Item 8.01 Other Events.

On October 20, 2015, Global Defense & National Security Holdings LLC (“Sponsor”), the sponsor of Global Defense & National Security Systems, Inc. (“GDEF” or the “Company”) agreed to lend the Company \$0.02 per share for deposit into the Company’s trust account with American Stock Transfer & Trust Company, LLC for each eligible share of the Company’s common stock sold in the Company’s initial public offering (the “Public Shares”) that is not redeemed in connection with the October 23, 2015 stockholder vote to approve amendments to the Company’s amended and restated certificate of incorporation to extend the date before which the Company must complete a business combination (the “Extension Amendments”). The Company will make the deposit contingent upon stockholder approval of the Extension Amendments. The holders of Public Shares who do not redeem their Public Shares in connection with the vote to approve the Extension Amendments will remain eligible to have their shares redeemed for their pro rata portion of the increased trust account (1) in connection with the anticipated vote to approve GDEF’s proposed business combination with STG Group, Inc. or (2) if a business combination has not been consummated by the termination date, in connection with the liquidation of the Company in accordance with its amended and restated certificate of incorporation.

The Company will make the additional deposit into the trust account in order to decrease the likelihood that investors elect to redeem their shares in connection with the stockholder vote to approve the Extension Amendments.

The loan from the Sponsor will become due on the earliest to occur of (1) consummation of the Company’s initial business combination and (2) termination of the Company’s existence in accordance with the Company’s amended and restated certificate of incorporation.

A copy of the Company’s press release announcing the incentive is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

The foregoing (including Exhibit 99.1) is being furnished pursuant to Item 8.01 and shall not be deemed to be filed for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise be subject to the liabilities of that section, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act.
