The preparation of the Company's year-end Form 10-KSB has been delayed due to the time required to complete the accounting documentation and have those records reviewed by the Company's new independent auditors. As a result the Company has faced unavoidable delays in the timely preparation of the information required by its 10-KSB for the year ended December 31, 2007 and the Form 10-KSB cannot be timely completed without unreasonable effort or expense to the Company.

If the answer is no, identify report(s). (X) Yes () No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? (X) Yes () No

If so, attach an explanation of the anticipated change, both narrative and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company revenues for the twelve months ended, December 31, 2007 as compared to December 31, 2006, increased from approximately \$890,000 to \$3,000,000 or approximately a 233% increase. The Company will show a loss of approximately (\$1,700,000) for twelve months ended, December 31, 2007 as compared to a loss of approximately (\$2,330,000) for the twelve months ended, December 31, 2006. This decrease in net loss is attributed to an increase in revenues and a one-time accounting charge due to the sale of the Company's subsidiary, Green Endeavors LTD. The increase in revenues is due to an increase in the number of commercial liquidation accounts and sales for its majority owned subsidiary, BizAuctions, Inc.

The revenues and costs for the twelve months ended December 31, 2007 are approximate, as the final numbers for the year ended December 31, 2007 have not yet been finalized by the Company and reviewed by its new independent auditors.
