QUESTIONS AND ANSWERS

Your vote is very important. Your shares can only be voted at the Annual Meeting if you are present or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to assure that your shares will be represented. You may revoke your proxy at any time before it is voted by written notice to the Secretary of the Company by submission of a proxy bearing a later date or by casting a ballot at the Annual Meeting. Properly executed proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided. If no directions are given, your shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of the person(s), not more than two, to whom you wish to give your proxy.

Q: Who Is Soliciting my Vote?

This proxy solicitation is being made on behalf of us and our Board of Directors. Proxies are being solicited by mail, and all expenses of preparing and soliciting such proxies will be paid by us. In addition to the use of mail, proxies may be solicited by our directors, officers and regular employees, without additional compensation, in person or by telephone or other electronic means. We will reimburse brokerage houses and other nominees for their expenses in forwarding proxy materials to beneficial owners of our common stock.

Q: Who Is Entitled to Vote?

Stockholders as of the close of business on December 29, 2008 (the Record Date) are entitled to vote at the Annual Meeting. On that date, 15,141,993 shares of our Common Stock were outstanding and eligible to vote. Every holder of Common Stock is entitled to one vote for each share held. A list of stockholders eligible to vote will be available at our principal place of business, 525 Lincoln Drive West, 5 Greentree Center, Suite 117, Marlton, New Jersey, beginning January 5, 2009. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting.

Q: Who Will Count the Vote?

A: Representatives of our transfer agent, Zions Bank, will count the votes.

Q: Is my Vote Confidential?

Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to Zions Bank, and handled in a manner that protects your voting privacy. Your vote will not be disclosed except (1) as needed to permit Zions Bank to tabulate and certify the vote and (2) as required by law. Additionally, all comments written on the proxy card or elsewhere will be forwarded to management. Your identity will be kept confidential unless you ask that your name be disclosed.

Q: What Is a Quorum?

A quorum is a majority of the outstanding shares of our common stock entitled to vote on December 29, 2008. These shares must be present at the Annual Meeting, in person or by proxy, for the meeting to be held for the transaction of business.

Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum has been reached. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Q: How Many Votes Are Required for the Approval of the Proposals?

A:

Assuming a quorum is present, the directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote at the Annual Meeting. Because directors are elected by a plurality of the votes cast by the holders of shares entitled to vote, abstentions will have no effect on Items 1 and 2. Ratification of the appointment of our independent registered public accounting firm and the Amendment to the Company's 2006 Stock-Based Incentive Plan requires the affirmative vote of a majority of the votes cast at the Annual Meeting by the holders of shares entitled to vote thereon. Because abstentions will be

1

TABLE OF CONTENTS

included in tabulations of the votes entitled to vote for purposes of determining whether a proposal has been approved, abstentions have the same effect as negative votes on Items 3 and 4. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matters which the broker has not expressly voted. Broker non-votes are not counted in determining whether there is a plurality for any director under Items 1 or 2 or whether the affirmative vote required for the approval of Items 3 and 4 has been cast.

Q: How Does the Board Recommend I Vote?

A: The Board recommends a vote **FOR** the Board nominees (Item 1 and 2), **FOR** the ratification of the Board of Directors' appointment of McGladrey & Pullen, LLP as the independent, registered certified public accountants of the Company for the upcoming year (Item 3), and **FOR** the ratification of the Amendment of the Company's 2006 Stock-Based Incentive Plan (Item 4).

Q: Who Can Attend the Annual Meeting?

A: All stockholders as of December 29, 2008, the record date, can attend. If your shares are held through a broker and you would like to attend, please bring a copy of your brokerage account statement or an omnibus proxy (which you can obtain from your broker) to gain entrance to the Annual Meeting.

Q: How Will Voting on any Other Business Be Conducted?

A: We do not know of any business to be considered at the Annual Meeting other than the proposals described in this proxy statement. If any other business is presented at the Annual Meeting, your signed proxy card gives authority to Dinesh R. Desai, our Chairman, President and Chief Executive Officer, and Stephen C. Donnelly, our Chief Financial Officer, to vote on such matters at their discretion.

Q: Who Are the Largest Principal Stockholders?

A: As of December 29, 2008, Mr. Desai owned a total of 7,806,990 shares of our Common Stock (51.56%), 7,022,488 of which are owned through DARR Westwood LLC, in which he is a sole member and 600,000 of which are owned through DARR Emtec LLC, in which he is a member, and Mary Margaret Gabel, spouse of Keith Gabel, President of Sales and Marketing, owned 1,905,622 shares (12.59%).

