TERMS AND CONDITIONS OF THE TENDER OFFER

Object of the Tender Offer

Nokia Solutions and Networks Oy (the Offeror) offers to acquire all of the issued and outstanding shares (the Shares or, individually, a Share) in Comptel Corporation (the Company) and all of the option rights granted under the 2014 option plan of the Company (the 2014 Option Rights) and under the 2015 option plan of the Company (the 2015 Option Rights), and together with the 2014 Option Rights, the Option Rights or, individually, an Option Right) that are not held by the Company or any of its subsidiaries on the terms and subject to the conditions set forth below (the Tender Offer).

Nokia Corporation (Nokia) has guaranteed as for its own debt the performance of all of the Offeror's obligations in relation to the Tender Offer, including the payment of any offer consideration.

According to the terms and conditions of the Company's 2014 Option Rights, should anyone make a public tender offer for all the Shares, Option Rights and other special rights entitling to Shares issued by the Company, a holder of the 2014 Option Rights may assign all the 2014 Option Rights held by him or her to the offeror, although the transfer right defined in the terms and conditions of the 2014 Option Rights had not yet begun. According to the terms and conditions of the Company's 2015 Option Rights, the 2015 Option Rights are transferable when the relevant share subscription period of the 2015 Option Rights has begun. On the date of this Tender Offer Document the share subscription period with respect to the 2015 Option Rights has not yet begun. The Board of Directors of the Company may, however, permit the transfer of the 2015 Option Rights also before the beginning of the share subscription period. Under the transaction agreement regarding the Tender Offer, entered into by Nokia and the Company on 8 February 2017, (the Transaction Agreement), the Board of Directors of the Company has undertaken to grant a permission to the holder of the 2015 Option Rights to transfer his 2015 Option Rights by accepting the Tender Offer and tendering the 2015 Option Rights into the Tender Offer in accordance with the terms and conditions thereof.

Offer Price

The offer price for each Share validly tendered in accordance with the terms and conditions of the Tender Offer is EUR 3.04 in cash (the Share Offer Price). However, should the Company resolve on any distribution of dividends or other assets after the signing date of the Transaction Agreement (Distribution), and should the record date of any such Distribution fall before any or all of the settlements of the completion trades (whether after the expiry of the Offer Period (as defined below) or any Subsequent Offer Periods (as defined below)) under the Tender Offer, the Share Offer Price shall be reduced by an amount equal to any and each such Distribution per Share, whereby the offer price so reduced shall constitute the Share Offer Price as defined under these terms and conditions of the Tender Offer.

The offer price for each Option Right validly tendered in accordance with the terms and conditions of the Tender Offer is: EUR 2.56 in cash for each 2014A Option Right, EUR 2.16 in cash for each 2014B Option Right, EUR 1.53 in cash for each 2014C Option Right, EUR 2.15 in cash for each 2015A Option Right and EUR 2.15 in cash for each 2015B Option Right (the Option Right Offer Price). Any Distribution by the Company shall not affect the Option Right Offer Price.

Offer Period

The offer period under the Tender Offer (**Offer Period**) commences on 27 February 2017 at 9:30 a.m. (Finnish time) and expires on 29 March 2017 at 4:00 p.m. (Finnish time), unless the Offer Period is extended as set forth below.

The Offer Period may be extended by the Offeror (i) from time to time until the Closing Conditions (as defined below) have been fulfilled or waived and (ii) with a Subsequent Offer Period (as defined below) in connection with the announcement of the final result of the Tender Offer whereby the Offeror also declares the Tender Offer unconditional, all as set forth below.

The Offeror will give notice of a possible extension of the Offer Period through a stock exchange release at the latest on 30 March 2017. The Offeror will give notice of a possible extension of an already extended Offer Period at the latest on the first Finnish banking day following the expiry of the extended Offer Period.

