You are entitled to one vote for each share of common stock held on that date. On June 7, 2007, there were 100,000,000 shares of our common stock outstanding and entitled to vote at the Stockholders Meeting.

YOUR BOARD OF DIRECTORS HAS APPROVED EACH OF THE PROPOSALS SET FORTH HEREIN.

Our principal executive offices are located at 1942 Broadway St. Suite 320, Boulder, Colorado 80302.

WHAT CONSTITUTES A "QUORUM" FOR THE ANNUAL MEETING?

The representation, in person or by proxy, of a majority of the outstanding shares of our common stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. All Proxies that are returned will be counted by the Inspector of Elections in determining the presence of a quorum and on each issue to be voted on, except as noted below. An abstention from voting or a broker non-vote will be used for the purpose of establishing a quorum, but will not be counted in the voting process. All Proxies that are properly completed, signed and returned to the Company before the Annual Meeting, and that have not been revoked, will be voted in favor of the proposals described in this Proxy Statement unless otherwise directed.

HOW MANY VOTES ARE REQUIRED?

- Directors nominees are elected by a plurality of the votes cast in person or by proxy, provided that a quorum is present at the Meeting.
- The proposal to amend the Articles of Incorporation to increase the number of authorized shares of common stock from 100,000,000 to 300,000,000 will require the affirmative vote of at least a majority of the Company’s outstanding shares of Common Stock. Thus, any abstentions, "broker non-votes" (shares held by brokers or nominees as to which they have no discretionary authority to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote thereon), or other limited proxies will have the effect of a vote against amending the Company's Articles of Incorporation.
- The adoption of the 2007 Stock Incentive Plan will require an affirmative vote of the majority of the votes cast in person or by proxy, provided that a quorum is present at the annual meeting.

WHO PAYS FOR THE SOLICITATION OF PROXIES?

We will pay the cost of preparing, printing and mailing material in connection with this solicitation of proxies. We will, upon request, reimburse brokerage firms, banks and others for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of stock or otherwise in connection with this solicitation of proxies.

WHEN ARE STOCKHOLDER PROPOSALS FOR THE 2008 ANNUAL MEETING DUE?

Any stockholder proposals for the 2008 annual meeting must be received by us, directed to the attention of the Company's secretary, Mr. George S. Young, Fellows Energy Ltd., 1942 Broadway St. Suite 320, Boulder, Colorado

Edgar Filing: FELLOWS ENERGY LTD - Form DEF 14A

80302 no later than December 31, 2007. The use of certified mail, return receipt requested, is advised. To be eligible for inclusion, a proposal must comply with our bylaws, Rule 14a-8 and all other applicable provisions of Regulation 14A under the Securities Exchange Act of 1934.

PROPOSAL 1: ELECTION OF DIRECTORS
(ITEM 1 ON THE PROXY CARD)

At the Meeting, two (2) directors are to be elected. Pursuant to the Company's By-laws, all directors are elected to serve for the ensuing year and until their respective successors are elected and qualified. Unless otherwise directed, the persons named in the enclosed Proxy intend to cast all votes pursuant to proxies received for the election of Messrs. Young and Prince (collectively, the "Nominees"). If any of the Nominees becomes unavailable for any reason, which event is not anticipated, the shares represented by the enclosed proxy will be voted for such other person designated by the Board.

Vote required: Directors must be elected by a plurality of all votes cast at the meeting. Votes withheld for any director will not be counted.

Voting by the Proxies: The Proxies will vote your shares in accordance with your instructions. If you have not given specific instructions to the contrary, your shares will be voted to approve the election of the nominees named in the Proxy Statement. Although the Company knows of no reason why the nominees would not be able to serve, if a nominee were not available for election, the Proxies would vote your Common Stock to approve the election of any substitute nominee proposed by the Board of Directors. The Board may also choose to reduce the number of directors to be elected as permitted by our Bylaws.

General Information about the Nominees: The following information regarding the Nominees, their occupations, employment history and directorships in certain companies is as reported by the respective Nominees.

Previous positions also include Drilling Engineer for Shell Western Exploration & Production; Operations Manager and Engineering Manager for

River Gas Corporation, Facilities Engineer for Atlantic Richfield Co., and Production Engineer for Amoco Production Co. Mr. Prince is a member of the Society of Petroleum Engineers. Mr. Prince received his B.S. in Petroleum Engineering with honors from Montana College of Mineral Science and Technology in 1987.

Directors are elected annually and hold office until the next annual meeting of the stockholders of the Company and until their successors are elected and qualified. Officers are elected annually and serve at the discretion of the Board of Directors.

ROLE OF THE BOARD

Pursuant to Nevada law, our business, property and affairs are managed under the direction of our board of directors. The board has responsibility for establishing broad corporate policies and for the overall performance and direction of Fellows, but is not involved in day-to-day operations. Members of the board keep informed of our business by participating in board and committee meetings, by reviewing analyses and reports sent to them regularly, and through discussions with our executive officers.

2006 BOARD MEETINGS

During the fiscal year ended December 31, 2006, the board had five meetings and took action four times by unanimous written consent.

BOARD COMMITTEES

The Board does not have any standing committees. As our stock is currently quoted on the Over-the-Counter Bulletin Board, we are not required to have any standing committees. In addition, we have a limited board that allows all board members to participate in the functions ascribed to the standing committees. Our Board of Directors intend to continually evaluate the need for an Audit, Nominating and/or Compensation Committees.

ELECTION OF DIRECTORS REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A PLURALITY OF THE SHARES OF COMMON STOCK REPRESENTED AT THE ANNUAL MEETING. SHARES OF COMMON STOCK REPRESENTED BY PROXY CARDS RETURNED TO US WILL BE VOTED FOR THE NOMINEES LISTED ABOVE UNLESS YOU SPECIFY OTHERWISE. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF DIRECTORS.

**PROPOSAL 2: TO CONSIDER AND VOTE UPON A PROPOSAL TO
AMEND THE COMPANY'S ARTICLES OF INCORPORATION
TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF
COMMON STOCK FROM 100,000,000 TO 300,000,000
(ITEM 2 ON THE PROXY CARD)**

On April 20, 2007, the Board of Directors authorized an amendment to the Company's Articles of Incorporation to increase the number of our authorized shares of common stock. Subject to shareholder approval, Article Fourth would be amended to read as follows and would be filed with the California Secretary of State:

“FOURTH: The Corporation is authorized to issue two classes of stock. One class of stock shall be Common Stock, par value \$0.001. The second class of stock shall be Preferred Stock, \$0.001 par value. The Preferred Stock, or any series thereof, shall have such designations, preferences and relative, participating, optional or other special rights and qualifications, limitations or restrictions thereof as shall be expressed in the resolution or resolutions providing for the issue of such stock adopted by the board of directors and may be made dependent upon facts ascertainable outside such resolution or resolutions of the board of directors, provided that the matter in which such facts shall operate upon such designations, preferences, rights and qualifications; limitations or restrictions of such class or series of stock is clearly and expressly set forth in the resolution or resolutions providing for the issuance of such stock by the board of directors.

The total number of shares of stock of each class which the Corporation shall have authority to issue and the par value of each share of each class of stock are as follows:

<u>Class</u>	<u>Par Value</u>	<u>Authorized Shares</u>
Common	\$0.001	300,000,000
Preferred	\$0.001	<u>25,000,000</u>

Totals: 325,000,000”

The terms of the additional shares of common stock will be identical to those of the currently outstanding shares of common stock. However, because holders of common stock have no preemptive rights to purchase or subscribe for any unissued stock of the Company, the issuance of additional shares of common stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of Common Stock. This amendment and the creation of additional shares of authorized common stock will not alter the current number of issued shares. The relative rights and limitations of the shares of common stock will remain unchanged under this amendment.

