**Item 2.02. Results of Operations and Financial Condition**

On February 22, 2017, Envestnet, Inc. (the Company) issued a press release announcing that it will report its results for the fourth quarter and year ended December 31, 2016, upon the completion of the audit of its financial statements.

The Company is currently working to finalize certain accounting matters, primarily related to certain state and local non-income tax obligations. In addition, the Company may conclude that certain control deficiencies exist in internal controls over financial reporting and may represent a material weakness over financial reporting as of December 31, 2016. The resolution of these matters may impact the timing of the filing of the Company's Form 10-K for the year ended December 31, 2016.

The Company is working diligently to complete its financial statements and anticipates releasing its fourth quarter results and holding a conference call to discuss its fourth quarter 2016 results and 2017 outlook as soon as practicable.

The press release also contained updated financial outlook for the fourth quarter ended December 31, 2016.

A copy of the Company's press release referred to above is attached to this report as Exhibit 99.1 and is incorporated herein by reference.
