OVERVIEW OF SHAKE SHACK

Shake Shack is a modern day "roadside" burger stand serving a classic American menu of premium burgers, hot dogs, crispy chicken, frozen custard, crinkle cut fries, shakes, beer, wine and more. Originally founded by Danny Meyer's Union Square Hospitality Group ("USHG"), which owns and operates some of New York City's most acclaimed and popular restaurants—Union Square Cafe, Gramercy Tavern, Blue Smoke, Jazz Standard, The Modern at the Museum of Modern Art, the Cafes at MOMA, Maialino, Untitled, North End Grill, Porchlight, Marta, Cafe Machio, Vini E Fritti, Martina and Daily Provisions—Shake Shack originated as a hot dog cart in 2001 to support the rejuvenation of New York City's Madison Square Park through its Conservancy's first art installation, "I Y Taxi." The hot dog cart was an instant success, with lines forming daily throughout the summer months for the next three years. In response, the city's Department of Parks and Recreation awarded Shake Shack a contract to create a kiosk to help fund the park's future. In 2004, Shake Shack officially opened and immediately became a community gathering place for New Yorkers and visitors from all over the world and has since become a beloved New York City institution, garnering significant media attention, critical acclaim and a passionately-devoted following. Since its inception, Shake Shack has grown rapidly—with 159 Shacks, as of December 27, 2017, in 11 countries and 20 states, as well as the District of Columbia—and we continue to expand outside our home market bringing the Shake Shack experience to new customers around the world.

OUR CORPORATE INFORMATION

Shake Shack Inc. was incorporated as a Delaware corporation on September 23, 2014. Our corporate headquarters are located at 225 Varick Street, Suite 301, New York, New York 10014. Our telephone number is (646) 747-7200. Our principal website address is www.shakeshack.com. The information on any of our websites is deemed not to be incorporated in this prospectus or to be part of this prospectus.

RISK FACTORS

You should carefully consider the risks described below, together with all of the other information included or incorporated by reference in this prospectus, before making an investment decision. In particular, you should consider the matters discussed under "Risk Factors" in our 2017 10-K incorporated by reference herein, as well as other risk factors described under "Risk Factors" in any prospectus supplement and under a similar heading in other documents that are incorporated by reference in this prospectus. Our business, financial condition and results of operations could be materially and adversely affected by any of these risks or uncertainties. The risks and uncertainties described or incorporated by reference in this prospectus are not the only risks and uncertainties that we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also impair our business operations. If any of those risks actually occur, our business, financial condition and results of operations may be adversely affected. In that case, the trading price of our Class A Common Stock or other securities could decline, and you may lose all or part of your investment. The risks discussed or incorporated by reference in this prospectus also include forward-looking statements, and our actual results may differ substantially from those discussed in these forward-looking statements. See "Cautionary Note Regarding Forward-Looking Statements" in this prospectus.

The market price of our common stock has been and may continue to be volatile or may decline regardless of our operating performance.

The market price for our common stock has been and may continue to be volatile. In addition, the market price of our common stock may fluctuate significantly in response to a number of factors, most of which we cannot control, including:

low same-Shack sales growth compared to market expectations;

delays in the planned openings of new Shacks;

temporary or prolonged Shack closures;

quarterly variations in our operating results compared to market expectations;

changes in preferences of our guests;

adverse publicity about us, the industries we participate in or individual scandals;

announcements of new offerings or significant price reductions by us or our competitors;

stock price performance of our competitors;

substantial future sales of our Class A Common Stock;

changes in the price and availability of food commodities, particularly beef and dairy;

fluctuations in stock market prices and volumes;

actions by competitors;

changes in senior management or key personnel;

changes in financial estimates by securities analysts;

negative earnings or other announcements by us or other restaurant companies;

downgrades in our credit ratings or the credit ratings of our competitors;

incurrence of indebtedness or issuances of capital stock;

global economic, legal and regulatory factors unrelated to our performance; and

the other factors listed in the "Risk Factors" section of our 2017 10-K or under a similar heading in other documents incorporated by reference in this prospectus.

Volatility in the market price of our common stock may cause investors to suffer a loss on their investment.

In addition, stock markets have experienced extreme price and volume fluctuations that have affected and continue to affect the market prices of equity securities of many companies in our industry. In the past, stockholders have instituted securities class action litigation following periods of market volatility. If we were involved in securities litigation, we could incur substantial costs and our resources and the attention of management could be diverted from our business.

Sale of our Class A Common Stock by existing stockholders, or the perception that these sales may occur, especially by directors, executive officers or significant stockholders of Shake Shack, may cause our stock price to decline.

If our existing stockholders, in particular our directors, executive officers or other affiliates, sell substantial amounts of our Class A Common Stock in the public market, or are perceived by the public market as intending to sell, the trading price of our Class A Common Stock could decline. In addition, sales of these shares of Class A Common Stock could impair our ability to raise capital, should we wish to do so. Up to 12,318,993 shares of our Class A Common Stock may be sold pursuant to this prospectus by the selling stockholders, which represents approximately 44.3% of our outstanding Class A Common Stock as of May 24, 2018. We cannot predict the timing or amount of future sales of our Class A Common Stock by selling stockholders named in this prospectus, but such sales, or the perception that such sales could occur, may adversely affect prevailing market prices for our Class A Common Stock.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein contain forward-looking statements. All statements other than statements of historical facts contained or incorporated by reference in this prospectus may be forward-looking statements. Statements regarding our future results of operations and financial position, business strategy, outlook and plans and objectives of management for future operations, including, among others, statements regarding expected new Shack openings, expected same-Shack sales growth, future capital expenditures and debt service obligations, are forward-looking statements. In some cases, you can identify forward-looking statements by terms such as “may,” “will,” “should,” “expects,” “plans,” “anticipates,” “could,” “intends,” “targets,” “projects,” “contemplates,” “estimates,” “predicts,” “potential” or “continue” or the negative of these terms or other similar expressions.

