Item 8.01. Other Events.

On December 14, 2016, Hudson Technologies, Inc. (the “Company”) closed its previously-announced underwritten public offering of 7,392,856 shares of common stock, par value \$0.01 per share (which amount includes the full exercise of the underwriter’s option to purchase 964,285 shares to cover overallotments), at a price to the public of \$7.00 per share, resulting in net proceeds of approximately \$48.4 million, after deducting underwriting discounts and commissions and estimated offering expenses. The Company intends to use the net proceeds from the offering for working capital and general corporate purposes which may include, among other things, funding acquisitions, although the Company has no present commitments or agreements with respect to any such transactions. The Company may also use a portion of the proceeds to reduce or repay indebtedness under its loan agreement with its existing commercial lender. William Blair & Company, L.L.C. and Craig-Hallum Capital Group LLC acted as joint book-running managers. Roth Capital Partners and B. Riley & Co., LLC acted as co-managers for the offering.

On December 14, 2016, the Company issued a press release announcing the closing of the offering. A copy of the press release is attached as Exhibit 99.1 hereto and is incorporated herein by reference.