As of June 7, 2007, a total of 100,000,000 shares of the Company's currently authorized 100,000,000 shares of common stock are issued and outstanding. The increase in the number of authorized but unissued shares of common stock would enable the Company, without further stockholder approval, to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, business and asset acquisitions, stock splits and dividends, present and future employee benefit programs and other corporate purposes.

The proposed increase in the authorized number of shares of common stock could have a number of effects on the Company's stockholders depending upon the exact nature and circumstances of any actual issuances of authorized but unissued shares. The increase could have an anti-takeover effect, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of the Company more difficult. For example, additional shares could be issued by the Company so as to dilute the stock ownership or voting rights of persons seeking to obtain control of the Company. Similarly, the issuance of additional shares to certain persons allied with the Company's management could have the effect of making it more difficult to remove the Company's current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. Except as further discussed herein, the Board of Directors is not aware of any attempt, or

contemplated attempt, to acquire control of the Company, and this proposal is not being presented with the intent that it be utilized as a type of anti- takeover device.

Stockholders do not have any preemptive or similar rights to subscribe for or purchase any additional shares of common stock that may be issued in the future, and therefore, future issuances of common stock may, depending on the circumstances, have a dilutive effect on the earnings per share, voting power and other interests of the existing stockholders.

Except for the following, there are currently no plans, arrangements, commitments or understandings for the issuance of the additional shares of common stock which are to be authorized.

- **Secured Convertible Debentures**

On February 15, 2007, we entered into a series of transactions to restructure securities issued pursuant to securities purchase agreements dated June 17, 2005 and September 21, 2005.

Background

June 2005 Financing

On June 17, 2005, we closed a financing pursuant to a securities purchase agreement with three accredited investors, Palisades Master Fund, L.P. (“Palisades”), Crescent International Ltd. (“Crescent”) and JGB Capital L.P. (“JGB”) for the issuance of \$5,501,199.95 in face amount of debentures maturing September 16, 2008 (the “June Debentures”). The June Debentures were unsecured and we were obligated to pay 1/24th of the face amount of the debenture on the first of every month, starting October 1, 2005, which payment could be made in cash or in shares of our common stock. We could pay this amortization payment in cash or in stock at the lower of \$0.60 per share or 80% of the volume weighted average price of our stock for the five trading days prior to the repayment date. In the event that we made the payment in cash, we paid 110% of the monthly redemption amount.

In addition, we issued warrants to the investors, expiring June 17, 2008, to purchase 4,584,334 shares of restricted common stock, exercisable at a per share of \$0.649 (the “June Warrants”). In addition, the exercise price of the June Warrants would be adjusted in the event we issued common stock at a price below the exercise price, with the exception of any securities issued pursuant to a stock or option plan adopted by our board of directors, issued in connection with the debentures issued pursuant to the securities purchase agreement, or securities issued in connection with acquisitions or strategic transactions.

If in any period of 20 consecutive trading days our stock price exceeds 250% of the June Warrants’ exercise price, all of the June Warrants shall expire on the 30th trading day after we send a call notice to the June Warrant holders. If at any time after one year from the date of issuance of the June Warrants there is not an effective registration statement registering, or no current prospectus available for, the resale of the shares underlying the June Warrants, then the holder may exercise the June Warrant at such time by means of a cashless exercise.

September 2005 Financing

On September 21, 2005, we closed a financing pursuant to a securities purchase agreement with two accredited investors, Palisades and Crescent for the issuance of \$3,108,000 in face amount of debentures maturing December 20, 2008 (the “September Debentures” and together with the June Debentures, the “Old Debentures”). The September Debentures were unsecured and we were obligated to pay 1/24th of the face amount of the debenture on the first of every month, starting January 1, 2006, which payment could be made in cash or in shares of our common stock. We could pay this amortization payment in cash or in stock at the lower of \$0.75 per share or 80% of the volume weighted average price of our stock for the five trading days prior to the repayment date. In the event that we made the payment in cash, we paid 110% of the monthly redemption amount.

In addition, we issued warrants to the investors, expiring September 21, 2008, to purchase 2,172,000 shares of restricted common stock, exercisable at a per share of \$0.80 (the “September Warrants” and together with the June Warrants, the “Old Warrants”). In addition, the exercise price of the September Warrants would be adjusted in the event we issued common stock at a price below the exercise price, with the exception of any securities issued pursuant to a stock or option plan adopted by our board of directors, issued in connection with the debentures issued pursuant to the securities purchase agreement, or securities issued in connection with acquisitions or strategic transactions.

If in any period of 20 consecutive trading days our stock price exceeds 250% of the September Warrants’ exercise price, all of the September Warrants shall expire on the 30th trading day after we send a call notice to the September Warrant holders. If at any time after one year from the date of issuance of the September Warrants there is not an effective registration statement registering, or no current prospectus available for, the resale of the shares underlying the September Warrants, then the holder may exercise the September Warrant at such time by means of a cashless exercise.

Restructuring

On February 15, 2007, the following transactions took place with regards to the Old Debentures and Old Warrants:

- 1) JGB entered into an assignment agreement with Crescent, pursuant to which Crescent purchased from JGB the June Debentures issued to JGB. The face value of the June Debentures issued to JGB at the time of the transaction was \$333,333.33 and Crescent paid \$250,000 to JGB for the assignment;
- 2) We entered into a settlement agreement with JGB for the sum of \$83,333.33. We amended the terms of the Old Warrants held by JGB to remove the ratchet and call provisions and JGB agreed to release any shares reserved for issuance of the Old Warrants and to not exercise such Old Warrants until we obtain an increase in the authorized shares of common stock. Upon obtaining the increase in authorized shares, we agreed to issue JGB 500,000 shares of restricted common stock;
- 3) We entered into a first amendment and waiver agreement with Palisades for the amendment of the Old Debentures issued to Palisades (the "Palisades Amendment Agreement"); and
- 4) We entered into a first amendment and waiver agreement with Crescent for the amendment of the Old Debentures issued to JGB (and purchased by Crescent) and Crescent (the "Crescent Amendment Agreement" and together with the Palisades Amendment Agreement, the "Restructuring Amendments").

Palisades and Crescent agreed to amend the Old Debentures to remove the mandatory monthly liquidation provision and to amend the fixed conversion price of the Old Debentures to \$0.1375 (the "Fixed Conversion Price"). As a result, the principal amount remaining on the Old

Debentures is now due and payable at maturity, unless sooner converted into shares of common stock by the investors, at the Fixed Conversion Price. Palisades and Crescent further agreed to waive any and all existing defaults under the Old Debentures.

Pursuant to the Palisades Amendment Agreement, we agreed to issue 7,025,789 shares of common stock (the "Monthly Redemption Shares") to Palisades upon conversion of \$608,433.15 in principal amount of the Old Debentures. Such Monthly Redemption Shares were issued as payment for monthly redemptions owed to Palisades on December 1, 2006 and January 1, 2007 and February 1, 2007 pursuant to the Old Debentures. These Monthly Redemption Shares were not issued while we negotiated the terms of a potential buy-out or restructuring of the Old Debentures. The Monthly Redemption Shares were previously registered for resale pursuant to resale registration statements filed with the Securities and Exchange Commission and represent the remaining shares of common stock registered thereunder for Palisades pursuant to the Old Debentures. As a result of the Monthly Redemption Shares, the exercise price of the Old Warrants was reduced to \$0.0866, which Palisades exercised on a cashless basis and received 2,970,758 shares of common stock which were previously registered for resale pursuant to resale registration statements filed with the Securities and Exchange Commission.

We agreed to pay Palisades a forbearance fee of \$150,000 a month, for six months, which fee was paid in shares of common stock at an issuance price of \$0.1375, for a total issuance of 5,454,546 shares of restricted common stock. In addition, we agreed to issue Palisades 1,449,825 shares of common stock as a commitment fee for the restructuring of the Old Debentures.

