2014 ANNUAL MEETING OF STOCKHOLDERS

PROXY STATEMENT

Annaly Capital Management, Inc. (“Annaly”, “we”, “our” or “us”) is furnishing this proxy statement in connection with our solicitation of proxies to be voted at our 2014 annual meeting of stockholders. We will hold the annual meeting at the Warwick Hotel, 65 West 54th Street, New York, New York 10019, on Thursday, May 22, 2014 at 9:00 a.m. New York time, and any postponements or adjournments thereof. We are sending this proxy statement and the enclosed proxy to our stockholders commencing on or about April 11, 2014.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Q: What am I voting on?

A: (1) Election of three directors, Jonathan D. Green, John H. Schaefer and Francine J. Bovich, for terms of three years;

(2) Approval of a non-binding advisory resolution on our executive compensation; and

(3) Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2014.

Q: How does the board of directors recommend that I vote on these proposals?

A: Our board of directors recommends that you vote:

(1) “FOR” the election of each of the nominees as directors;

(2) “FOR” approval of the non-binding advisory resolution on executive compensation; and

(3) “FOR” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2014.

Q: Who is entitled to vote at the meeting?

A: Only common stockholders of record as of the close of business on March 28, 2014, the record date, are entitled to vote at the meeting.

Q: What quorum is required for the meeting?

A: A quorum will be present at the annual meeting if a majority of the votes entitled to be cast are present, in person or by proxy. Since there were 947,488,945 outstanding shares of common stock, each entitled to one vote per share, as of the record date, we will need at least 473,744,473 votes present in person or by proxy at the annual meeting for a quorum to exist. If a quorum is not present at the annual meeting, we expect that the annual meeting will be adjourned to solicit additional proxies.

Q: What are the voting requirements that apply to the proposals discussed in this proxy statement?

A: The voting requirements are as follows:

Proposal	Vote Required	Discretionary Voting Allowed?
(1) Election of directors	Majority	No
(2) Advisory vote on our executive compensation	Majority	No
(3) Ratification of the appointment of Ernst & Young LLP	Majority	Yes

“Majority” means (a) with regard to the election of directors, the affirmative vote of a majority of all the votes cast on the election of a director on a per director basis; provided, however, that in an election of directors, if the number of nominees exceeds the number of directors to be elected at such meeting, the directors shall be elected by the vote of a plurality of the shares represented in person or by proxy at any such meeting; and (b) with regard to the advisory vote on our executive compensation and the ratification of the appointment of Ernst & Young LLP, a majority of the votes cast at the annual meeting.

“Discretionary voting” occurs when a bank, broker, or other holder of record does not receive voting instructions from the beneficial owner and votes those shares in its discretion on any proposal as to which the rules of the New York Stock Exchange permit such bank, broker, or other holder of record to vote. When banks, brokers, and other holders of record are not permitted under the New York Stock Exchange rules to vote the beneficial owner’s shares on a proposal, and there is at least one other proposal on which discretionary voting is allowed, the affected shares are referred to as broker “non-votes.”

Q: What is the effect of abstentions and broker “non-votes”?

A: Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. Broker “non-votes” will be treated as present and entitled to vote for purposes of determining the presence of a quorum at the annual meeting.

Abstentions and broker non-votes, if any, will have no effect on the election of the directors (Proposal No. 1), the advisory vote on our executive compensation (Proposal No. 2) and the ratification of the appointment of Ernst & Young LLP (Proposal No. 3).

Q: How will my shares be voted if I do not specify how they should be voted?

A: Properly executed proxies that do not contain voting instructions will be voted as follows:

(1) Proposal No. 1: FOR the election of directors;

(2) Proposal No. 2: FOR the advisory vote on our executive compensation; and

(3) Proposal No. 3: FOR the ratification of Ernst & Young LLP as our independent registered public accounting firm.

The individuals named as proxies by a stockholder may vote for one or more adjournments of the annual meeting, including adjournments to permit further solicitations of proxies.

We do not expect that any matter other than the proposals described above will be brought before the annual meeting. If, however, other matters are properly presented at the annual meeting, the individuals named as proxies will vote in accordance with the recommendation of our board of directors.

Q: What do I do if I want to change my vote?

