsidiary; (iii) the merger of Invest Games S.A. with IGT, which will result in Invest Games S.A. ceasing to exist; and (iv) the Capital Reduction (as described below), these steps (i) to (iv), together with the Merger, are referred to herein as the **Transaction**.

The Merger is a cross-border merger within the meaning of EU Directive 2005/56/EC of the European Parliament and Council of 26 October 2005 on cross-border Merger of limited liability companies, implemented in the United Kingdom by the Companies (Cross-Border Merger) Regulations 2007, as amended (the **UK Regulations**) and in Italy by the Italian Legislative Decree of 30 May 2008, no. 108 (the **Decree 108/08**). The Common Cross-Border Merger Terms (*Progetto Comune di Fusione Transfrontaliera*) have been prepared by the administrative bodies of each of Holdco and the Issuer in order to execute the Merger within the terms of the UK Regulations and the Decree 108/08. The following summary of the key effects of the Merger has been taken from this document, which Noteholders should consult (and which is available for inspection as described in *Documents Incorporated by Reference* below) for the full details of the key steps and effects of the Merger.

Summary of the Key Effects of the Merger

On the Holdco Merger Effective Date and by virtue of the Merger:

- (a) all of the assets and liabilities of the Issuer will be transferred to Holdco;
- (b) the Issuer will be dissolved without going into liquidation;

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

- (c) the Issuer's shareholders will become shareholders of Holdco on the terms and subject to the conditions set out in the Common Cross-Border Merger Terms (*Progetto Comune di Fusione Transfrontaliera*);
- (d) all legal proceedings pending, if any, by or against the Issuer will be continued with the substitution of Holdco for the Issuer as a party;
- (e) every contract, agreement or instrument to which the Issuer is a party shall, notwithstanding anything to the contrary contained in that contract, agreement or instrument, be construed and have effect as if (i) Holdco had been a party thereto instead of the Issuer; (ii) for any reference (however worded and whether express or implied) to the Issuer there were substituted a reference to Holdco; and (iii) any reference (however worded and whether express or implied) to the directors, officers, representatives or employees of the Issuer, or any of them, were, respectively, a reference to the directors, officers, representatives or employees of Holdco or to such director, officer, representative or employee of Holdco as Holdco nominates for that purpose or, in default of nomination, to the director, officer, representative or employee of Holdco who corresponds as nearly as may be to the first-mentioned director, officer, representative or employee;
- (f) every contract, agreement or instrument to which the Issuer is a party will become a contract, agreement or instrument between Holdco and the counterparty with the same rights, and subject to the same obligations, liabilities and incidents (including rights of set-off), as would have been

Table of Contents

applicable thereto if that contract, agreement or instrument had continued in force between the Issuer and the counterparty, and any money due and owing (or payable) by or to the Issuer under or by virtue of any such contract, agreement or instrument shall become due and owing (or payable) by or to Holdco instead of the Issuer;

(g) any offer made to or by Issuer before the Holdco Merger Effective Date will be construed and have effect, respectively, as an offer made to or by Holdco; and

(h) the powers of attorney issued by the Issuer shall remain valid and in force unless they are expressly revoked by Holdco.

The Capital Reduction

Following completion of the Merger, since Holdco will not otherwise have any distributable reserves, it is intended that Holdco will capitalise the merger reserve created as a result of the Merger and implement a parallel court-approved reduction of that capital in order to create a distributable reserve of an equivalent amount to facilitate the payment of possible future distributions. The Capital Reduction shall not oblige Holdco to distribute or otherwise make any payment to Holdco shareholders.

Description of Capitalisation of Holdco post the Transaction

The Transaction and related costs incurred by the Issuer as well as the backstop of existing notes and drawn credit facilities of both the Issuer and IGT are financed through a 364-day committed senior bridge term loan credit facility entered into by the Issuer on 15 July 2014 in an aggregate principal amount of up to approximately US\$10.7bn. The facility is expected to be refinanced principally through the issuance of euro and U.S dollar denominated bonds, and can be extended by up to 18 months. The pro forma capitalisation of Holdco post-closing of the Transaction will depend on, amongst other factors, the outcome of the withdrawal rights of the Issuer's shareholders under Italian Law and whether or not the Issuer and IGT redeem certain outstanding debt obligations prior to the closing of the Transaction.

The expected leverage of Holdco at closing of the Transaction has previously been announced by the Issuer at 4.5x to 4.9x net debt / EBITDA excluding synergies (assuming 0 per cent. and 20 per cent. exercise of Issuer shareholder withdrawal rights respectively; assuming full redemption of outstanding debt securities of the Issuer including payment of applicable redemption premia and full repurchase of outstanding debt securities of IGT at a 101 per cent. change of control premium; assuming a 31 December 2014 closing of the Transaction; and on the basis that expected EBITDA is based on actual results through end of March 2014 and the Issuer's estimates for future periods), with synergy run rates expected to reduce such expected leverage of Holdco by 0.5x to 0.6x. There can be no assurance that some or all of these assumptions will be accurate.

Since the announcement of the Transaction, the successful consent solicitation by IGT in respect of the \$500,000,000 7.50 per cent. Notes due 2019 issued by IGT ensures that these notes can remain outstanding and will not be redeemed. Additionally, the Issuer has confirmed its intention to exercise the call option provided for in the terms and conditions of the 2016 Notes. The exercise of such call option will be the

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

subject of a notification in due course. The Capital Securities do not require the consent of the holders of such Capital Securities in connection with the Transaction.

The Issuer expects to approve its 30 September 2014 financial statements on 10 November 2014 and such financial statements will be made available on the Issuer's website (www.gtech.com).