If the Offeror extends the Offer Period, the Offer Period will expire on the date and at the time to which the Offeror extends the Offer Period unless the extended Offer Period is discontinued as set forth below. The maximum duration of the Offer Period (including any extended Offer Period) is ten (10) weeks. However, if the Closing Conditions (as defined below) have not been fulfilled due to a particular obstacle such as, for example, pending approval by a competition authority, the Offeror may extend the Offer Period beyond ten (10) weeks until such obstacle has been removed and the Offeror has had a reasonable time to respond to the situation. The date of the expiry of the extended Offer Period will in such case be published at least two (2) weeks before such expiry. Further, any Subsequent Offer Period (as defined below) may extend beyond ten (10) weeks.

The Offeror may discontinue any extended Offer Period should all the Closing Conditions (as defined below) be fulfilled or waived by the Offeror before the expiry of the extended Offer Period and execute the sale and purchase of the Shares and Option Rights validly tendered in accordance with its terms and not properly withdrawn in accordance with sections *Terms of Payment and Settlement of Shares* and *Terms of Payment and Settlement of Option Rights* below. Should the Offeror discontinue the extended Offer Period, the Offeror will announce its decision thereon through a stock exchange release as soon as possible after such decision has been made and in any case at least two (2) weeks before the expiry of the extended Offer Period to be discontinued. If the Offeror discontinues the extended Offer Period, the extended Offer Period will expire on such earlier date and at the time indicated in such announcement made by the Offeror.

The Offeror also reserves the right to extend the Offer Period in connection with the announcement of the final result of the Tender Offer as set forth in section *Announcement of the Result of the Tender Offer* (such extended Offer Period shall be referred to as the **Subsequent Offer Period**). In the event of such Subsequent Offer Period, the Subsequent Offer Period will expire on the date and at the time determined by the Offeror in the final result announcement. The expiration of a Subsequent Offer Period will be announced at least two (2) weeks before the expiration of such Subsequent Offer Period.

Conditions to Completion of the Tender Offer

The obligation of the Offeror to accept for payment the tendered Shares and Option Rights and to complete the Tender Offer shall be subject to the fulfillment or, to the extent permitted by applicable law, waiver by the Offeror of the following conditions (jointly the **Closing Conditions**) on or prior to the date of the Offeror's announcement of the final result of the Tender Offer:

- 1) the valid tender of Shares representing, together with any other Shares otherwise acquired by the Offeror or Nokia prior to the final result announcement, more than ninety percent (90%) of the issued and outstanding Shares and voting rights of the Company on a fully diluted basis (i.e. taking into consideration the effect of the conversion of any and all Option Rights into shares in the Company) and calculated in accordance with Chapter 18 Section 1 of the Finnish Companies Act;
- 2) the receipt of all necessary regulatory approvals, permits and consents, including without limitation competition clearances (if any), and that any conditions set in such permits, consents or clearances, including, but not limited to, any requirements for the disposal of any assets of the Offeror, Nokia or the Company or any reorganization of the business of the Offeror, Nokia or the Company, are acceptable to the Offeror in that they are not materially adverse to the Offeror, Nokia or the Company in view of the Tender Offer or the benefits of the transaction

contemplated thereby;

3) no Material Adverse Change (as defined below) having occurred after date of signing the Transaction Agreement;

4) the Offeror or Nokia not, after the date of signing the Transaction Agreement, having received information previously undisclosed to them that constitutes a Material Adverse Change (as defined below), that occurred prior to the date of signing the Transaction Agreement;

5) no information made public by the Company or disclosed by the Company to Nokia or the Offeror being materially inaccurate, incomplete, or misleading, and the Company not having failed to make public any information that should have been made public by it under applicable laws, including the rules of Nasdaq Helsinki, provided that, in each case, the information made public, disclosed or not disclosed or the failure to disclose information constitutes a Material Adverse Change (as defined below);

- 6) no court or regulatory authority of competent jurisdiction having given an order or issued any regulatory action preventing, or materially challenging the completion of, the Tender Offer;
- 7) the Board of Directors of the Company having issued its recommendation for the Tender Offer and the recommendation remaining in force and not being modified or changed in a manner detrimental to the Offeror or Nokia;
- 8) the Transaction Agreement not having been terminated and remaining in force; and
- 9) the undertaking by each of the Major Shareholders to accept the Tender Offer remaining in force in accordance with its terms.

