**Explanatory Note**

On March 10, 2017, Fossil Group, Inc. filed with the Securities and Exchange Commission a Current Report on Form 8-K, dated March 10, 2017 (the "Form 8-K"). The Form 8-K inadvertently included an incorrect date for the maturity date of the credit agreement. The purpose of this Current Report on Form 8-K/A is to correct this date.

**Item 1.01 Entry into a Material Definitive Agreement.**

On March 10, 2017, Fossil Group, Inc. (the "Company"), as borrower, entered into a Second Amendment to Amended and Restated Credit Agreement (the "Second Amendment") with certain lenders party thereto, Wells Fargo Bank, National Association, as administrative agent, swingline lender and issuing lender, Bank of America, N.A. and JPMorgan Chase Bank, N.A., as syndication agents, HSBC Bank USA, National Association, Compass Bank and Fifth Third Bank, as documentation agents, and Wells Fargo Securities, LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and JPMorgan Chase Bank, N.A., as joint lead arrangers and joint bookrunners.

The Second Amendment reduces the revolving credit commitment available under the Company's existing credit agreement to \$850,000,000. The Second Amendment also removes the incremental term loan that was available under the credit agreement, extends the maturity date of the credit agreement to May 17, 2019 and removes the Company's ability to make offers to the lenders to extend the maturity date of the term loan or of the revolving credit commitment.

The Second Amendment amends the amortization schedule for the repayment of the term loan and requires the Company to make monthly payments of the outstanding principal amount of the term loan on the last business day of each month commencing on April 30, 2018. On and after April 1, 2018, interest on the term loan that is calculated by reference to the base rate will be due and payable in arrears on the last business day of each calendar month, and interest on the term loan that is calculated by reference to the LIBOR rate will be due and payable on the last day of the applicable interest period; provided, that if such interest period extends for over one month, then interest will be due and payable at the end of each one month interval during such interest period. The Second Amendment also amends the mandatory prepayment provisions under the credit agreement and provides that to the extent there are excess proceeds remaining from the issuance of debt by the Company following the repayment in full of the term loan, the Company is required to repay the revolving credit facility in the amount of such excess proceeds, with a corresponding permanent reduction in the revolving credit commitment in the amount of up to \$50,000,000.

The Second Amendment amends the applicable margin used to calculate the interest rate that is applicable to base rate loans and LIBOR rate loans under the Company's credit agreement and provides that the interest rate margin for base rate loans is 2.50% per annum and the interest rate margin for LIBOR rate loans is 3.50% per annum; provided that, if the Company's term loan under the credit agreement has not been repaid in full on or prior to October 1, 2017, then on such date, the applicable margin will automatically increase to 2.75% per annum for base rate loans and 3.75% per annum for LIBOR rate loans; provided further that if the term loan has not been repaid in full on or prior to March 31, 2018, then on such date, the applicable margin will automatically increase to 3.25% per annum for base rate loans and 4.25% per annum for LIBOR rate loans. The Second Amendment also changes the commitment fee payable by the Company with respect to the revolving credit facility to 0.50% per annum. The Company will incur an additional fee of 0.25% times the outstanding principal amount of the total credit exposure under the credit agreement if the term loan has not been repaid in full on or prior to March 31, 2018. Furthermore, the Second Amendment changes the consolidated total leverage ratio that the Company must comply with as set forth below:
