Attached is a letter from Sanford Schwartz, President of Cox Automotive, Inc. to Dealertrack Technologies, Inc.'s team members.

June 15, 2015

Dear Dealertrack Team Members:

On behalf of the Cox Automotive team, I'm looking forward to welcoming you to our family. Cox Automotive has long admired the Dealertrack team and your highly respected brands. We believe that integrating our platforms will be a big step forward in realizing our shared vision of creating a broader suite of open, integrated solutions that deliver greater value and economic efficiency to consumers, dealers, manufacturers and the overall automotive industry.

Dealertrack's broad solution set for dealers is an excellent complement to Cox Automotive's vehicle remarketing services and digital markets and software solutions that serve the wider automotive ecosystem. In addition, both companies have complementary product lines to better serve our customers across global markets. And we are confident that the combination of Cox Automotive and Dealertrack will not only provide broader customer choice, but also deliver greater dealership efficiency.

One of the things that has impressed me the most as I've learned more about Dealertrack is how complementary we are. We are both values-driven companies known for innovation, customer focus and delivering results. This won't change. Our team is excited about working with Mark and the Dealertrack team going forward when the transaction is completed, and Mark will remain Dealertrack's leader.

Cox Automotive has successfully acquired and integrated companies in the past, most recently with Xtime. It will be the same with Dealertrack. Cox Automotive and Dealertrack will be appointing an integration planning committee

consisting of employees from both companies to ensure a seamless transition. We remain committed to providing infrastructure to support the continued growth of Dealertrack, as we do for all of our brands.

We can assure you that we will make the best possible effort to keep you informed as we move forward.

After closing, I look forward to all of us working together to build a company that will last generations and change the way the world buys, sells and owns cars.

Sincerely,

Sandy Schwartz

President, Cox Automotive
