Hercules Technology Growth Capital Announces Completion of Sale of Portfolio Company InfoLogix

Palo Alto, Calif., January 20, 2011 – Hercules Technology Growth Capital, Inc. (NASDAQ:HTGC), the largest specialty finance company devoted principally to addressing the capital needs of venture capital and private equity-backed companies in the technology, clean technology, and life science industries at all stages of development, with over \$2.0 billion in commitments since its founding, today announced that InfoLogix, Inc. (OTCB: IFLG.PK), a leading provider of enterprise mobile solutions for the healthcare and commercial industries, completed the sale of all of its shares on January 18, 2011 to Stanley Black & Decker, Inc. (NYSE: SWK). This merger included the purchase of all stock and the acquisition of and payoff of debt outstanding, and was valued at approximately \$61.2 million prior to transaction fees, closing costs, and working capital adjustments.

As part of this sale, Stanley Black & Decker, Inc. paid cash for Hercules' warrants to acquire shares of common stock of InfoLogix, permitted Hercules to convert certain obligations currently outstanding into common stock and purchased all of InfoLogix's remaining indebtedness owed to Hercules. An additional press release will follow in the future with further details.

About Hercules Technology Growth Capital, Inc.:

Hercules Technology Growth Capital, Inc. is a NASDAQ traded specialty finance firm providing customized loans to public and private companies in the technology, clean technology, and life science industries, at all stages of development. Since its founding in 2003, Hercules has committed over \$2.0 billion in flexible financing solutions to over 150 companies, enabling these companies to maximize their equity by leveraging these assets. Hercules' strength comes from its deep understanding of credit and the industries it serves, allowing it to partner with venture capital and private equity companies for a less dilutive source of growth capital helping companies to bridge through their critical stages of growth. Hercules offers a full suite of growth capital products at all levels of the capital structure, ranging from \$500,000 to \$30 million, lines of credit to term loans. The company is headquartered in Palo Alto, CA and has additional offices in Massachusetts and Colorado. Providing capital to publicly-traded or privately-held companies backed by leading venture capital and private equity firms involves a high degree of credit risk and may result in potential losses of capital.
