The Board of Directors of CIM Commercial recommends the approval of each of these proposals. These foregoing items of business are more fully described in the proxy statement. We urge you to carefully review the proxy statement.

Your vote is very important. If you were a registered common stockholder as of the close of business on March 29, 2018, please authorize a proxy to vote your shares as soon as possible using one of the following methods to ensure that your vote is counted, regardless of whether you expect to attend the annual meeting in person: (1) access the internet website specified on the enclosed proxy card and follow the instructions provided to you, (2) complete, sign, date and return the enclosed proxy card in the postage-paid envelope provided or (3) as described herein. If you hold your shares in street name through a bank, broker or other nominee, you will need to follow the instructions provided to you by your bank, broker or other nominee to ensure that your shares are represented and voted at the annual meeting. If you are a common stockholder of record and you attend the annual meeting and wish to vote in person, you may withdraw your proxy and vote in person. Proof of share ownership and a form of photo identification will be required for admission to the annual meeting.

PROXY STATEMENT

FOR

ANNUAL MEETING OF COMMON STOCKHOLDERS

TO BE HELD ON MAY 3, 2018

This proxy statement, with the enclosed proxy card, is being furnished to the common stockholders of CIM Commercial Trust Corporation, a Maryland corporation (CIM Commercial and, together with its subsidiaries, the Company, we, us or our), in connection with the solicitation of the Board of Directors of the Company (the Board) of proxies to be voted at the annual meeting of the Company s common stockholders (the Annual Meeting) to be held at 8:00 a.m., Pacific Time, on May 3, 2018 at the Hollywood Roosevelt Hotel, 7000 Hollywood Boulevard, Los Angeles, California 90028 and at any postponements or adjournments thereof. The Notice of Annual Meeting, this proxy statement, and the accompanying proxy card are being mailed to all common stockholders of record as of the record date on or about April 5, 2018. The proxy statement and our annual report to stockholders for the year ended December 31, 2017 are available on our website at <http://shareholders.cimcommercial.com/sec-filings>.

Only common stockholders of record as of the close of business on March 29, 2018 are entitled to notice of and to vote at the Annual Meeting. As of such date, we had 43,784,939 shares of common stock, par value per share \$0.001 (Common Stock), outstanding. Each holder of record of Common Stock on the record date is entitled to one vote on each matter properly brought before the Annual Meeting for each share of Common Stock held.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

1. Who is entitled to vote?

Only common stockholders of record as of the close of business on March 29, 2018 are entitled to notice of and to vote at the Annual Meeting.

2. What is a proxy?

It is your legal designation of another person to vote the shares you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated our Chief Executive Officer, Charles E. Garner II, President, Jan F. Salit, and our Chief Financial Officer, David Thompson, as proxies for the Annual Meeting.

3. How many votes is each share of Common Stock entitled to?

Each holder of record of shares of Common Stock on the record date is entitled to one vote on each matter properly brought before the Annual Meeting for each share of Common Stock held.

4. What is the difference between a stockholder of record and stockholder who holds shares in street name?

If your shares are registered in your name, you are a stockholder of record. If your shares are held in the name of your broker or bank, your shares are held in street name and you are a beneficial owner.

5. How do I attend the Annual Meeting? What do I need to bring?

If you are a stockholder of record, you will need to bring a photo ID with you to the Annual Meeting.

If you own shares in street name, bring your most recent brokerage statement with you to the Annual Meeting. We can use your statement to verify your ownership of shares and admit you to the Annual Meeting; however, you will not be able to vote your shares at the Annual Meeting without a legal proxy, as described in question 6. You will also need to bring a photo ID.

Requests for directions to the Annual Meeting should be directed to the Corporate Secretary of CIM Commercial at the address of CIM Commercial's principal executive office shown on the front page of this Proxy Statement. Please note that use of cameras, sound or video recording equipment, cellular telephones or other similar equipment will not be allowed at the Annual Meeting.

6. How can I vote at the Annual Meeting if I own shares in street name?

If your shares are held in street name in the name of a bank, broker or other nominee (other than through a Tel Aviv Stock Exchange (TASE) member), you will need to ask your bank, broker or other nominee for a legal proxy. You will need to bring the legal proxy with you to the Annual Meeting. You will not be able to vote your shares at the Annual Meeting without a legal proxy.

Please note that if you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the Annual Meeting and vote in person or legally appoint another proxy to vote on your behalf.

If you do not receive the legal proxy in time, you can follow the procedures described in question 5 to attend the Annual Meeting. However, you will not be able to vote your shares at the Annual Meeting.

If your shares are held in street name in the name of a TASE member, you may not vote your shares in person at the Annual Meeting and must instead follow the procedures described in response to question 9.

7. What shares are included on the proxy card?

If you are a stockholder of record as of the close of business on March 29, 2018, you will receive one proxy card for all the shares of Common Stock you hold in each single account, regardless of whether you hold them in certificate form or in book entry form. If you receive more than one proxy card, it generally means you hold shares of Common Stock registered in more than one account. Please sign and return all of the proxy cards you receive to ensure that your shares are voted.

8. What constitutes a quorum?

The presence, in person or represented by proxy, of stockholders entitled to cast a majority of all votes entitled to be cast at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. However, if a quorum is not present at the Annual Meeting, the chairman of the Annual Meeting may adjourn the Annual Meeting to a date not more than 120 days after the original record date without notice other than an announcement at the Annual Meeting.

9. What different methods can I use to vote?

Depending on how you hold your shares, you may generally choose to vote by mail, by phone, online or in person at the Annual Meeting. The method by which you vote does not affect your right to attend the Annual Meeting.