CORPORATE GOVERNANCE

In accordance with the General Corporation Law of the State of Delaware and our Certificate of Incorporation, as amended and Amended and Restated Bylaws, our business, property and affairs are managed under the direction of the Board of Directors (the Board). The Board delegates the conduct of business to the Company's senior management team. Although our non-employee directors are not involved in our day-to-day operating details, they are kept informed of our business through written reports and documents provided to them regularly, as well as by operating, financial and other reports presented by our officers at meetings of the Board of Directors and committees of the Board of Directors.

Board and Committee Meetings

Our Board usually meets four times a year in regularly scheduled meetings. It may meet more often if necessary.

During the fiscal year ended August 31, 2008, the board held eight meetings. Each director attended all of the meetings. The Chairman usually determines the agenda for the meetings. Board members receive the agenda and supporting information in advance of the meetings. Board members may also raise other matters at the meetings.

We have a Code of Ethics, which was adopted in its current form in July 2004, applicable to all of the Company's employees, including our Principal Executive Officer, Principal Financial Officer and Principal Accounting Officer, as well as the members of our Board. The Code of Ethics seeks to ensure compliance with all applicable laws and to maintain the highest standards of ethical conduct. The Code of Ethics sets out basic principles and methodology to help guide all of our officers, directors and employees in the attainment of this common goal.

Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition. However, in making its nominations, the Board of Directors considers, among other things, an individual's business experience, industry experience, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

Any stockholder recommendation of a director candidate should include the candidate's name, biographical data and a detailed description of the candidate's qualifications for Board membership, and should be sent to Emtec, Inc., 525 Lincoln Drive West, 5 Greentree Center, Suite 117, Marlton, New Jersey 08053, Attention: Sam Bhatt. Any stockholder recommendations must be submitted in sufficient time for an appropriate evaluation by the Board.

Stockholder Communication with Board Members

We maintain contact information for stockholders, both by telephone and email, on our website at www.emtecinc.com under the heading "About Us" Investor Relations. By following the link, a stockholder will be given access to our telephone number and mailing address as well as a link for providing email correspondence to Investor Relations.

Communications sent to Investor Relations and specifically marked as a communication for our Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications received via telephone or mail that are directed to the Board are forwarded to the Board by one of our officers.

Board Member Attendance at Annual Meetings

Our Board of Directors does not have a formal policy regarding attendance of directors at our annual stockholder meetings, although all directors are encouraged to attend the meeting. All directors attended our 2008 Annual Meeting of Stockholders on January 29, 2008.

Director Independence

The Board of Directors has determined that two of its members, Gregory Chandler and Robert Mannarino, would be independent under the NASDAQ listing standards if those standards were applicable to the Company.

Committees of the Board of Directors. The Board of Directors has established two standing committees.

Audit Committee assists the Board of Directors in monitoring: (i) the integrity of the consolidated financial statements of the Company; (ii) the Company's compliance with legal and regulatory requirements related to the financial statements, including the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that have been established relating to such financial statements; and (iii) the independence and performance of the Company's external auditors. In addition, the Audit Committee maintains the sole responsibility to appoint, determine funding for, and oversee the independence and performance of our external auditors and has the authority to engage independent counsel and other advisors to assist in such responsibility. Each of the members of the Audit Committee is independent as that term is used in Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and would be independent under the NASDAQ listing standards if those standards were applicable to the Company. The Audit Committee met six times during 2008. The Audit Committee has adopted a written charter, a copy of which is available on our Internet website at www.emtecinc.com. Please note that information on our website is not incorporated by reference into this Proxy Statement. The current members of the Audit Committee are Mr. Chandler (Chairman) and Mr. Mannarino. The Board has determined that Mr. Chandler is an audit committee financial expert, as described in Rule 401(h) of Regulation S-K promulgated under the Securities Act of 1933, as amended.

Compensation Committee reviews and determines compensation arrangements for the President and the other executive officers. The Compensation Committee also administers our equity compensation plans and makes recommendations to the Board of Directors regarding the compensation to be provided to the directors. The Compensation Committee has adopted a written charter, a copy of which is available on our Internet website at www.emtecinc.com. The Compensation Committee held twenty-three meetings during 2008. The current members of the Compensation Committee are Mr. Mannarino (Chairman) and Mr. Chandler. Each member of the Compensation Committee would be independent as defined under the NASDAQ listing standards if those standards were applicable to the Company.

Nominating and Corporate Governance At this time, given that the Board consists of five members, two of whom would be independent under the NASDAQ listing standards if those standards were applicable to the Company, the Board has concluded that all members of the Board of Directors should convene for purposes of considering potential candidates to the Board. We expect that the Board will continue to review whether formation of a nominating and governance committee is appropriate.

The directors who would be considered independent under the NASDAQ listing standards if those standards were applicable to the Company (the Independent Directors) will consider director candidates recommended by stockholders. A description of the procedures a stockholder must follow to submit a director candidate and the criteria the Independent Directors will use to evaluate candidates is set forth on page 3 under the subheading Board and Committee Meetings and on page 28 under the heading Stockholder Proposals for the 2010 Annual Meeting.

**ELECTION OF DIRECTORS
ITEMS 1 AND 2 ON PROXY CARD**

Our Certificate of Incorporation, as amended, and our Amended and Restated Bylaws provide that our business will be managed by a Board of Directors. Our Board of Directors currently has five directors, divided into two classes. Four of the directors are Class A directors and one of the directors is a Class B director. Each of the Class A directors

serves for a term of three years or until his successor is elected and qualified and the Class B director serves for a term of one year or until his successor is elected and qualified.

Director candidates are nominated by the Board of Directors. The Board of Directors did not receive any stockholder recommendations for a director candidate to be considered for election at the Annual Meeting.

At the Annual Meeting, three Class A directors and one Class B director are to be elected. Mr. Desai, Mr. McAdams, Mr. Chandler and Mr. Grabel have consented to being named as nominees for director of the Company and have agreed to serve if elected. We do not anticipate that any of them will be unable to stand for election. If that occurred, the Board would designate a substitute. If a substitute were designated, the shares represented by proxy will be voted for the substituted candidate designated by the Board of Directors. You may vote for or withhold from voting on this matter. Assuming a quorum is present, director elections are determined by a plurality of the votes cast at the Annual Meeting by the holders of shares entitled to vote in such election.

Subject to stockholder ratification, the Audit Committee of the Board of Directors has appointed the firm of McGladrey & Pullen, LLP (McGladrey), as the independent registered public accounting firm, to audit and report on our consolidated financial statements for our fiscal year ending August 31, 2009. Although the submission to stockholders of the appointment of McGladrey is not required by law or the Company's Amended and Restated

Bylaws, the Audit Committee and the Board of Directors believe it is appropriate to submit this matter to stockholders to allow a forum for stockholders to express their views with regard to the Audit Committee's selection. In the event the stockholders fail to ratify the appointment, the Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

One or more representatives of McGladrey are expected to attend the Annual Meeting. They will have the opportunity to speak at the meeting if they desire to do so and will also be available to respond to appropriate questions.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor.

All the services described above were approved by our Audit Committee. In accordance with the charter of our Audit Committee and consistent with the policies of the Securities and Exchange Commission, all auditing services and all non-audit services to be provided by any independent auditor of the Company shall be pre-approved by the Audit Committee. In assessing requests for services by the independent auditor, the Audit Committee considers whether such services are consistent with the auditor's independence, whether the independent auditor is likely to provide the most effective and efficient service based upon their familiarity with the Company, and whether the service could enhance the Company's ability to manage or control risk or improve audit quality.

In making its recommendation to ratify the appointment of McGladrey as our auditor for the current fiscal year, the Audit Committee has considered whether the non-audit services provided by McGladrey are compatible with maintaining the independence of McGladrey.

REPORT OF THE AUDIT COMMITTEE

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, and is composed of two independent Directors who are not officers or employees of the Company. In 2008, the Audit Committee consisted of Gregory Chandler and Robert Mannarino. The Audit Committee operates under a written charter that was adopted in July 2006 by the Board of Directors. The Audit Committee held six official meetings during the fiscal year ended August 31, 2008. The Audit Committee Charter can be accessed on the Internet via the Company's website at www.emtecinc.com.

All current members of the Company's Audit Committee are independent within the meaning of Rule 10A-3(b)(1) of the Securities and Exchange Commission. Gregory Chandler, the Chairman of the Audit Committee meets the definition of audit committee financial expert (as defined by the Securities and Exchange Commission).

The Audit Committee oversees the Company's financial reporting process on behalf of the board. Management is responsible for the Company's financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principals generally accepted in the United States (GAAP). The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures.

In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality and the acceptability of the Company's financial reporting and controls and procedures and the certifications by the Company's Chief Executive Officer and Chief Financial Officer, which are required by the Securities and Exchange Commission under the Sarbanes-Oxley Act of 2002 for certain of the Company's filings with the Securities and Exchange Commission.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with GAAP, their judgments as to the quality and the acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Audit Committee under the standards of the Public Company Accounting Oversight Board (United States). In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with the independent auditors. The Audit Committee has also discussed with the independent auditors for the Company the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees amended.

The Audit Committee has received the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent auditors their independence. The Audit Committee reviews and approves any non-auditing services to be provided by McGladrey & Pullen, LLP prior to the firm being retained to perform such services.

The Audit Committee members are not employees of the Company and are not accountants or auditors by profession. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectively and in conformity with GAAP and on the representations of the independent auditors included in their report on the Company's financial statements. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with GAAP, that the audit of the Company's financial statements has been carried

8

TABLE OF CONTENTS

out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's independent accountants are in fact independent.

The Audit Committee has reappointed, subject to stockholder ratification, the firm of McGladrey & Pullen, LLP, certified public accountants, as the Company's independent registered public accounting firm to audit and report upon the Company's financial statements for 2009. In appointing McGladrey & Pullen, LLP as the Company's auditors for the year ending August 31, 2009, the Audit Committee has considered whether McGladrey & Pullen, LLP's provision of services other than audit services are compatible with maintaining their independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended August 31, 2008 for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE
GREGORY CHANDLER, CHAIRMAN
ROBERT J. MANNARINO

**APPROVAL OF AN INCREASE IN SHARES
AUTHORIZED FOR ISSUANCE UNDER
THE COMPANY'S 2006 STOCK-BASED INCENTIVE
COMPENSATION PLAN
ITEM 4 ON PROXY CARD**

At our Annual Meeting on May 8, 2006, the stockholders approved the Emtec, Inc. 2006 Stock-Based Incentive Compensation Plan (the Plan), which is the plan under which the Company presently grants stock options, restricted stock and other stock based awards to its employees and non-employee directors. On December 26, 2008, the Board of Directors approved an amendment to the Plan, subject to stockholder approval, to increase the aggregate number of

shares of Common Stock available for awards under the Plan from 1,400,000 shares to 2,543,207 shares. If the amendment to the Plan is approved by stockholders, the Company will file a Form S-8 to register the additional shares.

The Board of Directors believes that the Plan helps the Company attract, retain and motivate employees and non-employee directors, encourages them to devote their best efforts to the business and financial success of the Company and aligns their interests closely with those of the other stockholders. As of November 30, 2008, the Company had granted, net of cancellations, awards with respect to 1,143,207 shares of the Company's common stock. The Board of Directors believes it is in the best interest of the Company to increase the number of shares that are available for awards under the Plan because the increase will allow the Company to continue to grant stock-based compensation at levels it deems appropriate.

The following is a summary of the Plan and it is qualified in its entirety by the Plan, which was previously attached as Exhibit A to our 2006 Definitive Proxy Statement, filed with the Securities and Exchange Commission on April 20, 2006. A copy of the proposed amendment to the Plan is attached to this Proxy Statement as Exhibit A.

Summary of the Plan

General. The Plan authorizes the grant of options, stock appreciation rights, restricted stock, and deferred stock (collectively called Awards). Options granted under the Plan may be either incentive stock options as defined in section 422 of the Internal Revenue Code (the Code), or nonqualified stock options, as determined by the Committee (defined below).

Eligibility. The Plan provides that Awards may be granted to any employee or non-employee director of the Company or its subsidiaries. Incentive stock options may be granted only to employees. The maximum number of shares that may be issued upon the exercise of incentive stock options shall not exceed 500,000 in the aggregate. The maximum number of shares that may be awarded to a participant pursuant to an Award that is intended to qualify as performance based compensation under section 162(m) of the Code (a Qualified Performance-Based Award) in any one performance period shall not exceed 500,000 in the aggregate.

Administration. The Plan is administered by the committee appointed by the Board of Directors, and consists of two or more non-employee, outside directors (the Committee). Subject to the other provisions of the Plan, the Committee has the authority to:

interpret the Plan;

establish and amend rules and regulations relating to the Plan;

select the participants and determine the type of Awards to be made to participants, the number of shares subject to Awards and the terms, conditions, restrictions and limitations of Awards; and

make all other determinations it deems necessary or advisable for the administration of the Plan.

Each Award granted under the Plan will be evidenced by a written award agreement between the participant and the Company, which will describe the Award and state the terms and conditions to which the Award is subject. The principal terms and conditions of each particular type of Award are described below.

Subject to adjustment in certain circumstances, as discussed below, and stockholder approval of the increase in the number of shares available under the Plan, the Plan will authorize up to 2,543,207 shares of Common Stock for issuance pursuant to Awards. If any Award is forfeited, or if any option terminates, expires or lapses without being exercised, shares of Common Stock subject to such Award will again be available for future grant. If there is any change in the Company's corporate capitalization, the Committee, in its sole

TABLE OF CONTENTS

discretion, may cancel and make substitutions of Awards or may adjust the number of shares available for award under the Plan, the number and kind of shares covered by Awards then outstanding under the Plan and the exercise price of outstanding options and stock appreciation rights.

Options

An option is the right to purchase shares of Common Stock for a specified period of time at a fixed price (the exercise price). Each option agreement will specify the exercise price, the type of option, the term of the option, the date when the option will become exercisable and any applicable performance goals.

Exercise Price. The Committee will determine the exercise price of an option at the time the option is granted. The exercise price under an option will not be less than 100% of the fair market value of Common Stock on the date the option is granted. However, any participant who owns more than 10% of the combined voting power of all classes of the Company's outstanding Common Stock (a 10% Stockholder) will not be eligible for the grant of an incentive stock option unless the exercise price of the Option is at least 110% of the fair market value of the Common Stock on the date of grant.

Term of the Option. The term of an option granted under the Plan will be no longer than ten years from the date of grant. In the case of an incentive stock option granted to a 10% Stockholder, the term will be for no more than five years from the date of grant.

Consideration. The means of payment for shares issued upon exercise of an option will be specified in each option agreement and generally may be made in cash, through a broker or bank from the proceeds of the sale of the shares purchased through the exercise of the option (a cashless exercise), or with other shares of Common Stock owned by the optionee.

Stock Appreciation Rights

A stock appreciation right (SAR) entitles the recipient to receive, upon exercise of the SAR, the increase in the fair market value of a specified number of shares of Common Stock from the date of the grant of the SAR and the date of exercise. Any grant shall specify the time or times at which the SAR may become exercisable, the method of settlement (i.e., in cash or shares of Common Stock or a combination thereof) and any other terms and conditions applicable to the SAR. The term of SAR granted under the Plan will be no longer than ten years from the date of grant.

Restricted Stock and Deferred Stock

An Award of restricted stock is a grant to the recipient of a specified number of shares of Common Stock which are subject to forfeiture upon specified events during the restriction period. Each grant of restricted stock will specify the length of the restriction period and will include restrictions on transfer to third parties during the restriction period. Unless otherwise provided in the applicable Award agreement, during the restriction period, the recipient has the right to receive dividends on, and to vote, the shares of restricted stock. In the sole discretion of the Committee, the Award agreement may also provide for a cash payment to reimburse the recipient for his or her tax liability in connection with the grant or vesting of restricted stock.

An Award of deferred stock is an agreement by the Company to deliver to the recipient a specified number of shares of Common Stock at the end of a specified deferral period, subject to the fulfillment of conditions specified in the Award agreement.

General Provisions

Vesting. Each grant of deferred stock shall specify the deferral period and any other conditions to which future delivery of shares to the recipient is subject, including any applicable performance goals. Each grant of restricted stock shall specify the duration of the restriction period and any other conditions under which the restricted stock would be forfeitable to the Company, including any applicable performance goals. Each grant of options or SARs shall specify the length of service and/or any applicable performance goals that must be achieved before it becomes exercisable.

Performance-Based Awards. The Committee may condition the grant and vesting or exercise of options, SARs, restricted stock and deferred stock on the achievement of performance goals established by the Committee. Performance goals may be established on a Company-wide basis; with respect to one or more

11

TABLE OF CONTENTS

subsidiaries, business units, divisions, departments, or functions; and in either absolute terms or relative to the performance of one or more comparable companies or an index covering multiple companies.

In the case of Qualified Performance-Based Awards, the applicable performance goals are limited to one or more of the following:

specified levels of, or increases in, the Company's, a division's, or a subsidiary's return on capital, equity or assets; earnings measures/ratios (on a gross, net, pre-tax or post-tax basis), including diluted earnings per share, total earnings, operating earnings, earnings growth, earnings before interest and taxes (EBIT) and earnings before interest, taxes, depreciation and amortization (EBITDA);

net economic profit (which is operating earnings minus a charge to capital);

net income;

sales;

sales growth;

gross margin;

direct margin;

share price (including but not limited to growth measures and total stockholder return);

operating profit;

per period or cumulative cash flow (including but not limited to operating cash flow and free cash flow) or cash flow return on investment (which equals net cash flow divided by total capital);

inventory turns;

financial return ratios;

market share;

balance sheet measurements such as receivable turnover;

improvement in, or attainment of, expense levels;

improvement in, or attainment of, working capital levels;

debt reduction;

strategic innovations;

customer or employee satisfaction;

individual objectives; and
any other financial or other measurement deemed appropriate by the Committee as it relates to the results of operations or other measurable progress of the Company or a subsidiary (or other business unit).

Nontransferability of Awards. In general, during a participant's lifetime, his or her Awards shall be exercisable only by the participant and shall not be transferable other than by will or the laws of descent and distribution. However, the Committee may provide for limited lifetime transfers of Awards, other than incentive stock options.

Effective Date, Amendments, and Termination of the Plan. The Plan became effective on May 8, 2006, the date on which it was approved by the stockholders. The Board of Directors has the authority to amend or terminate the Plan at any time; provided, however, that stockholder approval is required for any amendment which increases the number of shares of Common Stock subject to the Plan, decreases the price at which

12

TABLE OF CONTENTS

Awards may be granted or extends the maximum term of Awards. The Plan will continue until the tenth anniversary of its approval by the stockholders unless earlier terminated by the Board of Directors.

Certain Federal Income Tax Considerations

The following discussion is a summary of certain federal income tax considerations that may be relevant to participants in the Plan. The discussion is for general informational purposes only and does not purport to address specific federal income tax considerations that may apply to a participant based on his or her particular circumstances, nor does it address state or local income tax or other tax considerations that may be relevant to a participant.

Non-Qualified Options. A participant realizes no taxable income and the Company is not entitled to a deduction when a non-qualified option is granted. Upon exercise of a non-qualified option, a participant will realize ordinary income equal to the excess of the fair market value of the shares received over the exercise price of the non-qualified option, and the Company will be entitled to a corresponding deduction. A participant's tax basis in the shares of Common Stock received upon exercise of a non-qualified option will be equal to the fair market value of such shares on the exercise date, and the participant's holding period for such shares will begin at that time. Upon sale of the shares of Common Stock received upon exercise of a non-qualified option, the participant will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year. The amount of such gain or loss will be equal to the difference between the amount realized in connection with the sale of the shares, and the participant's tax basis in such shares.

Under the Plan, non-qualified options may, if permitted under the applicable Award agreement, be exercised in whole or in part with shares of Common Stock held by the participant. Payment in Common Stock will be treated as a tax-free exchange of the shares surrendered for an equivalent number of shares of Common Stock received, and the equivalent number of shares received will have a tax basis equal to the tax basis of the surrendered shares. The fair market value of shares of Common Stock received in excess of the number of shares surrendered will be treated as ordinary income and such shares have a tax basis equal to their fair market value on the date of the exercise of the non-qualified option.

Incentive Stock Options. A participant realizes no taxable income and the Company is not entitled to a deduction when an incentive stock option is granted or exercised. Provided the participant meets the applicable holding period requirements for the shares received upon exercise of an incentive stock option (two years from the date of grant and one year from the date of exercise), gain or loss realized by a participant upon sale of the shares received upon exercise will be long-term capital gain or loss, and the Company will not be entitled to a deduction. If, however, the

participant disposes of the shares before meeting the applicable holding period requirements (a disqualifying disposition), the participant will realize ordinary income at that time equal to the excess of the fair market value of the shares on the exercise date over the exercise price of the incentive stock option. Any amount realized upon a disqualifying disposition in excess of the fair market value of the shares on the exercise date of the incentive stock option will be treated as capital gain and will be treated as long-term capital gain if the shares have been held for more than one year. If the sales price is less than the sum of the exercise price of the incentive stock option and the amount included in ordinary income due to the disqualifying disposition, this amount will be treated as a short-term or long-term capital loss, depending upon whether the shares have been held for more than one year.

Under the Plan, incentive stock options may, if permitted under the applicable Award agreement, be exercised in whole or in part with shares of Common Stock held by the participant. Such an exercise will be treated as a tax-free exchange of the shares of Common Stock surrendered (assuming the surrender of the previously-owned shares does not constitute a disqualifying disposition of those shares) for an equivalent number of shares of Common Stock received, and the equivalent number of shares received will have a tax basis equal to the tax basis of the surrendered shares. Shares of Common Stock received in excess of the number of shares surrendered will have a tax basis of zero.

SARs. A participant realizes no taxable income and the Company is not entitled to a deduction when a SAR is granted. Upon exercising a SAR, a participant will realize ordinary income in an amount equal to the cash or the fair market value of the shares received minus any amount paid for the shares, and the Company will be entitled to a corresponding deduction.

13

TABLE OF CONTENTS

Restricted Stock. Restricted stock received pursuant to Awards will be considered subject to a substantial risk of forfeiture for federal income tax purposes. If a participant who receives such restricted stock does not make the election described below, the participant realizes no taxable income upon the receipt of restricted stock and the Company is not entitled to a deduction at such time. When the forfeiture restrictions with respect to the restricted stock lapse the participant will realize ordinary income equal to the fair market value of the shares at that time, and the Company will be entitled to a corresponding deduction. A participant's tax basis in restricted stock will be equal to their fair market value when the forfeiture restrictions lapse, and the participant's holding period for the shares will begin when the forfeiture restrictions lapse. Upon sale of the shares, the participant will realize short-term or long-term gain or loss, depending upon whether the shares have been held for more than one year at the time of sale. Such gain or loss will be equal to the difference between the amount realized upon the sale of the shares and the tax basis of the shares in the participant's hands.