A: You may revoke a proxy at any time before it is voted by filing with us a duly executed revocation of proxy, by submitting a duly executed proxy to us with a later date or by appearing at the annual meeting and voting in person. You may revoke a proxy by any of these methods, regardless of the method used to deliver your previous proxy. Attendance at the annual meeting without voting will not itself revoke a proxy.

Q: How will voting on any other business be conducted?

A: Other than the three proposals described in this proxy statement, we know of no other business to be considered at the annual meeting. If any other matters are properly presented at the meeting, your signed proxy card authorizes Wellington J. Denahan, our Chairman of the board of directors and Chief Executive Officer, and R. Nicholas Singh, our Secretary, to vote on those matters according to their best judgment.

Q: Who will count the vote?

A: Representatives of Broadridge Financial Solutions, Inc., the independent Inspector of Elections, will count the votes.

Q: Who can attend the annual meeting?

A: All stockholders of record as of March 28, 2014 can attend the annual meeting, although seating is limited. If your shares are held through a broker and you would like to attend, please either (1) write us at Investor Relations, Annaly Capital Management, Inc., 1211 Avenue of the Americas, Suite 2902, New York, New York 10036 or email us at investor@annaly.com, or (2) bring to the meeting a copy of your brokerage account statement or an omnibus proxy (which you can get from your broker).

In addition, you must bring valid, government issued photo identification, such as a driver's license or a passport. If you plan to attend, please check the box on your proxy card and return it as directed on the proxy card. In addition, if you are a record holder of common stock, your name is subject to verification against the list of our record holders on the record date prior to being admitted to the annual meeting. If you are not a record holder but hold shares in street name, that is, with a broker, dealer, bank or other financial institution that serves as your nominee, you should be

prepared to provide proof of beneficial ownership on the record date, or similar evidence of ownership. If you do not provide valid government issued photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting.

Security measures will be in place at the meeting to help ensure the safety of attendees. Metal detectors similar to those used in airports may be located at the entrance to the auditorium and briefcases, handbags and packages may be inspected. No cameras or recording devices of any kind, or signs, placards, banners or similar materials, may be brought into the meeting. Anyone who refuses to comply with these requirements will not be admitted.

Q: How will we solicit proxies for the annual meeting?

A: We are soliciting proxies by mailing this proxy statement and proxy card to our stockholders. We will pay the expenses incurred in connection with the printing and mailing of this proxy statement. In addition to solicitation by mail, our directors and officers and employees of our subsidiaries and Annaly Management Company LLC (our “Manager”), who will not be specially compensated, may solicit proxies from our stockholders by telephone, facsimile or other electronic means or in person. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of shares held of record by these persons, and we will reimburse them for their reasonable out-of-pocket expenses. We will bear the total cost of soliciting proxies.

We have retained Innisfree M&A Incorporated, a proxy solicitation firm, to assist us in the solicitation of proxies in connection with the annual meeting. We will pay Innisfree a fee of \$15,000 for its services. In addition, we may pay Innisfree additional fees depending on the extent of additional services requested by us and will reimburse Innisfree for expenses Innisfree incurs in connection with its engagement by us. In addition to the fees paid to Innisfree, we will pay all other costs of soliciting proxies.

Stockholders have the option to vote over the internet or by telephone. Please be aware that if you vote over the internet, you may incur costs such as telephone and access charges for which you will be responsible.

Q: What is “Householding” and does Annaly do this?

A: Householding is a procedure approved by the Securities and Exchange Commission (the “SEC”) under which stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials receive only one copy of a company’s proxy statement and annual report from a company, bank, broker or other intermediary, unless one or more of these stockholders notifies the company, bank, broker or other intermediary that they wish to continue to receive individual copies. We engage in this practice, which is known as “householding,” as it reduces our printing and postage costs. However, if a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement, he or she may request it orally or in writing by contacting us at Annaly Capital Management, Inc., 1211 Avenue of the Americas, Suite 2902, New York, New York 10036, Attention: Investor Relations, by emailing us at investor@annaly.com, or by calling us at 212-696-0100, and we will promptly deliver to the stockholder the requested annual report or proxy statement. If a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she may contact us in the same manner. If you are an eligible stockholder of record receiving multiple copies of our annual report and proxy statement, you can request householding by contacting us in the same manner. If you own your shares through a bank, broker or other nominee, you can request householding by contacting the nominee.