Edgar Filing: CIM Commercial Trust Corp - Form DEF 14A

If your shares are registered directly in your name through our stock transfer agent, American Stock Transfer & Trust Company, you may vote your shares:

- **By Mail:** Complete, sign, date and mail the written proxy card received with this proxy statement.
- **Online:** You may vote by authorizing a proxy over the Internet at the web address shown on your proxy card.
- **Telephone:** You may vote by authorizing a proxy by telephone by calling the telephone number shown on your proxy card.
- **In Person:** You may deliver your completed proxy card in person at the Annual Meeting. Street name holders may vote in person at the Annual Meeting if they have a legal proxy, as described in question 6.

If your shares are held in street name in the name of a bank, broker or other nominee (other than a TASE member), you may vote your shares by following the instructions that your bank, broker or other nominee provides to you, which may allow you to vote online or by mail or telephone. To vote in person at the Annual Meeting, follow the instructions provided in question 6.

If your shares are held in street name in the name of a TASE member, you may vote your shares online via the electronic voting system of the Israel Securities Authority (the ISA) at the web address <https://votes.isa.gov.il> no later than May 3, 2018 at 5:00 a.m. Eastern Time (or noon mid-day Israel time). You may receive guidance on the use of the electronic voting system from the TASE member through which you hold your shares.

10. What is the record date and what does it mean?

The record date for the Annual Meeting is the close of business on March 29, 2018. The record date is established by the Board as allowed by the Maryland General Corporation Law. Owners of record of shares of Common Stock at the close of business on the record date are entitled to receive notice of the Annual Meeting and vote at the Annual Meeting and any postponements or adjournments of the Annual Meeting.

11. What is the deadline for voting my shares if I do not attend the Annual Meeting?

If you are a common stockholder of record, your proxy must be received by telephone or the Internet by 11:59 p.m., Eastern Time on or before May 2, 2018 in order for your shares to be voted at the Annual Meeting. If you are a common stockholder of record and you received a printed set of proxy materials, you also have the option of completing, signing, dating and returning the proxy card enclosed with the proxy materials before the Annual Meeting in order for your shares to be voted at the Annual Meeting.

If you are a beneficial owner of Common Stock held in street name (other than through a TASE member), please comply with the deadlines included in the voting instructions provided by the bank, broker or other nominee that holds your shares.

If you hold shares in street name through a TASE member, your votes must be recorded in the electronic voting system of the ISA no later than May 3, 2018 at 5:00 a.m. Eastern Time (or noon mid-day Israel time).

12. How will voting on other business be conducted?

As to any other business that may properly come before the Annual Meeting, all properly submitted proxies will be voted by the proxyholder named in the proxy card, at his/her discretion. We do not presently know of any other business that may come before the Annual Meeting.

13. What can I do if I change my mind after I return my proxy card?

Returning your proxy card will in no way limit your right to vote at the Annual Meeting if you later decide to attend and vote in person. Stockholders can revoke a proxy prior to the completion of voting at the Annual Meeting by:

- giving written notice of revocation to the Corporate Secretary of the Company;

- delivering a later-dated proxy; or
- voting in person at the Annual Meeting (unless you are a street name holder without a legal proxy, as described in question 6).

15. On what items am I voting?

You are being asked to consider and vote on the following items:

- the election of seven directors nominated by the Board;
- the ratification of the appointment of BDO USA, LLP (BDO) as our independent registered public accounting firm for the fiscal year ending December 31, 2018; and
- the approval, by a non-binding advisory vote, of an advisory resolution on CIM Commercial's executive compensation as described in this proxy statement.

16. What are my voting choices when voting for director nominees?

In the vote on the election of the seven director nominees, common stockholders of record may:

- vote in favor of all nominees;
- vote in favor of specific nominees;
- withhold their vote with respect to all nominees;
- withhold their vote with respect to specific nominees;
- abstain from voting with respect to all nominees; or
- abstain from voting with respect to specific nominees.

17. What vote is required to approve each proposal?

Proposal No. 1 Election of Directors. To be elected as a director, our Bylaws require that a nominee must receive a plurality of all the votes cast in the election of directors at the Annual Meeting at which a quorum is present. There is no cumulative voting in the election of directors.

Proposal No. 2 Ratification of the Appointment of BDO as our Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Annual Meeting will be required for the approval of the ratification of the appointment of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

Proposal No. 3 Approval, By a Non-Binding Advisory Vote, Executive Compensation. The affirmative vote of a majority of the votes cast at the Annual Meeting will be required to approve the executive compensation proposal. Even though your vote is advisory and therefore will not be binding on the Company, the Board will review and consider the voting results when making future decisions regarding executive compensation.

18. How does the Board recommend that I vote?

The Board recommends a vote:

- FOR the seven director nominees;
- FOR the ratification of the appointment of the independent registered public accounting firm; and
- FOR the non-binding advisory approval of an advisory resolution on CIM Commercial's executive compensation as described in this proxy statement.

19. What if I do not specify a choice for a matter when returning a proxy?

Stockholders should specify their choice for each matter on the enclosed proxy card. If no specific instructions are given, proxies that are signed and returned will be voted:

- FOR the election of all director nominees;
- FOR the ratification of the appointment of the independent registered public accounting firm; and
- FOR the non-binding advisory approval of an advisory resolution on CIM Commercial's executive compensation as described in this proxy statement.

20. How are abstentions and broker non-votes counted?

Holders in street name (other than through a TASE member)

If on the record date your shares were held in street name through a broker, bank or other agent (other than a TASE member), you should receive a form with the voting instructions from the organization holding your account, rather than from the Company, and you have the right to direct how the shares in your account are to be voted.