Forward-looking statements involve known and unknown risks, uncertainties and other important factors that may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. We believe that these factors include, but are not limited to, the following:

our inability to successfully identify and secure appropriate sites and timely develop and expand our operations;

our inability to protect our brand and reputation;

our failure to prevent food safety and food-borne illness incidents;

shortages or interruptions in the supply or delivery of food products;

our inability to maintain our international supply chain;

our dependence on a small number of suppliers and a single distribution company for the majority of our domestic distribution needs;

our inability to protect against security breaches of confidential guest information;

competition from other restaurants;

changes in consumer tastes and nutritional and dietary trends;

our inability to manage our growth;

our inability to open profitable Shacks;

our failure to generate projected same-Shack sales growth;

our inability to maintain sufficient levels of cash flow, or access to capital, to meet growth expectations;

our dependence on long-term non-cancelable leases;

our failure to meet the operational and financial performance guidance we provide to the public;

our dependence on key members of our executive management team;

our inability to identify or employ qualified individuals for our workforce;

labor relations difficulties;

our vulnerability to increased food commodity and energy costs;

our vulnerability to health care costs and labor costs;

our vulnerability to global financial market conditions;

our sale of alcoholic beverages;

our dependence on a limited number of licensees;

our inability to maintain good relationships with our licensees;

violations of the U.S. Foreign Corrupt Practices Act and similar worldwide anti-bribery and anti-kickback laws;

our ability to adequately protect our intellectual property;

our business model being susceptible to litigation;

failure to obtain and maintain required licenses and permits to comply with alcoholic beverage or food control regulations;

our vulnerability to adverse weather conditions in local or regional areas where our Shacks are located;

our realization of any benefit from the tax receivable agreement entered into with the Continuing SSE Equity Owners and our organizational structure; and

the Voting Group's control of us.

You should not rely upon forward-looking statements as predictions of future events. We have based the forward-looking statements contained or incorporated by reference into this prospectus primarily on current expectations and projections about future events and trends that we believe may affect our business, financial condition, results of operations and prospects. The outcome of the matters described in these forward-looking statements is subject to risks, uncertainties and other factors described above and in the section of this prospectus and any accompanying prospectus supplement entitled "Risk Factors" and under a similar heading in documents incorporated by reference into this prospectus. Moreover, new risks and uncertainties emerge from time to time, and it is not possible for us to predict all risks and uncertainties that could have an impact on the forward-looking statements contained or incorporated by reference into this prospectus. We cannot assure you that the results, events and

circumstances reflected in the forward-looking statements will be achieved or occur and actual results, events or circumstances could differ materially from those described in the forward-looking statements.

The forward-looking statements included or incorporated by reference in this prospectus (including, without limitation, the 2018 outlook included in our 10-Q for the quarterly period ended March 28, 2018, filed with the SEC on May 7, 2018) speak only as of the date made. Except as required by applicable law, we do not plan to publicly update or revise any forward-looking statements, whether as a result of any new information, future events or otherwise.

USE OF PROCEEDS

We will retain broad discretion over the use of the net proceeds from the sale of the securities by us. Unless otherwise specified in any prospectus supplement, we intend to use the net proceeds from the sale of our securities by us offered by this prospectus for general corporate purposes or the repayment of indebtedness. The net proceeds may be invested temporarily until they are used for their stated purpose or for general corporate purposes.

We will not receive any proceeds from the sale of Class A Common Stock from time to time by the selling stockholders of any of the shares of Class A Common Stock offered pursuant to this prospectus. The selling stockholders will receive all of the net proceeds from any such offer and sale.

REDEMPTIONS OR EXCHANGES OF LLC INTERESTS FOR CLASS A COMMON STOCK

Out of the 12,318,993 shares of Class A Common Stock that may be sold hereby, an aggregate of 9,170,236 shares of Class A Common Stock are issuable by us upon the redemptions by the Continuing SSE Equity Owners of an equivalent number of currently outstanding LLC Interests (and the surrender and cancellation of an equivalent number of shares of Class B Common Stock).

The Continuing SSE Equity Owners, from time to time, pursuant to the SSE Holdings LLC Agreement, as amended, may require SSE Holdings to redeem all or a portion of their LLC Interests for newly-issued shares of Class A Common Stock, which Shake Shack would contribute to SSE Holdings on a one-for-one basis. Shake Shack may, at its election, instead settle any redemption request by making a cash payment in accordance with the terms of the LLC Agreement. Share settlement will be the default payment unless and until a majority of the members of our Board of Directors who do not hold any LLC Interests elect cash settlement. In the event of cash settlement, Shake Shack would issue new shares of Class A Common Stock and use the proceeds from the sale of these newly-issued shares of Class A Common Stock to fund the cash settlement, which, in effect, limits the amount of the cash payment to the redeeming member. If we decide to make a cash payment, a Continuing SSE Equity Owner has the option to rescind its redemption request within a specified time period.

Each of the currently outstanding LLC Interests described above is paired with one share of our Class B Common Stock that will be surrendered and cancelled in connection with the redemption of such LLC Interests and the issuance of an equivalent number of shares of Class A Common Stock.

Shake Shack may, at its election, effect direct exchanges of LLC Interests with the Continuing SSE Equity Owners, rather than a redemption of LLC Interests by SSE Holdings, for either shares of Class A Common Stock or a cash payment.

When Continuing SSE Equity Owners redeem, or exchange, LLC Interests for shares of Class A Common Stock, Shake Shack receives an equivalent amount of LLC Interests, increasing its total ownership interest in SSE Holdings.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our historical ratio of earnings to fixed charges for each of the periods indicated.

