Item 7.01 Regulation FD Disclosure.

On October 24, 2018, EQT issued a press release announcing certain details of the Separation and Distribution (as defined below). On October 24, 2018, EQT also issued a press release announcing certain resignations and appointments of directors and officers of EQT.

As disclosed in Equitrans Midstream Corporation's (ETRN) Registration Statement on Form 10 (File No. 001-38629), as amended, it is expected that the ETRN board of directors will adopt a shareholder rights plan in connection with the Distribution. The rights plan is expected to be adopted on November 13, 2018; expire on March 31, 2019; and be triggered if any person (other than EQT or a transferee of EQT's retained shares in ETRN) beneficially owns, as of or after adoption, 10% or more of the shares of ETRN common stock issued and outstanding (or 15% for certain persons filing on Schedule 13G under the Securities Exchange Act of 1934). In addition, the rights plan is expected to have a 20% threshold for EQT and any transferee of the ETRN shares it retains, consistent with the Shareholder and Registration Rights Agreement being entered into by EQT and ETRN in connection with the Separation.

Copies of the press releases are furnished as Exhibits 99.2 and 99.3, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

The information provided in this Item 7.01, including the accompanying Exhibits 99.2 and 99.3, shall be deemed furnished and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liability of such section, nor shall it be incorporated by reference in any filing made by EQT pursuant to the Securities Act of 1933, as amended, or the Exchange Act, regardless of the general incorporation language of such filing, except to the extent that such filing incorporates by reference any or all of such information by express reference thereto.