In connection with the restructuring, we executed a security agreement (the "Security Agreement") in favor of Palisades and JGB granting them a first priority security interest in all of our goods, inventory, contractual rights and general intangibles, receivables, documents, instruments, chattel paper, and intellectual property, except for our Carbon County prospect, which Palisades and JGB took a second priority interest and for our Carter Creek and Weston County prospects, which the investors were not granted any security interest. The Security Agreements state that if an event of default occurs under the Old Debentures or Security Agreement, the Investors have the right to take possession of the collateral, to operate our business using the collateral, and have the right to assign, sell, lease or otherwise dispose of and deliver all or any part of the collateral, at public or private sale or otherwise to satisfy our obligations under these agreements.

New Financing

On February 15, 2006, we closed a financing pursuant to a securities purchase agreement with Palisades for the issuance of a \$714,500 face amount debenture maturing September 15, 2007 (the "New Debenture"). The New Debenture does not accrue interest and the investors paid \$500,000 for the New Debenture. We paid a commission of \$100,000 to HPC Capital Management (a registered broker-dealer) in connection with the transaction, resulting in net proceeds to us of \$400,000 before our legal fees. We used the net proceeds to pay our settlement agreement payment to JGB, repayment of a bridge loan to Petro Capital Securities, LLC and the remainder for general working capital purposes. We also issued HPC Capital Management 6,458,063 shares of restricted common stock and agreed to issue an additional 1,041,937 shares of restricted common stock upon obtaining an increase in our authorized shares of common stock, which shares are additional compensation for its services in connection with the transaction with the investors.

The convertible debentures are secured and are convertible into our common stock, at Palisades option, at a fixed conversion price of \$0.1375. Based on this conversion price, the \$714,500 secured convertible debenture is convertible into 5,196,364 shares of our common stock.

In the event of default, the investors may require payment, which shall be the greater of: (A) 130% of the principal amount of the face amount of the debenture to be prepaid, or (B) the principal amount of the debenture to be prepaid,

divided by the conversion price on (x) the date the default amount is demanded or otherwise due or (y) the date the default amount is paid in full, whichever is less, multiplied by the closing price on (x) the date the default amount is demanded or otherwise due or (y) the date the default amount is paid in full, whichever is greater

The conversion price of the debenture may be adjusted in certain circumstances such as if we pay a stock dividend, subdivide or combine outstanding shares of common stock into a greater or lesser number of shares, or take such other actions as would otherwise result in dilution of the investor's position.

We have agreed to file a registration statement with the Securities and Exchange Commission to cover the future sale by the investors of the shares issuable upon conversion of the Old and New Debentures. If the registration statement is not filed by the filing deadline or if the registration statement is not declared effective by the effective deadline, we are required to pay liquidated damages to the investors.

The following are the risks associated with our current financing arrangement:

There Are a Large Number of Shares Underlying Our Convertible Debentures and Warrants That May be Available for Future Sale and the Sale of These Shares May Depress the Market Price of Our Common Stock.

As of June 7, 2007, we had 100,000,000 shares of common stock issued and outstanding, convertible debentures issued in June 2005, September 2005 and February 2007 outstanding that may be converted into an estimated 24,024,197 shares of common stock and outstanding warrants issued in June and September 2005 to purchase 1,516,668 shares of common stock. To the extent registered pursuant to our registration statements, all of the shares issuable upon conversion of the June and September 2005 debentures and upon exercise of our June and September 2005 warrants, may be sold without restriction. The sale of these shares may adversely affect the market price of our common stock.

The Issuance of Shares Upon Conversion of the Convertible Debentures and Exercise of Outstanding Warrants May Cause Immediate and Substantial Dilution to Our Existing Stockholders.

The issuance of shares upon conversion of the convertible debentures and exercise of warrants may result in substantial dilution to the interests of other stockholders since the selling stockholders may ultimately convert and sell the full amount issuable on conversion. Although the selling stockholders may not convert their convertible debentures and/or exercise their warrants if such conversion or exercise would cause them to own more than 4.99% of our outstanding common stock, this restriction does not prevent the selling stockholders from converting and/or exercising some of their holdings and then converting the rest of their holdings. In this way, the selling stockholders could sell more than this limit while never holding more than this limit. There is no upper limit on the number of shares that may be issued which will have the effect of further diluting the proportionate equity interest and voting power of holders of our common stock, including investors in this offering.

If We Are Required for any Reason to Repay Our Outstanding Secured Convertible Debentures, We Would Be Required to Deplete Our Working Capital, If Available, Or Raise Additional Funds. Our Failure to Repay the Secured Convertible Debentures, If Required, Could Result in Legal Action Against Us, Which Could Require the Sale of Substantial Assets.

Between 2005 and 2007, we entered into Securities Purchase Agreements for the sale of an aggregate of \$9,323,700 principal face amount of secured convertible debentures, of which approximately \$2,993,938 remains outstanding. The secured convertible debentures are due and payable, with interest, in September 2007 unless sooner converted into shares of our common stock. In addition, any event of default such as our failure to repay the principal when due, our failure to issue shares of common stock upon conversion by the holder, our failure to timely file a registration statement or have such registration statement declared effective, breach of any covenant, representation or warranty in the Securities Purchase Agreement or related convertible debentures, the assignment or appointment of a receiver to control a substantial part of our property or business, the filing of a money judgment, writ or similar process against our company in excess of \$50,000, the commencement of a bankruptcy, insolvency, reorganization or liquidation proceeding against our company and the delisting of our common stock could require the early repayment of the convertible debentures, including default interest on the outstanding principal balance of the convertible debentures if the default is not cured with the specified grace period. We anticipate that the full amount of the convertible debentures will be converted into shares of our common stock, in accordance with the terms of the convertible debentures. If we are required to repay the convertible debentures, we would be required to use our limited working capital and raise additional funds. If we were unable to repay the convertible debentures when required, the debenture holders could commence legal action against us and foreclose on all of our assets to recover the amounts due. Any such action would require us to curtail or cease operations.

RECOMMENDATION OF THE BOARD:

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF THE COMPANY'S COMMON STOCK FROM 100,000,000 TO 300,000,000.

PROPOSAL NO. 3
APPROVAL OF THE 2007 STOCK INCENTIVE PLAN
(ITEM 3 ON THE PROXY CARD)

At the Annual Meeting, the Company's stockholders are being asked to approve the 2007 Stock Incentive Plan (the "2007 Incentive Plan") and to authorize 2,000,000 shares of Common Stock for issuance thereunder. The following is a summary of principal features of the 2007 Incentive Plan. The summary, however, does not purport to be a complete description of all the provisions of the 2007 Incentive Plan. The 2007 Incentive Plan is attached hereto as exhibit "B."

General

The 2007 Incentive Plan was adopted by the Board of Directors. The Board of Directors has initially reserved 10,000,000 shares of Common Stock for issuance under the 2007 Incentive Plan, subject to shareholder approval increasing the number of authorized shares of common stock. Under the Plan, options may be granted which are intended to qualify as Incentive Stock Options ("ISOs") under Section 422 of the Internal Revenue Code of 1986 (the "Code") or which are not ("Non-ISOs") intended to qualify as Incentive Stock Options thereunder.

The 2007 Incentive Plan and the right of participants to make purchases thereunder are intended to qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"). The 2007 Incentive Plan is not a qualified deferred compensation plan under Section 401(a) of the Internal Revenue Code and is not subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Purpose

The primary purpose of the 2007 Incentive Plan is to attract and retain the best available personnel for the Company in order to promote the success of the Company's business and to facilitate the ownership of the Company's stock by employees. In the event that the 2007 Incentive Plan is not adopted the Company may have considerable difficulty in attracting and retaining qualified personnel, officers, directors and consultants.

Administration

The 2007 Incentive Plan, when approved, will be administered by the Company's Board of Directors, as the Board of Directors may be composed from time to time. All questions of interpretation of the 2007 Incentive Plan are determined by the Board, and its decisions are final and binding upon all participants. Any determination by a majority of the members of the Board of Directors at any meeting, or by written consent in lieu of a meeting, shall be deemed to have been made by the whole Board of Directors.