For purposes of calculating these ratios: (i) “earnings” consist of the sum of: (x) pre-tax income from continuing operations before income or loss from equity investees and (y) fixed charges, excluding capitalized interest; and (ii) “fixed charges” consist of the sum of interest expense, capitalized interest, amortization of debt discount and premium and a portion of lease payments considered to represent an interest factor.

* Earnings for fiscal year ended December 30, 2015 were inadequate to cover fixed charges by \$5,580. This was primarily driven by certain non-recurring expenses incurred in connection with the Company's IPO.

Description of Debt Securities

We may offer unsecured general obligations, which we refer to as the “debt securities” in this section. The debt securities will be issued from time to time under an indenture and applicable supplemental indenture, if any, with respect to any series of debt securities, between us and a trustee. The indenture and any supplemental indenture are technical documents with terms that have defined meanings. A prospectus supplement will contain a summary of the indenture and any applicable supplemental indenture. We urge you to read the indenture, any applicable supplemental indenture and the accompanying prospectus supplement describing the particular terms of the debt securities because they, and not this description, define the rights of the debt security holders. A form of indenture is filed as an exhibit to the registration statement of which this prospectus forms a part.

General

The following briefly summarizes the material provisions of the form of indenture and the debt securities, other than pricing and related terms for a particular issuance, which will be described in an accompanying prospectus supplement.

A form of each debt security, reflecting the particular terms and provisions of a series of offered debt securities, as well as the indenture and supplemental indenture, if any, will be filed with the SEC at the time of the offering.

Brief Description of the Debt Securities

The debt securities will represent unsecured general obligations of the Company, unless otherwise provided in the prospectus supplement. As indicated in the applicable prospectus supplement, the debt securities will either be senior debt or subordinated debt as described in the applicable prospectus supplement.

We will pay principal and interest on the debt securities at our office or agency, which we maintain in New York City. At our option, we may make payments of interest by check mailed to the debt security holders at their respective addresses as set forth in the register of debt securities. All payments with respect to global debt securities, however, will be made by wire transfer of immediately available funds to the accounts specified by the holders of the global debt securities. Until otherwise designated by us, our office or agency in New York City will be the office of the trustee or an affiliate thereof maintained for payment purposes.

Information in the Prospectus Supplement

The prospectus supplement for any offered series of debt securities will describe the following terms, as applicable:

- the title;
- any limit on the aggregate principal amount;
- the percentage of the principal amount at which the debt securities will be sold and, if applicable, the method of determining the price;
- the maturity date or dates;
- the rate at which the debt securities will bear interest, if any, and the interest payment dates;
- if the debt securities are original issue discount debt securities, the yield to maturity;
- the date or dates from which any interest will accrue, or how such date or dates will be determined, and the interest payment dates and any related record dates;
- any provisions for the payment of additional amounts for taxes;
- the denominations in which the currency or currency unit of the debt securities will be issuable if other than denominations of \$2,000 and integral multiples of \$1,000 in excess thereof;
- the terms and conditions on which we may optionally redeem the debt securities;
- the terms and conditions on which we may be required to redeem the debt securities;

- any obligation for us to redeem, purchase or repay the debt securities at the option of a holder upon the happening of
- an event other than a change of control and certain sales of assets, which are specified in the indenture, and the terms and conditions of redemption, purchase or repayment;
 - the names and duties of any co-trustees, depositaries, authenticating agents, calculation agents, paying agents, transfer agents or registrars for the debt securities;
- any changes in or additions to the covenants applicable to the particular debt securities being issued;
- any additions to or changes in the events of default with respect to the securities and any change in the right of the trustee or the holders to declare the principal and interest, if any, with respect to such securities to be due and payable;
- any material provisions of the applicable indenture described in this prospectus that do not apply to the debt securities;
- any other terms of the debt securities, which may modify, supplement or delete any provision of the indenture as it applies to that series; and
- any other specific terms of the debt securities.

We will issue the debt securities only in registered form. As currently anticipated, debt securities of a series will trade in book-entry form, and global notes will be issued in physical (paper) form. Unless otherwise provided in the accompanying prospectus supplement, we will issue debt securities denominated in U.S. Dollars and only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

DESCRIPTION OF CAPITAL STOCK

The following descriptions of our capital stock and provisions of our amended and restated certificate of incorporation and our bylaws are summaries and are qualified by reference to the amended and restated certificate of incorporation and the bylaws, which are filed as exhibits to the registration statement of which this prospectus forms a part.

Our authorized capital stock consists of 200,000,000 shares of Class A Common Stock, par value \$0.001 per share, 35,000,000 shares of Class B Common Stock, par value \$0.001 per share, and 10,000,000 shares of blank check preferred stock.

Common Stock

As of May 24, 2018, there are 27,811,480 shares of our Class A Common Stock issued and outstanding and 9,170,236 shares of our Class B Common Stock issued and outstanding.

Class A Common Stock

Voting Rights

Holders of our Class A Common Stock are entitled to cast one vote per share. Holders of our Class A Common Stock are not entitled to cumulate their votes in the election of directors. Generally, matters to be voted on by stockholders must be approved by a majority of the votes entitled to be cast by all stockholders present in person or represented by proxy, voting together as a single class. Except as otherwise provided by law, amendments to the amended and restated certificate of incorporation must be approved by a majority or, in some cases, a super-majority of the combined voting power of all shares entitled to vote, voting together as a single class. However, directors are elected by a plurality of the votes actually cast by stockholders in person or by proxy, voting together as a single class.