In the absence of specific instructions from you on how to vote your shares, your broker, bank or other agent may not be able to vote your shares on certain matters. The shares that cannot be voted by banks, brokers or other agents if the beneficial holder fails to provide instructions are called broker non-votes. Broker non-votes will have the following effects at the Annual Meeting:

- *Proposal No. 1 Election of Directors.* Your broker, bank or other nominee is not entitled to vote your shares if no instructions are received from you. Broker non-votes, if any, will have no effect on the election of directors.
- *Proposal No. 2 Ratification of the Appointment of BDO as our Independent Registered Public Accounting Firm.* Your broker, bank or other nominee is entitled to vote your shares if no instructions are received from you. Broker non-votes, if any, will have no effect on the result of the vote on this proposal.
- *Proposal No. 3 Approval, By a Non-Binding Advisory Vote, Executive Compensation.* Your broker, bank or other nominee is not entitled to vote your shares if no instructions are received from you. Broker non-votes, if any, will have no effect on the result of the vote on this proposal.

Because an abstention is not a vote cast, if you instruct your proxy or broker to abstain on any matter, it will have no effect on the vote on any of the matters to be considered at the Annual Meeting. However, abstentions will be counted as shares that are present and entitled to vote for the purpose of determining the presence of a quorum.

Holders in street name through a TASE member

If on the record date your shares were held in street name through a TASE member, your TASE member will not vote your shares (as described above) and you must vote through the electronic voting system of the ISA as described in question 9. If you do not vote your shares through this system, we will treat your shares as not present and not entitled to vote for the purpose of determining the presence of a quorum and your shares will have no effect on the vote of any proposal.

21. Can I access the Proxy Statement and Annual Report on the Internet?

The proxy statement and our Annual Report to stockholders for the year ended December 31, 2017 is available on our website at <http://shareholders.cimcommercial.com/sec-filings>.

22. How are proxies solicited and what is the cost?

We will bear all expenses incurred in connection with the solicitation of proxies. We have not engaged any solicitor to assist with the solicitation of proxies. In accordance with Securities and Exchange Commission (SEC) rules, we will reimburse brokers, fiduciaries and custodians for their costs in forwarding proxy materials to the beneficial owners of shares.

Our directors and officers may solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities.

IMPORTANT: If your shares of Common Stock are held in the name of a brokerage firm, bank, nominee or other institution (other than a TASE member), you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares of Common Stock. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares of Common Stock. If you hold your shares through a TASE member, you should vote your shares by following the instructions in question 9.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board presently consists of seven directors.

At the Annual Meeting, you will be asked to elect seven directors. The seven current directors will be up for election at the Annual Meeting. For your review and consideration, a biography of each nominee for director is contained in this proxy statement under the section titled "Corporate Governance, Director Nominees." The term of office of each person elected to be a director of the Company will be until the annual meeting of the stockholders in 2019 and until such person's successor is duly elected and qualifies. If any unforeseen event prevents one or more of the nominees from serving as a director, your votes will be cast for the election of a substitute or substitutes nominated by the Board. In no event, however, can the proxies be voted for a greater number of persons than the number of nominees named. Unless otherwise instructed, the proxies will vote for the election of the nominees listed below to serve as directors of the Company.

Vote Required

Directors are elected by a plurality of the affirmative votes cast by those holders present and entitled to vote at the Annual Meeting at which a quorum is present. There is no cumulative voting in the election of directors.

The Board recommends a vote FOR the election of each of the directors nominated.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee, comprised of independent members of the Board (the Audit Committee), has appointed BDO as our independent registered public accounting firm (the independent auditors) with respect to our operations for the fiscal year ending December 31, 2018. Representatives of BDO are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will answer appropriate questions. Stockholder ratification of the appointment of BDO as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board is submitting the appointment of BDO to the common stockholders for ratification as a matter of good corporate governance. If the common stockholders fail to ratify the appointment, the Audit Committee may reconsider whether or not to retain BDO. Even if the selection is ratified, the Audit Committee may in its discretion select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company.

We are asking that you ratify the appointment of BDO, although your ratification is not required.

Vote Required

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve the ratification of the appointment of BDO as our independent registered public accounting firm.

The Board recommends a vote FOR the ratification of the appointment of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), we are seeking advisory stockholder approval of the compensation of our named executive officers as further described below under Executive Compensation. The stockholder vote is an advisory vote only and is not binding on the Company or the Board. Although the vote is non-binding, the Board values the opinion of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers. Unless the Board modifies its policy on the frequency of future advisory votes on executive compensation, the next such vote will occur at the 2019 annual meeting of stockholders.

Our executive compensation system is designed to promote the Company's financial and operational success by (i) attracting, motivating and assisting in the retention of highly qualified and talented executives, including our named executive officers, who will enable us to perform better than our competitors and drive long-term stockholder value; and (ii) reinforcing desired financial business results to our executives, including our named executive officers, and motivating them to make decisions that produce such results. We believe that our executive compensation system appropriately links pay to both the Company's and the executive's performance and is well aligned with the long-term interests of our stockholders. The Board does not allocate a fixed percentage to any specific component of compensation, but works with management to design an overall compensation structure that best serves its goals and appropriately motivates our executive officers to provide outstanding service to the Company. We believe that our executive compensation objectives have resulted in executive compensation decisions that have appropriately incentivized (without undue risk) the achievement of financial goals that have benefited our Company and our stockholders and are expected to drive long-term stockholder value over time. As described in detail in the Compensation Discussion and Analysis section below, the Company is externally operated by an affiliate of CIM Urban REIT, LLC (CIM REIT) and CIM Group, L.P. (such affiliate, the Operator) pursuant to an Investment Management Agreement (the Investment Management Agreement) between the Operator and CIM Urban Partners L.P. (CIM Urban), a principal subsidiary of the Company. In addition, CIM Service Provider, LLC (the Administrator), a subsidiary of CIM Group, provides certain administrative services to the Company and its subsidiaries pursuant to a Master Services Agreement (the Master Services Agreement). Mr. Garner and Mr. Thompson are employed by an affiliate of the Operator and the Administrator and their compensation is determined by, and paid to them directly by, such affiliate. The Company did not pay Mr. Garner, our Chief Executive Officer, or Mr. Thompson, our Chief Financial Officer, any compensation in 2017. Therefore, their compensation is not discussed in the Compensation Discussion and Analysis section below.