Certain Conditions to the Completion of the Merger and Sub Merger; Termination Rights

There is no guarantee that the conditions precedent to the Merger and Sub Merger will be fulfilled and that either the Merger or Sub Merger will be completed. The obligations of the Issuer and IGT to complete the Merger and Sub Merger are subject to satisfaction or waiver (if permitted) of a number of conditions, including, among other conditions, (i) the Issuer and IGT obtaining shareholder approvals, (ii) receipt of certain antitrust approvals, (iii) receipt of certain gaming regulatory approvals, (iv) effectiveness of the registration statement for the Holdco ordinary shares, (v) NYSE listing approval for the Holdco ordinary shares, (vi) the expiration or early termination of a 60-day Issuer creditor opposition period, (viii) the absence of any order prohibiting or restraining the Merger or Sub Merger, (ix) subject to certain materiality exceptions, the accuracy of each party's representations and warranties in the Merger Agreement and performance by each party of their respective obligations under the Merger Agreement,

Table of Contents

(x) the receipt of a merger order from the High Court of England and Wales and (xi) in the case of IGT's obligation to close the Sub Merger, IGT's receipt of certain tax opinions.

In addition, if each of the Merger and Sub Merger is not completed on or before 15 July 2015 (subject to certain extension rights), either the Issuer or IGT may choose not to proceed with the Merger or Sub Merger (as applicable). The Issuer may also terminate the Merger Agreement under certain circumstances, including among others, (i) if the Issuer's shareholders exercise rescission rights under Italian law in respect of more than 20 per cent. of the Issuer's ordinary shares outstanding as of the date of the Merger Agreement, (ii) if Holdco would, as a result of a change in applicable law, be treated as a domestic corporation for U.S. federal income tax purposes as of or after the completion of the Merger or Sub Merger (as applicable) or (iii) if the special voting shares provided for by Holdco's Articles of Association cannot be implemented under certain circumstances. IGT may also terminate the Merger Agreement under certain circumstances including, among others in order to enter into an agreement with respect to a proposal that is determined by IGT's board of directors to be superior to the Merger Agreement, subject to the terms and conditions of the Merger Agreement (including an opportunity for the Issuer to match any such proposal).

Effect of the Transactions on the Notes

Events of Default

Certain Events of Default (as defined in the Conditions of each Series of Notes) may be triggered by the steps contemplated in connection with the Merger. In particular:

- the Issuer or Invest Games S.A. could be considered to have ceased, or threatened to cease, to carry on all or a substantial part of its business as provided in Condition 8(f) (*Insolvency, etc.*) and Condition 8(h) (*Analogous event*);
- the Issuer or Invest Games S.A. may be considered to have been dissolved as provided in Condition 8(g) (*Winding up, etc.*) and Condition 8(h) (*Analogous event*); and
- the Guarantee by Invest Games S.A. may be considered not to be in full force and effect as provided in Condition 8(k) (*Guarantee*) (it is intended that the Notes, will however, have the benefit of a guarantee, in equivalent form, from IGT – see *Post Merger Amendment Not Requiring the Consent of Noteholders* below).

Put Event

A Put Event (as defined in the Conditions of each Series of Notes) may occur as a result of the Merger or certain steps to be taken in connection with the Transaction. In order for a Put Event to occur, the circumstances provided in Condition 5(c) (*Redemption at the option of Noteholders*)

would need to arise, which include a disposal of all or substantially all of the assets of the Issuer and its subsidiaries taken as a whole.

All of the assets and liabilities of the Issuer will be transferred to Holdco as part of the Merger, which could be considered to be a Disposal Event (as defined in Condition 5(c)(i)(C) (*Redemption at the option of Noteholders* – *Disposal of assets*)) and may result in a Put Event occurring.

A Put Event will only arise in the circumstances described above, if the Disposal Event is followed by a relevant ratings downgrade or withdrawal of rating that is stated by the relevant rating agency to occur in connection with the occurrence of the Disposal Event.

The Consent Solicitation and Proposals

The Issuer and the Guarantors are seeking the consent of Noteholders to the Proposals, *inter alia*, to:

- (i) approve the Transaction generally and also in accordance with, and for the purposes of, Article 2503-bis of the Italian Civil Code (which Article provides that each Noteholder may oppose the Merger involving the Issuer unless a Noteholders' meeting has approved such Merger) and any other applicable statutory or court creditor process;

Table of Contents

(ii) agree that no Put Event (as defined in the relevant Conditions) will be deemed to occur as a result of, or in connection with, the Transaction; and

(iii) waive any and all Events of Default, Potential Events of Default (as such terms are defined in the relevant Trust Deed) and any other breach of the Conditions of the Notes or the relevant Trust Deed that have been, are or may be, within the period of twelve months from the passing of the relevant Extraordinary Resolution, triggered by or in connection with the Transaction (together, the **Proposals**).

The Proposals are not conditions to the completion of the Merger. If the Proposals in respect of a Series of Notes are not approved, the Merger can still be completed and the Issuer intends to exercise the call option provided for in the terms of such Series of the Notes.

Post Merger Amendment Not Requiring the Consent of Noteholders

Whether or not the Proposals are approved, after the Merger and Sub Merger have completed, the Issuer and the Trustee will effect the Post Merger Amendment to each of the Trust Deeds with the consent of the Trustee but without the prior consent of the Noteholders, provided that the Trustee shall not be obliged to accept any additional or more onerous liability as a result thereof (including as a result of the jurisdiction of any new guarantor or otherwise) and subject to satisfaction of any applicable know your customer checks or other customary conditions that the Trustee may require. The Post Merger Amendment will add a covenant to each of the Trust Deeds relating to the addition of future guarantors of the Notes. The purpose of this Post Merger Amendment is to provide Noteholders with the assurance that the Notes will be guaranteed by the same Holdco subsidiaries (including, subsequent to completion of the Sub Merger, IGT) which guarantee Holdco's other debt securities and, subsequent to completion of the Sub Merger, the IGT Notes, if any.

