EXPLANATORY NOTE

This Amendment to Form 10-K (this Form 10-K/A) amends the Annual Report on Form 10-K for the year ended December 31, 2017 originally filed on February 27, 2018 (the Original Report) by TCP Capital Corp. (the Company, TCPC, we, our or us). We are filing this Form 10-K/A to present the information required by Part III of the Form 10-K as we will not file a definitive proxy statement within 120 days of the end of our fiscal year ended December 31, 2017. Terms previously defined in the Original Report have the same meanings in this Form 10-K/A.

Also included in this Form 10-K/A are (i) the signature page, (ii) certifications required of the principal executive officer and principal financial officer under Section 302 of the Sarbanes-Oxley Act of 2002 and (iii) Part IV of the Form 10-K, which has been included solely to allow for filing of the additional certifications. Because no financial statements are contained within this Form 10-K/A, we are not including certifications pursuant to Section 906 of the Sarbanes-Oxley Act of 2002.

Except as described above, no other changes have been made to the Original Report. Other than the information specifically amended and restated herein, this Form 10-K/A does not reflect events occurring after February 27, 2018, the date of the Original Report, or modify or update those disclosures that may have been affected by subsequent events. Accordingly, this Form 10-K/A should be read in conjunction with our Original Report and our other filings made with the Securities and Exchange Commission (the Commission) subsequent to the filing of the Original Report.

PART III

**Item 10. Directors, Executive Officers and Corporate Governance
INFORMATION ABOUT THE DIRECTORS**

Certain information with respect to the directors of the Company is set forth below, including their names, ages, a brief description of their recent business experience, including present occupations and employment, certain directorships that each person holds, and the year in which each person became a Director. Each member of the Board of Directors of the Company is a member of the Board of Directors of Special Value Continuation Partners, LP (the Partnership).

The 1940 Act and the NASDAQ rules require that the Company's Board of Directors consist of at least a majority of independent directors. Under the 1940 Act, in order for a director to be deemed independent, he or she, among other things, generally must not: own, control or hold power to vote, 5% or more of the voting securities; control the Company or an investment advisor or principal underwriter to the Company; be an officer, director or employee of the Company or of an investment advisor or principal underwriter to the Company; be a member of the immediate family of any of the foregoing persons; knowingly have a direct or indirect beneficial interest in, or be designated as an executor, guardian or trustee of an interest in, any security issued by an investment advisor or principal underwriter to the Company or any parent company thereof; be a partner or employee of any firm that has acted as legal counsel to the Company or an investment advisor or principal underwriter to the Company during the last two years; or have certain relationships with a broker-dealer or other person that has engaged in agency transactions, principal transactions with, lent money or other property to, or distributed shares on behalf of, the Company. Under NASDAQ rules, in order for a Director to be deemed independent, the Company's Board of Directors must determine that the individual does not have a relationship that would interfere with the Director's exercise of independent judgment in carrying out his or her responsibilities.

The Board of Directors, in connection with the 1940 Act and NASDAQ rules, as applicable, has considered the independence of members of the Board of Directors who are not employed by Tennenbaum Capital Partners, LLC (the Advisor) and has concluded that Kathleen A. Corbet, Eric J. Draut, M. Freddie Reiss, Peter E. Schwab and Brian F. Wruble (the Independent Directors) are not interested persons as defined by the 1940 Act and therefore qualify as independent directors under the standards promulgated by the 1940 Act and the NASDAQ rules. In reaching this conclusion, the Board of Directors concluded that Ms. Corbet and Messrs. Draut, Reiss, Schwab and Wruble had no relationships with the Advisor or any of its affiliates, other than their positions as directors of the Company and other than, if applicable, investments in us or other private funds managed by the Advisor that are on the same terms as those of other stockholders and investors.