Notwithstanding the foregoing, the Board of Directors may at any time, or from time to time, appoint a committee (the "Committee") of at least two members of the Board of Directors, and delegate to the Committee the authority of the Board of Directors to administer the Plan. Upon such appointment and delegation, the Committee shall have all the powers, privileges and duties of the Board of Directors, and shall be substituted for the Board of Directors, in the administration of the Plan, subject to certain limitations.

Members of the Board of Directors who are eligible employees are permitted to participate in the 2007 Incentive Plan, provided that any such eligible member may not vote on any matter affecting the administration of the 2007 Incentive Plan or the grant of any option pursuant to it, or serve on a committee appointed to administer the 2007 Incentive Plan. In the event that any member of the Board of Directors is at any time not a "disinterested person", as defined in Rule 16b-3(c)(3)(i) promulgated pursuant to the Securities Exchange Act of 1934, the Plan shall not be administered by the Board of Directors, and may only be administered by a Committee, all the members of which are disinterested

persons, as so defined.

ELIGIBILITY

Under the 2007 Incentive Plan, options may be granted to key employees, officers, directors or consultants of the Company, as provided in the 2007 Incentive Plan.

Terms of Options

The term of each Option granted under the Plan shall be contained in a stock option agreement between the Optionee and the Company and such terms shall be determined by the Board of Directors consistent with the provisions of the Plan, including the following:

(a) **PURCHASE PRICE.** The purchase price of the Common Shares subject to each ISO shall not be less than the fair market value (as set forth in the 2007 Incentive Plan), or in the case of the grant of an ISO to a Principal Stockholder, not less than 110% of fair market value of such Common Shares at the time such Option is granted. The purchase price of the Common Shares subject to each Non-ISO shall be determined at the time such Option is granted, but in no case less than 85% of the fair market value of such Common Shares at the time such Option is granted.

(b) VESTING. The dates on which each Option (or portion thereof) shall be exercisable and the conditions precedent to such exercise, if any, shall be fixed by the Board of Directors, in its discretion, at the time such Option is granted.

(c) EXPIRATION. The expiration of each Option shall be fixed by the Board of Directors, in its discretion, at the time such Option is granted; however, unless otherwise determined by the Board of Directors at the time such Option is granted, an Option shall be exercisable for five (5) years after the date on which it was granted (the "Grant Date"). Each Option shall be subject to earlier termination as expressly provided in the 2007 Incentive Plan or as determined by the Board of Directors, in its discretion, at the time such Option is granted.

(d) TRANSFERABILITY. No Option shall be transferable, except by will or the laws of descent and distribution, and any Option may be exercised during the lifetime of the Optionee only by him. No Option granted under the Plan shall be subject to execution, attachment or other process.

(e) OPTION ADJUSTMENTS. The aggregate number and class of shares as to which Options may be granted under the Plan, the number and class shares covered by each outstanding Option and the exercise price per share thereof (but not the total price), and all such Options, shall each be proportionately adjusted for any increase decrease in the number of issued Common Shares resulting from split-up spin-off or consolidation of shares or any like Capital adjustment or the payment of any stock dividend.

Except as otherwise provided in the 2007 Incentive Plan, any Option granted hereunder shall terminate in the event of a merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation of the Company. However, the Optionee shall have the right immediately prior to any such transaction to exercise his Option in whole or in part notwithstanding any otherwise applicable vesting requirements.

(f) TERMINATION, MODIFICATION AND AMENDMENT. The 2007 Incentive Plan (but not Options previously granted under the Plan) shall terminate ten (10) years from the earlier of the date of its adoption by the Board of Directors or the date on which the Plan is approved by the affirmative vote of the holders of a majority of the outstanding shares of capital stock of the Company entitled to vote thereon, and no Option shall be granted after termination of the Plan. Subject to certain restrictions, the Plan may at any time be terminated and from time to time be modified or amended by the affirmative vote of the holders of a majority of the outstanding shares of the capital stock of the Company present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the State of Nevada.

FEDERAL INCOME TAX ASPECTS OF THE 2007 INCENTIVE PLAN

THE FOLLOWING IS A BRIEF SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON THE PARTICIPANTS AND THE COMPANY WITH RESPECT TO THE PURCHASE OF SHARES UNDER THE 2007 INCENTIVE PLAN. THIS SUMMARY DOES NOT PURPORT TO BE COMPLETE AND DOES NOT ADDRESS THE FEDERAL INCOME TAX CONSEQUENCES TO TAXPAYERS WITH SPECIAL TAX STATUS. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE, AND DOES NOT DISCUSS ESTATE, GIFT OR OTHER TAX CONSEQUENCES OTHER THAN INCOME TAX CONSEQUENCES. THE COMPANY ADVISES EACH PARTICIPANT TO CONSULT HIS OR HER OWN TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PARTICIPATION IN THE 2007 INCENTIVE PLAN AND FOR REFERENCE TO APPLICABLE PROVISIONS OF THE CODE.

The 2007 Incentive Plan and the right of participants to make purchases thereunder are intended to qualify under the provisions of Sections 421, 422 and 423 of the Code. Under these provisions, no income will be recognized by a participant prior to disposition of shares acquired under the 2007 Incentive Plan.

If the shares are sold or otherwise disposed of (including by way of gift) more than two years after the first day of the offering period during which shares were purchased (the "Offering Date"), a participant will recognize as ordinary income at the time of such disposition the lesser of (a) the excess of the fair market value of the shares at the time of such disposition over the purchase price of the shares or (b) 15% of the fair market value of the shares on the first day of the offering period. Any further gain or loss upon such disposition will be treated as long-term capital gain or loss. If the shares are sold for a sale price less than the purchase price, there is no ordinary income and the participant has a capital loss for the difference.

If the shares are sold or otherwise disposed of (including by way of gift) before the expiration of the two-year holding period described above, the excess of the fair market value of the shares on the purchase date over the purchase price will be treated as ordinary income to the participant. This excess will constitute ordinary income in the year of sale or other disposition even if no gain is realized on the sale or a gift of the shares is made. The balance of any gain or loss will be treated as capital gain or loss and will be treated as long-term capital gain or loss if the shares have been held more than one year.

In the case of a participant who is subject to Section 16(b) of the Exchange Act, the purchase date for purposes of calculating such participant's compensation income and beginning of the capital gain holding period may be deferred for up to six months under certain circumstances. Such individuals should consult with their personal tax advisors prior to buying or selling shares under the 2007 Incentive Plan.

The ordinary income reported under the rules described above, added to the actual purchase price of the shares, determines the tax basis of the shares for the purpose of determining capital gain or loss on a sale or exchange of the shares.

The Company is entitled to a deduction for amounts taxed as ordinary income to a participant only to the extent that ordinary income must be reported upon disposition of shares by the participant before the expiration of the two-year holding period described above.

Restrictions on Resale

Certain officers and directors of the Company may be deemed to be "affiliates" of the Company as that term is defined under the Securities Act. The Common Stock acquired under the 2007 Incentive Plan by an affiliate may be reoffered or resold only pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or another exemption from the registration requirements of the Securities Act.

Stock Option Plan

On October 9, 2003, we adopted an incentive stock option plan, pursuant to which shares of our common stock are reserved for issuance to satisfy the exercise of options. The purpose of the incentive stock option plan is to retain qualified and competent officers, employees and directors. As noted in the table below, the incentive stock option plan for our executive officers authorizes up to 2,000,000 shares of our common stock, to be purchased pursuant to the exercise of options. The effective date of the stock option plan was October 9, 2003, and the stock option plan was approved by our shareholders on November 10, 2003. On September 15, 2004, we granted an option for 200,000 shares to our CEO, 150,000 shares to our Vice President and 125,000 shares to an employee. These options are exercisable at \$0.80 per share, the price of our stock on the grant date. The options vested 50% on the grant date and vest 50% on September 15, 2005. On October 3, 2005, we granted an option for 100,000 shares to our CEO, 150,000 to our Vice President and 175,000 and 200,000 shares to two employees respectively. The options vest 6 months from the date of grant.