The Proposals in respect of each Series are independent and the Extraordinary Resolutions are not conditional on the approval of the Extraordinary Resolution in respect of the other Series. As such, the Proposals in respect of each Series will be effective if the relevant Extraordinary Resolution is approved, whether or not the Extraordinary Resolution in respect of the other Series (or any other extraordinary resolution by the holders of any other securities of the Issuer) is also approved.

In the case of the 2018 Notes, the 2018 Consent Fee will be paid in two instalments, on the First Payment Date and the Final Payment Date, respectively, if the relevant Payment Conditions are satisfied, as follows:

(a) 0.5 per cent. of the aggregate principal amount of Notes which are the subject of a Consent Instruction in favour of the relevant Extraordinary Resolution will be payable on the First Payment Date, if the First Payment Condition is satisfied; and

(b) 2.0 per cent. of the aggregate principal amount of Notes which are the subject of a Consent Instruction in favour of the relevant Extraordinary Resolution will be payable on the Final Payment Date, if the Final Payment Conditions are satisfied.

In the case of the 2020 Notes, the 2020 Consent Fee will be paid in two instalments, on the First Payment Date and the Final Payment Date, respectively, if the relevant Payment Conditions are satisfied, as follows:

(a) 0.5 per cent. of the aggregate principal amount of Notes which are the subject of a Consent Instruction in favour of the relevant Extraordinary Resolution will be payable on the First Payment Date, if the First Payment Condition is satisfied; and

(b) 4.0 per cent. of the aggregate principal amount of Notes which are the subject of a Consent Instruction in favour of the relevant Extraordinary Resolution will be payable on the Final Payment Date, if the Final Payment Conditions are satisfied.

The Issuer will at any time have the discretion to accept any Consent Instructions which would otherwise be invalid or, in the sole opinion of the Issuer, may otherwise be invalid.

The Issuer may reject Consent Instructions which it considers in its sole discretion not to have been validly submitted in the Consent Solicitation and the Issuer is under no obligation to the Noteholders to furnish any reason or justification for refusing to accept such Consent Instructions. **For example, Consent Instructions may be rejected and not accepted if any such Consent Instructions do not comply with the requirements of a particular jurisdiction or if it is determined that a Noteholder's participation in the Consent Solicitation would not be permitted under the laws of its jurisdiction of residence or domicile. In such cases no Consent Fee will be payable to such Noteholders.**

No Consent Fee will be payable to any Noteholder or beneficial owner of the Notes that is a Restricted Owner and no provision of any document or agreement relating to the Consent Solicitation shall entitle any Restricted Owner to payment of any amount in respect of any Consent Fee.

4. **Notices**

Notices throughout the Consent Solicitation will be published: (i) by the issue of a press release to a recognised financial news service or services (e.g. Reuters/Bloomberg) as elected by the Issuer or (ii) by delivery of notices to the Clearing Systems for communication to Direct Participants, and (iii) through the website of the Luxembourg Stock Exchange (www.bourse.lu). The Notice of the Meetings will also be published in Italian and English on the website of the Issuer (www.gtech.com) and a notice convening the Meetings will also be published in Italian in Il Sole 24Ore in accordance with the requirements of Italian law.

5. **The Meetings**

The initial Meeting in respect of the 2018 Notes will start at 3.00 p.m. (CET) on 24 November 2014, and the Meeting in respect of the 2020 Notes will start at 5.00 p.m. (CET) on 24 November 2014, in each case at the offices of the Issuer at Viale del Campo Boario 56/d, 00154 Rome, Italy.

If within fifteen minutes after the commencement of the initial Meeting of each Series a quorum is not present, then the initial Meeting shall be adjourned and the adjourned initial Meeting in respect of each

Table of Contents

Series shall be held on 25 November 2014 at the same time and location (the **Second Meeting**) and if within fifteen minutes after the commencement of the Second Meeting of each Series a quorum is not present, then the Second Meeting shall be adjourned and the adjourned Second Meeting in respect of each Series shall be held on 26 November 2014 at the same time and location (the **Third Meeting**).

The quorum required for the initial Meetings of the Noteholders is one or more persons present holding Voting Certificates or being proxies or representatives and holding or representing at least one half of the aggregate principal amount of the Notes of the relevant Series for the time being outstanding (as defined in the relevant Trust Deed).

In the event that such quorum is not obtained at any such initial Meeting in respect of each Series of Noteholders, the Meeting shall stand adjourned until the Second Meeting. At any Second Meeting, the quorum shall be more than one third of the aggregate principal amount of the outstanding Notes. In the event that such quorum is not obtained at any such Second Meeting, the Meeting shall stand adjourned until the Third Meeting. At any Third Meeting, the quorum shall be at least one fifth of the aggregate principal amount of the outstanding Notes.

The majority required to pass the Extraordinary Resolution (including at any Meeting convened following adjournment of the previous Meeting for want of quorum) will be one or more persons holding or representing at least two thirds of the aggregate principal amount of the Notes represented at the Meeting.

If passed, the Extraordinary Resolution shall be binding on all Noteholders of the relevant Series, whether present or not at the relevant Meeting at which it is passed and whether or not voting.

Noteholders should refer to the Notice for full details of the procedures in relation to the relevant Meeting.

