Other Events

On January 4, 2010, Varian Medical Systems, Inc. (“Varian”) was informed that Skandion Kliniken (“Skandion”) intends to cancel the award to Varian of a \$62 million order for a proton therapy system. Skandion awarded Varian the contract for the proton therapy system following a public tender process that was subsequently challenged by a competitor. As Varian announced in its Current Report on Form 8-K filed with the Securities and Exchange Commission on December 4, 2009, the Swedish court ruled on December 3, 2009, that the tender should be recommenced.

As a result of the cancellation, Varian intends to remove the order from its backlog in the first fiscal quarter of 2010. Varian does not believe that this will have an effect on its previously announced revenue and earnings guidance for fiscal year 2010.