Q: Could the Annual Meeting be postponed or adjourned?

A: If a quorum is not present or represented, our bylaws permit the chairman of the meeting to postpone or adjourn the meeting, without notice other than an announcement.

Q: Who can help answer my questions?

A: If you have any questions or need assistance voting your shares or if you need additional copies of this proxy statement or the enclosed proxy card, you should contact:

The board of directors is responsible for overseeing our risk management practices and committees of the board of directors assist it in fulfilling this responsibility. The board of directors established the risk committee, which is comprised solely of non-management directors, to assist the board in the oversight of our risk governance structure; our risk management and risk assessment guidelines and policies regarding market, credit and liquidity and funding risk; our risk tolerance, including risk tolerance levels and capital targets and limits; and our capital, liquidity, and funding.

As required by its charter, the audit committee has oversight for certain aspects of risk management, including review of the major franchise, reputational, legal and compliance exposures of the company, as well as, in coordination with the risk committee, guidelines and policies that govern the process for risk assessment and risk management. At least annually, the audit committee reviews with management our risk management program which identifies and quantifies a broad spectrum of enterprise-wide risks and related action plans. In 2013, our full board of directors participated in this review and discussion and expects to continue this practice as part of its role in the oversight of our risk management practices. In addition, employees of our subsidiaries and our Manager report to the risk committee on various matters related to our risk exposures on a regular basis or more frequently, if appropriate. At their discretion, members of the board of directors may also directly contact management to review and discuss any risk-related or other concerns that may arise between regular meetings. Our board of directors reviewed with our compensation committee its compensation policies and practices applicable to the fees we pay our Manager under our management agreement that could affect our assessment of risk and risk management. Following such review, we determined that our fee arrangement with our Manager does not create risks that are reasonably likely to have a material adverse effect on us. As part of this risk assessment and management activities going forward, our board of directors also determined that it would undertake an annual review of our compensation policies and practices as they relate to risk.

Independence of Our Directors

New York Stock Exchange rules require that at least a majority of our directors be independent of our company and management. The rules also require that our board of directors affirmatively determine that there are no material relationships between a director and us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) before such director can be deemed independent. We have adopted independence standards consistent with New York Stock Exchange rules. None of the corporations or organizations that have employed any of our independent directors or Mr. Lambiase during the past five years is a parent, subsidiary or other affiliate of Annaly. In addition, our board of directors has reviewed both direct and indirect transactions and relationships that each of our directors and our nominee Francine J. Bovich had or maintained with us, our management and employees of our subsidiaries. As a result of this review, our board of directors, based upon the fact that none of Kevin P. Brady, Jonathan D. Green, Michael Haylon, E. Wayne Nordberg, Donnell A. Segalas, John H. Schaefer and Francine J. Bovich have any relationships with us other than as directors and holders of our common stock, affirmatively determined that these six directors and our nominee Francine J. Bovich are independent under New York Stock

Exchange rules. Wellington J. Denahan and Kevin G. Keyes are not considered independent because they are officers of the company, and John A. Lambiase is not considered independent because one of our wholly owned subsidiaries employs his son. We do not have a lead independent director.

Board Leadership Structure

Wellington J. Denahan, one of our founders, is our Chairman of the board of directors and Chief Executive Officer. We believe that a combined Chairman of the board of directors and Chief Executive Officer position, together with independent directors serving as members and chairs of each of our board committees, and regularly scheduled sessions of the board and committees is the most appropriate board leadership structure for us at this time. Experienced and independent directors, sitting on and chairing various committees, oversee our operations, risks, performance and business strategy. Our board believes that for us, the combination of the Chairman of the board of directors and Chief Executive Officer positions takes advantage of Ms. Denahan's talent and knowledge and effectively combines the responsibilities for strategy development and execution with management of day-to-day operations. We also believe it provides us with clear leadership lines and reduces the potential for confusion or duplication of efforts. Our board believes that given its strong governance practices, including the requirement that a majority of its members be independent, the combination of these two roles, provide an appropriate balance among strategy development, operational execution and independent oversight. We believe that this structure has served us well as we have built ourselves to be one of the largest REITs in our sector.

