**Item 1.01. Entry into a Material Definitive Agreement**

On February 23, 2018, ClearSign Combustion Corporation (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with National Securities Corporation (the “Underwriter”) relating to an underwritten public offering for the issuance and sale of 5,000,000 shares of the Company’s common stock, par value \$0.0001 per share, at a public offering price of \$2.25 per share, less underwriting discounts and commissions, pursuant to an effective registration statement on Form S-3 (File No. 333-208784) and a related prospectus supplement filed with the Securities and Exchange Commission. Under the terms of the Underwriting Agreement, the Company also granted the Underwriter an option exercisable for 45 days to purchase up to an additional 750,000 shares from the Company at the public offering price, less underwriting discounts and commissions, to cover over-allotments.

The Company expects the net proceeds from the offering to be approximately \$10.3 million, or approximately \$11.9 million if the Underwriter exercises its over-allotment option to purchase additional shares in full, after deducting underwriting discounts and commissions and estimated offering expenses. The Company intends to use the net proceeds from this offering for general corporate and working capital purposes, including research and development and marketing and sales.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriter, including for liabilities under the Securities Act of 1933, as amended, various other obligations of the parties, and termination provisions. The offering is expected to close on or about February 27, 2018, subject to the closing conditions contained in the Underwriting Agreement.

The above description of the Underwriting Agreement is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 hereto and is incorporated herein by reference.