Our board of directors, or a committee thereof, administers the stock option plan and is authorized, in its discretion, to grant options thereunder to all of our eligible employees, including officers, and to our directors, whether or not those directors are also our employees. Options will be granted pursuant to the provisions of the incentive stock option plan on such terms, subject to such conditions and at such exercise prices as shall be determined by our board of directors. Options granted pursuant to the stock option plan will not be exercisable after the expiration of ten years from the date of grant.

SECTION 16(A) BENEFICIAL OWNERSHIP COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10 percent of the Company's Common Stock, to file with the SEC the initial reports of ownership and reports of changes in ownership of common stock. Officers, directors and greater than 10 percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Specific due dates for such reports have been established by the Commission and the Company is required to disclose in this Proxy Statement any failure to file reports by such dates during fiscal 2006. Based solely on its review of the copies of such reports received by it, or written representations from certain reporting persons that no Forms 5 were required for such persons, the Company believes that during the fiscal year ended December 31, 2006, there was no failure to comply with Section 16(a) filing requirements applicable to its officers, directors and ten percent

stockholders.

POLICY WITH RESPECT TO SECTION 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), provides that, unless an appropriate exemption applies, a tax deduction for the Company for compensation of certain executive officers named in the Summary Compensation Table will not be allowed to the extent such compensation in any taxable year exceeds \$1 million. As no executive officer of the Company received compensation during 2004 approaching \$1 million, and the Company does not believe that any executive officer’s compensation is likely to exceed \$1 million in 2005, the Company has not developed an executive compensation policy with respect to qualifying compensation paid to its executive officers for deductibility under Section 162(m) of the Code.

EXECUTIVE COMPENSATION

The following table sets forth the annual and long-term compensation paid to our Chief Executive Officer and the other executive officers who earned more than \$100,000 per year at the end of the last completed fiscal year. We refer to all of these officers collectively as our "named executive officers."

Our Directors are elected by the vote of a majority in interest of the holders of our voting stock and hold office until the expiration of the term for which he or she was elected and until a successor has been elected and qualified.

A majority of the authorized number of directors constitutes a quorum of the Board for the transaction of business. The directors must be present at the meeting to constitute a quorum. However, any action required or permitted to be taken by the Board may be taken without a meeting if all members of the Board individually or collectively consent in writing to the action.

Directors did not receive any compensation for their services during fiscal year 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since the beginning of our prior fiscal year, there have been no transactions, or proposed transactions, which have materially affected or will materially affect us in which any director, executive officer or beneficial holder of more than 10% of the outstanding common stock, or any of their respective relatives, spouses, associates or affiliates, has had or will have any direct or material indirect interest. We have no policy regarding entering into transactions with affiliated parties.

Incentive Stock Options may be granted to officers or directors, provided they are also employees of the Company. Should it be determined that an Incentive Stock Option granted under the Plan exceeds such maximum for any reason other than a failure in good faith to value the Stock subject to such option, the excess portion of such option shall be considered a Nonstatutory Option. To the extent the employee holds two (2) or more such Options which become exercisable for the first time in the same calendar year, the foregoing limitation on the exercisability of such Option as Incentive Stock Options under the Federal tax laws shall be applied on the basis of the order in which such Options are granted. If, for any reason, an entire Option does not qualify as an Incentive Stock Option by reason of exceeding such maximum, such Option shall be considered a Nonstatutory Option.

- (c) Nonstatutory Option: The provisions of the foregoing Section 3(b) shall not apply to any Option designated as a "**Nonstatutory Option**" or which sets forth the intention of the parties that the Option be a Nonstatutory Option.

If, after reasonable efforts, which efforts shall not include the registration of the Plan or Grants under the Securities Act, the Company is unable to obtain authority from any applicable regulatory body, which authorization is deemed necessary by legal counsel for the Company for the lawful issuance of shares hereunder, the Company shall be relieved of any liability with respect to its failure to issue and sell the shares for which such requisite authority was so deemed necessary unless and until such authority is obtained.
- (d) Application of Funds: The proceeds received by the Company from the sale of Stock pursuant to the exercise of Options or rights under Stock Purchase Agreements will be used for general corporate purposes.
- (e) No Obligation to Exercise: The issuance of a Grant shall impose no obligation upon the Participant to exercise any rights under such Grant.
5. Terms and Conditions of Options. Options granted hereunder shall be evidenced by agreements between the Company and the respective Optionees, in such form and substance as the Board or Committee shall from time to time approve. The form of Incentive Stock Option Agreement attached hereto as Exhibit A and the three forms of a Nonstatutory Stock Option Agreement for employees, for directors and for consultants, attached hereto as Exhibit B-1, Exhibit B-2 and Exhibit B-3, respectively, shall be deemed to be approved by the Board. Option agreements need not be identical, and in each case may include such provisions as the Board or Committee may determine, but all such agreements shall be subject to and limited by the following terms and conditions:
- (a) Number of Shares: Each Option shall state the number of shares to which it pertains.
- (b) Exercise Price: Each Option shall state the exercise price, which shall be determined as follows:
- (i) Any Incentive Stock Option granted to a person who at the time the Option is granted owns (or is deemed to own pursuant to Section 424(d) of the Code) stock possessing more than ten percent (10%) of the total combined voting power or value of all classes of stock of the Company ("Ten Percent Holder") shall have an exercise price of no less than 110% of the Fair Market Value of the Stock as of the date of grant; and
- (ii) Incentive Stock Options granted to a person who at the time the Option is granted is not a Ten Percent Holder shall have an exercise price of no less than 100% of the Fair Market Value of the Stock as of the date of grant.

For the purposes of this Section 5(b), the Fair Market Value shall be as determined by the Board in good faith, which determination shall be conclusive and binding; provided however, that if there is a public market for such Stock, the Fair Market Value per share shall be the average of the bid and asked prices (or the closing price if such stock is listed on the NASDAQ National Market System or Small Cap Issue Market) on the date of grant of the Option, or if listed on a stock exchange, the closing price on such exchange on such date of grant.

- (c) Medium and Time of Payment: The exercise price shall become immediately due upon exercise of the Option and shall be paid in cash or check made payable to the Company. Should the Company's outstanding Stock be registered under Section 12(g) of the Exchange Act at the time the Option is exercised, then the exercise price may also be paid as follows:
- (i) in shares of Stock held by the Optionee for the requisite period necessary to avoid a charge to the Company's earnings for financial reporting purposes and valued at Fair Market Value on the exercise date, or

- (ii) through a special sale and remittance procedure pursuant to which the Optionee shall concurrently provide irrevocable written instructions (a) to a Company designated brokerage firm to effect the immediate sale of the purchased shares and remit to the Company, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate exercise price payable for the purchased shares plus all applicable Federal, state and local income and employment taxes required to be withheld by the Company by reason of such purchase and (b) to the Company to deliver the certificates for the purchased shares directly to such brokerage firm in order to complete the sale transaction.

At the discretion of the Board, exercisable either at the time of Option grant or of Option exercise, the exercise price may also be paid (i) by Optionee's delivery of a promissory note in form and substance satisfactory to the Company and permissible under applicable securities rules and bearing interest at a rate determined by the Board in its sole discretion, but in no event less than the minimum rate of interest required to avoid the imputation of compensation income to the Optionee under the Federal tax laws, or (ii) in such other form of consideration permitted by the Nevada corporations law as may be acceptable to the Board.

