PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of OnScreen Technologies, Inc. (the "Company") for use at the Special Meeting of Stockholders to be held on Thursday June 29, 2006, 9:00 a.m., PDT at The Hotel Vintage Plaza, Tuscany A Room, 2nd Floor, 422 SW Broadway, Portland, OR 97205 or at any postponements or adjournments thereof. Your vote at the Special Meeting is important to us. Please vote your shares of OnScreen Technologies, Inc. stock by completing the enclosed proxy card and returning it in the enclosed envelope. The approximate date on which this Proxy Statement and the accompanying proxy card will be mailed to stockholders is May 19, 2006.

GENERAL INFORMATION ABOUT THE SPECIAL MEETING

WHAT IS THE PURPOSE OF THE SPECIAL MEETING?

At our Special Meeting, stockholders will act upon the matter outlined in the notice of meeting on the cover page of this Proxy Statement, amending the Article of Incorporation of OnScreen Technologies, Inc. to increase the authorized number of common shares from 150,000,000 to 200,000,000.

WHO IS ENTITLED TO VOTE?

Only stockholders of record at the close of business on May 4, 2006, the record date for the meeting, are entitled to receive notice of and to participate in the Special Meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the Special Meeting, or any postponements or adjournments of the meeting. Each outstanding share of Common Stock owned by you on the record date entitles you to one vote on the matter considered at the Special Meeting. The enclosed proxy card shows the number of shares owned by you as of the record date.

WHO MAY ATTEND THE SPECIAL MEETING?

All stockholders of record as of the record date, or their duly appointed proxies, may attend the meeting.

WHAT CONSTITUTES A QUORUM?

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

The presence at the Special Meeting, in person or by proxy, of the holders of one third of the aggregate voting power of the Common and Preferred Stock outstanding on the record date will constitute a quorum. Each share of Common Stock and each share of Series A Convertible Preferred Stock is entitled to one vote and each share of Series B Convertible Preferred Stock is entitled to 1,000 votes. As of the close of business on May April 30, 2006, 111,823,219 shares of Common Stock and 1,986,713 shares of Series A Convertible Preferred Stock and 500 shares of Series B Convertible Preferred Stock were outstanding and entitled to vote at the Special Meeting. Unless otherwise indicated, all references herein to percentages of outstanding shares of stock are based on such numbers of shares outstanding. Shares entitled to vote are referred to hereafter as "Voting Shares".

HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return it, your shares of Stock will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

4

MAY I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes, even after you have submitted your proxy, you may revoke or change your vote at any time before the proxy is exercised by providing William F. Clough, Esq., our Corporate Secretary, either a written notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the Special Meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Company's Board of Directors. The Board's recommendation is to vote in favor of the amendment to the Articles of Incorporation to increase the number of authorized shares from 150,000,000 to 200,000,000.

WHAT VOTE IS REQUIRED TO APPROVE THE PROPOSED AMENDMENT?

The affirmative vote of a plurality of the votes cast at the Special Meeting is required for amending the Article of Incorporation of OnScreen Technologies, Inc. to increase the authorized number of common shares from 150,000,000 to 200,000,000. A properly executed proxy marked "Abstain" will not be voted with respect to the proposed amendment, although it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted "FOR" amending the Article of Incorporation of OnScreen Technologies, Inc. to increase the authorized number of common shares from 150,000,000 to 200,000,000. An abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to the matter to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

WHAT IF OTHER MATTERS COME UP AT THE SPECIAL MEETING?

Aside from the amending the Article of Incorporation of OnScreen Technologies, Inc. to increase the authorized number of common shares from 150,000,000 to 200,000,000, the Board of Directors knows of no other matters to be presented at

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

the Special Meeting. If any other matter should be presented at the meeting upon which a vote properly may be taken, the shares represented by the proxy holders will be voted in the discretion of the proxy holders.

PROPOSALS BY SHAREHOLDERS

We are not aware of any matters to be voted on at the Special Meeting except the proposed amendment to the Articles of Incorporation listed on the accompanying notice of Special Meeting of shareholders. The accompanying proxy gives discretionary authority to the persons named to vote the shares in their best judgment if any other matters are properly brought before the Special Meeting.

WHAT IF THE SPECIAL MEETING IS POSTPONED?

If the Special Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Special Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Special Meeting, except for any proxies that have at that time effectively been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same or any other matter at a previous meeting.

5

WHO PAYS FOR THIS PROXY SOLICITATION?

We do. The proxies being solicited in connection with this Proxy Statement are being solicited by the Board of Directors and the costs will be borne by the Company. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our stock.