Each director has been nominated for election as a director to serve as a director of TCPC until the 2019 Annual Meeting of Stockholders of TCPC, or until his or her successor is duly elected and qualifies. None of the Independent Directors has been proposed for election pursuant to any agreement or understanding with any other director or the Company. The Company is party to an investment advisory agreement with the Advisor. Messrs. Levkowitz and Vig are each a managing partner of the Advisor. In addition, pursuant to the terms of an administration agreement, Series H of SVOF/MM, LLC, the general partner of the Partnership (the General Partner), provides, or arranges to provide, the Company with the office facilities and administrative services necessary to conduct our day-to-day operations. The General Partner is controlled by the Advisor and its affiliates.

Audit Committee

Our Board of Directors currently has three committees: an Audit Committee, a Governance and Compensation Committee and a Joint Transaction Committee. The Audit Committee operates pursuant to a charter approved by our Board of Directors and met five times during the fiscal year ended December 31, 2017. The Audit Committee currently holds regular meetings on a quarterly basis and special meetings as needed. The charter sets forth the responsibilities of the Audit Committee and can be accessed at <http://investors.tpcapital.com/corporate-governance>. The primary function of the Audit Committee is to serve as an independent and objective party to assist the Board of Directors in fulfilling its responsibilities for overseeing all material aspects of our accounting and financial reporting processes, monitoring the independence and performance of our independent registered public accounting firm, providing a means for open communication among our independent accountants, financial and senior management and the Board of Directors, and overseeing our compliance with legal and regulatory requirements. The Audit Committee is presently composed of Ms. Corbet and Messrs. Draut (Chair), Reiss, Schwab and Wruble, each of whom is considered independent for purposes of the 1940 Act and The Nasdaq Global Select Market listing standards. Our Board of Directors has determined that each member of our Audit Committee is an audit committee financial expert as defined under Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934. In addition, each member of our Audit Committee meets the current independence and experience requirements of Rule 10A-3 of the Securities Exchange Act of 1934 and, in addition, is not an interested person of the Company or of the Advisor as defined in Section 2(a)(19) of the 1940 Act.

Code of Ethics

We and the Advisor have each adopted a code of ethics pursuant to the 1940 Act and, with respect to the Advisor, the Advisers Act that establishes procedures for personal investments and restricts certain personal securities transactions. The code of ethics can be accessed at <http://investors.tpcapital.com/corporate-governance>. Personnel subject to each code may invest in securities for their personal investment accounts, including securities that may be purchased or held by us, so long as such investments are made in accordance with the code's requirements.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, our directors and executive officers, and any persons holding more than 10% of our common stock, are required to report their beneficial ownership and any changes therein to the Commission and us. Specific due dates for those reports have been established, and we are

required to report herein any failure to file such reports by those due dates.

Based on our review of Forms 3, 4 and 5 filed by such persons, and information provided by our Directors and officers, we believe that during the fiscal year ended December 31, 2017, all Section 16(a) filing requirements applicable to such persons were met in a timely manner. Each change in beneficial ownership related to a single acquisition separately effected by each Director.

• We have entered into an investment management agreement with the Advisor.

The General Partner provides us with administrative services necessary to conduct our day-to-day operations. For providing these services, facilities and personnel, the General Partner may be reimbursed by us for expenses incurred by the General Partner in performing its obligations under the administration agreement, including our allocable portion of the cost of certain of our officers and the General Partner's administrative staff and providing, at our request and on our behalf, significant managerial assistance to portfolio companies to which we are required to provide such assistance.

• The Company has entered into a royalty-free license agreement with the Advisor, pursuant to which the Advisor has agreed to grant us a non-exclusive, royalty-free license to use the name TCP.

Pursuant to its limited partnership agreement, the General Partner of the Partnership is Series H of SVOF/MM, LLC. SVOF/MM, LLC is an affiliate of the Advisor and certain classes and series of SVOF/MM, LLC serve as the general partner, managing member or sub-advisor of certain other funds managed by the Advisor.