We are asking stockholders to vote on the following advisory resolution:

Resolved, that the stockholders approve, on a non-binding advisory basis, the compensation of Jan F. Salit, the Company's only named executive officer being compensated by the Company, as disclosed pursuant to the SEC's compensation disclosure rules, including the Compensation Discussion and Analysis, compensation tables and narrative discussion contained in this proxy statement.

Vote Required

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve the proposal.

The Board recommends a vote FOR the approval of the advisory resolution on CIM Commercial's executive compensation for the year ended December 31, 2017, as disclosed in this proxy statement.

CORPORATE GOVERNANCE

Company Leadership Structure; Board Role in Risk Oversight

Leadership Structure. The Board does not have a formal policy regarding the leadership structure of the Company and whether the roles of chairman and chief executive officer should be separated, but instead believes that these matters should be determined based on a number of different factors and circumstances, including the Company's position, history, size, culture, stockholder base, board size and board composition and that, as a result, the appropriate structure may change from time to time as circumstances warrant. From October 26, 2012 until March 11, 2014, Mr. Salit served as our Chief Executive Officer and as our Chairman of the Board. On March 11, 2014, following the closing of the merger (the Merger) pursuant to the Agreement and Plan of Merger, dated as of July 8, 2013, by and among PMC Commercial Trust, CIM REIT, and their respective merger subsidiaries, we separated the roles of Chairman of the Board and principal executive officer. Our principal executive officer is Mr. Garner and our Chairman of the Board is Mr. Ressler.

Risk Oversight. The Company is exposed to a variety of risks. The entire Board regularly assesses major risks facing the Company and reviews options for their mitigation. The Board may appoint a committee to address a specific risk or to oversee the Company's response to a particular risk. In particular, the Audit Committee of the Board oversees the Company's policies with respect to risk assessment and risk oversight and oversees risk with respect to financial reporting matters. The Board also relies on management to bring significant matters to its attention.

The Board believes that the Company's current leadership structure, including the independent Audit Committee oversight function and the open access of the Board to the Company's executive officers and senior management as the Board determines is appropriate, supports the oversight role of the Board in the Company's risk management.

Statement on Corporate Governance

The Company is dedicated to establishing and maintaining high standards of corporate governance.

Contacting the Board. The Board welcomes your questions and comments. If you would like to communicate directly with the Board, or if you have a concern related to the Company's business ethics or conduct, financial statements, accounting practices or internal controls, then you may submit your correspondence to the Secretary of the Company or you may call the Ethics Hotline at 1-800-292-4496. All communications will be forwarded to the Audit Committee.

Code of Ethics. The Board has adopted a Code of Business Conduct and Ethics that applies to all directors, officers and employees of the Company, the Operator and the Administrator, including the Company's principal executive officer and principal financial and accounting officer (the Code of Ethics).

If the Board amends any provisions of the Code of Ethics that applies to the Company's principal executive officer or senior financial officers or grants a waiver in favor of any such persons, the Company intends to satisfy its disclosure requirements by disclosing the amendment or waiver on a Form 8-K filed with the SEC within four business days following such amendment or waiver.

The Company's Code of Ethics may be found on the Company's website at <http://shareholders.cimcommercial.com/corporate-overview/corporate-governance>.

Independence of Directors

As a result of and immediately following the Merger, Urban Partners II, LLC (Urban II), an affiliate of CIM REIT, acquired approximately a 97.8% ownership interest in the Company. Currently, Urban II beneficially owns shares of Common Stock that represent, together with shares held by other affiliates of CIM Group and the Company's executive officers and directors, 96.4% of the total voting power of the Company. As a result of this ownership level, CIM Commercial is a controlled company exempt from certain rules of The Nasdaq Stock Market LLC requiring, among other things, a board of directors with a majority of independent directors.

The Board undertook a review of the independence of the current members of the Board. In making independence determinations, the Board observes all criteria for independence established by the SEC and The Nasdaq Stock Market LLC. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company, including (if applicable) those reported under Related Person Transactions. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent. As a result of this review, the Board affirmatively determined that Messrs. Bech, Cresci and Golay meet the aforementioned criteria for independence.

Meetings of the Board

The Board held a total of seven meetings during the year ended December 31, 2017. Each incumbent director attended at least 75 percent of the aggregate number of Board meetings and the meetings of committees on which he served during 2017. Directors are encouraged to attend in person the annual meeting of stockholders of the Company. All of the members of our Board attended our 2017 annual meeting of stockholders.

Independent Director Meetings

The independent directors have at least one regularly scheduled meeting or executive session per year without the presence of other directors and management. Any independent director can request that an additional executive session be scheduled.

Committees of the Board

The Board has an audit committee. The Board is not required to have (and does not have) a compensation committee or a nominating and corporate governance committee, based on its status as a controlled company, but may decide to have such committees (or other committees) in the future.

