**Item 8.01 Other Events**

On February 22, 2005, Public Company Management Corporation (the "Registrant") entered into a Newsletter Distribution Agreement with Leverage by Design, Inc. ("LBD"). Per the agreement, LBD will prepare and publish a 12-page investment newsletter focusing primarily on the Registrant. LBD will distribute the newsletter under its own brand name to 500,000 investment newsletter subscribers.

This project includes the following: writing and editing the copy, designing the layout, creating an SEC compliance package, obtaining necessary investor databases and coordinating the logistical process (printing, database merge/purge, mailing).

LBD publishes an independent, paid circulation newsletter. The newsletter discussing the Company will be a sponsored advertisement for subscriptions. In order to maintain its independence, LBD accepts no compensation from the Registrant. Instead, LBD expects to generate new subscriber revenue, the amount of which is unknown at this time.

The Registrant will cover all expenses associated with the publication. LBD estimates these expenses will be approximately \$275,000 for approximately 500,000 copies. However, the final cost will depend on various issues, including but not limited to the price of paper, printing costs, graphic design, bulk mail permit, business reply mail permit, mailbox fees, copies, overnight delivery charges, writing fees, databases rental charges and postage costs. Both parties understand that the final costs and the final number of copies mailed may differ from the original estimate.
