PROXY STATEMENT

ARES DYNAMIC CREDIT ALLOCATION FUND, INC.

ANNUAL MEETING OF STOCKHOLDERS

June 28, 2016

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board", the members of which are referred to as "Directors") of Ares Dynamic Credit Allocation Fund, Inc. ("ARDC" or the "Fund"), a Maryland corporation, for use at the Annual Meeting of Stockholders (the "Meeting"), to be held at the offices of Ares Capital Management II LLC (the "Investment Manager"), 2000 Avenue of the Stars, 12th Floor, Los Angeles, California 90067, on June 28, 2016 at 9:00 a.m., local time, and at any postponements or adjournments thereof.

Proxy solicitations will be made, beginning on or about May 16, 2016, by mail, in person or by telephone or facsimile or other electronic means, by officers of the Fund or personnel of the Investment Manager. Any stockholder authorizing a proxy has the power to revoke it by executing a superseding proxy by telephone, Internet or mail following the process described on the proxy card or by submitting a notice of revocation to the Fund prior to the date of the Meeting or in person at the Meeting. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, "FOR" the election of the nominees as Directors, as described in this Proxy Statement, and at the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting.

A quorum of stockholders is constituted by the presence in person or by proxy of stockholders entitled to cast a majority of the votes entitled to be cast (without regard to class). For purposes of determining the presence of a quorum for transacting business at the Meeting, executed proxies returned without marking a vote on Proposal 1 will be treated as shares that are present for quorum purposes and will be voted "FOR" the election of the nominees as Directors. Abstentions are included in the determination of the number of shares present at the Meeting for purposes of determining the presence of a quorum. **If a stockholder of the Fund is present in person or by proxy at the Meeting but does not cast a vote, the stockholder's shares will count towards a quorum.** In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the Meeting may be adjourned by the chairman of the Meeting (as determined pursuant to the Fund's Bylaws). If a quorum is present, a stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. The chairman of the Meeting may adjourn any meeting of stockholders from time to time to a date not more than 120 days after the original record date without notice other than announcement at the meeting. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified. The Fund may postpone or cancel a meeting of stockholders by making a public announcement (as defined in the Fund's Bylaws) of such postponement or cancellation prior to the meeting. Notice of the date, time, and place to which the meeting is postponed shall be given not less than ten days prior to such date and otherwise in the manner set forth in the Fund's Bylaws.

The Board has fixed the close of business on April 29, 2016 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting and at any postponement or adjournment thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, the Fund had outstanding 23,018,953 shares of common stock.

Management of the Fund knows of no business other than those mentioned in Proposal 1 of the Notice of Meeting, which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy card to vote in accordance with their discretion.

The Fund will furnish, without charge, a copy of its annual report for the fiscal year ended October 31, 2015, and a copy of the most recent semiannual report succeeding the annual report, if any, to any stockholder requesting such report. Requests for an annual or semiannual report should be made in writing to D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005, or by accessing the Fund's website at www.arespublicfunds.com, or by calling (877) 283-0322 or by sending an e-mail to ares@dfking.com.

PROPOSAL 1 ELECTION OF DIRECTORS

The Fund's Articles of Amendment and Restatement provide that the Board shall be divided into three classes: Class I, Class II and Class III. The terms of office of the current Directors of the Fund in each class expire at the Annual Meeting of Stockholders in the year indicated and until their respective successors are duly elected and qualify: Class I, 2017; Class II, 2018; and Class III, 2016. At each subsequent annual election, Directors chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board members.

The terms of Messrs. David A. Sachs and M. Freddie Reiss will expire at the 2016 Annual Meeting of Stockholders of the Fund. At a meeting held on March 17, 2016, the Board nominated Mr. Sachs for election to serve as a Class III Director of the Fund until the Fund's 2019 Annual Meeting of Stockholders and until his successor is duly elected and qualifies. At a meeting held on March 24, 2016, the Board nominated Mr. M. Freddie Reiss for election to serve as a Class III Director of the Fund until the Fund's 2019 Annual Meeting of Stockholders and until his successor is duly elected and qualifies.

The persons named in the accompanying proxy card intend, in the absence of contrary instructions, to vote all proxies "FOR" the election of Messrs. Sachs and Reiss, each to serve for a term for the Fund expiring on the date on which the Annual Meeting of Stockholders is held in 2019, and until his successor is duly elected and qualifies. Each nominee has indicated that he will serve if elected. If a nominee should be unable to serve, an event not currently anticipated, the proxies will be voted for such person, if any, as is designated by the Board to replace the nominee. The election of a Director for the Fund will require the affirmative vote of the holders of a majority of the shares of common stock outstanding and entitled to vote thereon. If you submit a proxy and do not indicate whether your vote should be cast for or against the proposal, your shares will be voted "FOR" the election of the nominees as Directors. The Fund's Directors are not required to attend the Meeting. All of the Directors of the Fund, except for Mr. Reiss (who is newly appointed to the Board), attended the Fund's Annual Meeting of Stockholders held on July 14, 2015.