Audit Committee. The Company has a standing Audit Committee that oversees the accounting and financial reporting processes as well as legal, compliance and risk management matters. The Audit Committee consists of Mr. Cresci (chairman), Mr. Bech and Mr. Golay. The Audit Committee is comprised entirely of directors who meet the independence and financial literacy requirements of The Nasdaq Stock Market LLC, as well as the standards established under the Sarbanes-Oxley Act of 2002. See Corporate Governance Independence of Directors. In addition, the Board has determined that Mr. Cresci qualifies as an audit committee financial expert as defined in SEC rules.

The Audit Committee's responsibilities include providing assistance to the Board in fulfilling its responsibilities with respect to oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications, performance and independence, and the performance of the Company's internal audit function, if any. In accordance with its Audit Committee Charter, the Audit Committee is directly responsible for the appointment and oversight of the independent registered public accounting firm, who reports directly to the Committee, approval of the engagement fee of the independent registered public accounting firm and pre-approval of the audit services and any permitted non-audit services they may provide to the Company. In addition, the Audit Committee reviews the scope of audits as well as the annual audit plan and evaluates matters relating to the audit and internal controls of

Edgar Filing: CIM Commercial Trust Corp - Form DEF 14A

the Company. The Audit Committee holds separate executive sessions, outside the presence of executive management, with the Company's independent registered public accounting firm.

The Audit Committee held seven meetings during the fiscal year ended December 31, 2017.

The charter for the Audit Committee may be viewed on the Company's corporate website, <http://shareholders.cimcommercial.com/corporate-overview/corporate-governance> in the section entitled "Shareholders Corporate Overview Corporate Governance".

Director Nomination Procedures

Effective with the Merger, the Company does not have a nominating and corporate governance committee. The Board believes that it is appropriate for CIM Commercial not to have such a committee because of CIM Commercial's status as a controlled company. The entire Board participates in the consideration of nominees for director.

The Board will consider nominees for director suggested by stockholders in written submissions to the Company's Secretary in compliance with the nomination procedures set forth below.

Director Qualifications. The Board has policies establishing certain desired attributes of the Board as a whole. Each member of the Board must possess high personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the stockholders, as well as an inquisitive mind, an objective perspective, practical wisdom and mature judgment. In addition, directors must be willing to devote sufficient time carrying out their duties and responsibilities effectively. The Board does not have a formal policy with regard to the consideration of diversity in identifying director nominees. However, the Board values diversity and believes the Board should reflect an appropriate diversity of viewpoints, background, experience and other demographics.

Identifying and Evaluating Nominees. The Board may consider those factors it deems appropriate in evaluating director candidates as outlined above. The skills and personality of each director should fit with those of the other directors in building a Board that is effective, collegial and responsive to the needs of the Company. The Board considers candidates for the Board from any reasonable source, including current board members, stockholders, professional search firms or other persons. The Board does not evaluate candidates differently based on who has made the recommendation. The Board may hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

Stockholder Nominees. The Board will consider properly submitted stockholder nominees for election to the Board and will apply the same evaluation criteria in considering such nominees as it would to persons nominated under any other circumstances. Any stockholder nominations proposed for consideration by the Board should include the nominee's name and sufficient biographical information to demonstrate that the nominee meets the qualification requirements for board service as set forth under Director Qualifications. The nominee's written consent to the nomination should also be included with the nomination submission, which should be sent in accordance with the provisions of our bylaws and addressed to: CIM Commercial Trust Corporation, 17950 Preston Road, Suite 600, Dallas, Texas 75252, Attn: Secretary.

Additional information regarding submitting stockholder proposals is set forth in our bylaws. Stockholders may request a copy of our bylaws from the Company's Secretary at CIM Commercial Trust Corporation, 17950 Preston Road, Suite 600, Dallas, Texas 75252, Attn: Secretary.

(1) Assets Owned and Operated represents (i) (a) for real assets, the aggregate total gross assets (GAV) at fair value, including the shares of such assets owned by joint venture partners and co-investments, owned and operated by CIM on behalf of partners (including where CIM invests alongside for its own account) and co-investors, whether or not CIM has investment discretion or (b) for operating companies, the aggregate GAV less debt, including the shares of such assets owned by joint venture partners and co-investments, owned and operated by CIM on behalf of partners (including where CIM

Edgar Filing: CIM Commercial Trust Corp - Form DEF 14A

invests alongside for its own account) and co-investors, whether or not CIM has investment discretion (not in duplication of the assets described in (i)(a)), plus (ii) the aggregate unfunded commitments, as of December 31, 2017 (the Report Date). The GAV is calculated in accordance with U.S. generally accepted accounting principles on a fair value basis (the Book Value) and generally represents the investment's third-party appraised value as reported within the applicable fund's unaudited financial statements as of the Report Date, but in the case of CIM's Cole Net-Lease Asset strategy described below GAV or Book Value generally represents undepreciated cost (as reflected in SEC-filed financial statements) as of September 30, 2017. The only investment currently held by CIM REIT consists of Common Stock of CMCT; the Book Value of CIM REIT is determined by assuming the underlying assets of CMCT are liquidated based upon the third-party appraised value. CIM does not presently view the price of CMCT's Common Stock to be a meaningful indication of the fair value of CIM REIT's interest in CMCT due to the fact that the publicly-traded shares of CMCT's Common Stock represents less than 4% of the outstanding CMCT Common Stock and are thinly-traded. Assets Owned and Operated also includes the assets owned/operated by CIM's Cole Net-Lease Asset strategy (formerly Cole Capital), which was under contract to be acquired by a CIM affiliate as of the Report Date and subsequently closed on February 1, 2018. The assets owned/operated by CIM's Cole Net-Lease Asset strategy represent approximately \$7.6 billion of CIM's reported Assets Owned and Operated of \$27.5 billion. Equity Owned and Operated, representing the NAV (as defined below) before incentive fee allocation, plus binding unfunded commitments, is \$15.5 billion as of the Report Date. NAV is based upon the aggregate amounts that would be distributable assuming a hypothetical liquidation on the date of determination, assuming that: (x) assets are sold at their Book Value (as defined above); (y) debts are paid and other assets are collected; and (z) appropriate adjustments and/or allocations between equity holders are made in accordance with applicable documents, in each case as determined in accordance with applicable accounting guidance. Assets Owned and Operated for CMMT Partners, L.P. (which represents assets under management), a perpetual-life real estate debt fund, is \$0.3 billion as of the Report Date and Equity Owned and Operated for CMMT Partners, L.P. (which represents equity under management) is \$0.3 billion as of the Report Date.