PROPOSAL

AMENDMENT OF ARTICLES OF INCORPORATION

Being submitted to the stockholders for approval at the Special Shareholders meeting is a proposal to amend the Articles of Incorporation of OnScreen Technologies, Inc. to increase the authorized number of common shares from 150,000,000 to 200,000,000. These common shares will be \$0.001 par value per share with full one vote per share voting privileges. This proposal was approved by the Board of Directors subject to stockholder approval. If the proposed amendment to the Articles of Incorporation is approved by a simple majority of the shareholder votes cast, then the number of common shares that the Company is authorized to issue will be increased from 150,000,000 to 200,000,000.

The Board of Directors recommends approval of this proposal because the additional common shares are intended to be used to raise additional capital that is necessary to finance the final stages of product development.

GENERAL

Our Articles of Incorporation currently provides for 150,000,000 shares of authorized \$0.001 par value Common Stock. Our shareholders are not entitled to a preemptive right to purchase, subscribe for, or otherwise acquire any unissued shares of stock of the corporation, or any options or warrants to purchase, subscribe for or otherwise acquire any such unissued shares, or any shares, bonds, notes, debentures, or securities convertible into or carrying options or warrants to purchase, subscribe for or otherwise acquire any such unissued shares. In May 2006 our Board of Directors adopted a resolution to amend the Certificate of Incorporation to increase the authorized number of shares of Common Stock to 200,000,000, subject to stockholder approval of the proposed amendment. No changes will be made to the number of authorized shares of our preferred stock. If approved by the stockholders of the Company, the amendment will become effective upon the filing of a Certificate of Amendment of Certificate of Incorporation with the Secretary of State of Colorado which is expected to occur shortly after shareholder approval. The consent of the holders of a majority of the outstanding shares of Capital Stock is required for approval of the proposed amendment.

Paragraph A of Article II of the Company's Articles of Incorporation currently reads as follows (before giving effect to the amendment):

"The aggregate number of shares which the corporation shall have the authority to issue is one hundred sixty million (160,000,000) shares of which a portion shall be common stock and a portion shall be preferred stock, all as described below.

A. COMMON STOCK. The aggregate number of common shares which the corporation shall have the authority to issue is one hundred fifty million (150,000,000), each with \$0.001 par value which shares shall be designated as "Common Stock". Subject to all of the rights of the Preferred stock as expressly provided herein, by law or by the Board of Directors pursuant to this Article, the Common Stock of the corporation shall possess all such rights and privileges as are afforded to capital stock by applicable law in the absence of any express grant of rights or privileges in these Articles of Incorporation, including, but not limited to, the following

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

rights and privileges:

8

- (i) dividends may be declared and paid or set apart for payment on the Common Stock out of any assets or funds of the corporation legally available for the payment of dividends;
- (ii) the holders of Common Stock shall have unlimited voting rights, including the right to vote for the election of directors and on all other matters requiring stockholder action. Each holder of Common Stock shall have one vote for each share of Common Stock standing in his name on the books of the corporation and entitled to vote, except that in the election of directors each holder of Common Stock shall have as many votes for each share of common Stock held by him as there are directors to be elected and for whose election the holder of Common Stock has a right to vote. Cumulative voting shall not be permitted in the election of directors or otherwise.
- (iii) on the voluntary or involuntary liquidation, dissolution or winding up of the corporation, and after paying or adequately providing for the payment of all of its obligations and amounts payable in liquidation, dissolution or winding up, and subject to the rights of the holders of Preferred Stock, if any, the net assets of the corporation shall be distributed pro rata to the holders of the Common Stock."

Pursuant to the amendment, Paragraph A of Article II of the Company's Articles of Incorporation would be deleted and replaced by the following:

"The aggregate number of shares which the corporation shall have the authority to issue is two hundred ten million (210,000,000) shares of which a portion shall be common stock and a portion shall be preferred stock, all as described below.

A. COMMON STOCK. The aggregate number of common shares which the corporation shall have the authority to issue is two hundred million (200,000,000), each with \$0.001 par value which shares shall be designated as "Common Stock". Subject to all of the rights of the Preferred stock as expressly provided herein, by law or by the Board of Directors pursuant to this Article, the Common Stock of the corporation shall possess all such rights and privileges as are afforded to capital stock by applicable law in the absence of any express grant of rights or privileges in these Articles of Incorporation, including, but not limited to, the following rights and privileges:

- (i) dividends may be declared and paid or set apart for payment on the Common Stock out of any assets or funds of the corporation legally available for the payment of dividends;
- (ii) the holders of Common Stock shall have unlimited voting rights, including the right to vote for the election of directors and on all other matters requiring stockholder action. Each holder of Common Stock shall have one vote for each share of Common Stock standing in his name on the books of the corporation and entitled to vote, except that in the election of directors each holder of Common Stock shall have as many votes for each share of common Stock held by him as there are directors to be elected and for whose election the holder of Common Stock has a right to vote. Cumulative voting shall not be permitted in the election of directors or otherwise.