Material Adverse Change means (a) any divestment or reorganization of all or any material part of the assets of the Company and its affiliated entities, taken as whole, or (b) any event, condition, circumstance, development, occurrence, change, effect or fact (each a **Effect**) that individually or in the aggregate, has, results in or would reasonably be expected to have or result in a material adverse effect on the business, assets, financial condition or results of operations of the Company and its affiliated entities, taken as a whole, excluding:

- 1) any Effect in political, financial, industry, economic or regulatory conditions generally, so long as such Effect does not have a disproportionate effect on the Company relative to other industry participants;
- 2) any Effect resulting from or caused by natural disasters, outbreak of major hostilities or any act of war or terrorism so long as such Effect does not have a disproportionate effect on the Company relative to other industry participants;
- 3) any Effect resulting from any actions taken by the Company at the express request or direction of the Offeror or Nokia; or
- 4) any Effect attributable to (i) an act or omission carried out or omitted by the Offeror or Nokia in connection with the Tender Offer or (ii) the Tender Offer (for the sake of clarity, including but not limited to Effects arising out of the announcement of, entry into, pendency of, anticipated completion of actions required or contemplated by or performance of obligations under, the Transaction Agreement and the transactions contemplated thereby or the identity of the parties to the Transaction Agreement).

Edgar Filing: NOKIA CORP - Form 6-K

Under no circumstances shall any Material Adverse Change be deemed to exist to the extent the Effect causing the alleged Material Adverse Change has been publicly disclosed in any of the Company's stock exchange releases (including any publicly disclosed annual or interim reports) published during the three (3) years preceding the date of signing the Transaction Agreement or has been fairly disclosed in the due diligence information provided by the Company to Nokia or the Offeror prior to the date of signing the Transaction Agreement.

The Offeror reserves the right to withdraw the Tender Offer in the event that any of the above Closing Conditions is not fulfilled.

The Offeror can only invoke any of the Closing Conditions so as to cause the Tender Offer not to proceed, to lapse or to be withdrawn if the circumstances which give rise to the right to invoke the relevant Closing Condition have a significant meaning to the Offeror or Nokia in view of the Tender Offer, as referred to in the Regulations and Guidelines 9/2013 (as may be amended or re-enacted from time to time) issued by the Finnish Financial Supervisory Authority and the Helsinki Takeover Code.

The Closing Conditions set out herein are the exhaustive conditions for the completion of the Tender Offer.

The Offeror reserves the right to waive, to the extent permitted by applicable law, any of the Conditions to Completion that have not been satisfied.

Obligation to increase the Tender Offer or to pay compensation

The Offeror reserves the right to acquire Shares and/or Option Rights also in public trading on Nasdaq Helsinki or otherwise during and after the Offer Period (including any extension thereof) and any Subsequent Offer Period or otherwise outside the Tender Offer.

If the Offeror or any party referred to in Chapter 11, Section 5 of the Finnish Securities Market Act acquires, before the expiry of the Offer Period, Shares and/or Option Rights at a higher price than the Share Offer Price and/or the Option Right Offer Price or otherwise on terms that are more favourable than those of the

Tender Offer, the Offeror must according to Chapter 11, Section 25 of the Finnish Securities Market Act amend the terms and conditions of the Tender Offer to correspond to this acquisition on more favourable terms (*obligation to increase the offer*). The Offeror shall then, without delay, make public the triggering of the obligation to increase the offer and pay, in connection with the completion of the Tender Offer, and in addition to the Share Offer Price and/or the Option Right Offer Price, the difference between the more favourable acquisition terms and the consideration offered in the Tender Offer to the holders of securities who have accepted the Tender Offer.

If the Offeror or any party referred to in Chapter 11, Section 5 of the Finnish Securities Market Act acquires, during the nine (9) months following the expiry of the Offer Period, Shares and/or Option Rights at a higher price than the Share Offer Price and/or the Option Right Offer Price or otherwise on terms that are more favorable than those of the Tender Offer, the Offeror must according to Chapter 11, Section 25 of the Finnish Securities Market Act compensate those holders of securities who have accepted the Tender Offer for the amount equal to the difference between the more favorable acquisition terms and the consideration offered in the Tender Offer (*obligation to compensate*). The Offeror shall then, without delay, make public the triggering of the obligation to compensate and pay the difference between the more favorable acquisition terms and the consideration offered in the Tender Offer within one month after the triggering of the obligation to compensate to the holders of securities who have accepted the Tender Offer.