In order to be valid Consent Instructions, in relation to the 2018 Notes must be submitted in multiples of 50,000 and, in relation to the 2020 Notes, must be submitted in multiples of 100,000.

6. **Procedures for Voting**

On or after the date of this Consent Solicitation Memorandum, a Noteholder may vote in relation to the Consent Solicitation by submitting a Consent Instruction in accordance with this section - *Procedures for Voting* . Consent Instructions must be delivered to the Tabulation Agent via the relevant Clearing System by Direct Participants in accordance with the requirements of such Clearing System.

Only Noteholders who, at the Expiration Deadline, own beneficial interests in the Notes through their account with the Clearing Systems, as certified by the Clearing Systems on the basis of their internal records, are entitled to participate in the Consent Solicitation. Persons becoming Noteholders after the Expiration Deadline cannot participate in the Consent Solicitation.

The Trust Deeds allow Noteholders to vote up to two Local Business Days prior to the Meeting; however, Noteholders wishing to vote after the Expiration Deadline must contact the Tabulation Agent for further instructions. Such late instructions, if validly submitted in accordance with the Tabulation Agent's requirements, will be counted.

Noteholders who wish to attend and vote in person, or otherwise be represented, at the relevant Meeting (or any Second Meeting or Third Meeting) should indicate that they wish to be issued with a Voting Certificate by submitting an instruction to this effect to the Tabulation Agent via the relevant Clearing System.

Consent Instructions in favour of the Extraordinary Resolution must be received by the Tabulation Agent by the Early Voting Deadline in order to be eligible for the Consent Fee or by the Expiration Deadline (whether in favour of the Extraordinary Resolution or against the Extraordinary Resolution) (see *Indicative Solicitation Timetable*), taking into account the deadlines set by Clearing Systems and any intermediary through which a Noteholder may hold Notes.

Noteholders may contact the Tabulation Agent via email or at its telephone number provided on the last page of this Consent Solicitation Memorandum if they require assistance or information in relation to the procedures for submitting Consent Instructions or requesting Voting Certificates.

Table of Contents

A Voting Certificate or Consent Instruction shall be valid until the end of the relevant initial Meeting, or any Second Meeting or Third Meeting. A Voting Certificate and a Consent Instruction cannot be outstanding simultaneously in respect of the same Note.

Only Direct Participants may submit a Consent Instruction. If you are not a Direct Participant you must arrange for the Direct Participant through which you hold Notes to submit a Consent Instruction on your behalf to the Tabulation Agent through the relevant Clearing System.

Noteholders whose Notes are held in the name of a broker, dealer, commercial bank, custodian, trust company, accountant or other nominee or trustee should contact such entity sufficiently in advance of the Early Voting Deadline or the Expiration Deadline if they wish to vote and procure that the Notes are blocked in accordance with the standard procedures of the relevant Clearing System and the deadlines imposed by such Clearing System.

Noteholders are advised to check with any broker, dealer, commercial bank, custodian, trust company, accountholder or other nominee or trustee through which they hold Notes whether such broker, dealer, commercial bank, custodian, trust company, accountholder or other nominee or trustee would require receiving any notice or instructions prior to the deadlines set out in Indicative Solicitation Timetable .

The Consent Solicitation is not extended to any Noteholder whose participation in the Consent Solicitation would violate the laws of its jurisdiction of residence or domicile.

All questions as to the form of documents and validity, eligibility (including time of receipt) and acceptance of Consent Instructions will be determined by the Issuer in its sole discretion, and such determination will be final and binding. The Issuer and the Guarantors reserve the absolute right to reject any or all Consent Instructions which they determine are not in proper form or which may, upon the advice of the Issuer's and the Guarantors' legal counsel, be unlawful, including, without limitation, if it is determined that a Noteholder's participation in the Consent Solicitation would not be permitted under the laws of its jurisdiction of residence or domicile. The Issuer and the Guarantors also reserve the absolute right to waive any defect, irregularity or delay with regard to any of the Consent Instructions. The Issuer and the Guarantors also reserve the absolute right to waive any such defect, irregularity or delay as to particular Consent Instructions, whether or not it elects to waive similar defects, irregularities or any delay in the case of other Consent Instructions. Any defect, irregularity or delay must be cured within such time as the Issuer determines, unless waived by it. Consent Instructions in the Consent Solicitation will be deemed not to have been made until such defects, irregularities or delays have been cured or waived. None of the Issuer, the Guarantors, the Solicitation Agents, the Trustee, the Principal Paying Agent, the Tabulation Agent and the Information Agent shall be under any duty to give notice to Noteholders of any defects, irregularities or delays in any Consent Instructions, nor shall any of them incur any liability for failure to give such notice.

Restrictions on Transfer and Revocation

The receipt of a Consent Instruction by the relevant Clearing System will be acknowledged in accordance with the standard practices of such Clearing System and will result in the blocking of the Notes in the relevant Clearing System so that no transfer may be effected in relation to such Notes. Noteholders must take the appropriate steps through the relevant Clearing System so that no transfers or other action may be effected in relation to such blocked Notes at any time after the date of submission of such Consent Instruction, in accordance with the

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

requirements of the relevant Clearing System and the deadlines required by such Clearing System. By blocking such Notes in the relevant Clearing System, each Noteholder will be deemed to consent to have the relevant Clearing System provide details concerning such Noteholder's identity to the Tabulation Agent, the Solicitation Agents and the Issuer.

