(1) This Registration Statement registers an aggregate 6,614,026 common units representing limited liability company interests (ENLC Common Units) of EnLink Midstream, LLC (the Registrant), comprised of 3,416,046 ENLC Common Units that may be issued pursuant to the EnLink Midstream, LLC 2014 Long-Term Incentive Plan and 3,197,980 ENLC Common Units that may be issued pursuant to the EnLink Midstream GP, LLC Long-Term Incentive Plan, in each case, as described herein.

(2) In addition, pursuant to Rule 416 under the Securities Act of 1933, as amended (the Securities Act), common units that may be issuable upon any unit split, unit dividend or similar transaction with respect to these common units are also being registered hereunder.

(3) Estimated solely for the purpose of calculating the registration fee in accordance with Rule 457(c) and (h) under the Securities Act based on the average of the high and low prices of the common units of the Registrant as reported on The New York Stock Exchange on January 23, 2019.

(4) Determined in accordance with Section 6(b) of the Securities Act at a rate equal to \$121.20 per \$1,000,000 of the Proposed Maximum Aggregate Offering Price. Pursuant to Rule 457(p) under the Securities Act, the total amount of the registration fee due is offset by \$3,222.33, representing the dollar amount of the filing fee previously paid by EnLink Midstream Partners, LP (ENLK) that corresponds to 2,971,145 unsold common units representing limited partnership interests in ENLK that were registered pursuant to the Registration Statement on Form S-8 (File No. 333-210641) (the Prior Registration Statement) filed by ENLK under the Securities Act on April 7, 2016. Accordingly, the filing fee transmitted herewith is \$5,595.49. The Registrant owns more than 50 percent of ENLK s outstanding voting securities. The offerings under the Prior Registration Statement have been terminated and the effectiveness of the Prior Registration Statement has been terminated pursuant to a Post-Effective Amendment to Form S-8 filed by ENLK under the Securities Act.

EXPLANATORY NOTE

Effective January 25, 2019, pursuant to that certain Agreement and Plan of Merger, dated as of October 21, 2018 (the Merger Agreement), by and among EnLink Midstream, LLC (ENLC), EnLink Midstream Manager, LLC, the managing member of ENLC (EMM), NOLA Merger Sub, LLC (Merger Sub), EnLink Midstream Partners, LP (ENLK), and EnLink Midstream GP, LLC, Merger Sub merged with and into ENLK, with ENLK surviving the merger as a subsidiary of ENLC (the Merger).

At the effective time of the Merger (the Effective Time), each award with respect to common units representing limited partner interests in ENLK (ENLK Common Units) that were outstanding under the EnLink Midstream GP, LLC Long-Term Incentive Plan (the ENLK Plan) immediately prior to the Effective Time (each, an ENLK Equity Award) was converted into the right to receive a comparable award (an ENLC Replacement Award) with respect to common units representing limited liability company interests in ENLC (ENLC Common Units) in accordance with the following:

1. At the Effective Time, each ENLK Equity Award consisting of Restricted Incentive Units (as defined in the ENLK Plan) (other than performance based Restricted Incentive Units, which are hereinafter referred to as ENLK Performance Units) (each, an ENLK Restricted Incentive Unit), was converted into an award with respect to ENLC Common Units pursuant to an ENLC Replacement Award (ENLC Replacement RIU Award) with substantially the same terms that were in effect immediately prior to the Effective Time. The number of ENLC Common Units subject to the ENLC Replacement RIU Awards will be determined by multiplying the number of ENLK Common Units subject to such ENLK Equity Award by 1.15, rounded up to the nearest whole ENLC Common Unit.
2. At the Effective Time, each ENLK Equity Award consisting of ENLK Performance Units was converted into an award with respect to ENLC Common Units pursuant to an ENLC Replacement Award (ENLC Replacement PU Award) with, subject to the Performance Metric Adjustment, as that term is defined in the Merger Agreement, substantially the same terms that were in effect immediately prior to the Effective Time. The number of ENLC Common Units subject to the ENLC Replacement PU Awards will be determined by multiplying the number of ENLK Common Units subject to such ENLK Equity Award by 1.15, rounded up to the nearest whole ENLC Common Unit.
3. At the Effective Time, each ENLK Equity Award consisting of Options (as defined in the ENLK Plan) (ENLK Unit Options), was converted into an award with respect to ENLC Common Units pursuant to an ENLC Replacement Award (ENLC Replacement Option Award) with substantially the same terms that were in effect immediately prior to the Effective Time. The number of ENLC Common Units subject to the ENLC Replacement Option Award will be determined by multiplying the number of ENLK Common Units subject to such ENLK Equity Award by 1.15, rounded down to the nearest whole ENLC Common Unit; and have an exercise price per each applicable ENLC Common Unit based on the quotient obtained by dividing the exercise price in respect of an ENLK Common Unit under such ENLK Equity Award by 1.15, rounded up to the nearest whole cent.