According to Chapter 11, Section 25, Subsection 5 of the Finnish Securities Market Act, the obligation to compensate shall, however, not be triggered in case the payment of a higher price than the Share Offer Price (or the Option Right Offer Price) is based on an arbitral award pursuant to the FCA, provided that the Offeror or any party referred to in Chapter 11, Section 5 of the Finnish Securities Market Act has not offered to acquire Shares (or Option Rights) on terms that are more favorable than those of the Tender Offer before or during the arbitral proceedings.

Acceptance Procedure of the Tender Offer

Shares

The Tender Offer must be accepted separately for each book-entry account. A shareholder of the Company giving the acceptance must have a cash account in a financial institution operating in Finland or abroad. A shareholder may only accept the Tender Offer unconditionally and for every Share on the book-entry account mentioned in the acceptance form on the date and time of the execution of the sale and purchase of the Shares. Acceptance given during the Offer Period is effective also until the end of any extended Offer Period.

Most of the Finnish book-entry account operators will send a notification of the Tender Offer, including instructions and the relevant acceptance form to their customers who are registered as shareholders in the shareholders' register of the Company maintained by Euroclear Finland Ltd. (**Euroclear**). Shareholders who do not receive such notification from their account operator or asset manager can contact any branch office of Nordea Bank AB (publ), Finnish Branch (**Nordea Bank**) where such shareholders shall receive necessary information and can give their acceptance.

Edgar Filing: NOKIA CORP - Form 6-K

A shareholder in the Company whose shareholdings are registered in the name of a nominee and who wishes to accept the Tender Offer shall effect such acceptance in accordance with the nominee's instructions. The Offeror will not send acceptance forms or other documents related to the Tender Offer to such shareholders in the Company.

Pledged Shares may only be tendered with the consent of the relevant pledgee. The obtaining of such consent shall be the responsibility of the relevant shareholder in the Company. The consent by the pledgee shall be delivered in writing to the account operator.

A shareholder in the Company who is registered as a shareholder in the shareholders' register of the Company and who wishes to accept the Tender Offer shall submit a properly completed and duly executed acceptance form to the account operator managing the shareholder's book-entry account in accordance with its instructions and within the time limit set by the account operator or, in the case such account operator does not accept acceptance forms (e.g. Euroclear), such shareholder shall contact any branch office of Nordea Bank to give his/her acceptance to tender the Shares. The acceptance form shall be submitted so that it is received during the Offer Period or, if the Offer Period has been extended, during such extended Offer Period, however, always in accordance with the instructions of the relevant account operator. In the event of a Subsequent Offer Period, the acceptance form shall be submitted so that it is received during the

Subsequent Offer Period, however, always in accordance with the instructions of the relevant account operator.

The method of delivery of acceptance forms is at the shareholder's option and risk, and the delivery will be deemed made only when actually received by the relevant account operator or Nordea Bank. The Offeror reserves the right to reject any acceptance given in an incorrect or incomplete manner. The Offeror may also reject any partial tender of the Shares per book-entry account.

By accepting the Tender Offer, the shareholder of the Company authorizes Nordea Bank or a party authorized by Nordea Bank or the account operator managing the shareholder's book-entry account to enter a transfer restriction or a sales reservation on the shareholder's book-entry account after the shareholder has delivered its acceptance of the Tender Offer. In addition, the shareholder who has accepted the Tender Offer authorizes Nordea Bank or a party authorized by Nordea Bank or the account operator managing the shareholder's book-entry account to perform the necessary entries and to take all other actions required to technically execute the Tender Offer and to sell all the Shares held at such book-entry account at the time of the execution of trades under the Tender Offer to the Offeror in accordance with the terms and conditions of the Tender Offer.