Board Committees, Charters and Policies

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, which sets forth the basic principles and guidelines for resolving various legal and ethical questions that may arise in the workplace and in the conduct of our business. This code is applicable to our directors, officers and all employees of our subsidiaries as well as our Manager.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines which, in conjunction with the charters and key practices of our board committees, provide the framework for the governance of our company.

Other Charters

Our compensation committee, audit committee, nominating/corporate governance committee and risk committee have also adopted written charters which govern their conduct.

Where You Can Find These Documents

Our Code of Business Conduct and Ethics, Corporate Governance Guidelines, Compensation Committee Charter, Audit Committee Charter, Nominating/Corporate Governance Committee Charter and Risk Committee Charter are available on our website (www.annaly.com). We will provide copies of these documents free of charge to any stockholder who sends a written request to Investor Relations, Annaly Capital Management, Inc., 1211 Avenue of the Americas, Suite 2902, New York, New York 10036.

Hedging Policy

We have a policy prohibiting all directors, officers and all employees of our subsidiaries as well as our Manager from engaging in any hedging transactions with respect to our equity securities held by them, which includes the purchase of any financial instrument (including forward contracts and zero cost collars) designed to hedge or offset any decrease in the market value of such equity securities.

Compensation Committee

We have a standing compensation committee. The members of our compensation committee are Donnell A. Segalas (Chair), Jonathan D. Green, E. Wayne Nordberg, and John H. Schaefer, each of whom is an independent director within the meaning of the rules of the New York Stock Exchange. The compensation committee administers our 2010 Equity Incentive Plan, or Incentive Plan, and recommends changes to the Incentive Plan to our board of directors when appropriate. The compensation committee monitors from time to time any such payment and reserves the right to award compensation to the executives that may not qualify under Section 162(m) as deductible compensation. Section 162(m) of the Internal Revenue Code denies a tax deduction for compensation in excess of \$1 million paid to its named executive officers unless the compensation is performance-based within the meaning of Section 162(m).

Audit Committee

We have a standing audit committee. The members of our audit committee are Kevin P. Brady (Chair), Jonathan D. Green, Michael Haylon, and John H. Schaefer. Each member of our audit committee is an independent director within the meaning of the rules of the New York Stock Exchange, and Mr. Brady has been designated as our audit committee's financial expert. The audit committee recommends to our board of directors the engagement or discharge of independent registered public accountants, reviews the plan and results of the auditing engagement with our Chief Financial Officer and our independent registered public accountants, and reviews with our Chief Financial Officer the scope and nature of our internal auditing system. The activities of the audit committee are described in greater detail below under the caption "Report of the Audit Committee."

Nominating/Corporate Governance Committee

We have a standing nominating/corporate governance committee. The members of our nominating/corporate governance committee are E. Wayne Nordberg (Chair), Kevin P. Brady and Donnell A. Segalas. Each of the members of our nominating/corporate governance committee meets the independence requirements of the New York Stock Exchange. Our nominating/corporate governance committee (i) recommends criteria for the selection of new directors, identifies individuals qualified to become board members and recommends to the board of directors persons to be nominated as directors or to be elected to fill vacancies on the board of directors; (ii) develops and recommends to the board of directors a set of corporate governance principles; (iii) provides oversight of the evaluation of the board of directors and management; and (iv) considers corporate governance matters, such as director retirement policies, succession plans for management and potential conflicts of interest of members of the board of directors and senior management and makes recommendations for change, as appropriate. Our nominating/corporate governance committee will consider nominees recommended by our stockholders. These recommendations should be submitted in writing to our Secretary.

Our nominating/corporate governance committee currently considers the following factors in making its recommendations to the board of directors: background, skills, expertise, accessibility and availability to serve effectively on the board of directors. Our nominating/corporate governance committee also conducts inquiries into the background and qualifications of potential candidates. Although the nominating/corporate governance committee

does not have a formal diversity policy, it believes that diversity is an important factor in determining the composition of the board of directors. Additionally, the committee believes that it is critical to have a board of directors with diverse backgrounds in various areas as this contributes to our success and is in the best interests of our stockholders.