Dividend Rights

Holders of Class A Common Stock share ratably (based on the number of shares of Class A Common Stock held) if and when any dividend is declared by the board of directors out of funds legally available therefor, subject to any statutory or contractual restrictions on the payment of dividends and to any restrictions on the payment of dividends imposed by the terms of any outstanding preferred stock.

Liquidation Rights

On our liquidation, dissolution or winding up, each holder of Class A Common Stock will be entitled to a pro rata distribution of any assets available for distribution to common stockholders.

Other Matters

Shares of Class A Common Stock are not subject to redemption and do not have preemptive rights to purchase additional shares of Class A Common Stock. Holders of shares of our Class A Common Stock do not have subscription, redemption or conversion rights. There are no redemption or sinking fund provisions applicable to the Class A Common Stock. All the outstanding shares of Class A Common Stock are validly issued, fully paid and non-assessable.

Class B Common Stock

Issuance of Class B Common Stock with LLC Interests

Shares of Class B Common Stock will only be issued in the future to the extent necessary to maintain a one-to-one ratio between the number of LLC Interests held by the Continuing SSE Equity Owners and the number of shares of Class B Common Stock held by the Continuing SSE Equity Owners. Shares of Class B Common Stock are transferable only together with an equal number of LLC Interests. Shares of Class B Common Stock will be cancelled on a one-for-one basis if there is a redemption, or exchange, of LLC Interests of such Continuing SSE Equity Owners pursuant to the terms of the SSE Holdings LLC Agreement.

Voting Rights

Holders of Class B Common Stock are entitled to cast one vote per share, with the number of shares of Class B Common Stock held by each Continuing SSE Equity Owner being equivalent to the number of LLC Interests held by such Continuing SSE Equity Owner. Holders of our Class B Common Stock are not entitled to cumulate their votes in the election of directors.

Generally, all matters to be voted on by stockholders must be approved by a majority (or, in the case of election of directors, by a plurality) of the votes entitled to be cast by all stockholders present in person or represented by proxy, voting together as a single class. Except as otherwise provided by law, amendments to the amended and restated certificate of incorporation must be approved by a majority or, in some cases, a super-majority of the combined voting power of all shares entitled to vote, voting together as a single class. However, directors are elected by a plurality of the votes actually cast by stockholders in person or by proxy, voting together as a single class.

Dividend Rights

Holders of our Class B Common Stock do not participate in any dividend declared by the board of directors.

Liquidation Rights

On our liquidation, dissolution or winding up, holders of Class B Common Stock will not be entitled to receive any distribution of our assets.

Transfers

Pursuant to our amended and restated certificate of incorporation and the SSE Holdings LLC Agreement, each holder of Class B Common Stock agrees that:

the holder will not transfer any shares of Class B Common Stock to any person unless the holder transfers an equal number of LLC Interests to the same person; and

in the event the holder transfers any LLC Interests to any person, the holder will transfer an equal number of shares of Class B Common Stock to the same person.

Other Matters

Shares of Class B Common Stock are not subject to redemption rights and do not have preemptive rights to purchase additional shares of Class B Common Stock. Holders of shares of our Class B Common Stock do not have subscription, redemption or conversion rights. There are no redemption or sinking fund provisions applicable to the Class B Common Stock. All outstanding shares of Class B Common Stock are validly issued, fully paid and non-assessable.

Preferred Stock

Our amended and restated certificate of incorporation provides that our board of directors has the authority, without action by the stockholders, to designate and issue up to 10,000,000 shares of preferred stock in one or more classes or series and to fix the powers, rights, preferences, and privileges of each class or series of preferred stock, including dividend rights, conversion rights, voting rights, terms of redemption, liquidation preferences and the number of shares constituting any class or series, which may be greater than the rights of the holders of the common stock. There are no shares of preferred stock outstanding.

The purpose of authorizing our board of directors to issue preferred stock and determine its rights and preferences is to eliminate delays associated with a stockholder vote on specific issuances. The issuance of preferred stock, while providing flexibility in connection with possible acquisitions, future financings and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or could discourage a third party from seeking to acquire, a majority of our outstanding voting stock. Additionally, the issuance of preferred stock may adversely affect the holders of our Class A Common Stock by restricting dividends on the Class A Common Stock, diluting the voting power of the Class A Common Stock or subordinating the liquidation rights of the Class A Common Stock. As a result of these or other factors, the issuance of preferred stock could have an adverse impact on the market price of our Class A Common Stock.

Exclusive Venue

Our amended and restated certificate of incorporation requires, to the fullest extent permitted by law, that (i) any derivative action or proceeding brought on our behalf, (ii) any action asserting a claim of breach of a fiduciary duty owed by any of our directors, officers or other employees to us or our stockholders, (iii) any action asserting a claim against us arising pursuant to any provision of the General Corporation Law of the State of Delaware ("DGCL") or our amended and restated certificate of incorporation or the bylaws or (iv) any action asserting a claim against us governed by the internal affairs doctrine will have to be brought only in the Court of Chancery in the State of Delaware. Although we believe this provision benefits us by providing increased consistency in the application of Delaware law in the types of lawsuits to which it applies, the provision may have the effect of discouraging lawsuits against our directors and officers.

Anti-takeover Effects of Provisions of our Amended and Restated Certificate of Incorporation, our Bylaws and Delaware Law

Our certificate of incorporation and bylaws also contain provisions that may delay, defer or discourage another party from acquiring control of us. We believe that these provisions, which are summarized below, discourage coercive takeover practices or inadequate takeover bids. These provisions are also designed to encourage persons seeking to acquire control of us to first negotiate with our board of directors, which we believe may result in an improvement of the terms of any such acquisition in favor of our stockholders. However, they also give our board of directors the power to discourage acquisitions that some stockholders may favor.

