Ref.: Official Letter 3356/2014-SAE

Dear Sirs,

Oi S.A. (hereinafter "Oi" or the "Company") hereby presents the following clarifications in response to the Official Letter 3356/2014-SAE (the "Official Letter"), received by Oi, regarding the news article published in the Brazilian newspaper *Folha de São Paulo* on October 31, 2014, entitled "Claro, Vivo and Oi close deal to purchase TIM (*Claro, Vivo e Oi fecham acordo para comprar TIM*)".

In response to the Official Letter, the Company reiterates that it engaged Banco BTG Pactual S.A. ("BTG Pactual") to act as the Company's agent to develop viable structure and funding alternatives that would enable the Company to be a leading player in the consolidation of the Brazilian telecommunications sector, particularly to develop a viable proposal for the acquisition of the shares of TIM Participações S.A. held by Telecom Italia (the "Transaction"). For this purpose, BTG Pactual has been engaged in conversations with third parties with regard to a possible Transaction.

The Company also clarifies that having discussions with other market participants that may be interested in the Transaction is one of BTG Pactual's roles as the Company's agent in the Transaction.

Nevertheless, the Company clarifies that, to date, there has been no understanding or agreement with respect to the Transaction's structure, and no documents or proposals to enter into a Transaction have been signed.

With respect to its assets in Portugal, the Company confirms that it received a firm offer from Altice S.A. on November 2, 2014 to purchase certain assets of PT Portugal SGPS, S.A. related to its operating activities, as disclosed in the Material Fact dated November 3, 2014. The offer has been delivered to Oi's board of directors, which will analyze the terms and make a decision.

A copy of the Official Letter received by the Company is attached to this response.

Regards,

**Oi S.A.**