A shareholder that has validly accepted the Tender Offer and that has not properly withdrawn its acceptance in accordance with the terms and conditions of the Tender Offer may not sell or otherwise dispose of its tendered Shares. A transfer restriction in respect of the Shares will be registered in the relevant book-entry account after a shareholder has submitted the acceptance for the Tender Offer. If the Tender Offer is not completed or if the tender is properly withdrawn by the shareholder in accordance with the terms and conditions of the Tender Offer, the transfer restriction registered on the tendered Shares in the relevant book-entry account will be removed as soon as possible and within approximately three (3) Finnish banking days following the announcement that the Tender Offer will not be completed or the receipt of a notice of withdrawal in accordance with the terms and conditions of the Tender Offer.

Option Rights

2014A Option Rights and 2014B Option Rights registered in the Finnish book-entry securities system

Pursuant to the terms and conditions of the 2014 Option Rights, the share subscription period has with respect to the Option Rights belonging to the series 2014A begun on 1 February 2016, and to the series 2014B begun on 1 February 2017, and these Option Rights have been registered in the Finnish book-entry system. The acceptance procedure described here only applies to the 2014A Option Rights and the 2014B Option Rights.

The Tender Offer must be accepted separately for each book-entry account. A holder of Option Rights of the Company giving the acceptance must have a cash account in a financial institution operating in Finland or abroad. A holder of Option Rights may only accept the Tender Offer unconditionally and for every Option Right on the book-entry account mentioned in the acceptance form on the date and time of the execution of the sale and purchase of the Option Rights. Acceptance given during the Offer Period is effective also until the end of any extended Offer Period.

Edgar Filing: NOKIA CORP - Form 6-K

Most of the Finnish book-entry account operators will send a notification of the Tender Offer, including instructions and the relevant acceptance form to their customers who are holders of Option Rights. Holders of Option Rights who do not receive such notification from their account operator or asset manager can contact any branch office of Nordea Bank where such holders of Option Rights shall receive necessary information and can give their acceptance.

A holder of Option Rights whose holdings are registered in the name of a nominee and who wishes to accept the Tender Offer shall effect such acceptance in accordance with the nominee's instructions. The Offeror will not send acceptance forms or other documents related to the Tender Offer to such holders of Option Rights in the Company.

Pledged Option Rights may only be tendered with the consent of the relevant pledgee. The obtaining of such consent shall be the responsibility of the relevant holder of Option Rights. The consent by the pledgee shall be delivered in writing to the account operator.

A holder of Option Rights who wishes to accept the Tender Offer shall submit a properly completed and duly executed acceptance form to the account operator managing the holder's book-entry account in accordance with its instructions and within the time limit set by the account operator or, in the case such

account operator does not accept acceptance forms (e.g. Euroclear), such holder of Option Rights can contact any branch office of Nordea Bank to give his/her acceptance to tender the Option Rights. The acceptance form shall be submitted so that it is received during the Offer Period or, if the Offer Period has been extended, during such extended Offer Period, however, always in accordance with the instructions of the relevant account operator. In the event of a Subsequent Offer Period, the acceptance form shall be submitted so that it is received during the Subsequent Offer Period, however, always in accordance with the instructions of the relevant account operator.

The method of delivery of acceptance forms is at the option and risk of the holder of Option Rights, and the delivery will be deemed made only when actually received by the relevant account operator or Nordea Bank. The Offeror reserves the right to reject any acceptance given in an incorrect or incomplete manner. The Offeror may also reject any partial tender of the Option Rights per book-entry account.

By accepting the Tender Offer, the holder of Option Rights authorizes Nordea Bank or a party authorized by Nordea Bank or the account operator managing the holder's book-entry account to enter a transfer restriction or a sales reservation after the holder of Option Rights has delivered its acceptance of the Tender Offer. In addition, the holder of Option Rights who has accepted the Tender Offer authorizes Nordea Bank or a party authorized by Nordea Bank or the account operator managing the holder's book-entry account to perform the necessary entries and to take all other actions required to technically execute the Tender Offer and to sell all the Option Rights held at such book-entry account at the time of the execution of trades under the Tender Offer to the Offeror in accordance with the terms and conditions of the Tender Offer.