- (d) Term and Exercise of Options: Any Option granted to an employee of the Company shall become exercisable over a period of no longer than five (5) years. In no event shall any Option be exercisable after the expiration of ten (10) years from the date it is granted, and no Incentive Stock Option granted to a Ten Percent Holder shall, by its terms, be exercisable after the expiration of five (5) years from the date of the Option. Unless otherwise specified by the Board or the Committee in the resolution authorizing such Option, the date of grant of an Option shall be deemed to be the date upon which the Board or the Committee authorizes the granting of such Option.

Each Option shall be exercisable to the nearest whole share, in installments or otherwise, as the respective Option agreements may provide. During the lifetime of an Optionee, the Option shall be exercisable only by the Optionee and shall not be assignable or transferable by the Optionee, and no other person shall acquire any rights therein. To the extent not exercised, installments (if more than one) shall accumulate, but shall be exercisable, in whole or in part, only during the period for exercise as stated in the Option agreement, whether or not other installments are then exercisable.

- (e) Termination of Status as Employee, Consultant or Director: If Optionee's status as an employee shall terminate for any reason other than Optionee's disability or death, then Optionee (or if the Optionee shall die after such termination, but prior to exercise, Optionee's personal representative or the person entitled to succeed to the Option) shall have the right to exercise the portions of any of Optionee's Incentive Stock Options which were exercisable as of the date of such termination, in whole or in part, within 30 days after such termination (or, in the event of "*termination for good cause*" as that term is defined in Nevada case law related thereto, or by the terms of the Plan or the Option Agreement or an employment agreement, the Option shall automatically terminate as of the termination of employment as to all shares covered by the Option).

With respect to Nonstatutory Options granted to employees, directors or consultants, the Board may specify such period for exercise, not less than 30 days (except that in the case of "*termination for cause*" or removal of a director), the Option shall automatically terminate as of the termination of employment or services as to shares covered by the Option, following termination of employment or services as the Board deems reasonable and appropriate. The Option may be exercised only with respect to installments that the Optionee could have exercised at the date of termination of employment or services. Nothing contained herein or in any Option granted pursuant hereto shall be construed to affect or restrict in any way the right of the Company to terminate the employment or services of an Optionee with or without cause.

- (f) Disability of Optionee: If an Optionee is disabled (within the meaning of Section 22(e)(3) of the Code) at the time of termination, the three (3) month period set forth in Section 5(e) shall be a period, as determined by the Board and set forth in the Option, of not less than six months nor more than one year after such termination.

- (g) Death of Optionee: If an Optionee dies while employed by, engaged as a consultant to, or serving as a Director of the Company, the portion of such Optionee's Option which was exercisable at the date of death may be exercised, in whole or in part, by the estate of the decedent or by a person succeeding to the right to exercise such Option at any time within (i) a period, as determined by the Board and set forth in the Option, of not less than six (6) months nor more than one (1) year after Optionee's death, which period shall not be more, in the case of a Nonstatutory Option, than the period for exercise following termination of employment or services, or (ii) during the remaining term of the Option, whichever is the lesser. The Option may be so exercised only with respect to installments exercisable at the time of Optionee's death and not previously exercised by the Optionee.
-

- (h) Nontransferability of Option: No Option shall be transferable by the Optionee, except by will or by the laws of descent and distribution.
- (i) Recapitalization: Subject to any required action of shareholders, the number of shares of Stock covered by each outstanding Option, and the exercise price per share thereof set forth in each such Option, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Stock of the Company resulting from a stock split, stock dividend, combination, subdivision or reclassification of shares, or the payment of a stock dividend, or any other increase or decrease in the number of such shares affected without receipt of consideration by the Company; provided, however, the conversion of any convertible securities of the Company shall not be deemed to have been "*effected without receipt of consideration*" by the Company.

In the event of a proposed dissolution or liquidation of the Company, a merger or consolidation in which the Company is not the surviving entity, or a sale of all or substantially all of the assets or capital stock of the Company (collectively, a "**Reorganization**"), unless otherwise provided by the Board, this Option shall terminate immediately prior to such date as is determined by the Board, which date shall be no later than the consummation of such Reorganization. In such event, if the entity which shall be the surviving entity does not tender to Optionee an offer, for which it has no obligation to do so, to substitute for any unexercised Option a stock option or capital stock of such surviving of such surviving entity, as applicable, which on an equitable basis shall provide the Optionee with substantially the same economic benefit as such unexercised Option, then the Board may grant to such Optionee, in its sole and absolute discretion and without obligation, the right for a period commencing thirty (30) days prior to and ending immediately prior to the date determined by the Board pursuant hereto for termination of the Option or during the remaining term of the Option, whichever is the lesser, to exercise any unexpired Option or Options without regard to the installment provisions of Paragraph 6(d) of the Plan; provided, that any such right granted shall be granted to all Optionees not receiving an offer to receive substitute options on a consistent basis, and provided further, that any such exercise shall be subject to the consummation of such Reorganization.

Subject to any required action of shareholders, if the Company shall be the surviving entity in any merger or consolidation, each outstanding Option thereafter shall pertain to and apply to the securities to which a holder of shares of Stock equal to the shares subject to the Option would have been entitled by reason of such merger or consolidation.

In the event of a change in the Stock of the Company as presently constituted, which is limited to a change of all of its authorized shares without par value into the same number of shares with a par value, the shares resulting from any such change shall be deemed to be the Stock within the meaning of the Plan.

To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustments shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided in this Section 5(i), the Optionee shall have no rights by reason of any subdivision or consolidation of shares of stock of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class, and the number or price of shares of Stock subject to any Option shall not be affected by, and no adjustment shall be made by reason of, any dissolution, liquidation, merger, consolidation or sale of assets or capital stock, or any issue by the Company of shares of stock of any class or securities convertible into shares of stock of any class.

The Grant of an Option pursuant to the Plan shall not affect in any way the right or power of the Company to make any adjustments, reclassifications, reorganizations or changes in its capital or business structure or to merge, consolidate, dissolve, or liquidate or to sell or transfer all or any part of its business or assets.

- (j) Rights as a Shareholder: An Optionee shall have no rights as a shareholder with respect to any shares covered by an Option until the effective date of the issuance of the shares following exercise of such Option by Optionee. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to the date such stock certificate is issued, except as expressly provided in Section 5(i) hereof.
- (k) Modification, Acceleration, Extension, and Renewal of Options: Subject to the terms and conditions and within the limitations of the Plan, the Board may modify an Option, or, once an Option is exercisable, accelerate the rate at which it may be exercised, and may extend or renew outstanding Options granted under the Plan or accept the surrender of outstanding Options (to the extent not theretofore exercised) and authorize the granting of new Options in substitution for such Options, provided such action is permissible under Section 422 of the Code and applicable state securities laws. Notwithstanding the provisions of this Section 5(k), however, no modification of an Option shall, without the consent of the Optionee, alter to the Optionee's detriment or impair any rights or obligations under any Option theretofore granted under the Plan.
- (l) Exercise Before Exercise Date: At the discretion of the Board, the Option may, but need not, include a provision whereby the Optionee may elect to exercise all or any portion of the Option prior to the stated exercise date of the Option or any installment thereof. Any shares so purchased prior to the stated exercise date shall be subject to repurchase by the Company upon termination of Optionee's employment as contemplated by Section 5(n) hereof prior to the exercise date stated in the Option and such other restrictions and conditions as the Board or Committee may deem advisable.
- (m) Other Provisions: The Option agreements authorized under the Plan shall contain such other provisions, including, without limitation, restrictions upon the exercise of the Options, as the Board or the Committee shall deem advisable. Shares shall not be issued pursuant to the exercise of an Option, if the exercise of such Option or the issuance of shares thereunder would violate, in the opinion of legal counsel for the Company, the provisions of any applicable law or the rules or regulations of any applicable governmental or administrative agency or body, such as the Code, the Securities Act, the Exchange Act, applicable state securities laws, Nevada corporation law, and the rules promulgated under the foregoing or the rules and regulations of any exchange upon which the shares of the Company are listed. Without limiting the generality of the foregoing, the exercise of each Option shall be subject to the condition that if at any time the Company shall determine that (i) the satisfaction of withholding tax or other similar liabilities, or (ii) the listing, registration or qualification of any shares covered by such exercise upon any securities exchange or under any state or federal law, or (iii) the consent or approval of any regulatory body, or (iv) the perfection of any exemption from any such withholding, listing, registration, qualification, consent or approval is necessary or desirable in connection with such exercise or the issuance of shares thereunder, then in any such event, such exercise shall not be effective unless such withholding, listing registration, qualification, consent, approval or exemption shall have been effected, obtained or perfected free of any conditions not acceptable to the Company.
- (n) Repurchase Agreement: The Board may, in its discretion, require as a condition to the Grant of an Option hereunder, that an Optionee execute an agreement with the Company, in form and substance satisfactory to the Board in its discretion ("**Repurchase Agreement**"), (i) restricting the Optionee's right to transfer shares purchased under such Option without first offering such shares to the Company or another shareholder of the Company upon the same terms and conditions as provided therein; and (ii) providing that upon termination of Optionee's employment with the Company, for any reason, the Company (or another shareholder of the Company, as provided in the Repurchase Agreement) shall have the right at its discretion (or the discretion of such other shareholders) to purchase and/or redeem all such shares owned by the Optionee on the date of termination of his or her employment at a price equal to: (A) the fair value of such shares as of such date of termination; or (B) if such repurchase right lapses at 20% of the number of shares per year, the original purchase price of such shares, and upon terms of payment permissible under the applicable state securities laws; provided that in the case of

