**Item 2.04. Triggering Events that Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.**

As previously disclosed, on May 5, 2015, the Audit Committee of the Board of Directors of Global Power Equipment Group Inc. (the Company), in consultation with its outside advisors and management, concluded that the Company's financial statements for the annual period ended December 31, 2014 should not be relied upon because of accounting errors affecting the fourth quarter of 2014 that were discovered during the first quarter 2015 financial review process. As a result, the Company will restate its previously issued 2014 financial statements. Until the Company has finalized its accounting for the 2014 full year, as well as completed and filed an amendment to the prior report to correct the errors discussed above, the Company will be unable to file its Quarterly Report on Form 10-Q (the Form 10-Q) for the fiscal quarter ended March 29, 2015. While the Company requested a five-day extension to file its Form 10-Q with the United States Securities and Exchange Commission, the Company does not anticipate it will meet the extended deadline.

As a result of the proposed restatement, the Company breached certain provisions of its Credit Agreement, dated February 21, 2012, with Wells Fargo Bank, National Association, as Administrative Agent, U.S. Bank National Association, as Syndication Agent and the various lending institutions (the Lenders) party thereto (as amended or supplemented from time to time, the Credit Agreement). Absent a waiver, the breaches would, among other things, permit the Lenders to accelerate the Company's obligations under the Credit Agreement. The expected failure to timely file the Form 10-Q would also breach certain provisions of the Credit Agreement. In connection with these matters, the Company has also suspended the payment of dividends until further notice and, in all events, until after the Company has become current in its periodic report and financial statement obligations.

The Company has requested that the Lenders provide it with a waiver of all existing breaches of the Credit Agreement provisions and an extension of time to deliver to the Lenders the Company's financial statements for the 2014 full year and the fiscal quarter ended March 29, 2015.

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

Effective May 8, 2015, the Board of Directors of the Company appointed David L. Keller as a member of the Company's Board of Directors until the 2016 Annual Meeting of the Company's stockholders.

There is no arrangement or understanding between Mr. Keller and any other person pursuant to which he was selected as a director of the Company and there are no family relationships between Mr. Keller and any of the Company's directors or executive officers. There are no transactions to which the Company is a party and in which Mr. Keller has a direct or indirect material interest that would be required to be disclosed under Item 404(a) of Regulation S-K.

On May 11, 2015, the Company issued a press release announcing Mr. Keller's appointment as a member of the Board of Directors. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1.

Our actual results, performance or achievements may differ materially from those expressed or implied in the forward-looking statements. volatility of our stock price, deterioration or uncertainty of credit markets, and changes in the economic, social and political conditions in the United States and other countries in which we operate, including fluctuations in foreign currency exchange rates, the banking environment or monetary policy. In addition, additional information may arise during the course of the Company's ongoing accounting review that would require the Company to make additional adjustments or revisions or to restate further the financial statements in the periods described above, and the time required to complete the financial statements and accounting review may cause our results to differ materially from those described in the forward-looking statements. Other important factors that may cause actual results to differ materially from those expressed in the forward-looking statements are discussed in our filings with the Securities and Exchange Commission (the "SEC"), including the section of our Annual Report on Form 10-K filed with the SEC on March 9, 2015 titled "Risk Factors." Except as may be required by applicable law, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, and we caution you not to rely upon them unduly.