Participants receiving restricted stock may make an election under Section 83(b) of the Code with respect to the shares. By making a Section 83(b) election, the participant elects to realize compensation income with respect to the shares when the shares are received rather than at the time the forfeiture restrictions lapse. The amount of such compensation income will be equal to the fair market value of the shares when the participant receives them (valued without taking the restrictions into account), and the Company will be entitled to a corresponding deduction at that time. By making a Section 83(b) election, the participant will realize no additional compensation income with respect to the shares when the forfeiture restrictions lapse, and will instead recognize gain or loss with respect to the shares when they are sold. The participant's tax basis in the shares with respect to which a Section 83(b) election is made will be equal to their fair market value when received by the participant, and the participant's holding period for such shares begins at that time. If, however, the shares are subsequently forfeited to the Company, the participant will not be entitled to claim a loss with respect to the shares to the extent of the income realized by the participant upon the making of the Section 83(b) election. To make a Section 83(b) election, a participant must file an appropriate form of election with the Internal Revenue Service and with the Company, each within 30 days after shares of restricted stock are received, and the participant must also attach a copy of his or her election to his or her federal income tax return

for the year in which the shares are received.

Generally, during the restriction period, dividends and distributions paid with respect to restricted stock will be treated as compensation income (not dividend income) received by the participant. Dividend payments received with respect to shares of restricted stock for which a Section 83(b) election has been made generally will be treated as dividend income.

Deferred Stock. A participant realizes no taxable income and the Company is not entitled to a deduction when deferred stock is awarded. When the deferral period for the award ends and the participant receives shares of Common Stock, the participant will realize ordinary income equal to the fair market value of the shares at that time, and the Company will be entitled to a corresponding deduction. A participant's tax basis in shares of Common Stock received at the end of a deferral period will be equal to the fair market value of such shares when the participant receives them.

Upon sale of the shares, the participant will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year at the time of sale. Such gain or loss will be equal to the difference between the amount realized upon the sale of the shares and the tax basis of the shares in the participant's hands.

Withholding. The Company is entitled to deduct from the payment of any Award (whether made in stock or in cash) all applicable income and employment taxes required by federal, state, local or foreign law to be withheld, or may require the participant to pay such withholding taxes to the Company as a condition of receiving payment of the Award. The Committee may allow a participant to satisfy his or her withholding obligations by directing the Company to retain the number of shares necessary to satisfy the withholding obligation, or by delivering shares held by the participant to the Company in an amount necessary to satisfy the withholding obligation.

Section 162(m) Limitations. The Company's entitlement to a deduction with respect to any Award is subject to section 162(m) of the Code, which limits the deductibility of compensation paid to certain executive officers, unless such compensation is performance-based compensation and meets certain other requirements

14

TABLE OF CONTENTS

outlined in Code Section 162(m) and related regulations. Awards under the Plan that are Qualified Performance-Based Awards are intended to meet these requirements.

Grants of Awards Under the Plan

Because grants of Awards will be made from time to time by the Committee to those persons whom the Committee determines in its discretion should receive grants of Awards, the benefits and amounts that may be received in the future by persons eligible to participate in the Plan are not presently determinable.

The affirmative vote of the holders of a majority of the Common Stock represented at the Annual Meeting is required for approval of this proposal.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF AN AMENDMENT TO THE COMPANY'S 2006 STOCK-BASED INCENTIVE COMPENSATION PLAN TO INCREASE THE NUMBER OF SHARES ISSUABLE THEREUNDER TO 2,543,207 SHARES.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

Our executive compensation program is based on principles designed to align executive compensation with our business strategy of creating wealth for our shareholders and creating long-term value for the business. The Compensation Committee believes that executive compensation tied to the execution of a sound business strategy achieves stockholder value. Our compensation policy for executives is intended to further our interests, as well as those of our stockholders, by encouraging growth of our business through securing, retaining and motivating management employees of a high caliber who possess the skills necessary to our development and growth. The following disclosure provides an overview of the compensation of our Chief Executive Officer and our two most highly compensated officers other than our Chief Executive Officer for the 2008 fiscal year. We refer to these individuals throughout this disclosure as the named executive officers.

