Item 5.03. Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 4, 2016, the Board of Directors (the “Board”) of Motorcar Parts of America, Inc. (the “Registrant”) adopted and approved, effective immediately, an amendment to the Amended and Restated By-Laws of the Registrant (the “By-law Amendment”) that implemented a majority voting standard for the election of directors in uncontested elections. The new majority voting standard provides that to be elected in an uncontested election, a director nominee must receive a majority of the votes cast in the election such that the number of shares properly cast “for” the nominee exceeds the number of votes properly cast “against” that nominee. In contested elections where the number of nominees exceeds the number of directors to be elected, the voting standard will continue to be a plurality of votes cast.

In connection with the Bylaw Amendment, the Registrant also adopted a director election and resignation policy (the “Policy”). The Policy requires an incumbent director, in order to be nominated by the Board for re-election as a director, to tender an irrevocable resignation effective upon (1) the failure to receive the required number of votes for re-election and (2) the Board’s acceptance of the director’s resignation. The Nominating and Corporate Governance Committee of the Board will assess the appropriateness of such nominee continuing to serve as a director and will recommend to the Board the action to be taken with respect to such tendered resignation. The Policy requires that the Registrant promptly disclose the decision of the Board with respect to the tendered resignation in a filing with the Securities and Exchange Commission of a current report on Form 8-K.

The foregoing description of the amendment to the Amended and Restated Bylaws does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Bylaws, as amended, that are attached hereto as Exhibit 3.1 and incorporated by reference herein.