Consent Instructions submitted in the Consent Solicitation by a Noteholder, or the relevant Direct Participant on its behalf, may only be revoked by that Noteholder, or the relevant Direct Participant on its behalf, by submitting valid revocation instructions to the Tabulation Agent through the relevant Clearing System. To be valid, such revocation instruction must specify the Notes to which the original Consent Instruction related, the securities account in which such Notes are credited and any other information required by the Tabulation Agent. Any such revocation instruction will only be valid if received by the Tabulation Agent through the relevant Clearing System by the end of the second trading day (on the Euro MTF Market) prior to the date set for any Meeting.

Validity of Consent Instructions for adjourned meetings

Any Consent Instruction received by the Tabulation Agent before the Expiration Deadline (which is not validly revoked) will remain valid for the purposes of any Second Meeting or Third Meeting and, for such purposes, any proxies appointed as a result thereof shall be reappointed for the purposes of any Second Meeting or Third Meeting.

7. Extension, Amendment and Termination

Notwithstanding any other provision of the Consent Solicitation, the Issuer and the Guarantors may, subject to applicable laws, at its option, amend the Consent Solicitation (other than the terms of the relevant Extraordinary Resolution) in any respect.

No material amendment may be made later than 11.00 a.m. (CET) on the fourth Business Day before the relevant initial Meeting.

If any such amendment as is referred to above is made which, in the Issuer's opinion (in consultation with the Solicitation Agents and the Trustee), is materially prejudicial to the interests of the relevant Noteholders, the relevant Extraordinary Resolution will not be presented to the Meeting and a new meeting may be convened by the Issuer to consider a new extraordinary resolution which incorporates those amendments.

The Issuer will ensure that Noteholders are notified of any such amendment or extension as soon as is reasonably practicable thereafter (and in any event not later than 11.00 a.m. (CET) on the fourth Business Day before the initial Meeting) by giving notice using the methods set out in *The Consent Solicitation Notices* above.

The Issuer and the Guarantors also reserve the right to waive any or all of the conditions of the Consent Solicitation as set out in this Consent Solicitation Memorandum subject as set out above.

The Issuer and the Guarantors reserve the right, at their sole discretion, to withdraw any or all of the Proposals at any time before the relevant Meeting(s) (or any Second Meeting or Third Meeting) even if the relevant Extraordinary Resolution is passed. In the event that any Proposals are withdrawn, the relevant Meeting may still be held, but the Issuer and the Guarantors will be under no obligation to give effect to the relevant Extraordinary Resolution.

The Issuer and the Guarantors also reserve the right, at their sole discretion at any time prior to the Expiration Deadline, to terminate the Consent Solicitation.

8. **Governing Law and Forum**

The Consent Solicitation, this Consent Solicitation Memorandum, any Consent Instruction, any Voting Certificate and all contracts resulting therefrom and any non-contractual obligation arising out of or in connection with any of them, shall be governed by the laws of England save for the application of the mandatory provisions of Italian law relating to meetings of Noteholders. Submission by, or on behalf of, a Noteholder of a Consent Instruction constitutes such Noteholder's submission, in relation to all matters arising out of or in connection with the Consent Solicitation, this Consent Solicitation Memorandum, any Consent Instruction and all contracts resulting therefrom and any non-contractual obligation arising out of or in connection with any of them, to the exclusive jurisdiction of the courts of England.

Table of Contents

RISK FACTORS AND OTHER CONSIDERATIONS

Before making a decision with respect to the Consent Solicitation, Noteholders should carefully consider, in addition to the other information contained in this Consent Solicitation Memorandum, the following matters.

Risks and other Considerations Related to the Proposals

All Noteholders of a Series of Notes are bound by the relevant Extraordinary Resolution.

If the Extraordinary Resolution relating to a Series is passed, all Noteholders of such Series will be bound by the Proposals, including those that voted against or abstained from voting on the Proposals. Non-consenting or abstaining Notes of a particular Series, and those who provide a Consent Instruction after the Early Voting Deadline, whilst bound by the Proposals that are applicable to such Series, will not be entitled to payment of any Consent Fee.

The Proposals in respect of each Series are not conditional on the approval of the Extraordinary Resolutions in respect of the other Series.

The Proposals in respect of each Series are independent and are not conditional on the approval of the Extraordinary Resolution in respect of the other Series (or on the passing of any other extraordinary resolution by the holders of any other securities of the Issuer). As such, the Proposals in respect of each Series will be effective if the relevant Extraordinary Resolution is approved, whether or not the Extraordinary Resolution in respect of the other Series (or any other extraordinary resolution by the holders of any other securities of the Issuer) is also approved.

No assurance that the Proposals will take effect.

The Issuer reserves the right in its absolute discretion to withdraw any or all of the Proposals or to refrain from giving effect to the relevant Extraordinary Resolution in respect of each Series of Notes once passed.

Notes held through the Clearing Systems.

In relation to the delivery of electronic Consent Instructions or obtaining Voting Certificates or otherwise making arrangements for the giving of voting instructions, in each case through the Clearing Systems, Noteholders should note the particular practice and policy of the relevant Clearing System, including any earlier deadlines set by such Clearing System.

Voting in respect of the Consent Solicitation.

Noteholders who have acquired their Notes after the Expiration Deadline are not entitled to participate in the Consent Solicitation.

A Noteholder should either deliver or procure delivery on its behalf of a valid Consent Instruction in favour of the relevant Extraordinary Resolution to the Tabulation Agent through the relevant Clearing System before the Early Voting Deadline (and not validly revoke its Consent Instruction) in order to be eligible for the Consent Fee or by the Expiration Deadline (whether in favour or against) in accordance with the terms of this Consent Solicitation Memorandum. Only Direct Participants may validly deliver Consent Instructions. Noteholders who are not Direct Participants should arrange for the Direct Participant through which they hold their Notes to deliver a Consent Instruction on their behalf to the Tabulation Agent through the relevant Clearing System, as more particularly described under *The Consent Solicitation Procedures for Voting*.