Our nominating/corporate governance committee uses a variety of methods for identifying and evaluating nominees for director. Our nominating/corporate governance committee regularly assesses the appropriate size of the board of directors, and whether any vacancies on the board of directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, our nominating/corporate governance committee considers various potential candidates for director. Candidates may come to the attention of our nominating/corporate governance committee through current members of our board of directors, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of our nominating/corporate governance committee and may be considered at any point during the year. As described above, our nominating/corporate governance committee considers properly submitted stockholder nominations for candidates for the board of directors. Following verification of the stockholder status of persons proposing candidates, recommendations are aggregated and considered by our nominating/corporate governance committee at a regularly scheduled or special meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to our nominating/corporate governance committee. Our nominating/corporate governance committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. In evaluating such nominations, our nominating/corporate governance committee seeks to achieve a balance of knowledge, experience and capability on the board of directors.

Risk Committee

We have a standing risk committee. The members of our risk committee are Jonathan D. Green (Chair), Kevin P. Brady, Michael Haylon, and John H. Schaefer. Each member of the risk committee is an independent director within the meaning of the rules of the New York Stock Exchange. The risk committee assists the board in the oversight of our risk governance structure; our risk management and risk assessment guidelines and policies regarding market, credit and liquidity and funding risk; our risk tolerance, including risk tolerance levels and capital targets and limits; and our capital, liquidity, and funding.

Board and Committee Meetings

During 2013, our board of directors held fourteen meetings. During 2013, the compensation committee held four meetings, the audit committee held five meetings, the nominating/corporate governance committee held two meetings, and the risk committee held two meetings. Each director attended at least 75% of the aggregate number of meetings held by our board of directors and 75% of the aggregate number of meetings of each committee on which the director served.

We require each member of the board of directors to attend our annual meeting of stockholders except for absences due to causes beyond the reasonable control of the director. All of our directors attended our 2013 annual meeting of stockholders.

Meetings of Non-Management Directors

Our corporate governance guidelines require that the board have at least two regularly scheduled meetings each year for our non-management directors. These meetings, which are designed to promote unfettered discussions among our non-management directors, are presided over by Kevin Brady, a non-management director.

During 2013, our independent directors, without the participation of board members who are members of management, held six meetings.

Our “named executive officers” at December 31, 2013, which consist of the executive officers who appear in the “Summary Compensation Table” below, are:

Name	Title
Wellington J. Denahan	Co-founder, Chairman of the board of directors and Chief Executive Officer
Kevin G. Keyes	President and Director
Glenn A. Votek	Chief Financial Officer
James P. Fortescue	Former Chief Operating Officer
Kristopher R. Konrad	Former Co-Chief Investment Officer

Compensation Discussion and Analysis

As a result of an externalization transaction, we are managed by Annaly Management Company LLC, or the Manager. We pay the Manager a management fee of 1.05% of our stockholders’ equity (as defined in the management agreement), and it pays all of the compensation to our named executive officers and its employees. While some of our employees remain employed by our subsidiaries for regulatory or corporate efficiency reasons, all compensation expenses related to such personnel reduce the management fee we pay to the Manager.

Although the Manager commenced performance of the management of Annaly on July 1, 2013, our shareholders received the benefit of the compensation savings created by the externalization for the entire 2013 calendar year pursuant to a pro forma adjustment to the 2013 management fee. We calculated a pro forma management fee, which was the management fee as if we were managed by the Manager from January 1, 2013 until July 1, 2013, and the actual amount of cash compensation paid to all of our employees (and employees of our subsidiaries) from January 1, 2013 until July 1, 2013 reduced the amount of the management fee owed to the Manager. See “Certain Relationships and Related Transactions” for a discussion of the fees paid to the Manager.

Employment Agreements

We had in effect employment agreements with each of our named executive officers through the date of the externalization, July 1, 2013. Pursuant to these employment agreements, we paid our named executive officers a base salary to compensate them for services rendered through the date of the externalization, July 1, 2013. The employment agreements also provided for a targeted bonus amount for each named executive officer. We did not pay any of our named executive officers any bonus amounts in 2013 and there were no potential termination payments payable to our named executive officers as of December 31, 2013.

As part of the externalization, all of our named executive officers terminated their employment agreements with us. The termination agreements provided that there was no acceleration of incentive compensation in connection with the named executive officer’s termination.

Consideration of “Say-on-Pay” and “Say on Frequency” Voting Results

At our 2013 annual meeting of stockholders, we submitted our advisory vote on the fiscal year 2012 compensation of our named executive officers (commonly known as a “Say-on-Pay” vote) for the consideration of our stockholders. The compensation of our named executive officers received support from approximately 28% of the votes cast on the

Say-on-Pay proposal.

