Item 1.01. Entry into a Material Definitive Agreement.

On October 30, 2017, SL Green Realty Corp. (the Company), SL Green Operating Partnership, L.P. (SL Green OP), the Company's operating partnership, and Reckson Operating Partnership, L.P. (Reckson), a wholly-owned subsidiary of SL Green OP, as co-obligors (collectively, the Co-Obligors), completed the issuance of \$100 million aggregate principal amount of their 4.50% Senior Notes due 2022 (the New Notes) pursuant to an underwriting agreement (the Underwriting Agreement), dated October 26, 2017, by and among the Co-Obligors and Wells Fargo Securities, LLC, as representative of the underwriters listed therein (the Underwriters), whereby the Co-Obligors agreed to sell to the Underwriters, and the Underwriters agreed to purchase from the Co-Obligors, subject to and upon the terms and conditions set forth in the Underwriting Agreement, the New Notes. The New Notes are expected to be treated as a single series with, and will have the same terms as those of, the \$200 million aggregate principal amount of currently outstanding 4.50% Senior Notes due 2022 previously issued by the Co-Obligors on November 15, 2012 (the Existing Notes and together with the New Notes, the Notes).

Net proceeds from the offering of the New Notes, after underwriting discounts and the Co-Obligors' estimated fees and expenses, are approximately \$104.0 million, excluding approximately \$1.86 million payable to the Co-Obligors in respect of interest accrued on the Notes for the period from and including June 1, 2017 to, but excluding, the settlement date. Certain of the Underwriters and their affiliates have from time to time provided, and may in the future provide, various investment banking, commercial banking, financial advisory and other services to the Co-Obligors for which they have received or will receive customary fees and expenses.

The Notes were issued under the base indenture, dated as of August 5, 2011 (the Base Indenture), as amended by the second supplemental indenture, dated as of November 15, 2012 (the Second Supplemental Indenture and, together with the Base Indenture, the Indenture), each by and among the Co-Obligors and The Bank of New York Mellon, as trustee.

The Notes mature on December 1, 2022. The Notes bear interest at a rate of 4.50% per annum, computed on the basis of a 360-day year composed of twelve 30-day months and payable on June 1 and December 1 of each year, beginning on December 1, 2017. The New Notes priced at 105.334% plus accrued interest from June 1, 2017, with a yield to maturity of 3.298%.

The Notes are the unsecured unsubordinated obligations of the Co-Obligors and rank equally with each entity's existing and future unsubordinated indebtedness. The Indenture contains covenants that, among other things, restrict the ability of Reckson and its subsidiaries to incur additional indebtedness and encumber assets. These covenants are subject to a number of important limitations and exceptions. The Company and SL Green OP are not subject to such restrictions.

The Co-Obligors have the option to redeem all or a part of the Notes, at any time or from time to time, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus a make-whole premium, and accrued and unpaid interest, if any, to the applicable redemption date. If the Notes are redeemed on or after September 1, 2022, the redemption price for the Notes will equal 100% of the principal amount of the Notes, plus accrued interest thereon to the redemption date.

The Indenture provides for customary events of default. In the case of an event of default arising from specified events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. If any other event of default under the Indenture occurs or is continuing, the Trustee or holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Edgar Filing: SL GREEN REALTY CORP - Form 8-K

The offer and sale of the New Notes was made by means of a public offering pursuant to the Co-Obligors' Registration Statement on Form S-3 (No. 333-208621) filed with the Securities and Exchange Commission (the Commission) on December 18, 2015. The material terms of the New Notes are described in a prospectus supplement filed by the Co-Obligors with the Commission on October 26, 2017 pursuant to Rule 424(b)(5) under the Securities Act of 1933, as amended.

The Underwriting Agreement is filed as Exhibit 1.1 to this report and is incorporated herein by reference. The Base Indenture was previously filed with the Commission as Exhibit 4.1 to the Co-Obligors' Current Report on Form 8-K, filed by the Co-Obligors on August 5, 2011, and the Second Supplemental Indenture, including the form

of 4.50% Senior Note due 2022, was previously filed with the Commission as Exhibit 4.1 to the Co-Obligors' Current Report on Form 8-K, filed by the Co-Obligors on November 15, 2012. The foregoing summaries do not purport to be complete and are qualified in their entirety by reference to the complete text of the Underwriting Agreement, the Indenture and the form of 4.50% Senior Note due 2022.