Options or Stock Awards granted to officers, directors, consultants or affiliates of the Company, such repurchase provisions may be subject to additional or greater restrictions as determined by the Board or Committee.

6. Stock Awards and Restricted Stock Purchase Offers.

(a) Types of Grants.

- (i) Stock Award. All or part of any Stock Award under the Plan may be subject to conditions established by the Board or the Committee, and set forth in the Stock Award Agreement, which may include, but are not limited to, continuous service with the Company, achievement of specific business objectives, increases in specified indices, attaining growth rates and other comparable measurements of Company performance. Such Awards may be based on Fair Market Value or other specified valuation. All Stock Awards will be made pursuant to the execution of a Stock Award Agreement substantially in the form attached hereto as Exhibit C.
- (ii) Restricted Stock Purchase Offer. A Grant of a Restricted Stock Purchase Offer under the Plan shall be subject to such (i) vesting contingencies related to the Participant's continued association with the Company for a specified time and (ii) other specified conditions as the Board or Committee shall determine, in their sole discretion, consistent with the provisions of the Plan. All Restricted Stock Purchase Offers shall be made pursuant to a Restricted Stock Purchase Offer substantially in the form attached hereto as Exhibit D.
- (b) Conditions and Restrictions. Shares of Stock which Participants may receive as a Stock Award under a Stock Award Agreement or Restricted Stock Purchase Offer under a Restricted Stock Purchase Offer may include such restrictions as the Board or Committee, as applicable, shall determine, including restrictions on transfer, repurchase rights, right of first refusal, and forfeiture provisions. When transfer of Stock is so restricted or subject to forfeiture provisions it is referred to as "**Restricted Stock**". Further, with Board or Committee approval, Stock Awards or Restricted Stock Purchase Offers may be deferred, either in the form of installments or a future lump sum distribution. The Board or Committee may permit selected Participants to elect to defer distributions of Stock Awards or Restricted Stock Purchase Offers in accordance with procedures established by the Board or Committee to assure that such deferrals comply with applicable requirements of the Code including, at the choice of Participants, the capability to make further deferrals for distribution after retirement. Any deferred distribution, whether elected by the Participant or specified by the Stock Award Agreement, Restricted Stock Purchase Offers or by the Board or Committee, may require the payment be forfeited in accordance with the provisions of Section 6(c). Dividends or dividend equivalent rights may be extended to and made part of any Stock Award or Restricted Stock Purchase Offers denominated in Stock or units of Stock, subject to such terms, conditions and restrictions as the Board or Committee may establish.
- (c) Cancellation and Rescission of Grants. Unless the Stock Award Agreement or Restricted Stock Purchase Offer specifies otherwise, the Board or Committee, as applicable, may cancel any unexpired, unpaid, or deferred Grants at any time if the Participant is not in compliance with all other applicable provisions of the Stock Award Agreement or Restricted Stock Purchase Offer, the Plan and with the following conditions:
- (i) A Participant shall not render services for any organization or engage directly or indirectly in any business which, in the judgment of the chief executive officer of the Company or other senior officer designated by the Board or Committee, is or becomes competitive with the Company, or which organization or business, or the rendering of services to such organization or business, is or becomes otherwise prejudicial to or in conflict with the interests of the Company. For Participants whose employment has terminated, the judgment of the chief executive officer shall be based on the Participant's position and responsibilities while employed by the Company, the Participant's post-employment responsibilities and position with the other organization or business, the extent of past, current and potential competition or conflict between the Company and the other organization or business, the effect on the Company's customers, suppliers and competitors and such other considerations as are deemed relevant given the applicable facts and circumstances. A Participant who has retired shall be free, however, to purchase as an investment or otherwise, stock or other securities of such organization or business so long as they are listed upon a recognized securities exchange or traded over-the-counter, and such investment does not represent a substantial

investment to the Participant or a greater than ten percent (10%) equity interest in the organization or business.

- (ii) A Participant shall not, without prior written authorization from the Company, disclose to anyone outside the Company, or use in other than the Company's business, any confidential information or material, as defined in the Company's Proprietary Information and Invention Agreement or similar agreement regarding confidential information and intellectual property, relating to the business of the Company, acquired by the Participant either during or after employment with the Company.
- (iii) A Participant, pursuant to the Company's Proprietary Information and Invention Agreement, shall disclose promptly and assign to the Company all right, title and interest in any invention or idea, patentable or not, made or conceived by the Participant during employment by the Company, relating in any manner to the actual or anticipated business, research or development work of the Company and shall do anything reasonably necessary to enable the Company to secure a patent where appropriate in the United States and in foreign countries.
- (iv) Upon exercise, payment or delivery pursuant to a Grant, the Participant shall certify on a form acceptable to the Committee that he or she is in compliance with the terms and conditions of the Plan. Failure to comply with all of the provisions of this Section 6(c) prior to, or during the six months after, any exercise, payment or delivery pursuant to a Grant shall cause such exercise, payment or delivery to be rescinded. The Company shall notify the Participant in writing of any such rescission within two years after such exercise, payment or delivery. Within ten days after receiving such a notice from the Company, the Participant shall pay to the Company the amount of any gain realized or payment received as a result of the rescinded exercise, payment or delivery pursuant to a Grant. Such payment shall be made either in cash or by returning to the Company the number of shares of Stock that the Participant received in connection with the rescinded exercise, payment or delivery.

(d) Nonassignability.

- (i) Except pursuant to Section 6(e)(iii) and except as set forth in Section 6(d)(ii), no Grant or any other benefit under the Plan shall be assignable or transferable, or payable to or exercisable by, anyone other than the Participant to whom it was granted.
- (ii) Where a Participant terminates employment and retains a Grant pursuant to Section 6(e)(ii) in order to assume a position with a governmental, charitable or educational institution, the Board or Committee, in its discretion and to the extent permitted by law, may authorize a third party (including but not limited to the trustee of a "blind" trust), acceptable to the applicable governmental or institutional authorities, the Participant and the Board or Committee, to act on behalf of the Participant with regard to such Awards.
- (e) Termination of Employment. If the employment or service to the Company of a Participant terminates, other than pursuant to any of the following provisions under this Section 6(e), all unexercised, deferred and unpaid Stock Awards or Restricted Stock Purchase Offers shall be cancelled immediately, unless the Stock Award Agreement or Restricted Stock Purchase Offer provides otherwise:
 - (i) Retirement Under a Company Retirement Plan. When a Participant's employment terminates as a result of retirement in accordance with the terms of a Company retirement plan, the Board or Committee may permit Stock Awards or Restricted Stock Purchase Offers to continue in effect beyond the date of retirement in accordance with the applicable Grant Agreement and the exercisability and vesting of any such Grants may be accelerated.
 - (ii) Rights in the Best Interests of the Company. When a Participant resigns from the Company and, in the judgment of the Board or Committee, the acceleration and/or continuation of outstanding Stock Awards or Restricted Stock Purchase Offers would be in the best interests of the Company, the Board or Committee may (i) authorize, where appropriate, the acceleration and/or continuation of all or any part of Grants issued prior to such termination and (ii) permit the exercise, vesting and payment of such Grants for such period as may be set forth in the applicable Grant Agreement, subject to earlier cancellation pursuant to Section 9 or at such time as the Board or Committee

shall deem the continuation of all or any part of the Participant's Grants are not in the Company's best interest.