Also at the Effective Time, each ENLK Common Unit that would remain eligible for future grants of awards under the ENLK Plan immediately prior to the Effective Time (each, a Remaining Available Unit), was converted into, and included among the, ENLC Common Units that are

Edgar Filing: EnLink Midstream, LLC - Form S-8

available for new grants of awards with respect to ENLC Common Units under the EnLink Midstream, LLC 2014 Long-Term Incentive Plan (the ENLC Plan), which Remaining Available Units will relate to such number of ENLC Common Units that is based on the product obtained by multiplying the number of the Remaining Available Units by 1.15, rounded down to the nearest whole ENLC Common Unit (the Rollover Units).

This registration statement on Form S-8 (this Registration Statement) registers for issuance (i) the additional ENLC Common Units to be reserved for issuance upon the settlement, when vested, of the ENLC Replacement Awards into which unvested ENLK Equity Awards converted at the Effective Time and (ii) the additional ENLC Common Units to be reserved for issuance with respect to the Rollover Units that may be available for awards under the ENLC Plan from and after the Effective Time.

Item 4. Description of Securities.

Not applicable.

Item 5. Interest of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 18-108 of the Delaware Limited Liability Company Act, as amended, empowers a Delaware limited liability company to indemnify and hold harmless any member or manager or other person from and against all claims and demands whatsoever. The Second Amended and Restated Operating Agreement of ENLC, dated as of January 25, 2019 (the "ENLC Operating Agreement"), provides that ENLC will indemnify the following persons, to the fullest extent permitted by the law, from and against all losses, claims, damages, or similar events:

- its manager;
- any departing managing member;
- any person who is or was an affiliate of ENLC's manager or any departing managing member;
- any person who is or was a manager, managing member, general partner, director, officer, employee, agent, fiduciary, or trustee of ENLC, ENLC's subsidiaries, ENLC's manager, any departing managing member, or any of their respective affiliates;

- any person who is or was serving as a manager, managing member, general partners, director, officer, employee, agent, fiduciary, or trustee of another person owing a fiduciary duty to ENLC or its subsidiaries; and
- any person designated by ENLC's manager;

unless there has been a final and non-appealable judgment by a court of competent jurisdiction that, in respect of the matter for which such persons are seeking indemnification, those persons acted in bad faith, or engaged in fraud or willful misconduct or, in the case of a criminal matter, acted with knowledge that their conduct was unlawful.

Any indemnification under these provisions will only be out of ENLC's assets. Unless EMM otherwise agrees, it will not be personally liable for, or have any obligation to contribute or lend funds or assets to ENLC to enable ENLC to effectuate, indemnification. ENLC may purchase insurance against liabilities asserted against and expenses incurred by persons for its activities, regardless of whether it would have the power to indemnify the person against liabilities under the ENLC Operating Agreement.

ENLC has entered into indemnification agreements (collectively, the Indemnification Agreements) with each of the directors and executive officers of EMM (collectively, the Indemnitees). Under the terms of the Indemnification Agreements, ENLC agrees to indemnify and hold each Indemnitee harmless from and against any and all losses, claims, damages, liabilities, judgments, fines, taxes (including ERISA excise taxes), penalties (whether civil, criminal, or other), interest, assessments, amounts paid or payable in settlements, or other amounts and any and all expenses (as defined in the Indemnification Agreements) arising from any and all threatened, pending, or completed claims, demands, actions, suits, proceedings, or alternative dispute mechanisms, whether civil, criminal, administrative, arbitral, investigative, or otherwise, whether made pursuant to federal, state, or local law, whether formal or informal, and including appeals, in each case, which the Indemnitee may be involved, or is threatened to be involved, as a party, a witness, or otherwise, including any inquiries, hearings, or investigations that the Indemnitee determines might lead to the institution of any proceeding, related to the fact that Indemnitee is or was a director, manager, or officer of ENLC or EMM, or is or was serving at the request of the ENLC or EMM, each as applicable, as a manager, managing member, general partner, director, officer, fiduciary, trustee, or agent of any other entity, organization, or person of any nature. ENLC has also agreed to advance the expenses of an Indemnitee relating to the foregoing. To the extent that a change in the laws of the State of Delaware permits greater indemnification under any statute, agreement, organizational document, or governing document than would be afforded under the Indemnification Agreements as of the date of the Indemnification Agreements, the Indemnitee shall enjoy the greater benefits so afforded by such change.

Item 9. Undertakings.

- (a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and agrees to be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing this Registration Statement on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Dallas, State of Texas, on this 28th day of January, 2019.
