

Item 1.01 Entry into a Material Definitive Agreement.

PNM Resources, Inc. (the "Company") has previously disclosed and filed its Amended and Restated Omnibus Performance Equity Plan (the "Plan"), which was approved by the shareholders in May 2005. Under the terms of the Plan, the Human Resources and Compensation Committee of the Board of Directors (the "Board") of the Company made Long Term Incentive Plan Awards on February 13, 2006. The forms of the award agreements for non-qualified stock options and restricted stock rights are filed herewith as Exhibits 10.1 and 10.2.

On February 14, 2006, the Board approved an amendment in the previously reported Retention Bonus Agreement dated October 31, 2003 with the Company's Chief Executive Officer, J. E. Sterba. Under the terms of the amendment, the only change is in the payout schedule. Rather than having the first of the two equal installments paid at the end of calendar year 2010 and the second equal installment paid 12 months after the first payment, the first equal installment will be paid on March 1, 2010, and the second equal installment will be paid one year thereafter (rather than at the end of calendar year 2011).

Item 5.02 Departure of Directors or Principal Officers; Appointment of Principal Officers.

In connection with the Bylaw amendment declassifying the Board, described herein under Item 5.03, on February 14, 2006, the Class A Board members (C. E. McMahan, A. E. Archuleta, and J. A. Dobson) and Class C Board members (J. E. Sterba, B. S. Reitz and J. B. Woodard) voluntarily waived their rights to terms extending beyond the Annual Meeting in May 2006, so that annual elections of all directors could begin with the 2006 Annual Meeting. In their letters agreeing to stand for election in 2006, the directors stated that their actions were in furtherance of immediately implementing annual elections and were not the result of any disagreements with the Company. The Board views annual election of directors as an important enhancement in corporate governance.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 14, 2006, the Board approved an amendment to the Company's Bylaws. The amendment declassifies the Board of Directors so that, instead of three classes of directors with staggered three-year terms, all directors will be elected annually. The Board also approved the submission to the shareholders for approval at the 2006 Annual Meeting of Shareholders an amendment to the Restated Articles of Incorporation, removing the authority of the Board to re-classify itself in the future. The amended bylaws are attached herewith as Exhibit 3.