Noteholders who have not delivered or arranged for the delivery of a Consent Instruction as provided above but who wish to attend and vote at the relevant Meeting or otherwise give voting instructions may do so by requesting a Voting Certificate or otherwise in accordance with the voting procedures set out in the Notice and the relevant Trust Deed.

Voting after the Expiration Deadline.

The provisions of this Consent Solicitation Memorandum are without prejudice to the rights of Noteholders under the relevant Trust Deed. Accordingly, notwithstanding the Expiration Deadline,

Table of Contents

Noteholders may vote until 19 November 2014 in respect of the relevant initial Meeting, 20 November 2014 in respect of any Second Meeting and 21 November 2014 in respect of any Third Meeting. However, in order to submit a late instruction, Noteholders must contact the Tabulation Agent for further instructions. Additional procedural requirements will apply.

Consent Fee.

Noteholders should note that the Consent Fee is only payable to a Noteholder (that is not a Restricted Owner) who has either delivered or procured delivery on its behalf of a valid Consent Instruction in favour of the relevant Extraordinary Resolution by the Early Voting Deadline and in accordance with the terms of this Consent Solicitation Memorandum and not validly revoked its Consent Instruction.

Noteholders should note that the Consent Fee is payable in two instalments and only in the event that the Payment Conditions are satisfied. See *The Consent Solicitation Consent Fee* for further details.

Only Direct Participants may deliver a valid Consent Instruction to the Tabulation Agent through the relevant Clearing System. To the extent that the beneficial owner of the Notes is not a Direct Participant, the Consent Fee will only be paid to the relevant Direct Participant and such payment to the Direct Participant will satisfy the obligations of the Issuer and the Guarantors, as the case may be, in respect of the payment of the Consent Fee.

Restrictions on the transfer of Notes.

When considering whether to submit a Consent Instruction or to request a Voting Certificate in order to attend and vote at the relevant Meeting in person or through a representative, Noteholders should take into account that restrictions on the transfer of the Notes by Noteholders will apply from the time of such submission or request. Noteholders will, on submitting a Consent Instruction or requesting a Voting Certificate, agree that the relevant Notes will be blocked in the relevant Clearing System with effect from the date on which the Consent Instruction is submitted or the Voting Certificate is requested (as the case may be) until, in the case of a Consent Instruction, the earlier of (i) the date on which the Consent Solicitation is terminated by the Issuer (provided that such termination is more than 48 hours before the time set for the relevant Meeting) and (ii) the conclusion of the relevant Meeting (or, if applicable, any Second Meeting or Third Meeting, subject to valid revocation) or in the case of a Voting Certificate, the earlier of (i) the conclusion of the relevant Meeting (or, if applicable, any Second Meeting or Third Meeting) and (ii) the surrender of the Voting Certificate to the Principal Paying Agent who issued the same and the notification by such Principal Paying Agent to the relevant Clearing System of such surrender or the compliance in such other manner with the rules of the relevant Clearing System.

Responsibility for Complying with the Procedures of the Consent Solicitation.

Noteholders are responsible for complying with all of the procedures for voting. None of the Issuer, the Guarantors, the Solicitation Agents, the Trustee, the Principal Paying Agent and the Tabulation Agent assume any responsibility for informing Noteholders of defects, irregularities or delays with respect to Consent Instructions or Voting Certificates.

Subsequent Offers.

Whether or not the Proposals are approved in respect of the Notes, the Issuer or the Guarantors may at any time make or procure the making of a new proposal to the Noteholders (or any of them) on such terms as they or it may determine. Any such new proposal may be materially less or more favourable to Noteholders.

Holders are responsible for consulting with their advisers.

Holders should consult their own tax, accounting, financial and legal advisers regarding the suitability for themselves of the tax, accounting, financial, legal or other consequences of participating or refraining to participate in the Consent Solicitation.

None of the Issuer, the Guarantors, the Principal Paying Agent, the Solicitation Agents, the Tabulation Agent, the Information Agent, or any director, officer, employee, agent or affiliate of any such person, is acting for any Noteholder, or will be responsible to any Noteholder for providing any protections which would be afforded to its clients or for providing advice in relation to the Solicitation, and accordingly

Table of Contents

none of the Issuer, the Guarantors, the Solicitation Agents, the Tabulation Agent, the Information Agent, or any director, officer, employee, agent or affiliate of any such person, makes any recommendation as to whether Noteholders should consent to the Proposals.

Noteholders are responsible for assessing the merits of the Consent Solicitation.

Each Noteholder is responsible for assessing the merits of the Consent Solicitation. None of the Issuer, the Guarantors, the Solicitation Agents, the Principal Paying Agent, the Tabulation Agent, the Information Agent or the Trustee, nor any director, officer, employee, agent or affiliate thereof, has made or will make any assessment of the merits of the Consent Solicitation or of the impact of the Consent Solicitation on the interests of the Noteholders either as a class or as individuals or makes any recommendation as to whether a Noteholder should consent to the Proposals.

Risks related to the Merger and the Transaction.

For risks related to the Merger and the Transaction, see the Form F-4, as referred to in *Documents Incorporated by Reference* below.

TAX CONSEQUENCES

In view of the number of different jurisdictions where tax laws may apply to a Noteholder, this Consent Solicitation Memorandum does not discuss the tax consequences to Noteholders of the Consent Solicitation or their receipt of the Consent Fee. Noteholders are urged to consult their own professional advisers regarding these possible tax consequences under the laws of the jurisdictions that apply to them. Noteholders are liable for their own taxes and have no recourse to the Issuer, the Guarantors, the Solicitation Agents, the Trustee, the Principal Paying Agent, the Tabulation Agent or the Information Agent with respect to taxes arising in connection with the Consent Solicitation.