Classified Board of Directors

Our amended and restated certificate of incorporation provides that our board of directors is divided into three classes, with the classes as nearly equal in number as possible and each class serving three-year staggered terms. Pursuant to the terms of the Stockholders Agreement, directors designated by the Meyer Group or LGP may only be removed with or without cause by the request of the party entitled to designate such director. In all other cases and at any other time, directors may only be removed from our board of directors for cause by the affirmative vote of at least a majority of the confirmed voting power of our Class A Common Stock and Class B Common Stock. These provisions may have the effect of deferring, delaying or discouraging hostile takeovers, or changes in control of us or our management.

Authorized but Unissued Shares

The authorized but unissued shares of common stock and preferred stock are available for future issuance without stockholder approval, subject to any limitations imposed by the listing standards of the NYSE. These additional shares may be used for a variety of corporate finance transactions, acquisitions and employee benefit plans. The existence of

authorized but unissued and unreserved common stock and preferred stock could make more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Requirements for Advance Notification of Stockholder Meetings, Nominations and Proposals

Our amended and restated certificate of incorporation provides that stockholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of our board of directors or by a qualified stockholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has delivered timely written notice in proper form to our secretary of the stockholder's intention to bring such business before the meeting. Our amended and restated certificate of incorporation provides that, subject to applicable law, special meetings of the stockholders may be called only by a resolution adopted by the affirmative vote of the majority of the directors then in office. Our bylaws prohibit the conduct of any business at a special meeting other than as specified in the notice for such meeting. In addition, any stockholder who wishes to bring business before an annual meeting or nominate directors must comply with the advance notice and duration of ownership requirements set forth in our bylaws and provide us with certain information. These provisions may have the effect of deferring, delaying or discouraging hostile takeovers or changes in control of us or our management.

Stockholder Action by Written Consent

Pursuant to Section 228 of the DGCL, any action required to be taken at any annual or special meeting of the stockholders may be taken without a meeting, without prior notice and without a vote if a consent or consents in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares of our stock entitled to vote thereon were present and voted, unless our amended and restated certificate of incorporation provides otherwise. Our amended and restated certificate of incorporation provides that stockholder action by written consent is permitted only if the action to be effected by such written consent and the taking of such action by such written consent have been previously approved by the board of directors.

Amendment of Amended and Restated Certificate of Incorporation or Bylaws

The DGCL provides generally that the affirmative vote of a majority of the shares entitled to vote on any matter is required to amend a corporation's certificate of incorporation or bylaws, unless a corporation's certificate of incorporation or bylaws, as the case may be, requires a greater percentage. Our bylaws may be amended or repealed by a majority vote of our board of directors or by the affirmative vote of the holders of at least 66-2/3% of the votes which all our stockholders would be entitled to cast in any annual election of directors. In addition, the affirmative vote of the holders of at least 66-2/3% of the votes which all our stockholders would be entitled to cast in any election of directors is required to amend or repeal or to adopt any provisions inconsistent with any of the provisions of our certificate described above.

The foregoing provisions of our amended and restated certificate of incorporation and bylaws could discourage potential acquisition proposals and could delay or prevent a change in control. These provisions are intended to enhance the likelihood of continuity and stability in the composition of our board of directors and in the policies formulated by our board of directors and to discourage certain types of transactions that may involve an actual or threatened change of control. These provisions are designed to reduce our vulnerability to an unsolicited acquisition proposal. The provisions also are intended to discourage certain tactics that may be used in proxy fights. However, such provisions could have the effect of discouraging others from making tender offers for our shares and, as a consequence, they also may inhibit fluctuations in the market price of our shares of Class A Common Stock that could result from actual or rumored takeover attempts. Such provisions also may have the effect of preventing changes in our management or delaying or preventing a transaction that might benefit you or other minority stockholders.

In addition, we are subject to Section 203 of the DGCL. Subject to certain exceptions, Section 203 prevents a publicly held Delaware corporation from engaging in a "business combination" with any "interested stockholder" for three years following the date that the person became an interested stockholder, unless the interested stockholder attained such status with the approval of our board of directors or unless the business combination is approved in a prescribed manner. A "business combination" includes, among other things, a merger or consolidation involving us and the "interested stockholder" and the sale of more than 10% of our assets. In general, an "interested stockholder" is any entity or person beneficially owning 15% or more of our outstanding voting stock and any entity or person affiliated with or controlling or controlled by such entity or person.

Limitations on Liability and Indemnification of Officers and Directors

Our amended and restated certificate of incorporation and bylaws provide indemnification for our directors and officers to the fullest extent permitted by the DGCL. We have entered into indemnification agreements with each of our directors that are, in some cases, broader than the specific indemnification provisions contained under Delaware law. In addition, as permitted by Delaware law, our amended and restated certificate of incorporation includes provisions that eliminate the personal liability of our directors for monetary damages resulting from breaches of certain fiduciary duties as a director. The effect of these provisions is to restrict our rights and the rights of our stockholders in derivative suits to recover monetary damages against a director for breach of fiduciary duties as a director, except that a director will be personally liable for:

any breach of his duty of loyalty to us or our stockholders;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

any transaction from which the director derived an improper personal benefit; or

improper distributions to stockholders.

These indemnification provisions may be held not to be enforceable for violations of the federal securities laws of the United States.