The Company is externally operated by the Operator, an affiliate of CIM REIT and CIM Group, L.P. In addition, the Administrator, a subsidiary of CIM Group, provides certain administrative services to the Company and its subsidiaries. Mr. Garner and Mr. Thompson are employed by an affiliate of the Operator and the Administrator and their compensation is determined by, and paid to them directly by, such affiliate. The Company did not pay Mr. Garner, our Chief Executive Officer, and Mr. Thompson, our Chief Financial Officer, any compensation in 2017. Therefore, their compensation is not discussed in this Compensation Discussion and Analysis. Mr. Salit was jointly employed by the Company and CIM SBA Staffing, LLC (CIM SBA) during the fiscal year ended December 31, 2017. As discussed in Related Person Transactions Transactions with Related Persons, his cash compensation was paid by CIM SBA, which in turn was partially reimbursed by the Company. Accordingly, his 2017 compensation is described in this Compensation Discussion and Analysis and accompanying tables.

Role of Management in the Compensation-Setting Process

Edgar Filing: CIM Commercial Trust Corp - Form DEF 14A

The Chairman of the Board discussed historical compensation practices and the Company's annual incentive compensation history with Mr. Salit. The Chairman considered Mr. Salit's input and made recommendations to the Board with respect to the amounts of Mr. Salit's 2017 annual incentive compensation and the Board made the final determination of those amounts.

Stockholder Advisory Vote

Because stockholders expressed support for the Company's executive compensation programs in 2017 by approving, on an advisory basis, the Company's 2016 executive compensation and because Mr. Salit's terms of employment are governed by the terms of his existing employment agreement, the Board did not make any changes to the Company's executive compensation programs in 2017.

Compensation Policies and Practices In Relation to Risk Management

As of December 31, 2017, the Company had two employees. One such employee, Mr. Salit, is jointly employed by the Company and CIM SBA, and the terms of his employment are governed by his existing employment agreement with the Company. The other employee is an officer. Accordingly, the Board does not believe that the Company's compensation policies and practices are reasonably likely to have a material adverse effect on the Company.

Use of Independent Compensation Consultant

The Board did not engage the services of an independent compensation consultant in 2017 when determining Mr. Salit's 2017 compensation.

Determining 2017 Executive Compensation

As described above, Messrs. Garner and Thompson are employed and paid by an affiliate of the Operator and the Administrator and, therefore, their 2017 compensation is not discussed in this proxy statement. The Board determined the amounts of Mr. Salit's 2017 annual incentive compensation.

2017 Base Salary

The Board did not make any adjustments to Mr. Salit's base salary of \$450,000 for 2017.

2017 Annual Cash Incentive

The Board did not award any cash incentive to Mr. Salit for 2017. This determination did not reflect the Company's performance or the performance of the lending division or Mr. Salit. Rather, in 2017 (as in 2016), Mr. Salit devoted part of his time to matters relating to CIM (from which the Company has received and will receive reimbursement). Based on an allocation of Mr. Salit's time spent between matters for the Company and CIM, it was determined that Mr. Salit's base salary adequately compensated him for his time and effort with respect to the Company. Mr. Salit's aggregate salary in 2017 from the Company and CIM SBA was \$650,000 (including a bonus from CIM SBA but excluding All Other Compensation as described in the Summary Compensation Table below); aggregate reimbursable costs due the Company was \$227,362 for Mr. Salit's time spent on matters relating to CIM during the year ended December 31, 2017.

Severance and Change in Control Agreements

Mr. Salit's employment agreement with the Company provides for a severance payment as specified therein. The employment agreement is discussed in greater detail below in the section entitled "Executive Compensation Potential Payments Upon Termination or Change in Control."

Other Compensation Plans

A subsidiary of the Company maintained a defined contribution plan that included a defined contribution component and a discretionary contribution component (the 401(k) and Defined Contribution Plan) that was intended to satisfy the tax qualification requirements of Section 401(a) of the Internal Revenue Code. This plan was transferred to CIM SBA effective January 1, 2015. CIM SBA's full-time employees, including Mr. Salit, were eligible to participate in the 401(k) and Defined Contribution Plan and were permitted to contribute a portion of their eligible compensation (subject to the applicable statutory limits of \$18,000, or \$24,000 for eligible participants who are 50 or older, in calendar year 2017). While CIM SBA may (but is not required to) make matching contributions under the 401(k) and Defined Contribution Plan, none were made during fiscal 2017. In lieu of matching contributions, CIM SBA elected to make a discretionary contribution of \$260,000 in the aggregate, during the year ended December 31, 2017, which amount was paid by the Company and of which approximately \$46,000 was reimbursed and will be reimbursed by CIM Group on behalf of CIM SBA. Contributions to the 401(k) and Defined Contribution Plan are available to all full-time employees of CIM SBA who meet the eligibility requirements of the plan. In general, vesting in the Defined

Contribution Plan occurs ratably between the second and sixth year of employment.

