

## Edgar Filing: PROASSURANCE CORP - Form 8-K

This transaction requires various regulatory approvals, including that of the Office of the Commissioner of Insurance of the State of Wisconsin (the "Wisconsin OCI"). In order to obtain that approval we have filed with the Wisconsin OCI a document commonly referred to as a Form A, providing information relevant to the merger.

The Wisconsin OCI has posted much of the Form A on its website ([www.oci.wi.gov](http://www.oci.wi.gov)) and will post amendments to that Form A, and other information as it deems necessary. We are filing this Current Report on Form 8K to comply with SEC Rule 425 to provide copies of those Amendments that we believe will be posted by the Wisconsin OCI. We will continue to file Amendments and other information that we provide to the Wisconsin OCI and that we believe will be posted by the Wisconsin OCI to their website. However, the Wisconsin OCI maintains the contents of its website and we may not be aware of all materials they post on that website.

The merger is also subject to approval of the shareholders of PIC Wisconsin. The Registration Statement filed with the SEC includes a proxy statement-prospectus that will be used to solicit proxies for the meeting of the shareholders of PIC Wisconsin that will be held to consider and vote upon the merger. Shareholders of PIC Wisconsin are urged to read the Registration Statement (and the proxy statement-prospectus included therein) as it includes important information regarding the Registrant and the proposed merger. You may obtain a free copy of the Registration Statement as well as other information concerning the Registrant at the SEC's site on the internet (<http://www.sec.gov>). Copies of the Registration Statement and the SEC filings that will be incorporated by reference in the Registration Statement can be obtained, without charge, from the Investor Relations section of the Registrant's website, [www.ProAssurance.com](http://www.ProAssurance.com), or by directing a request to Frank B. O'Neil, Senior Vice-President, Corporate Communications, 100 Brookwood Place, Birmingham AL 35209, telephone (205) 877-4461.

### Caution Regarding Forward Looking Statements

This report and exhibit contain historical information as well as forward-looking statements that are based upon our estimates and anticipation of future events that are subject to certain risks and uncertainties that could cause actual results to vary materially from the expected results described in the forward-looking statements. The words "anticipate," "believe," "estimate," "expect," "hopeful," "intend," "may," "optimistic," "preliminary," "project," "should," "will," and similar expressions are intended to identify these forward-looking statements. There are numerous important factors that could cause our actual results to differ materially from those in the forward-looking statements. Thus, sentences and phrases that we use to convey our view of future events and trends are expressly designated as Forward-Looking Statements as are sections of this news release clearly identified as giving our outlook on future business. The principal risk factors that may cause actual results to differ materially from those expressed in the forward-looking statements are described in various documents we file with the Securities and Exchange Commission, including Form S-4 filed December 15, 2006, Form 10K for the most current year ended December 31, and Form 10Q for the most recent quarter.

These forward-looking statements are subject to significant risks, assumptions and uncertainties, including, among other things, the following important factors that could affect the actual outcome of future events:

- o General economic conditions, either nationally or in our market area, that are worse than expected;
