Item 1.01 Entry into a Material Definitive Agreement.

On May 5, 2010, upon receiving the approval of the U.S. Department of Treasury (“Treasury”), Thomas H. Lee Partners, L.P. (“THL”) and Sterling Financial Corporation (“Sterling”) entered into an Amended and Restated Investment Agreement (the “Amended THL Agreement”) that increased the size of THL’s proposed investment in Sterling to 24.9% on an as-converted basis and fully exercised basis. Entry into the Amended THL Agreement followed the approval of Treasury under the terms of its existing exchange agreement with Sterling. Sterling’s agreements dated April 29, 2010 with THL and Treasury are described in and filed as exhibits to the Company’s Form 10-Q filed on May 3, 2010. The Amended THL Agreement filed herewith reflects the increased size of the THL investment and certain other related technical matters relating to the transaction.

The foregoing description of the Amended THL Agreement does not purport to be complete and is qualified in its entirety by reference to the complete copy of the document attached hereto as Exhibit 10.1.

Item 3.02 Unregistered Sale of Equity Securities.

Sterling entered into the Amended THL Agreement providing for the sale of Common Stock, Series B Stock and warrants for approximately \$170 million as described above under Item 1.01. The terms of the securities are described above under Item 1.01. The securities will be issued to THL in reliance on an exemption from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended.

Item 7.01 Regulation FD Disclosure.

On May 6, 2010, Sterling issued a press release announcing the Amended THL Agreement. A copy of the press release is attached to this report as Exhibit 99.1.

Forward-Looking Statements

This Form 8-K contains forward-looking statements that are not historical facts and that are intended to be covered by the safe harbor for “forward-looking statements” provided by the Private Securities Litigation Reform Act of 1995. These forward-looking statements may include, but are not limited to, statements about Sterling’s plans, objectives, expectations and intentions and other statements contained in this release that are not historical facts and pertain to Sterling’s future operating results. When used in this release, the words “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimates” and similar expressions are generally intended to identify forward-looking statements. Actual results may differ materially from the results discussed in these forward-looking statements because such statements are inherently subject to significant assumptions, risks and uncertainties, many of which are difficult to predict and are generally beyond Sterling’s control. These include but are not limited to: Sterling’s ability to complete the transactions described above, future contemplated capital raises and other aspects of its recapitalization and recovery plans; Sterling’s ability to maintain adequate liquidity and its viability as a going concern; the possibility of continued adverse economic developments that may, among other things, increase default and delinquency risks in Sterling’s loan portfolios; shifts in interest rates that may result in lower interest rate margins; shifts in the demand for Sterling’s loan and other products; changes in accounting policies; changes in the monetary and fiscal policies of the federal government; changes in laws, regulations and the competitive environment; and Sterling’s ability to comply with regulatory actions. Other factors that could cause actual conditions, events or results to differ significantly from those described in the forward-looking statements may be found under the headings “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in Sterling’s Annual Report on Form 10-K, as updated periodically in Sterling’s filings with the Securities and Exchange Commission. Unless legally required, Sterling disclaims any obligation to update any forward-looking statements.