A holder of Option Rights that has validly accepted the Tender Offer and that has not properly withdrawn its acceptance in accordance with the terms and conditions of the Tender Offer may not sell or otherwise dispose of its tendered Option Rights. A transfer restriction in respect of the Option Rights will be registered in the relevant book-entry account after a holder of Option Rights has submitted the acceptance for the Tender Offer. If the Tender Offer is not completed or if the tender is properly withdrawn by the holder of Option Rights in accordance with the terms and conditions of the Tender Offer, the transfer restriction registered on the tendered Option Rights in the relevant book-entry account will be removed as soon as possible and within approximately three (3) Finnish banking days following the announcement that the Tender Offer will not be completed or the receipt of a notice of withdrawal in accordance with the terms and conditions of the Tender Offer.

2014C Option Rights, 2015A Option Rights and 2015B Option Rights not registered in the Finnish book-entry securities system

Pursuant to the terms and conditions of the Option Rights, the share subscription period has not begun with respect to the Option Rights belonging to the series 2014C, 2015A and 2015B and these Option Rights have not been registered in the Finnish book-entry system. The acceptance procedures described herein apply only to the series 2014C, 2015A and 2015B Option Rights.

A holder of Option Rights of the Company not registered in the Finnish book-entry securities system may only accept the Tender Offer for all Option Rights held by him/her on the date of the execution of the sale and purchase of the Option Rights. A holder of Option Rights must have a cash account in a financial institution operating in Finland or abroad.

Edgar Filing: NOKIA CORP - Form 6-K

Nordea Bank will send a notification of the Tender Offer, including instructions and the relevant acceptance form, to all holders of Option Rights who are registered at the beginning of the Offer Period to the registry of holders of Option Rights held by the Company. The notification and instructions are sent to the address stated in such registry. If the holder of Option Rights does not receive such notification and acceptance form from Nordea Bank, or if the instructions and acceptance form cannot be sent because the address of the holder of Option Rights is unknown, the holder of Option Rights can contact the Company which shall instruct the holder of Option Rights on giving his/her acceptance.

Pledged Option Rights may only be tendered with the consent of the relevant pledgee. The obtaining of such consent shall be the responsibility of the relevant holder of Option Rights. The consent by the pledgee shall be delivered in writing together with the acceptance form.

A holder of Option Rights who wishes to accept the Tender Offer shall submit a properly completed and duly executed acceptance form in accordance with the instructions and within the time limit set by Nordea Bank.

The acceptance form shall be submitted so that it is received during the Offer Period or, if the Offer Period has been extended, during such extended Offer Period, however, always in accordance with the instructions of Nordea Bank. In the event of a Subsequent Offer Period, the acceptance form shall be submitted so that it is received during the Subsequent Offer Period, however, always in accordance with the instructions of Nordea Bank. Nordea Bank may set a separate time limit for delivering the acceptance form that ends already before the expiry of the Offer Period, the extended Offer Period or the Subsequent Offer Period.

The method of delivery of acceptance forms is at the option and risk of the holder of Option Rights, and the delivery will be deemed made only when actually received by Nordea Bank. The Offeror reserves the right to reject any acceptance given in an incorrect or incomplete manner. The Offeror may also reject any partial tender of the Option Rights held by a holder of Option Rights.

A holder of Option Rights that has validly accepted the Tender Offer may not sell or otherwise dispose of its tendered Option Rights. By accepting the Tender Offer, the holder of Option Rights authorizes Nordea Bank to sell his/her Option Rights to the Offeror in accordance with the terms and conditions of the Tender Offer.