18

The compensation committee has determined that the change in our organization structure to an externally managed REIT, with a fixed management fee of 1.05% of our stockholders' equity, addresses the concerns expressed by our shareholders in the 2013 Say-on-Pay vote since we now pay no compensation to our named executive officers. Moreover, we and the compensation committee believe that the management fee we pay compares favorably to that of our peers.

The compensation committee and the rest of our board of directors will continue to consider the outcome of future Say-on-Pay votes, as well as feedback received throughout the year, when making compensation decisions for our named executive officers, including any plan-based awards under our Incentive Plan.

Compensation Committee Report

The compensation committee of the company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the compensation committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

These employment agreements were terminated effective July 1, 2013 in connection with the externalization transaction. As of December 31, 2013, no amounts would have been payable by us for any termination of service by any of our named executive officers. In addition, as of December 31, 2013, all outstanding equity awards held by the named executive officers were fully vested, and therefore no additional vesting would have occurred for any termination of service with us as of that date. No amounts would have been payable by us to any of the named executive officers upon a change in control as of December 31, 2013.

EQUITY COMPENSATION PLAN INFORMATION

On May 27, 2010, at our 2010 Annual Meeting of Stockholders, our stockholders approved the Incentive Plan. The Incentive Plan authorizes the compensation committee of the board of directors to grant options, stock appreciation rights, dividend equivalent rights, or other share-based awards, including restricted shares up to an aggregate of 25,000,000 shares, subject to adjustments as provided in the Incentive Plan. Existing awards made under our prior long term incentive plan remain effective. Stock options are issued at the current market price on the date of grant. The following table provides information as of December 31, 2013 concerning shares of our common stock authorized for issuance under our Incentive Plan and prior plan.

COMPENSATION OF DIRECTORS

We compensate only those directors who are our non-management directors. Any member of our board of directors who is also an employee of our Manager does not receive additional compensation for serving on our board of directors.

During 2013, our compensation committee retained Frederic W. Cook & Co., Inc., a nationally-recognized compensation consulting firm (“F. W. Cook”), to assist the compensation committee in its review of the components of the compensation arrangements offered to our independent directors. As part of this process, our compensation committee considered, among other things, the duties and responsibilities associated with their positions and emerging trends and best practices in director compensation.

Based upon the recommendations of F. W. Cook and our compensation committee’s review of F. W. Cook’s analysis, our compensation committee determined: (i) to leave unchanged the \$100,000 annual fee that each director who is not an officer or employee receives for their services, which fee is payable in cash, (ii) to eliminate the fee that each non-management director receives for attendance, in-person or telephonically, of each meeting of the board of directors, (iii) to increase the annual fee that the chair of our audit committee will receive to \$15,000 for his or her service in such capacity, (iv) to establish an annual fee of \$10,000 that the chairs of each of our compensation committee, nominating/corporate governance committee, and risk committee will each receive for his or her service in such capacity, (v) to establish a fee of \$1,500 for each meeting of any committee attended by an independent director, (vi) to eliminate the initial grant and annual grant of stock options to each non-management director, and (vii) to establish an annual grant to each non-management director of \$135,000 in deferred stock units, or DSUs, on the date of each annual stockholders meeting at which he or she is serving as one of our directors. Each DSU will be equivalent in value to one share of our common stock. DSUs will be granted on the date of the annual stockholders meeting and vest immediately. DSUs will be converted to shares of our common stock one year after the date of grant unless the director elects to defer the settlement of the DSUs to a later date pursuant to an election compliant with Section 409A of the Internal Revenue Code. DSUs will not have voting rights. DSUs pay dividend equivalents in either cash or additional DSUs at the election of the director.

We also will continue to reimburse our directors for their travel expenses incurred in connection with their attendance at full board and committee meetings. Our non-management directors also remain eligible to receive restricted common stock, option and other stock-based awards under our equity incentive plan.

The compensation committee will, on an ongoing basis, continue to examine and assess our director compensation practices relative to our compensation philosophy and objectives, as well as competitive market practices and total stockholder returns, and will make modifications to the compensation programs, as deemed appropriate.

