**THIS INFORMATION STATEMENT IS BEING PROVIDED TO YOU BY

WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE REQUESTED
NOT TO SEND US A PROXY.**

This Information Statement is furnished to holders of shares of common stock, \$.0001 par value (the "Common Stock"), of **American Petroleum Group, Inc.** (the "Company") to notify such stockholders that on or about September 9, 2004 the Company received written consents in lieu of a meeting of stockholders from holders of a majority of the shares of Common Stock representing in excess of 50.1 % of the total issued and outstanding shares of voting stock of the Company (the "Majority Stockholders") approving the Certificate of Amendment to the Certificate of Incorporation of the Company, pursuant to which the Company's name will change to "**Triton Petroleum Group, Inc.**" (the "Name Change").

This Information Statement describing the approval of the Name Change and the reverse split of common stock (the "Stockholder Matter") is first being mailed or furnished to the Company's stockholders on or about October 31, 2004, and such matters shall not become effective until at least 10 days thereafter. Expenses in connection with the distribution of this Information Statement will be paid by the Company and are anticipated to be less than \$10,000.

The Board of Directors knows of no other matters other than those described in this Information Statement which have been recently approved or considered by the holders of a majority of the shares of the Company's voting stock.

OUTSTANDING VOTING SECURITIES

As of October 21, 2005 (the "Record Date"), out of the 100,000,000 shares of Common Stock authorized there were 69,800,000 shares of Common Stock issued and outstanding, and out of the 10,000,000 shares of preferred stock authorized there were no shares of the preferred stock outstanding.

Only holders of record of the Common Stock at the close of business on the Record Date were entitled to participate in the written consent of the Company's stockholders. Each share of Common Stock was entitled to one (1) vote.

The Company's Board of Directors approved this action as of October 21, 2005 and recommended that the Articles of Incorporation be amended in order to effectuate the name change.

The proposed Amendment to the Articles of Incorporation to amend the name of the Corporation to "**Triton Petroleum Group, Inc.**" was filed with the Nevada Secretary of State and was effective on October , 2004. If the proposed Amendment were not adopted by written majority shareholder consent, it would have been necessary for this action to be considered by the Company's shareholders at a special shareholder's meeting convened for the specific purpose of approving the Amendment.

The elimination of the need for a special meeting of the shareholders to approve the Amendment is authorized by Section 78.320 of the Nevada Revised Statutes, (the "*Nevada Law*"). This Section provides that the written consent of the holders of outstanding shares of voting capital stock, having not less that the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted, may be substituted for the special meeting. According to this Section 78.390 of the Nevada Law, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to amend the Company's Articles of Incorporation. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the Amendment as early as possible in order to accomplish the purposes of the Company, the Board of Directors of the Company voted to utilize the written consent of the majority shareholders of the Company.

The Board of Directors of the Company has determined that all Shareholders ARE NOT REQUIRED to return their certificates to have them re-issued by the Transfer Agent.