Corporate Opportunities

In recognition that partners, principals, directors, officers, members, managers and/or employees of the Original SSE Equity Owners and their affiliates and investment funds, which we refer to as the Corporate Opportunity Entities, may serve as our directors and/or officers, and that the Corporate Opportunity Entities may engage in activities or lines of business similar to those in which we engage, our amended and restated certificate of incorporation provides for the allocation of certain corporate opportunities between us and the Corporate Opportunity Entities. Specifically, none of the Corporate Opportunity Entities has any duty to refrain from engaging, directly or indirectly, in the same or similar business activities or lines of business that we do. In the event that any Corporate Opportunity Entity acquires knowledge of a potential transaction or matter which may be a corporate opportunity for itself and us, we will not have any expectancy in such corporate opportunity, and the Corporate Opportunity Entity will not have any duty to communicate or offer such corporate opportunity to us and may pursue or acquire such corporate opportunity for itself or direct such opportunity to another person. In addition, if a director of our Company who is also a partner, principal, director, officer, member, manager or employee of any Corporate Opportunity Entity acquires knowledge of a potential transaction or matter which may be a corporate opportunity for us and a Corporate Opportunity Entity, we will not have any expectancy in such corporate opportunity. In the event that any other director of ours acquires knowledge of a potential transaction or matter which may be a corporate opportunity for us we will not have any expectancy in such corporate opportunity unless such potential transaction or matter was presented to such director expressly in his or her capacity as such.

By becoming a stockholder in our Company, you will be deemed to have notice of and consented to these provisions of our amended and restated certificate of incorporation. Any amendment to the foregoing provisions of our amended and restated certificate of incorporation requires the affirmative vote of at least 66-2/3% of the votes which all our stockholders would be entitled to cast in any annual election of directors.

Dissenters' Rights of Appraisal and Payment

Under the DGCL, with certain exceptions, our stockholders will have appraisal rights in connection with a merger or consolidation of Shake Shack. Pursuant to the DGCL, stockholders who properly request and perfect appraisal rights in connection with such merger or consolidation will have the right to receive payment of the fair value of their shares as determined by the Delaware Court of Chancery.

Stockholders' Derivative Actions

Under the DGCL, any of our stockholders may bring an action in our name to procure a judgment in our favor, also known as a derivative action, provided that the stockholder bringing the action is a holder of our shares at the time of the transaction to which the action relates or such stockholder's stock thereafter devolved by operation of law and such suit is brought in the Court of Chancery in the State of Delaware. See "—Exclusive Venue" above.

Before the exercise of debt warrants, holders of debt warrants will not be entitled to payments of principal of, premium, if any, or interest, if any, on the debt securities purchasable upon exercise of the debt warrants, or to enforce any of the covenants in the indenture.

Description of depositary shares

This section describes the general terms of the depositary shares we may offer and sell by this prospectus. This prospectus and any accompanying prospectus supplement will contain the material terms and conditions for the depositary shares. The accompanying prospectus supplement may add, update, or change the terms and conditions of the depositary shares as described in this prospectus.

General

We may, at our option, elect to offer fractional or multiple shares of preferred stock, rather than single shares of preferred stock (to be set forth in the prospectus supplement relating to a particular series of preferred stock). In the event we elect to do so, depositary receipts evidencing depositary shares will be issued.

The shares of any class or series of preferred stock represented by depositary shares will be deposited under a deposit agreement among us, a depositary selected by us, and the holders of the depositary receipts. The depositary will be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50 million. Subject to the terms of the deposit agreement, each owner of a depositary share will be entitled, in proportion to the applicable fraction of a share of preferred stock represented by such depositary share, to all the rights and preferences of the shares of preferred stock represented by the depositary share, including dividend, voting, redemption and liquidation rights.

The depositary shares will be evidenced by depositary receipts issued pursuant to the deposit agreement. Depositary receipts will be distributed to those persons purchasing the fractional shares of the related class or series of preferred shares in accordance with the terms of the offering described in the related prospectus supplement.

While the features we have summarized below will generally apply to any applicable security we may offer under this prospectus, we will describe the particular terms of any applicable security that we may offer in more detail in the applicable prospectus supplement. The specific terms of any applicable securities may differ from the description provided below as a result of negotiations with third parties in connection with the issuance of those applicable securities as well as for other reasons. Therefore, you should rely solely on information in the applicable prospectus supplement if that summary is different from the summary in this prospectus.

Rights may be exercised at any time up to the close of business on the expiration date for the rights provided in the applicable prospectus supplement. After the close of business on the expiration date, all unexercised rights will be void.

Holders may exercise rights as described in the applicable prospectus supplement. Upon receipt of payment and the rights certificate properly completed and duly executed at the corporate trust office of the rights agent or any other office indicated in the prospectus supplement, we will, as soon as practicable, forward the shares of common stock or preferred stock or other debt securities purchasable upon exercise of the rights. If less than all of the rights issued in any rights offering are exercised, we may offer any unsubscribed securities directly to persons other than stockholders, to or through agents, underwriters or dealers or through a combination of such methods, including pursuant to standby underwriting arrangements, as described in the applicable prospectus supplement.

Description of units

This section describes the general terms of the units we may offer and sell by this prospectus. This prospectus and any accompanying prospectus supplement will contain the material terms and conditions for the units. The accompanying prospectus supplement may add, update, or change the terms and conditions of the units as described in this prospectus.

General

We may issue units consisting of one or more other constituent securities. These units may be issuable as, and for a specified period of time may be transferable only as, a single security, rather than as the separate constituent securities comprising such units. While the features we have summarized below will generally apply to any units we may offer under this prospectus, we will describe the particular terms of any units that we may offer in more detail in the applicable prospectus supplement. The specific terms of any units may differ from the description provided below as a result of negotiations with third parties in connection with the issuance of those units, as well as for other reasons. Therefore, you should rely solely on information in the applicable prospectus supplement if that summary is different from the summary in this prospectus.

The particular terms of each issue of units, the unit agreement relating to the units and the unit certificates representing units will be described in the applicable prospectus supplement, including, as applicable:

- the title of the series of units;
- identification and description of the separate constituent securities comprising the units;
- the price or prices at which the units will be issued;
- the date, if any, on and after which the constituent securities comprising the units will be separately transferable;
- a discussion of certain United States federal income tax considerations applicable to the units; and
- any other terms of the units and their constituent securities.