Withdrawal Rights

In accordance with the Chapter 11, Section 16, Subsection 1 of the Finnish Securities Market Act, the acceptances for the Shares and the Option Rights validly tendered in accordance with the terms and conditions of the Tender Offer may be withdrawn at any time during the Offer Period or, if the Offer Period has been extended, during such extended Offer Period, until the Offeror has announced that all the Conditions to Completion have been fulfilled by the Offeror or the Offeror has waived the right to invoke them, thereby declaring the Tender Offer unconditional. After such announcement, the acceptances for the Shares and the Option Rights already tendered may no longer be withdrawn except in the event that a third party announces a competing public tender offer for the Shares and the Option Rights before the execution of the sale and purchase of the Shares and the Option Rights in accordance with sections *Terms of Payment and Settlement of Shares* and *Terms of Payment and Settlement of Option Rights* below. The holders of the Shares and/or the Option Rights validly tendered may also withdraw their acceptance during the Offer Period if the Offer Period has lasted over ten (10) weeks and the Tender Offer has not been completed.

The proper withdrawal of the acceptance for the Shares and/or the Option Rights validly tendered requires that a written notice of withdrawal is submitted to the same account operator to whom the acceptance form with respect to such Shares and/or Option Rights was submitted. In case the acceptance form with respect to Shares and/or Option Rights was submitted to Nordea Bank, the notice of withdrawal must be submitted to Nordea Bank. In case of holdings that are registered in the name of a nominee, the holders of Shares or Option Rights shall instruct the nominee to submit the notice of withdrawal.

If a holder of Shares or Option Rights registered in the Finnish book-entry securities system withdraws his/her acceptance of the Tender Offer in accordance with the terms and conditions of the Tender Offer, the transfer restriction registered on the tendered Shares and Option Rights in the

Edgar Filing: NOKIA CORP - Form 6-K

relevant book-entry account will be removed as soon as possible and within approximately three (3) Finnish banking days following the receipt of a notice of withdrawal in accordance with the terms and conditions of the Tender Offer. As for the Option Rights not registered in the book-entry securities system, Nordea Bank will send a proof of the withdrawal to the relevant holder of Option Rights to the address registered to the registry of holders of Option Rights held by the Company in case of a possible withdrawal of the acceptance of the Tender Offer in accordance with the terms and conditions of the Tender Offer.

Shares and/or Option Rights for which an acceptance is withdrawn may be re-tendered by following the acceptance procedures described in section *Acceptance Procedure of the Tender Offer* above at any time prior to the expiry of the Offer Period or, if the Offer Period has been extended, prior to the expiry of such extended Offer Period or during the Subsequent Offer Period, if any.

The account operator managing the relevant book-entry account or the nominee may charge a fee for withdrawals in accordance with its price list.

In the event of a Subsequent Offer Period, the acceptance of the Tender Offer shall be binding and cannot be withdrawn, unless otherwise provided under mandatory law.

The announcement of the final result will confirm (i) the percentage of the Shares and the Option Rights that have been validly tendered and not properly withdrawn and (ii) whether the Tender Offer will be completed.

In the event of a Subsequent Offer Period, the Offeror will announce the initial percentage of the Shares and the Option Rights validly tendered during the Subsequent Offer Period on or about the first (1st) Finnish banking day following the expiry of the Subsequent Offer Period and the final percentage on or about the third (3rd) Finnish banking day following the expiry of the Subsequent Offer Period.

The sale and purchase of the Shares will take place on Nasdaq Helsinki if permitted by the rules applicable to securities trading on Nasdaq Helsinki. Otherwise, the sale and purchase of the Shares will take place outside of Nasdaq Helsinki.

The payment of the Share Offer Price will be made on the Settlement Date into the bank account connected to the shareholder's book-entry account or, in the case of shareholders whose holdings are registered in the name of a nominee, into the bank account specified by the custodian or nominee. In any case, the Share Offer Price will not be paid to a bank account situated in United States, Canada, Japan, Australia, South Africa or Hong Kong or any other jurisdiction where the Tender Offer is not to be made (see section *Important information*), and all guidance from custodians or nominees specifying bank accounts in such jurisdictions will be rejected. The Offeror will pay the transfer taxes, if any, relating to the sale and purchase of the Shares and Option Rights in connection with the completion of the Tender Offer. The Offeror will not, however, be responsible for payment of such transfer tax, where the tax liability is based on the Finnish Tax Administration's position on taxation of employment based options stated in its guidance (record no.