Tax Considerations

Internal Revenue Code Section 162(m) places a limit of \$1,000,000 on the amount of compensation that the Company may deduct for federal income tax purposes in any one year with respect to the Company's Chief Executive Officer, and the next three highest paid executives (other than the Chief Financial Officer). However, in 2017 and prior years, performance-based compensation that meets certain requirements is excluded from the \$1,000,000 limitation. In 2017, the Board was aware of this tax law, but believed that our named executive officer did not receive compensation at or near the \$1,000,000 maximum (as determined under the Internal Revenue Code). The Board is cognizant of and will continue to consider the impact of the Tax Cuts and Jobs Act of 2017, which was passed in December 2017 and which expanded the number of individuals covered by Internal Revenue Code Section 162(m) and eliminated the exception for performance-based compensation (generally effective for the 2018 tax year). As in the past, the Board reserves the right to make compensation payments that are nondeductible.

Anti-Pledging/ Anti-Hedging Restrictions

The Company believes it is inappropriate for any director, officer or employee to enter into speculative transactions in the Company's equity securities and, therefore, prohibits all hedging transactions. The Company's Trading Policy prohibits all hedging transactions and only permits pledging of Company securities with the approval of the attorney designated under the insider trading policy as the legal representative for purposes of the policy.

Compensation Committee Interlocks and Insider Participation

Following the Merger, the Board decided not to establish a separate compensation committee, but rather determined that the full Board would assume the responsibilities that were historically carried out by the compensation committee of the Board prior to the Merger. During the year ended December 31, 2017, no officer or employee of the Company participated in deliberations of the Board concerning executive officer compensation.

Compensation Committee Report

The Board has reviewed and discussed the Compensation Discussion and Analysis with management. Based upon that review and discussion, the Board determined that the Compensation Discussion and Analysis be included in this proxy statement.

With respect to annual equity awards, as described in the Compensation Discussion and Analysis, the Board has granted long-term incentive awards in the form of restricted stock awards to Mr. Salit on a discretionary basis, and did not grant any such awards to Mr. Salit in 2016 and 2017. The terms of the restricted share awards granted to Mr. Salit in 2015 provide for dividends on non-vested restricted shares to be paid to the holder.

Grants of Plan-Based Awards

There were no outstanding equity awards as of December 31, 2017.

Option Exercises and Shares Vested in 2017

The following table sets forth, for each of our named executive officers, information regarding the value of restricted share awards that vested during the fiscal year ended December 31, 2017.

Name	Share Awards	
	Number of Shares Acquired on Vesting (1)	Value Realized on Vesting (2)
Jan F. Salit	334	\$ 5,210

(1) Based on 334 restricted shares granted on March 6, 2015, which vested on March 6, 2017.

(2) Calculated as the aggregate market value on the date of vesting of the restricted stock with respect to which restrictions lapsed (or restricted shares became vested) during 2017 (calculated before payment of any applicable withholding or other income taxes). The per share market price of the restricted shares at the close of business on the last business day prior to vesting was \$15.60 on March 3, 2017.

Potential Payments Upon Termination or Change in Control

Mr. Salit is party to an executive employment agreement (an Executive Employment Agreement) with the Company, which amended and restated his previous employment agreement and became effective upon the consummation of the Merger on March 11, 2014. The Executive Employment Agreement continues to govern the terms of employment for Mr. Salit following the Merger. Under the Executive Employment Agreement, Mr. Salit is entitled to a minimum annual salary of \$425,000. The Company's Board may, in its discretion, increase the annual base salary and may also consider bonus compensation. The Executive Employment Agreement also entitles Mr. Salit to health insurance coverage for himself, his wife and his dependent children, and a monthly automobile allowance of \$550.

If Mr. Salit is unable to perform his services due to illness or total incapacity (to be determined based on standards similar to those utilized by the U.S. Social Security Administration), the Executive Employment Agreement entitles Mr. Salit to receive his full salary for up to one year of such incapacity, reduced by any amounts paid by any Company-provided insurance. If Mr. Salit's total incapacity continues beyond one year and he is not thereafter able to devote full time to his employment with the Company, then his employment and his Executive Employment Agreement will terminate.

If Mr. Salit dies during his employment with the Company before reaching the age of seventy, his estate will be entitled to a payment of two times his annual salary plus unused vacation pay. The Company-paid amount of such death benefits will be made over the course of twelve months, offset by any amounts paid under any group life insurance issued by the Company.

In the event that Mr. Salit's employment is terminated by the Company for Cause, or if Mr. Salit resigns his employment with the Company, he will be entitled to receive only his base salary then in effect, prorated to the date of termination, and all benefits accrued through the date of termination. If the Company terminates Mr. Salit's employment without Cause, Mr. Salit will be entitled to receive a severance payment in an amount equal to his annual base salary then in effect, to be paid out in a lump sum on the 60th day following his termination date, conditioned upon the execution of a general release of claims.

For purposes of the Executive Employment Agreement, Cause means (1) the intentional, unapproved material misuse of corporate funds, (2) professional incompetence or (3) acts or omissions constituting gross negligence or willful misconduct of executive's obligations or otherwise relating to the business of the Company.

Assuming all vacation days are taken and all reasonable business expenses have been reimbursed, based on the Company's best estimate, assuming the applicable scenario occurred on December 31, 2017, the Company would have owed Mr. Salit \$900,000 (representing two times his annual base salary) if he died, \$450,000 (representing his annual base salary) if he became disabled or if the Company terminated his employment without cause.