SELLING STOCKHOLDERS

The selling stockholders named below may, from time to time, offer or sell pursuant to this prospectus up to an aggregate of 12,318,993 shares of Class A Common Stock. The table below describes, as of May 24, 2018, each selling stockholder's beneficial ownership of shares of our Class A Common Stock (a) according to the information available to us as of such date and (b) assuming each selling stockholder (i) has redeemed all LLC Interests held by such selling stockholder (and surrendered and cancelled an equivalent number of shares of Class B Common Stock) and (ii) has sold all of its shares of Class A Common Stock pursuant to this prospectus.

Information in the table below with respect to beneficial ownership has been furnished by each of the selling stockholders. The selling stockholders listed in the table below may have sold, transferred, otherwise disposed of or purchased, or may sell, transfer, otherwise dispose of or purchase, at any time and from time to time, shares of our Class A Common Stock in transactions exempt from the registration requirements of the Securities Act or in the open market after the date on which they provided the information set forth in the table below. We do not know which (if any) of the selling stockholders named below actually will offer to sell shares pursuant to this prospectus, or the number of shares that each of them will offer.

Because the selling stockholders may sell, transfer or otherwise dispose of all, some or none of the shares of our Class A Common Stock covered by this prospectus, we cannot determine the number of such shares that will be sold, transferred or otherwise disposed of by the selling stockholders, or the amount or percentage of shares of our Class A Common Stock that will be held by the selling stockholders upon termination of any particular offering or sale. See "Plan of Distribution." When we refer to the selling stockholders in this prospectus, we mean the individual and entities listed in the table below, as well as their pledgees, donees, assignees, transferees and successors in interest.

All Continuing SSE Equity Owners are entitled to have their LLC Interests redeemed for Class A Common Stock on a one-for-one basis, or, at the option of Shake Shack, cash equal to the market value of the applicable number of shares of our Class A Common Stock. At Shake Shack's election, Shake Shack may effect a direct exchange, rather than a redemption, of such shares of Class A Common Stock or such cash for such LLC Interests. In connection with our IPO, we issued to each Continuing SSE Equity Owner for nominal consideration one share of Class B Common Stock for each LLC Interest it owned. As a result, the number of shares of Class B Common Stock listed in the table below equals the number of LLC Interests each such Continuing SSE Equity Owner owns.

The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC and includes voting or investment power with respect to securities. Under these rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power. In computing the number of shares beneficially owned by an individual or entity and the percentage ownership of that person, shares of common stock subject to options, or other rights, including the redemption right described above, held by such person

that are currently exercisable or will become exercisable within 60 days, are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person. Each of the stockholders listed has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

Any selling stockholder may be deemed to be an “underwriter” within the meaning of the Securities Act of 1933, as amended (the “Securities Act”). Based upon the applicable facts and circumstances, including when and how each selling stockholder's respective shares of Class A Common Stock were acquired, none of the selling stockholders believes that it should be considered an “underwriter” within the meaning of such term under the Securities Act.

For information regarding material relationships and transactions between us and the selling stockholders, see the “Certain Relationships and Related Transactions, and Director Independence” section of our 2017 10-K and any disclosure under a similar heading in the documents incorporated by reference in this prospectus.

Information concerning the selling stockholders may change from time to time. Any changes to the information provided below will be set forth in a prospectus supplement if and when necessary.

PLAN OF DISTRIBUTION

We may sell the securities, and the selling stockholders may sell all or a portion of the shares of Class A Common Stock described in this prospectus from time to time, by a variety of methods, including the following:

any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale;

- the over-the-counter market;
- transactions otherwise than on these exchanges or systems or in the over-the-counter market;
- the writing of options, whether such options are listed on an options exchange or otherwise;
- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
 - privately negotiated transactions;
 - short sales;

transactions in which broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;

- a combination of any such methods of sale; and

- any other method permitted pursuant to applicable law.

We will identify the specific plan of distribution for any sales by us of the securities, including any underwriters, dealers, agents, or other purchasers, persons, or entities and any applicable compensation, in a prospectus supplement, in an amendment to the registration statement of which this prospectus is a part, or in other filings we make with the Securities and Exchange Commission under the Exchange Act, which are incorporated by reference.

Some of the shares of Class A Common Stock covered by this prospectus may be sold by selling stockholders in private transactions or under Rule 144 under the Securities Act rather than pursuant to this prospectus.

If the selling stockholders use an underwriter or underwriters for any offering, we will name them, and set forth the terms of the offering, in a prospectus supplement pertaining to such offering and, except to the extent otherwise set forth in such prospectus supplement, the selling stockholders will agree in an underwriting agreement to sell to the underwriter(s), and the underwriter(s) will agree to purchase from the selling stockholder, the number of shares of Class A Common Stock set forth in such prospectus supplement. Any such underwriter(s) may offer the shares of Class A Common Stock from time to time for sale in one or more transactions on the New York Stock Exchange, in the over-the-counter market, through negotiated transactions or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices. The underwriter(s) may also propose initially to offer the shares of Class A Common Stock to the public at a fixed public offering price set forth on the cover page of the applicable prospectus supplement. We will file a post-effective amendment to the registration statement of which this prospectus is a part to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

If the selling stockholders effect such transactions by selling shares to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling stockholders or commissions from purchasers of the shares for whom they may act as agent or to whom they may sell as principal (which discounts, concessions or commissions as to particular underwriters, broker-dealers or agents may be in excess of those customary in the types of transactions involved). In connection with sales of shares or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the shares in the course of hedging in positions they assume. The selling stockholders may also sell shares short and deliver shares covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The selling stockholders may also loan or pledge shares to broker-dealers that in turn may sell such shares.