Information Concerning the Nominees and Members of the Board of Directors

The following table provides information concerning the nominees and other members of the Board. The terms of the Class I and Class II Directors do not expire this year.

During the fiscal year ended October 31, 2015, the Board met seven times. Each Director then serving in such capacity attended at least 75% of the aggregate number of meetings of the Board and of any committee of the Fund of which he is a member.

Leadership Structure, Composition and Role of Board of Directors of the Fund in Risk Oversight

The 1940 Act requires that at least 40% of the Directors be Independent Directors. Certain exemptive rules promulgated under the 1940 Act require that a majority of the Directors be Independent Directors. Currently, three of the five Directors (60%) of the Fund are Independent Directors. The Independent Directors exercise their informed business judgment to appoint an individual of their choosing to serve as Chairman of the Board, regardless of whether the Director happens to be independent or a member of management.

The Board has determined that their leadership structure, in which the Chairman of the Board is an interested person of the Fund, is appropriate because the Independent Directors believe that an interested Chairman has a personal and professional stake in the quality and continuity of services provided by management to the Fund. The Independent Directors have determined that they can act independently and effectively without having an Independent Director serve as Chairman and that a key factor for assuring that they are in a position to do so is for the directors who are independent of management to constitute a majority of the Board. In addition, the Independent Directors have designated a lead Independent Director who chairs meetings or executive sessions of the Independent Directors, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel and between management and the Independent Directors. Bruce H. Spector is the lead Independent Director.

The Board performs its risk oversight function primarily through (a) its two standing committees, the Audit Committee and the Nominating and Governance Committee, which report to the entire Board and are comprised solely of Independent Directors, and (b) monitoring by the Fund's Chief Compliance Officer in accordance with the Fund's compliance policies and procedures. The Board retains the responsibility for: (1) conducting periodic reviews of the Fund's investment portfolio and investment performance, (2) approving and amending the Fund's investment guidelines, (3) approving the appointment and retention terms of the Investment Manager and the Fund's other service providers and officers, and (4) providing risk management oversight by reviewing and monitoring the services and activities provided by the Investment Manager and other service providers and officers.

As described below in more detail under "Committees of the Board of Directors," the Audit Committee and the Nominating and Governance Committee assist the Board in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing the Fund's accounting and financial reporting processes, the Fund's systems of internal controls regarding finance and accounting and audits of the Fund's financial statements and discussing with management the Fund's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Fund's risk assessment and risk management policies. The Nominating and Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by the Fund's stockholders, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and its committees. The Audit Committee and the Nominating and Governance Committee consist solely of Independent Directors.

The Board performs its risk oversight responsibilities with the assistance of the Fund's Chief Compliance Officer. The Fund's Chief Compliance Officer periodically makes reports to the Board regarding the Fund's compliance program and prepares a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of the Fund and certain of the Fund's service providers. The Chief Compliance Officer's report, which is reviewed by the Board, addresses at a minimum: (a) the operation of the compliance policies and procedures of the Fund and certain of the Fund's service providers since the Chief Compliance Officer's last report; (b) any material changes to such policies and procedures since the Chief Compliance Officer's last report; (c) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (d) any material compliance matter that has occurred since the date of the Chief Compliance Officer's last report about which the Board would reasonably need to know to oversee the Fund's compliance activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors at least once each

year.

The Fund believes that the extent of the Board's (and its committees') role in risk oversight complements the Board's leadership structure because it allows the Fund's Independent Directors, through the two fully independent Board committees, a lead Independent Director, executive sessions with the Chief Compliance Officer and auditor and otherwise, to exercise oversight of risk without any conflict that might discourage critical review.

Committees of the Board of Directors

The Board has established an Audit Committee and a Nominating and Governance Committee. The Fund does not have a Compensation Committee because closed-end management investment companies, such as the Fund, are exempt from the requirement to have a compensation committee under the applicable New York Stock Exchange ("NYSE") rules.

Audit Committee. The members of the Audit Committee are M. Freddie Reiss, John J. Shaw and Bruce H. Spector, each of whom is an Independent Director for purposes of the 1940 Act and the NYSE's corporate governance regulations. Mr. Reiss serves as chairman of the Audit Committee. Messrs. Reiss and Shaw have each been determined to be an Audit Committee Financial Expert for the Fund. The Audit Committee is responsible for approving the Fund's independent accountants, reviewing with the Fund's independent accountants the plans and results of the audit engagement, approving professional services provided by the Fund's independent accountants, reviewing the independence of the Fund's independent accountants and advising the Board with respect to the valuation of portfolio assets. The Audit Committee met three times during the fiscal year ended October 31, 2015. The Audit Committee's charter is available on the Fund's website at (www.arespublicfunds.com).

Nominating and Governance Committee. The members of the Nominating and Governance Committee are M. Freddie Reiss, John J. Shaw and Bruce H. Spector, each of whom is an Independent Director for purposes of the 1940 Act and the NYSE's corporate governance regulations. Mr. Spector serves as chairman of the Nominating and Governance Committee. The Nominating and Governance Committee is responsible for selecting, researching and nominating Directors for election by the Fund's stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and its committees. The Nominating and Governance Committee met two times during the fiscal year ended October 31, 2015. The Nominating and Governance Committee's charter is available on the Fund's website at (www.arespublicfunds.com).