Summary Compensation Table

The following table sets forth the aggregate compensation that we paid for services rendered by our named executive officers during the fiscal years ended August 31, 2008 and August 31, 2007.

Amounts shown are the dollar amounts recognized as compensation expense for financial reporting purposes in fiscal years 2008 and 2007 under Statement of Financial Accounting Standard No. 123 (revised 2004),

(1) Share-Based Payment (FAS 123(R)) (excluding amounts for forfeitures), for shares of restricted stock granted in fiscal years 2008 and 2007. The fair market value of each restricted stock award described in the table is equal to the market price of our Common Stock on the date of grant. Although the amounts included in the table do not reflect estimated forfeitures, the amounts actually recognized in our consolidated financial statements are reduced, in accordance with FAS 123(R), for estimated forfeitures. There were no forfeitures by our named executive officers in fiscal years 2008 and 2007.

Narrative Disclosure to Summary Compensation Table

Annual Bonus Compensation

Each of the named executive officers participate in the Senior Management Annual Incentive Plan (the Incentive Plan), under which they are eligible to receive annual bonuses based on our achievement of annual performance goals and, if applicable, their achievement of individual performance goals. The Company s performance goals for any fiscal year are based on earnings before interest, taxes, depreciation and amortization (EBITDA), earnings per share, business unit or departmental objectives, or some combination of the foregoing, as determined by the Compensation Committee. The named executive officers target bonus opportunity under the Incentive Plan are based on a percentage of their base salary or a specific dollar amount. The threshold, or minimum, bonus that may be earned by a named executive officer is 25% of his target bonus opportunity. Subject to the discretion of the Compensation Committee, no bonus is paid unless the threshold level of performance is achieved. A straight line sliding scale is used for calculating the bonus if performance exceeds the threshold but less than the maximum. The maximum bonus that the named executive officers may receive, which equals 200% of their target bonus opportunity, will be awarded only if we achieve at least 130% of our financial performance objectives.

Bonus targets for the 2008 fiscal year were based on the Company s attainment of specified levels of EBITDA and earnings per share. The Compensation Committee approved the following bonus opportunities and payment forms for the named executive officers for the 2008 fiscal year:

Name	2008 Bonus Opportunity	% Cash	% Restricted Stock
Dinesh Desai, Chairman, President and Chief Executive Officer	50% Base Salary	70.0 %	30.0 %
Ronald Seitz, President Emtec Operations	50% Base Salary	70.0 %	30.0 %
Keith Grabel, President Sales and Marketing	\$ 75,000	70.0 %	70.0 %

For the 2008 fiscal year, we achieved 80.2% of our EBITDA target and 70.2% of our earnings per share target and accordingly, each named executive officer received a bonus under the Incentive Plan.

Equity-Based Incentive Compensation

On November 26, 2008, the Compensation Committee approved grants of restricted shares of our common stock to each of our named executive officers in respect of their 2008 fiscal year bonus awards under the Incentive Plan. These awards were based on the fair market value of our common stock on the date of grant, which was \$0.33 per share. Accordingly, Mr. Desai received 69,583 shares, Mr. Seitz received 67,294 shares and Mr. Grabel received 36,623 shares. These restricted shares will vest in full on November 26, 2009.

Director Compensation

The table below summarizes the compensation paid by us to each non-employee director for the fiscal years ended August 31, 2008 and August 31, 2007.

Name (a)	Year	Earned or Paid in Cash (\$) (b)	Option Awards (\$) ⁽¹⁾ (d)	Total (\$) (h)
Gregory P. Chandler	2008	38,000	4,748	42,748
	2007	31,700	39,476	71,176
Robert Mannarino	2008	34,200	4,748	38,948
	2007	31,650	29,520	61,170

(1) Amounts shown are the dollar amounts recognized as compensation expense for financial reporting purposes in fiscal years 2008 and 2007 under FAS 123(R) (excluding amounts for forfeitures) for stock options granted in fiscal years 2008 and 2007. The fair value of all the awards was estimated using the Black-Scholes option-pricing model. We use the Black-Scholes formula to calculate an assumed value of the options for compensation expense purposes. Because the formula uses assumptions, the fair values calculated are not necessarily indicative of the actual values of the stock options. For fiscal year 2008, the assumptions used were: a dividend yield of 0%; a risk-free interest rate of 3.21%; an expected life of five years; and a stock price volatility of 100.13%. For fiscal year 2007, the assumptions used were: a dividend yield of 0%; a risk-free interest rate of 4.43%; an expected life of five years; and a stock price volatility of 109.23%. As of August 31, 2008, Messrs. Chandler and Mannarino held options to purchase 50,000 and 40,000 shares of our common stock, respectively.