- (iii) on the voluntary or involuntary liquidation, dissolution or winding up of the corporation, and after paying or adequately providing for the payment of all of its obligations and amounts payable in liquidation, dissolution or winding up, and subject to the rights of the holders of Preferred Stock, if any, the net assets of the corporation shall be distributed pro rata to the holders of the Common Stock."

PURPOSE OF INCREASING THE NUMBER OF AUTHORIZED COMMON SHARES

As of April 30, 2006, we had approximately 111,823,219 outstanding common shares. We are contractually obligated to issue up to approximately 51,777,467 additional shares of common stock underlying currently outstanding options, warrants and other contractual obligations as more fully described below. In order to fulfill our contractual obligation to such holders, we must increase the number of shares of common stock we are authorized to issue. Accordingly, we are seeking shareholder approval to increase the number of authorized common shares from 150,000,000 to 200,000,000. The proposed amendment increasing the authorized number of common shares would make available approximately 36,399,314 common shares for future issuance after taking into account currently outstanding common shares and common shares reserved for outstanding options, warrants and other contractual obligations as more fully described below.

Although there is no current plan to issue the additional authorized common shares for future capitalization, the Company's Board of Directors believes that it is desirable to have additional authorized shares of Common Stock available for possible future financings, possible future acquisition transactions and other general corporate purposes. The Company's Board of Directors believes that having such additional authorized shares of Common Stock available for issuance in the future should give the Company greater flexibility and may allow such shares to be issued without the expense and delay of a special shareholders' meeting.

The proposed increase in the number of shares available for issuance under the Certificate of Incorporation is also intended to provide the Board of Directors with authority, without further action of the stockholders, to issue the additional shares of Common Stock, from time to time in such amounts as the Board of Directors deems necessary. Without limitation of the foregoing, the additional shares may be issued in connection with capital raising transactions through the sale of Common Stock and/or securities convertible into or exercisable for Common Stock in the private and/or public equity markets to support a higher level of growth, respond to competitive pressures, develop new products and services and support new strategic partnership expenditures and strategic partnering or acquisition transactions involving the issuance of our securities.

In the absence of a proportionate increase in our earnings and book value, an increase in the aggregate number of outstanding shares of Common Stock caused by the issuance of the additional shares would dilute the earnings per share (including projected future earnings per share) and book value per share of all outstanding shares of our Common Stock. If such factors were reflected in the price per share of the Common Stock, the potential realizable value of a stockholder's investment could be adversely affected. An issuance of additional shares of Common Stock could, therefore, have an adverse effect on the potential realizable value of a stockholder's investment. The holders of outstanding shares of Common Stock have no preemptive rights to purchase additional shares.

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

The proposed increase in the authorized number of shares of Common Stock could have other effects on our stockholders. The increase could deter takeovers, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of us more difficult. For example, additional shares could be issued by us so as to dilute the stock ownership or voting rights of persons seeking to obtain control. Similarly, the issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting rights of persons seeking to cause such removal.

Set forth below is a summary of the current outstanding securities, transactions and agreements, which relate to the 51,777,467 shares of common stock we are required to reserve for potential future issuances:

CONVERTIBLE PREFERRED SHARES

As of April 30, 2006, the Company had 1,986,713 shares of Series A Convertible Preferred stock outstanding and 500 shares of Series B Convertible Preferred Stock outstanding. The Series A preferred shares convert into common shares at a ratio of 4 Common Shares for each share of Series A Preferred Stock or, 7,946,852 common shares. The Series B preferred shares convert to common shares at a ratio of 1,000 common shares for each share of Series B preferred, or 500,000 common shares.

CONVERTIBLE PROMISSORY NOTES.

During 2005 and the first quarter of 2006, we privately placed approximately \$10,300,000 of 12% convertible promissory notes. The holders of these notes were granted piggyback registration rights for our common shares underlying the conversion feature of the notes. These notes were convertible at \$.25 per share. Noteholders who purchased \$500,000 or more of these notes received 100,000 additional common shares. All of the notes were converted into 42,000,000 shares of our common stock during the second quarter of 2006. In addition, we issued to such noteholders warrants to acquire 10,300,000 shares of our common stock at an exercise price of \$.01 per share. These warrants have a three (3) year term. All of the shares of the common stock issued upon the conversion of the notes and the shares of common stock underlying the common stock purchase warrants are granted piggyback registration rights.