The Solicitation Agents may, to the extent permitted by applicable law, have or hold a position in the Notes and make, or continue to make, a market in, or vote in respect of, or act as principal in any transactions in, or relating to, or otherwise act in relation to, the Notes. The Solicitation Agents may also (i) deliver Consent Instructions or attend and vote at a Meeting or otherwise make arrangements to be represented at a Meeting for their own account and (ii) deliver Consent Instructions or attend and vote at a Meeting or otherwise make arrangements to be represented at a Meeting on behalf of other Noteholders.

None of the Solicitation Agents, the Tabulation Agent, the Principal Paying Agent, the Information Agent and any of their respective directors, officers, employees, agents or affiliates is acting for any Noteholder, or will be responsible to any Noteholder for providing any protections which would be afforded to its clients or for providing advice in relation to the Consent Solicitation or the Proposals, and accordingly none of the Solicitation Agents, the Tabulation Agent, the Principal Paying Agent, the Information Agent and any of their respective directors, officers, employees, agents or affiliates makes any representation or recommendation whatsoever regarding the Consent Solicitation or the Proposals, or any recommendation as to whether Noteholders should approve the Proposals.

GENERAL

In accordance with normal practice, the Trustee expresses no opinion as to the merits of the Consent Solicitation or the Proposals (which it was not involved in negotiating). It has, however, authorised it to be stated that, on the basis of the information set out in the Consent Solicitation Memorandum (which it recommends Noteholders to read carefully) and in this Notice, it has no objection to the Extraordinary Resolution referred to above being submitted to the Noteholders for their consideration. The Trustee has, however, not been involved in formulating the Consent Solicitation, the Extraordinary Resolution or the Proposals and makes no representation that all relevant information has been disclosed to Noteholders in the Consent Solicitation Memorandum and this Notice. Accordingly, the Trustee urges Noteholders who are in any doubt as to the impact of the Extraordinary Resolution or the Proposals to seek their own independent financial and legal advice.

The terms and conditions of the Consent Solicitation Memorandum are without prejudice to the right of a Noteholder to attend and vote at the Meeting as set out in this Notice and in the Trust Deed.

The attention of Noteholders is particularly drawn to the quorum required for the Meeting and for any adjourned Meeting which is set out in the paragraph entitled "Voting and Quorum" below.

The Issuer may provide a collective answer to questions on the same subject. It should be noted that, under applicable law, no answer is due, even during the meeting, to questions submitted before the same, when the information requested is already available in "question and answer" form in the ad-hoc section of the website of the Issuer or is otherwise available in the same section of the Issuer's website; for this purpose Noteholders are invited to visit the website www.gtech.com - section Governance - Documents and reports "Noteholders' Meeting 24 November 2014 - Questions & Answers". The Consent Fee will be paid in two instalments, on the First Payment Date and the Final Payment Date, respectively, if the relevant Payment Conditions are satisfied, as follows:

- (a) 0.5 per cent. of the aggregate principal amount of Notes which are the subject of a Consent Instruction in favour of the Extraordinary Resolution will be payable on the First Payment Date, if the First Payment Condition is satisfied; and
- (b) $[2.017 / 4.0]18$ per cent. of the aggregate principal amount of Notes which are the subject of a Consent Instruction in favour of the Extraordinary Resolution will be payable on the Final Payment Date, if the Final Payment Conditions are satisfied.

The provisions governing the convening and holding of the Meetings are set out in Schedule 3 to the Trust Deed, and as further described in the Consent Solicitation Memorandum and below.

All of the Notes are represented by a global note held by a common safekeeper for Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**) or Euroclear Bank S.A./N.V. (**Euroclear**). For the purposes of the Meetings, a **Noteholder** shall mean each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount outstanding of the Notes.

Entitlement to vote and admission to the Meetings

Pursuant to applicable laws, only those Noteholders who hold Notes through their account with the Clearing Systems, as certified by the Clearing Systems on the basis of their internal records, at the close of business on 13 November 2014, being the seventh trading day (on the Euro MTF Market) prior to the date of the initial Meeting (the **Expiration Deadline**), are entitled to participate in the Consent Solicitation.

Admission to vote

Admission of Noteholders to the Meeting and the right to vote thereat is subject to the delivery to the Issuer, by the end of the third trading day (on the Euro MTF Market) prior to the date fixed for the initial Meeting, i.e. 19 November 2014, of a notice issued by an intermediary stating that the relevant Noteholder is entitled to vote on the basis of the internal records of the clearing systems as of the Expiration Deadline. However, the right to attend and vote shall also be legitimate if the notice is received by the Issuer after the third trading day (on the Euro MTF Market) prior to the date fixed for the initial Meeting, provided that it is received before the beginning of the Meeting.

at a Meeting in person or through a representative of their choice, submit a Consent Instruction through Clearstream, Luxembourg or Euroclear to the Tabulation Agent (contact details set out below) instructing the Principal Paying Agent or a Paying Agent to appoint a proxy to attend and vote at such Meeting in accordance with its instructions. A Voting Certificate or Consent Instruction shall be valid until the end of the relevant Meeting. A Voting Certificate and a Consent Instruction cannot be outstanding simultaneously in respect of the same Note.

Voting Certificates and Consent Instructions given in respect of a Meeting (unless surrendered or, as the case may be, revoked not later than the end of the second trading day (on the Euro MTF Market) prior to any Second Meeting or Third Meeting) shall remain valid for such adjourned Meeting.