(iii) Death or Disability of a Participant.

- (1) In the event of a Participant's death, the Participant's estate or beneficiaries shall have a period up to the expiration date specified in the Grant Agreement within which to receive or exercise any outstanding Grant held by the Participant under such terms as may be specified in the applicable Grant Agreement. Rights to any such outstanding Grants shall pass by will or the laws of descent and distribution in the following order: (a) to beneficiaries so designated by the Participant; if none, then (b) to a legal representative of the Participant; if none, then (c) to the persons entitled thereto as determined by a court of competent jurisdiction. Grants so passing shall be made at such times and in such manner as if the Participant were living.
 - (2) In the event a Participant is deemed by the Board or Committee to be unable to perform his or her usual duties by reason of mental disorder or medical condition which does not result from facts which would be grounds for termination for cause, Grants and rights to any such Grants may be paid to or exercised by the Participant, if legally competent, or a committee or other legally designated guardian or representative if the Participant is legally incompetent by virtue of such disability.
 - (3) After the death or disability of a Participant, the Board or Committee may in its sole discretion at any time (1) terminate restrictions in Grant Agreements; (2) accelerate any or all installments and rights; and (3) instruct the Company to pay the total of any accelerated payments in a lump sum to the Participant, the Participant's estate, beneficiaries or representative; notwithstanding that, in the absence of such termination of restrictions or acceleration of payments, any or all of the payments due under the Grant might ultimately have become payable to other beneficiaries.
 - (4) In the event of uncertainty as to interpretation of or controversies concerning this Section 6, the determinations of the Board or Committee, as applicable, shall be binding and conclusive.
7. Investment Intent. All Grants under the Plan are intended to be exempt from registration under the Securities Act provided by Rule 701 thereunder. Unless and until the granting of Options or sale and issuance of Stock subject to the Plan are registered under the Securities Act or shall be exempt pursuant to the rules promulgated thereunder, each Grant under the Plan shall provide that the purchases or other acquisitions of Stock thereunder shall be for investment purposes and not with a view to, or for resale in connection with, any distribution thereof. Further, unless the issuance and sale of the Stock have been registered under the Securities Act, each Grant shall provide that no shares shall be purchased upon the exercise of the rights under such Grant unless and until (i) all then applicable requirements of state and federal laws and regulatory agencies shall have been fully complied with to the satisfaction of the Company and its counsel, and (ii) if requested to do so by the Company, the person exercising the rights under the Grant shall (i) give written assurances as to knowledge and experience of such person (or a representative employed by such person) in financial and business matters and the ability of such person (or representative) to evaluate the merits and risks of exercising the Option, and (ii) execute and deliver to the Company a letter of investment intent and/or such other form related to applicable exemptions from registration, all in such form and substance as the Company may require. If shares are issued upon exercise of any rights under a Grant without registration under the Securities Act, subsequent registration of such shares shall relieve the purchaser thereof of any investment restrictions or representations made upon the exercise of such rights.
-

8. Amendment, Modification, Suspension or Discontinuance of the Plan. The Board may, insofar as permitted by law, from time to time, with respect to any shares at the time not subject to outstanding Grants, suspend or terminate the Plan or revise or amend it in any respect whatsoever, except that without the approval of the shareholders of the Company, no such revision or amendment shall (i) increase the number of shares subject to the Plan, (ii) decrease the price at which Grants may be granted, (iii) materially increase the benefits to Participants, or (iv) change the class of persons eligible to receive Grants under the Plan; provided, however, no such action shall alter or impair the rights and obligations under any Option, or Stock Award, or Restricted Stock Purchase Offer outstanding as of the date thereof without the written consent of the Participant thereunder. No Grant may be issued while the Plan is suspended or after it is terminated, but the rights and obligations under any Grant issued while the Plan is in effect shall not be impaired by suspension or termination of the Plan.

In the event of any change in the outstanding Stock by reason of a stock split, stock dividend, combination or reclassification of shares, recapitalization, merger, or similar event, the Board or the Committee may adjust proportionally (a) the number of shares of Stock (i) reserved under the Plan, (ii) available for Incentive Stock Options and Nonstatutory Options and (iii) covered by outstanding Stock Awards or Restricted Stock Purchase Offers; (b) the Stock prices related to outstanding Grants; and (c) the appropriate Fair Market Value and other price determinations for such Grants. In the event of any other change affecting the Stock or any distribution (other than normal cash dividends) to holders of Stock, such adjustments as may be deemed equitable by the Board or the Committee, including adjustments to avoid fractional shares, shall be made to give proper effect to such event. In the event of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Board or the Committee shall be authorized to issue or assume stock options, whether or not in a transaction to which Section 424(a) of the Code applies, and other Grants by means of substitution of new Grant Agreements for previously issued Grants or an assumption of previously issued Grants.

9. Tax Withholding. The Company shall have the right to deduct applicable taxes from any Grant payment and withhold, at the time of delivery or exercise of Options, Stock Awards or Restricted Stock Purchase Offers or vesting of shares under such Grants, an appropriate number of shares for payment of taxes required by law or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of such taxes. If Stock is used to satisfy tax withholding, such stock shall be valued based on the Fair Market Value when the tax withholding is required to be made.
10. Availability of Information. During the term of the Plan and any additional period during which a Grant granted pursuant to the Plan shall be exercisable, the Company shall make available, not later than one hundred and twenty (120) days following the close of each of its fiscal years, such financial and other information regarding the Company as is required by the bylaws of the Company and applicable law to be furnished in an annual report to the shareholders of the Company.
11. Notice. Any written notice to the Company required by any of the provisions of the Plan shall be addressed to the chief personnel officer or to the chief executive officer of the Company, and shall become effective when it is received by the office of the chief personnel officer or the chief executive officer.
12. Indemnification of Board. In addition to such other rights or indemnifications as they may have as directors or otherwise, and to the extent allowed by applicable law, the members of the Board and the Committee shall be indemnified by the Company against the reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any claim, action, suit or proceeding, or in connection with any appeal thereof, to which they or any of them may be a party by reason of any action taken, or failure to act, under or in connection with the Plan or any Grant granted thereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such claim, action, suit or proceeding, except in any case in relation to matters as to which it shall be adjudged in such claim, action, suit or proceeding that such Board or Committee

member is liable for negligence or misconduct in the performance of his or her duties; provided that within sixty (60) days after institution of any such action, suit or Board proceeding the member involved shall offer the Company, in writing, the opportunity, at its own expense, to handle and defend the same.

13. Governing Law. The Plan and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by the Code or the securities laws of the United States, shall be governed by the law of the State of Nevada and construed accordingly.
14. Effective and Termination Dates. The Plan shall become effective on the date it is approved by the holders of a majority of the shares of Stock then outstanding. The Plan shall terminate ten years later, subject to earlier termination by the Board pursuant to Section 8.

The foregoing 2007 Incentive Stock Plan (consisting of 14 pages, including this page) was duly adopted and approved by the Board of Directors on [], 2007.
