Cautionary Statements Regarding Forward-Looking Information

*This communication contains certain statements regarding intentions, beliefs and expectations or predictions for the future of CBOE Holdings, Inc. (**CBOE**) and Bats Global Markets, Inc. (**Bats**), which are forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Words such as *believes, expects, anticipates, estimates, intends, plans, seeks, projects* or *will* have similar meaning, or future or conditional verbs, such as *will, should, would, could, may* or variations of such words and similar expressions are intended to identify such forward-looking statements, which are not statements of historical fact or guarantees or assurances of future performance. However, the absence of these words or similar expressions does not mean that a statement is not forward-looking.*

Actual results could differ materially from those projected or forecast in the forward-looking statements. The factors that could cause actual results to differ materially include, without limitation, the following risks, uncertainties or assumptions: the satisfaction of the conditions precedent to the consummation of the proposed transaction, including, without limitation, the receipt of stockholder and regulatory approvals (including clearance by antitrust authorities necessary to complete the proposed transaction) on the terms desired or anticipated; unanticipated difficulties or expenditures relating to the proposed transaction, including, without limitation, difficulties that result in the failure to realize expected synergies, efficiencies and cost savings from the proposed transaction within the expected time period (if at all), whether in connection with integration, combining trading platforms, broadening distribution of offerings or otherwise; CBOE's ability to maintain an investment grade credit rating and obtain financing on the anticipated terms and schedule; risks relating to the value of CBOE's shares to be issued in the transaction; disruptions of CBOE's and Bats' current plans, operations and relationships with market participants caused by the announcement and pendency of the proposed transaction; potential difficulties in CBOE's and Bats' ability to retain employees as a result of the announcement and pendency of the proposed transaction; legal proceedings that may be instituted against CBOE and Bats following announcement of the proposed transaction; and other factors described in CBOE's annual report on Form 10-K for the fiscal year ended December 31, 2015, which was filed with the Securities and Exchange Commission (the "SEC") on February 19, 2016, CBOE's quarterly report for the quarterly period

ended September 30, 2016, which was filed with the SEC on November 8, 2016, CBOE's quarterly report for the quarterly period ended June 30, 2016, which was filed with the SEC on August 2, 2016, Bats' final prospectus, which was filed with the SEC pursuant to Rule 424(b) on April 15, 2016, Bats' quarterly report for the quarterly period ended June 30, 2016, which was filed with the SEC on August 5, 2016, Bats' quarterly report for the quarterly period ended September 30, 2016, which was filed with the SEC on November 8, 2016, and other filings made by CBOE and Bats from time to time with the SEC. The factors described in such SEC filings include, without limitation: the loss of CBOE's rights to exclusively list and trade certain index options and futures products; economic, political and market conditions; compliance with legal and regulatory obligations (and changes thereto), including obligations under agreements with regulatory agencies and potential conflicts between self-regulatory responsibilities and for-profit status; increasing competition in the industries in which CBOE and Bats operate; CBOE's and Bats' ability to operate their respective businesses without violating the intellectual property rights of others and the costs associated with protecting their respective intellectual property rights; decreases in trading volumes or a shift in the mix of products traded on CBOE's or Bats' exchanges; each of CBOE's and Bats' ability to accommodate trading volume and transaction traffic, including significant increases, without failure or degradation of performance of their respective systems; CBOE's and Bats' ability to protect their respective systems and communication networks from security risks and breaches; the ability to manage CBOE's and Bats' growth and strategic acquisitions or alliances effectively, including the ability to realize the anticipated benefits of past acquisitions; the ability to adapt successfully to technological changes to meet customers' needs and developments in the marketplace; and the impact of legal and regulatory changes and proceedings, whether or not related to the proposed transaction.

Neither CBOE nor Bats undertakes, and each of them expressly disclaims, any duty to update any forward-looking statement whether as a result of new information, future events or otherwise, except as required by law. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof.