Equity Incentive Plan Compensation and Awards

The equity awards that have been granted to Mr. Salit at the discretion of the Board were not governed by the employment agreements, but rather through our 2005 Equity Incentive Plan, which terminated during 2015.

Board Compensation

The Company uses a combination of cash and share-based compensation to attract and retain qualified candidates to serve on the Board. In setting directors' compensation, the Board considers, among other things, the substantial time commitment on the part of the Board in fulfilling their duties as well as the skill level it requires of directors. In addition, directors are reimbursed by the Company for their expenses related to attending board or committee meetings.

The independent directors are compensated according to the following schedule:

Annual board retainer	\$	50,000
Annual audit committee chairman retainer	\$	20,000

The annual board retainer and the annual audit committee chairman retainer are payable quarterly in advance.

The compensation arrangement for the independent directors in 2018 is expected to be substantially the same as the compensation arrangement for the independent directors in 2017, which is set forth in the table below:

Director Compensation in 2017

Name	Fees Earned or Paid in Cash	Share Awards(1)	Total
Robert Cresci	\$ 70,000	\$ 50,002	\$ 120,002
Douglas Bech	50,000	50,002	100,002
Frank Golay, Jr.	50,000	50,002	100,002

(1) Represents the grant date fair value of the restricted shares or share options, as the case may be, for purposes of ASC Topic 718, Compensation - Stock Compensation. Each of the independent directors received a grant of 3,195 restricted shares of Common Stock on June 9, 2017, which shares will vest one year from the date of grant. The grant date fair value of the restricted shares is based on the per share closing price of our Common Stock on June 9, 2017, which was \$15.65.

Review, Approval and Ratification of Transactions with Related Persons

Edgar Filing: CIM Commercial Trust Corp - Form DEF 14A

The Board has adopted a written related person transaction policy. Under the policy, a Related Person Transaction includes certain transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant, and in which a related person had, has or will have a direct or indirect material interest.

A Related Person is:

Any person who was in any of the following categories during the applicable period:

- a director or nominee for director;
- any executive officer; or
- any immediate family member of a director or executive officer, or of any nominee for director, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, or nominee for director and any person (other than a tenant or employee) sharing the household of such security holder.

Edgar Filing: CIM Commercial Trust Corp - Form DEF 14A

Any person who was in any of the following categories when a transaction in which such person had a direct or indirect material interest occurred or existed:

- any person who is known to the Company to be the beneficial owner of more than 5% of our shares; and
- any immediate family member of any such security holder, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of such security holder and any person (other than a tenant or employee) sharing the household of such security holder.

A person who has a position or relationship within a firm, corporation or other entity that engages in a transaction with the Company will not be deemed to have an indirect material interest within the meaning of Related Person Transaction when:

The interest arises only:

- from such person's position as a director of another corporation or organization that is a party to the transaction; or
- from the direct or indirect ownership by such person and all other persons specified in the definition of Related Person in the aggregate of less than 10% equity interest in another person (other than a partnership) which is a party to the transaction; or
- from both such position and ownership; or
- from such person's position as a limited partner in a partnership in which the person and all other persons specified in the definition of Related Person have an interest of less than 10%, and the person is not a general partner of and does not hold another position in the partnership.

Each of the Company's executive officers is encouraged to help identify any potential Related Person Transaction.

Edgar Filing: CIM Commercial Trust Corp - Form DEF 14A

If a new Related Person Transaction is identified, it will initially be brought to the attention of the Chief Financial Officer, who will then prepare a recommendation to the Board and/or a committee thereof regarding whether the proposed transaction is reasonable and fair to the Company.

A committee comprised solely of independent directors, who are also independent of the Related Person Transaction in question, will determine whether to approve a Related Person Transaction. In general, the committee will only approve or ratify a Related Person Transaction if it determines, among other things, that the Related Person Transaction is reasonable and fair to the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file reports of holdings and transactions in our securities with the SEC. Executive officers, directors and any person who beneficially owns 10% or more of the shares of any class of our equity securities are required by applicable regulations to furnish us with copies of all Section 16(a) forms they file with the SEC.

Based solely upon a review of these reports, we believe that all SEC filing requirements applicable to our directors, executive officers and beneficial owners of more than 10% of our Common Stock were satisfied on a timely basis during the fiscal year ended December 31, 2017.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BDO was appointed to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2018. Although ratification of the appointment of BDO by our stockholders is not required, the Board is submitting the selection of BDO to our stockholders for ratification as a matter of good corporate governance. If the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm.

We expect representatives of BDO to be present at the Annual Meeting, and they will have an opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions by stockholders.

Principal Accounting Firm Fees

Aggregate fees for services rendered to the Company for the years ended December 31, 2017 and 2016 by the Company's principal accounting firm for such years, BDO, were as follows:

Audit Fees(1)	\$ 1,073,511	\$	916,884
Audit-Related Fees

The Audit Committee may, in its discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Committee at its next scheduled meeting.

OTHER MATTERS

Management does not intend to present any business at the Annual Meeting not mentioned in this proxy statement, and at the time of preparation of this proxy statement knows of no other business to be presented. If any other matters are properly brought before the Annual Meeting, the appointed proxies will vote all proxies on such matters in their discretion.

REDUCE DUPLICATE MAILINGS

The SEC has adopted rules that permit companies and intermediaries (for example, brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. A number of brokers with account holders who are stockholders of the Company household the Company's proxy materials in this manner. If you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or annual statement, or if you currently receive multiple copies of the proxy statement at your address and would like to request householding of your communications, please follow the instructions described below and notify your broker or the Company's transfer agent in writing or by telephone.