Director Stock Ownership Guideline

We have also adopted a stock ownership guideline for our independent directors that specifies that each independent director should strive to own an amount of our common stock which is three times their annual cash retainer. Shares counting toward the guideline include shares that are owned outright, DSUs, and any other shares held in deferral accounts. To facilitate achievement of the guideline, we have adopted and implemented a “retention ratio” that requires that until the specified ownership level is achieved, independent directors are required to retain and hold 50% of the net profit shares from DSUs. Net profit shares are shares remaining after payment of income taxes upon settlement of the DSUs. The independent directors are not required to make out-of-pocket purchases of stock to achieve the guideline; rather, the existing director equity compensation program would enable them to achieve the required ownership levels over time.

The table below summarizes the compensation paid by us to our non-employee directors for the fiscal year ended December 31, 2013.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our compensation committee is comprised solely of the following non-employee directors: Messrs. Segalas (Chair), Green, Schaefer and Nordberg. None of them is serving or has served as an officer or employee of us or any affiliate or has any other business relationship or affiliation with us, except his service as a director, and there are no other compensation committee interlocks that are required to be reported under the rules and regulations of the Securities Exchange Act of 1934, as amended.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

This section discusses certain direct and indirect relationships and transactions involving us and certain persons related to us.

Management Agreement

At our annual stockholders meeting on May 23, 2013, our stockholders approved the entry by us into a management agreement, between us and our Manager, and the externalization of our company's management function effective as of July 1, 2013. Under the terms of the management agreement, the Manager is responsible for administering our business activities and day-to-day operations, subject to the supervision and oversight of our board. The Manager is supervised and directed by our board and is responsible for (i) the selection, purchase and sale of our investment portfolio; (ii) our financing and hedging activities; and (iii) providing us with management services. The Manager performs such other services and activities relating to our assets and operations as may be appropriate. In exchange for these services, the Manager receives a management fee paid monthly in arrears in an amount equal to one-twelfth of 1.05% of our shareholders equity (as defined in the management agreement). We incurred approximately \$167 million in management fees under the management agreement during the year ended December 31, 2013 which includes a pro forma adjustment as if we were managed by the Manager from January 1, 2013 until July 1, 2013.

The management agreement provides that certain of the executive officers initially provided to us by the Manager pursuant to the management agreement must own, respectively, an amount of our shares of common stock equal to at least six times their respective 2012 base salaries within three years from July 1, 2013. Our executive officers subject to this requirement are Wellington J. Denahan, Kevin G. Keyes and R. Nicholas Singh.

The management agreement provides that the Manager is prohibited from managing, operating, joining, controlling, participating in, or advising any real estate investment trust whose principal business strategy is based on or who engaged in the trading, sales or management of mortgage-backed securities in any geographical region in which we engage in such business. Additionally, Wellington J. Denahan, Kevin G. Keyes and R. Nicholas Singh have entered into employment contracts with the Manager which prohibit them from competing with us for one year after their employment terminates if they are terminated for cause or they voluntarily terminate their employment with the Manager (other than for good reason).

The management agreement may be amended or modified by agreement between us and the Manager. The initial term of the management agreement expires on December 31, 2014 and will be automatically renewed for a one year term each anniversary date thereafter unless previously terminated as described below. There is no termination fee for a termination of the management agreement by either us or the Manager.

Two-thirds of our independent directors or the holders of a majority of the outstanding shares of common stock may terminate the management agreement for any or no reason, at any time upon one hundred eighty (180) days prior written notice. The Manager may also terminate the management agreement upon one hundred eighty (180) days prior written notice.

We may terminate the management agreement effective immediately upon written notice from us to the Manager for cause. These events include fraud, embezzlement, gross negligence, material breach of the management agreement not cured within a specified time period, and the Manager's bankruptcy or dissolution. In addition, the management agreement provides for automatic termination upon a sale of the Manager without the prior consent of the independent members of our board of directors.

The Manager may terminate the management agreement effective immediately upon written notice in the event of a material breach of the management agreement by us that is not cured within a specified time period. The Manager may also terminate the management agreement in the event we become required to register as an “investment company” under the Investment Company Act of 1940, as amended, with such termination deemed to have occurred immediately prior to such event.

