**Item 3.02 Unregistered Sales of Equity Securities.**

On June 17, 2015, DynaResource, Inc. (the “Company”) completed a private placement offering to one accredited investor of 1,000,000 shares of Common Stock, for aggregate consideration of \$2,500,000.00. The investor in this private placement offering also received 1,000,000 Common Stock purchase warrants (“Warrants”) contemplating the purchase of an additional 1,000,000 shares of Common Stock, at an exercise price of \$2.50 per share. The Warrants expire at December 31, 2017.

The sale of the securities identified above was made pursuant to a privately negotiated transaction that did not involve a public offering of securities and, accordingly, the Company believes that the transaction was exempt from the registration requirements of the Securities Act pursuant to Section 4(2) thereof. The investor represented that he either (A) is an “accredited investor,” (B) has such knowledge and experience in financial and business matters that the investor is capable of evaluating the merits and risks of acquiring the shares of the Company’s Common Stock, or (C) has appointed an appropriate person to act as the investor’s purchaser representative in connection with evaluating the merits and risks of acquiring the shares of the Company’s Common Stock. All of the foregoing securities are deemed restricted securities for purposes of the Securities Act.