The Advisor and its affiliates, employees and associates currently do and in the future may manage other funds and accounts. The Advisor and its affiliates may determine that an investment is appropriate for us and for one or more of those other funds or accounts. Accordingly, conflicts may arise regarding the allocation of investments or opportunities among us and those accounts. In general, the Advisor will allocate investment opportunities pro rata among us and the other funds and accounts (assuming the investment satisfies the objectives of each) based on the amount of committed capital each then has available. The allocation of certain investment opportunities in private placements will continue to be subject to Independent Director approval pursuant to the terms of the co-investment exemptive order applicable to us. In certain cases, investment opportunities may be made other than on a pro rata basis. For example, we may desire to retain an asset at the same time that one or more other funds or accounts desire to sell it or we may not have additional capital to invest at a time the other funds or accounts do. If the Advisor is unable to manage our investments effectively, we may be unable to achieve our investment objective. In addition, the Advisor may face conflicts in allocating

investment opportunities between us and certain other entities that could impact our investment returns. While our ability to enter into transactions with our affiliates is restricted under the 1940 Act, we have received two exemptive orders from the Commission permitting certain affiliated investments subject to certain conditions. As a result, we may face conflicts of interest on investments made pursuant to the exemptive orders conditions which could in certain circumstances affect adversely the price paid or received by us or the availability or size of the position purchased or sold by us.

On an annual basis, each member of the Board of Directors is required to complete an independence questionnaire designed to provide information to assist the Board of Directors in determining whether the Director is independent. The Board of Directors has determined that each of our directors, other than Messrs. Levkowitz and Vig, is independent under the 1940 Act and the NASDAQ Global Select Market listing standards.

Item 14. Principal Accountant Fees and Services

Audit Fees. Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements included in the Company's annual report on Form 10-K and a review of financial statements included in the Company's quarterly reports on Form 10-Q, or services that are normally provided by Deloitte in connection with statutory and regulatory filings for the past two fiscal years. Audit fees incurred by TCPC for its fiscal years ended December 31, 2017 and December 31, 2016 were \$261,820 and \$254,220, respectively, and audit fees incurred by the Partnership for the same fiscal years were \$255,460 and \$248,040, respectively. TCPC incurred \$106,000 and \$103,000 for the audit of internal controls under Sarbanes-Oxley Section 404 in conjunction with the fiscal years ended December 31, 2017 or December 31, 2016, respectively.

Audit-Related Fees. Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. TCPC incurred audit-related fees with Deloitte in the amount of \$245,700 and \$112,350 during the fiscal years ended December 31, 2017 and December 31, 2016, respectively. The services comprising such fees related to the filing of TCPC's registration statement on Form N-2. The Partnership incurred audit-related fees with Deloitte in the amount of \$0 and \$10,000, respectively, in the same periods.

Tax Fees. Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance, and include services for Ernst & Young LLP provision of tax preparation services and the execution and filing of TCPC's and the Partnership's tax returns. The Partnership and TCPC each has a tax year end of December 31. Tax fees incurred by the Partnership were \$54,127 and \$47,983 in its tax years ended December 31, 2017 and December 31, 2016, respectively. Tax fees incurred by TCPC were \$34,421 and \$32,500 in its tax years ended December 31, 2017 and December 31, 2016, respectively.

All Other Fees. All other fees would include fees for products and services other than the services reported above. The Company incurred no such fees for the past two fiscal years.

The audit committee of the board of directors (the Audit Committee) is required to approve all audit engagement fees and terms for the Company. The Audit Committee also is required to consider and act upon (i) the provision by the Company's independent accountant of any non-audit services to the Company, and (ii) the provision by the Company's independent accountant of non-audit services to the Company and any entity controlling, controlled by, or under common control with the Company that provide ongoing services to the Company to the extent that such approval (in the case of this clause (ii)) is required under applicable regulations of the Commission.

The Audit Committee pre-approves all audit, review and attest engagements required under the securities laws and regulations provided by the Company's independent auditors. The Audit Committee also approves all non-audit

services, including tax services, provided to the Company by the Company's independent auditors and verifies, at the time of pre-approval, that such pre-approved non-audit services would not be prohibited services under securities regulations. The Audit Committee pre-approves all non-audit services provided by the Company's independent auditors to the Company's investment advisor and to affiliates of the investment advisor that provide ongoing services to the Company, but only if the non-audit services have a direct impact on the operations or financial reporting of the Company.