WAYCOOL THERMAL MANAGEMENT TECHNOLOGY

On January 10, 2005 and February 16, 2005, the inventor/owner of the OnScreen(TM) LED technology patent conveyed ownership of the OnScreen(TM), WayCool and WayFast patent to CH Capital, Inc., a related party. CH Capital, Inc. is a private company controlled by Mr. Bradley J. Hallock, currently a shareholder and a director and Mr. William Clough who currently is a shareholder, corporate secretary, corporate counsel and director. WayCool is a chip technology which provides for electronic assembly/system with reduced cost, mass and volume and increased efficiency and power density.

On February 16, 2005, in consideration for the payment of two hundred thousand dollars (\$200,000), CH Capital, Inc. conveyed to us the OnScreen(TM) patent rights. This conveyance now vests in us the ownership of the OnScreen(TM) LED technology patent subject to the revenue rights of Fusion Three as described below.

By Letter of Intent dated June 10, 2005, CH Capital agreed to convey to us the patent rights relating to the WayCool technology. Effective March 24, 2006, we purchased from CH Capital, Inc. all right, title and interest in and to the WayCool invention, patent application and Patent Letters to issue therefrom in

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

consideration for a one time payment of eight hundred thousand dollars (\$800,000) and agreed to issue CH Capital, Inc. a three year warrant to acquire up to seven million forty thousand four hundred eighty five (7,040,485) shares of our common stock at an exercise price of \$0.20 per share. The \$800,000 amount represents reimbursement for the time and money CH Capital spent acquiring and developing the WayCool technology. Accordingly, we now own all right, title and interest in the WayCool patent and related technology rights.

Management believes that the potential commercialization opportunity for WayCool is significant. We believe that the terms with CH Capital, Inc. are fair and reasonable for a variety of reasons, including, CH Capital, Inc. provided the upfront funding in connection with the WayCool technology development at a time when we did not have sufficient funds or human or technical resources to evaluate and pursue the commercial viability of the WayCool technology. At the time CH Capital, Inc. acquired rights to WayCool, it was an unproven and invalidated technology. We also believe that the equity component consideration relating to warrants issued to CH Capital, Inc. is fair and reasonable inasmuch as the terms of said warrants will be tied to the terms negotiated on an arms-length basis with outside investors in connection with our fund raising efforts.

FUSION THREE, LLC SETTLEMENT

In August 2002, the Company entered into an agreement with Fusion Three, LLC whereby Fusion Three, LLC paid an annual \$50,000 Company license fee in consideration for the Company's conveying to Fusion Three, LLC 5% of the Company's interest in the OnScreen License Agreement. In December 2002 the Company and Fusion Three, LLC entered into an addendum to the August 2002 agreement whereby Fusion Three, LLC paid a \$100,000 second year revenue guarantee in consideration for an additional 10% of the Company's interest in the OnScreen License Agreement. On January 14, 2004, the inventor agreed to accept \$175,000 in lieu of the \$250,000 third year annual revenue guarantee payment.

On February 3, 2004, we reached a Master Settlement and Release Agreement whereby, in consideration for the exchange of mutual releases and Fusion Three, LLC relinquishing any claim to any of the OnScreen(TM) technology, we paid to Fusion Three, LLC \$150,000 plus agreed to pay annually declining percentages of revenue derived from the commercialization of the direct view LED video display technology: 5% in 2005 declining to 2% in year 2008 and thereafter. In the event of a change of control of the Company, the percentage of revenue stated above would terminate and a single payment transaction fee would be paid to Fusion Three, LLC ranging from 10% of the OnScreen appraised value up to \$100,000,000, 7.5% for the appraised value between \$100,000,001 and \$200,000,000, 5% of the appraised value between \$200,000,001 and \$300,000,000, and 4% of the appraised value between \$300,000,001 and \$400,000,000 and 3% for the appraised value between \$400,000,001 and \$500,000,000 and 2% for any appraised amounts between \$500,000,001 and \$600,000,000.

During April 2006 the Company negotiated the terms of a full and final settlement with Fusion Three, LLC whereby Fusion Three, LLC relinquishes all rights and claims to any revenues and fees in consideration for us issuing to Fusion Three, LLC a three year warrant authorizing Fusion Three, LLC to purchase up to five million six hundred thousand (5,600,000) shares of our common stock at a per share price of \$0.20. We also agreed to issue Fusion Three, LLC a warrant to purchase up to one million two hundred thousand (1,200,000) shares of our common stock at a per share price of \$0.35 for 300,000 shares; \$0.50 for 300,000 shares; \$0.75 for 300,000 shares and \$1.00 for 300,000 shares before November 15, 2007.