The Consent Solicitation is not extended to any Noteholder whose participation in the Consent Solicitation would violate the laws of its jurisdiction of residence or domicile or require registration of the Consent Solicitation with any applicable governmental authority in that jurisdiction.

Only Direct Participants may submit a Consent Instruction. If a Noteholder is not a Direct Participant, such Noteholder must arrange for the Direct Participant through which it holds the relevant Notes to submit a Consent Instruction on its behalf to the Tabulation Agent through the relevant Clearing System.

A Noteholder must request the relevant clearing system to block the relevant Notes in such Noteholder's own account and to hold the same to the order or under the control of the Principal Paying Agent in order to obtain Voting Certificates or to give Consent Instructions in respect of such Meeting. Notes so blocked will not be released until the earlier of:

(i) in respect of Voting Certificate(s):

(a) the conclusion of the Meeting (or, if applicable, any adjournment of the Meeting); and

(b) the surrender of the Voting Certificate(s) to the Principal Paying Agent who issued the same and the notification by such Principal Paying Agent to the relevant clearing system of such surrender or the compliance in such other manner with the rules of the relevant clearing system; and

(ii) in respect of Consent Instructions:

(a) the date on which the Consent Solicitation is terminated by the Issuer (provided that such termination is more than 48 hours before the time set for the Meeting);

(b) the date on which the relevant Consent Instruction is validly revoked in accordance with the terms of the Consent Solicitation Memorandum; and

(c) the conclusion of the Meeting (or, if applicable, any Second Meeting or Third Meeting).

For the above purposes, instructions given by a Direct Participant to the Tabulation Agent through Euroclear or Clearstream, Luxembourg will be deemed to be instructions to the Principal Paying Agent.

In order to be eligible for the Consent Fee, Noteholders must deliver or procure delivery of Consent Instructions prior to the Early Voting Deadline. In order to participate in the Consent Solicitation generally, Noteholders must deliver or procure delivery of Consent Instructions prior to the Expiration Deadline.

The provisions of the Consent Solicitation Memorandum are without prejudice to the rights of Noteholders under the relevant Trust Deed. Accordingly, notwithstanding the Expiration Deadline, Noteholders may vote until 19 November 2014 in respect of the relevant initial Meeting, 20 November 2014 in respect of any Second Meeting and 21 November 2014 in respect of any Third Meeting. However, in order to submit a late instruction, Noteholders must contact the Tabulation Agent for further instructions. Additional procedural requirements will apply.

A Block Voting Instruction shall be valid only if deposited at the specified office of the Tabulation Agent or at some other place approved by the Trustee, at least 24 hours before the time fixed for the relevant Meeting or if the Chairman decides otherwise before the Meeting proceeds to business. If the Trustee requires, a notarised copy of each Block Voting Instruction (with an apostille, if applicable) and satisfactory proof of the identity of each proxy named therein shall be produced at the Meeting, but the

Trustee shall not be obliged to investigate the validity of any Block Voting Instruction or the authority of any proxy.

Quorum and adjournment

The quorum required for the initial Meetings of the Noteholders is one or more persons present holding Voting Certificates or being proxies or representatives with Consent Instructions and holding or representing in the aggregate at least 50 per cent. in nominal amount of the Notes for the time being outstanding (as defined in the Trust Deed).

In the event that such quorum is not obtained within fifteen minutes of the commencement of the initial Meeting, the initial Meeting shall stand adjourned and the adjourned initial Meeting shall be held on 25 November 2014 (the **Second Meeting**). At any Second Meeting, the quorum shall be one or more persons present holding Voting Certificates or being proxies or representatives with Voting Certificates and holding or representing in the aggregate more than one third of the aggregate principal amount of the Notes for the time being outstanding. In event that such quorum is not obtained within fifteen minutes of the commencement of any Second Meeting, the Second Meeting shall stand adjourned and the adjourned Second Meeting shall be held on 26 November 2014 (the **Third Meeting**). At any Third Meeting, the quorum shall be one or more persons present holding Voting Certificates or being proxies or representatives with Voting Certificates and holding or representing in the aggregate at least one fifth of the aggregate principal amount of the Notes the time being outstanding.

The majority required to pass the Extraordinary Resolution (including at any Meeting convened following adjournment of the previous Meeting for want of quorum) will be one or more persons holding or representing at least two thirds of the aggregate principal amount of the Notes represented at the meeting.

If passed, the Extraordinary Resolution shall be binding on all Noteholders, whether present or not at the Meeting at which it is passed and whether or not voting, also in accordance with and for the purposes of Article 2503-*bis* of the Italian Civil Code with respect to the Transaction.

NOTICE OF RESULTS

The Issuer will publish the results of the voting on the Extraordinary Resolution on its website (www.gtech.com) and by way of press release within five days of the conclusion of the relevant Meeting, with a copy of the Extraordinary Resolution to be made available within 30 days from the date of approval, provided that non-publication of such result shall not invalidate such result.

PUBLICATION OF THE NOTICE

This notice is being published on the website of the Luxembourg Stock Exchange (www.bourse.lu) and the Issuer's website (www.gtech.com) and will also be distributed to the Noteholders through Euroclear and Clearstream and an extract from the notice will also be published in Italian

in II Sole 24 Ore on 23 October 2014.

Noteholders are advised to check with any broker, dealer, commercial bank, custodian, trust company, account holder or other nominee or trustee through which they hold their Notes when such intermediary would require to receive instructions from a Noteholder in order for that Noteholders to be able to participate at or revoke their instructions to participate at the Meeting before the deadlines set out herein.