The selling stockholders may pledge or grant a security interest in some or all of the shares of Class A Common Stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of Class A Common Stock from time to time pursuant to this prospectus or any prospectus supplement under Rule 424(b)(3) or other applicable provision under the Securities Act, amending, if necessary, the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer and donate the shares of Class A Common Stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling stockholders and any broker-dealer participating in the distribution of the shares of Class A Common Stock may be deemed to be “underwriters” within the meaning of the Securities Act, and any commission paid, or any discounts or concessions allowed to, any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act. Any such broker-dealer will be named as an underwriter in a prospectus supplement or post-effective amendment to the registration statement, of which this prospectus is a part, and any discounts and commissions to be paid to any such broker-dealer will be disclosed therein. At the time a particular offering of the shares of Class A Common Stock is made, a prospectus supplement, if required, will be distributed which will set forth the aggregate amount of shares of Class A Common Stock being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the selling stockholders and any discounts, commissions or concessions allowed or reallocated or paid to broker-dealers.

Under the securities laws of some states, the shares of Class A Common Stock may be sold in such states only through registered or licensed brokers or dealers.

There can be no assurance that any selling stockholders will sell any or all of the shares of Class A Common Stock covered by this prospectus.

The selling stockholders and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including, without limitation, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the shares of Class A Common Stock by the selling stockholders and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the shares of Class A Common Stock to engage in market-making activities with respect to the shares of Class A Common Stock. All of the foregoing may affect the marketability of the shares of Class A Common Stock and the ability of any person or entity to engage in market-making activities with respect to the shares of Class A Common Stock.

We will not receive any cash proceeds from our issuance of shares of Class A Common Stock to the selling stockholders or the sale by the selling stockholders of our shares of Class A Common Stock pursuant to this prospectus. Each selling stockholder will bear the cost of any underwriting discounts and selling commissions related to their respective offering and sale of shares of Class A Common Stock pursuant to this prospectus. We may be required to indemnify the selling stockholders against liabilities, including some liabilities under the Securities Act, in accordance with the Registration Rights Agreement, or the selling stockholders will be entitled to contribution. We, our affiliates and our respective directors, officers, employees, agents and control persons may be indemnified by the selling stockholders against liabilities that may arise from any written information furnished to us by the selling stockholder specifically for use in this prospectus, in accordance with the Registration Rights Agreement, or we or they may be entitled to contribution.

Item 14. Indemnification of Directors and Officers.

Section 102 of the General Corporation Law of the State of Delaware ("DGCL") permits a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Our amended and restated certificate of incorporation provides that no director of the Registrant shall be personally liable to it or its stockholders for monetary damages for any breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability, except to the extent that the DGCL prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty.

Section 145 of the DGCL provides that a corporation has the power to indemnify a director, officer, employee, or agent of the corporation, or a person serving at the request of the corporation for another corporation, partnership, joint venture, trust or other enterprise in related capacities against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with an action, suit or proceeding to which he was or is a party or is threatened to be made a party to any threatened, ending or completed action, suit or proceeding by reason of such position, if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, except that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Our amended and restated certificate of incorporation and bylaws provide indemnification for our directors and officers to the fullest extent permitted by the DGCL. We will indemnify each person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of us) by reason of the fact that he or she is or was, or has agreed to become, a director or officer, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (all such persons being referred to as an “Indemnitee”), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding and any appeal therefrom, if such Indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, our best interests, and, with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful. Our amended and restated certificate of incorporation and bylaws provide that we will indemnify any Indemnitee who was or is a party to an action or suit by or in the right of us to procure a judgment in our favor by reason of the fact that the Indemnitee is or was, or has agreed to become, a director or officer, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys’ fees) and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding, and any appeal therefrom, if the Indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, our best interests, except that no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to us, unless a court determines that, despite such adjudication but in view of all of the circumstances, he or she is entitled to indemnification of such expenses. Notwithstanding the foregoing, to the extent that any Indemnitee has been successful, on the merits or otherwise, he or she will be indemnified by us against all expenses (including attorneys’ fees) actually and reasonably incurred in connection therewith. Expenses must be advanced to an Indemnitee under certain circumstances.

We have entered into separate indemnification agreements with each of our directors and certain officers. Each indemnification agreement provides, among other things, for indemnification to the fullest extent permitted by law and our amended and restated certificate of incorporation and bylaws against any and all expenses, judgments, fines, penalties and amounts paid in settlement of any claim. The indemnification agreements provide for the advancement or payment of all expenses to the Indemnitee and for the reimbursement to us if it is found that such Indemnitee is not entitled to such indemnification under applicable law and our amended and restated certificate of incorporation and bylaws.

We maintain a general liability insurance policy that covers certain liabilities of directors and officers of our corporation arising out of claims based on acts or omissions in their capacities as directors or officers.

The Registration Rights Agreement between us and the selling stockholders provides for cross-indemnification in connection with registration of our Class A Common Stock on behalf of such selling stockholders.

Any underwriting agreements that we may enter into may provide that the underwriters are obligated, under certain circumstances, to indemnify our directors, officers and controlling persons against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

Item 17. Undertakings.

The undersigned hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(A) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

II-3

- To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
- (B)
- (C) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that the undertakings set forth in paragraphs (A), (B) and (C) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective (2) amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration

statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining the liability of the registrant under the Act to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser

i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

II-4

- ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant
- iii) The portion of any other free writing prospectus relating to the offering contained material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Securities and Exchange Commission under Section 305(b)(2) of the Trust Indenture Act.

To supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.