The Nominating and Governance Committee may consider recommendations for nomination of individuals for election as Directors from stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by the Fund's Bylaws) and received at the Fund's principal executive offices not earlier than the 150th day nor later than 5:00 p.m., Eastern time, on the 120th day prior to the first anniversary of the date on which the Fund first mailed its proxy materials for the previous year's Annual Meeting of Stockholders; provided, however, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received not earlier than the 150th day prior to the date of such annual meeting nor later than 5:00 p.m., Eastern time, on the later of (a) the 120th day prior to the date of such annual meeting or (b) the 10th day following the day on which public announcement of such meeting date is first made.

Director Qualifications

The Nominating and Governance Committee seeks candidates who possess the background, skills and expertise to make a significant contribution to the Board, the Fund and its stockholders. In considering possible candidates for election as a Director, the Nominating and Governance Committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting Directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;

- have sufficient time available to devote to the affairs of the Fund;
- are able to work with the other members of the Board and contribute to the success of the Fund;
- can represent the long-term interests of the Fund's stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

The Nominating and Governance Committee does not have a formal policy regarding the consideration of diversity in identifying Director candidates. However, the Nominating and Governance Committee may consider whether a potential nominee's professional experience, education, skills, and other individual qualities and

attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations.

The following is a summary of the experience, qualifications, attributes and skills of each Director and Director nominee that support the conclusion that each Director and Director nominee should serve as a Director of the Fund.

The Board believes that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors lead to the conclusion that the Board possesses the requisite attributes and skills. The Board believes that the Directors' ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Investment Manager, other service providers, counsel and the auditor, and to exercise effective business judgment in the performance of their duties, support this conclusion. In addition, the following specific experience, qualifications, attributes and/or skills apply to each Director. The Directors have not set a mandatory retirement age.

Each Director, except for Mr. Spector and Mr. Reiss, has served on the Board of the Fund for approximately three and a half years. Mr. Spector has served on the Board of the Fund for approximately two years, while Mr. Reiss was appointed to the Board of the Fund effective March 25, 2016. Mr. Sachs has substantial experience as a founding member and Senior Partner of Ares Management, L.P. and advising clients with respect to the credit markets. Mr. Brufsky has substantial experience as a founding member and Partner of Ares Management, L.P. and advising clients with respect to the credit markets. Mr. Shaw has substantial experience as a senior executive of an operating company and as a business consultant. Mr. Spector has substantial experience as a senior advisor for a private equity firm, practicing law and advising clients with respect to restructurings, insolvency reorganizations and related bankruptcy matters, and as a business consultant. Mr. Reiss has substantial experience as a partner of an accounting firm, a senior managing director of a consulting firm focused on corporate finance and restructurings, and advising on bankruptcies, reorganizations, business restructuring and in providing expert witness testimony for underperforming companies. References to the experience, qualifications, attributes and skills of Directors are pursuant to requirements of the SEC, do not constitute holding out the Board or any Director as having any special expertise, and shall not impose any greater responsibility or liability on any such person or on the Board.

Broker Non-Votes

Brokers holding shares of the Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 before the Meeting. Under the rules of the NYSE, such brokers may, for certain "routine" matters, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers' request for voting instructions. Proposal 1 is a "routine" matter and, accordingly, beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the election of the nominees as Directors. Consequently, a properly executed proxy card or other authorization by a beneficial owner of shares that does not specify how the beneficial owner's shares should be voted on Proposal 1 may be deemed an instruction to vote such shares in favor of the election of the nominees as Directors.

Stockholder Approval

Election of the listed nominees for Director requires the affirmative vote of the holders of a majority of the shares of common stock outstanding and entitled to vote thereon. If you submit a proxy and do not indicate whether your vote should be cast for or against the proposal, your shares will be voted "FOR" the election of the nominees as Directors.

**THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT THE STOCKHOLDERS VOTE
"FOR" THE ELECTION OF EACH NOMINEE.**

Set forth in the table below are the audit fees and non-audit related fees billed to the Fund by EY for professional services for the fiscal years ended October 31, 2014 and 2015.

EY notified the Audit Committee of all non-audit services that were rendered by EY to the Affiliated Service Providers of the Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X, allowing the Audit Committee to consider whether such services were compatible with maintaining EY's independence.

The Fund expects that a representative of EY will be present at the Meeting, and will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

The Audit Committee has received the written disclosures and the letter on auditor independence from EY required by Independence Standards Board No. 1 (Independence Standards Board No. 1, Independence Discussion with Audit Committees), as may be modified or supplemented, and has discussed with EY its independence. Based on the Audit Committee's review and discussions referred to in the two preceding sentences, the Audit Committee recommended to the Board that the audited financial statements of the Fund for the fiscal year ended October 31, 2015 be included in its annual report to stockholders and that the Fund's annual report be filed with the SEC.
