**MATERIAL FACT**

Oi S.A. (Oi or the Company ) hereby informs its shareholders and the market that, at a meeting held on March 23, 2016, the Board of Directors approved an amendment to the Company's Material Act or Fact Disclosure Policy, in order to include the possibility conferred by CVM Instruction No. 547/14, which allows the disclosure of material facts or acts at a newswire website on the world wide web that provides the entire disclosed information in a free-access section.

In this regard, the Company announces that it will hold its publications via the Portal NEO1 (<http://www.portalneo1.net>). Additionally, the Company notes that its material facts or acts, as well as other corporate information, will also continue to be disclosed through the CVM website (<http://www.cvm.gov.br/>), and the Company's Investor Relations website (<http://www.oi.com.br/ir>).

Finally, the Company notes that it will update its Registration Form at the CVM website, in order to reflect the changes herein informed.

Rio de Janeiro, March 24, 2016.

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
