Cautionary Note Concerning Forward-Looking Statements

We make forward-looking statements in this Current Report on Form 8-K within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements relate to expectations or forecasts for future events and may be preceded by, followed by or include the words may, might, will, will likely result, should, estimate, plan, project, forecast, intend, expect, anticipate, believe, similar expressions. These forward-looking statements are based on information available to us as of the date they were made, and involve a number of risks and uncertainties which may cause them to turn out to be wrong. Accordingly, forward-looking statements should not be relied upon as representing our views as of any subsequent date, and we do not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. As a result of a number of known and unknown risks and uncertainties, Shareco's expected initial equity investment, the negotiation of definitive documentation relating to Shareco's potential additional purchases of the Company's common stock and the potential formation of

a joint venture by the Company and Shareco may be materially different from those expressed or implied by these forward-looking statements. Some factors that could cause actual results to differ include: (i) the potential termination of the Shareco investment agreement in accordance with its terms or the inability to complete the initial equity investment by Shareco due to the failure to satisfy all conditions thereto; (ii) the failure to reach binding or definitive agreements between the parties regarding the additional investment in Company shares by Shareco and/or the formation of the joint venture; (iii) the impact of any changes to the terms of the additional investment in Company shares by Shareco and/or the joint venture agreed to during the negotiation of the related definitive agreements; (iv) the impact of any regulatory reviews regarding the investments in the Company's shares by Shareco and/or the proposed joint venture; (v) if definitive documentation with respect to the investments in the Company's shares by Shareco and/or the joint venture are entered into, the potential termination of such agreements in accordance with their terms or the inability to complete such transactions due to the failure to satisfy all conditions thereto; (vi) uncertainties as to the future operating and financial condition of the joint venture; (vii) difficulties or unanticipated expenses in connection with forming the joint venture; (viii) the Company's ability to manage and obtain the benefits of the activities of the joint venture; (ix) the risk that the joint venture does not perform as planned; (x) the risk that the potential transactions disrupt any of our current plans and operations, including the potential loss of any existing customer, supplier or other vendor relationships in China and elsewhere, and (xi) the impact of any changes in general economic and market conditions. Actual results or outcomes also may differ materially from those implied by the forward-looking statements as a result of the impact of a number of other factors, many of which are discussed in more detail in the Company's public reports filed or to be filed with the Securities and Exchange Commission.
