**Item 1.01. Entry into a Material Definitive Agreement.**

*Amended and Restated Credit Facility.* On June 28, 2018, Summer Infant, Inc. (the Company) and its subsidiary, Summer Infant (USA), Inc. (Summer USA), as borrowers, entered into a Second Amended and Restated Loan and Security Agreement (the BofA Agreement) with Bank of America, N.A., as agent, the financial institutions party to the agreement from time to time as lenders, and certain subsidiaries of the Company as guarantors.

The BofA Agreement provides for a \$60 million, asset-based revolving credit facility, with a \$5 million letter of credit sub-line facility. The total borrowing capacity is based on a borrowing base, which is defined as 85% of eligible receivables plus the lesser of (i) 70% of the value or (ii) 85% of the net orderly liquidation value (NOLV) of eligible inventory, less applicable reserves. The scheduled maturity date of loans under the BofA Agreement is June 28, 2023 (subject to customary early termination provisions).

All obligations under the BofA Agreement are secured by substantially all the assets of the Company, including a first priority lien on accounts receivable and inventory and a junior lien on certain assets subject to the term loan lender's first priority lien as described below. Summer Infant Canada Limited and Summer Infant Europe Limited, subsidiaries of the Company, are guarantors under the BofA Agreement. Proceeds from the loans will be used to satisfy existing debt, pay fees and transaction expenses associated with the closing of the BofA Agreement, pay obligations under the BofA Agreement, and for lawful corporate purposes, including working capital.

Loans under the BofA Agreement bear interest, at the Company's option, at a base rate or at LIBOR, plus applicable margins based on average quarterly availability under the BofA Agreement. Interest payments are due monthly, payable in arrears. The Company is also required to pay an annual non-use fee on unused amounts under the BofA Agreement, as well as other customary fees as are set forth in the BofA Agreement. As of June 28, 2018, the base rate on loans was 6.0% and the LIBOR rate was 4.125%.

The BofA Agreement contains customary affirmative and negative covenants. Among other restrictions, the Company is restricted in its ability to incur additional debt, make acquisitions or investments, dispose of assets, or make distributions unless in each case certain conditions are satisfied. In addition, if availability falls below a specified amount, then the Company must maintain a fixed charge coverage ratio at the end of each fiscal month of at least 1.0 to 1.0 for the twelve-month period then ended.

The BofA Agreement also contains customary events of default, including a cross default and the occurrence of a change of control. In the event of a default, all of the obligations of the Company and its subsidiaries under the BofA Agreement may be declared immediately due and payable. For certain events of default relating to insolvency and receivership, all outstanding obligations become due and payable.

## Edgar Filing: Summer Infant, Inc. - Form 8-K

The foregoing description of the BofA Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the BofA Agreement, which is filed herewith as Exhibit 10.1 and is incorporated herein by this reference.

*New Term Loan.* On June 28, 2018, the Company and Summer USA, as borrowers, entered into a Term Loan and Security Agreement (the Term Loan Agreement) with Pathlight Capital LLC, as agent, each lender from time to time a party to the Term Loan Agreement, and certain subsidiaries of the Company as guarantors, providing for a \$17.5 million term loan (the Term Loan).

Proceeds from the Term Loan will be used to satisfy existing debt, pay fees and transaction expenses associated with the closing of the Term Loan, pay obligations under the Term Loan Agreement, and for lawful corporate purposes, including working capital. The Term Loan is secured by a lien on certain assets of the Company, including a first priority lien on intellectual property, machinery and equipment, and a pledge of (i) 100% of the ownership interests of domestic subsidiaries and (ii) 65% of the ownership interests in certain foreign subsidiaries of the Company, and a junior lien on certain assets subject to the liens under the BofA Agreement described above. The Term Loan matures on June 28, 2023. Summer Infant Canada Limited and Summer Infant Europe Limited, subsidiaries of the Company, are guarantors under the Term Loan Agreement.

The principal of the Term Loan will be repaid, on a quarterly basis, in installments of \$218,750, with the first installment to be paid on December 1, 2018, until paid in full on termination. The Term Loan bears interest at an annual rate equal to LIBOR, plus 9.0%. Interest payments are due monthly, in arrears. As of June 28, 2018, the interest rate on the Term Loan was 11.336%. Obligations under the Term Loan Agreement are also subject to restrictions on prepayment and a prepayment penalty if the Term Loan is repaid prior to the third anniversary of the closing of the Term Loan.

The Term Loan Agreement contains customary affirmative and negative covenants substantially the same as the BofA Agreement. In addition, if availability falls below a specified amount, then the Company must maintain a fixed charge coverage ratio at the end of each fiscal month of at least 1.0 to 1.0 for the twelve-month period then ended.

The Term Loan Agreement also contains events of default, including a cross default and the occurrence of a change of control. In the event of a default, all of the obligations of the Company and its subsidiaries under the Term Loan Agreement may be declared immediately due and payable. For certain events of default relating to insolvency and receivership, all outstanding obligations become due and payable.