The Manager

The Manager is Annaly Management Company LLC, a Delaware limited liability company. The Manager is owned by our management. Our Manager is responsible for paying all compensation expense associated with managing us and our subsidiaries. We pay our Manager a management fee and our Manager uses the proceeds from the management fee to pay compensation to its officers and personnel, including our executive officers. The owners of the Manager are entitled to receive any profit the Manager earns from the management fee either in the form of distributions by our Manager or increased value of their ownership interests in the Manager.

Employment of Related Persons

Alexandra Denahan is the sister of Wellington J. Denahan, our Chairman of the board of directors and Chief Executive Officer, and is employed by FIDAC as Managing Director. Ms. Alexandra Denahan is not an executive officer. Matthew J. Lambiase is the son of our director, John A. Lambiase, and is employed by FIDAC as Managing Director. Mr. Matthew Lambiase is not an executive officer. The compensation paid by our subsidiaries to these individuals reduces the management fee we pay to our Manager on a dollar for dollar basis. As a result, our Manager effectively pays their compensation.

Approval of Related Person Transactions

Each of our directors, director nominees and executive officers is required to complete an annual disclosure questionnaire and report all transactions with us in which they and their immediate family members had or will have a direct or indirect material interest with respect to us. We review these questionnaires and, if we determine it to be necessary, discuss any reported transactions with the entire board of directors. We do not, however, have a formal written policy for approval or ratification of such transactions, and all such transactions are evaluated on a case-by-case basis. If we believe a transaction is significant to us and raises particular conflict of interest issues, we will discuss it with our legal counsel, and if necessary, we will form an independent board committee which has the right to engage its own legal and financial counsel to evaluate and approve the transaction.

REPORT OF THE AUDIT COMMITTEE

Since our inception, we have had an audit committee composed entirely of non-employee directors. The members of the audit committee meet the independence and experience requirements of the New York Stock Exchange. The board of directors has determined that Mr. Brady is the audit committee financial expert and is an independent director within the meaning of the applicable rules of the Securities and Exchange Commission and the New York Stock Exchange. In 2013, the Committee met five times. The audit committee has adopted a written charter outlining the practices it follows. A full text of our audit committee charter is available for viewing on our website at www.annaly.com. Any changes in the charter or key practices will be reflected on our website.

In performing all of its functions, the audit committee acts only in an oversight capacity and, necessarily, in its oversight role, the audit committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm, who, in their report, express an opinion on the conformity of our annual financial statements to generally accepted accounting principles and on the effectiveness of our internal control over financial reporting as of year-end.

The audit committee has reviewed and discussed our audited financial statements with management and with Ernst & Young LLP, our independent auditors for 2013.

The audit committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61.

The audit committee has received from Ernst & Young LLP the written statements required by PCAOB Rule No. 3526, "Communications with Audit Committees Concerning Independence," and has discussed Ernst & Young LLP's independence with Ernst & Young LLP, and has considered the compatibility of non-audit services with the auditor's independence.

In reliance on these reviews and discussions, and the report of the independent registered public accounting firm, the audit committee has recommended to our board of directors, and our board of directors has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the Securities and Exchange Commission. The audit committee also recommends the selection of Ernst & Young LLP to serve as independent public accountants for the year ending December 31, 2014.

The foregoing report has been furnished by the current members of the audit committee:

Kevin P. Brady (Chair) Jonathan D. Green Michael Haylon John H. Schaefer

PROPOSAL 2
APPROVAL OF A NON-BINDING ADVISORY VOTE
APPROVING EXECUTIVE COMPENSATION

Our board of directors is committed to corporate governance best practices and recognizes the significant interest of stockholders in executive compensation matters. We are providing this advisory vote as required pursuant to Section 14A of the Securities Exchange Act. The stockholder vote will not be binding on us or the board of directors, and it will not be construed as overruling any decision by us or the board of directors or creating or implying any change to, or additional, fiduciary duties for us or the board of directors.

As described in detail under the heading “Executive Officers and Compensation” above, we are externally managed by our Manager pursuant to the management agreement between our manager and us. In 2013, we compensated employees only for the period prior July 1, 2013, the effective date of the externalization. We were reimbursed for all amounts we paid our employees, including all of our named executive officers, pursuant to a pro forma calculation of our management fee which was prepared as if we were managed by the Manager beginning on January 1, 2013. Our named executive officers’ compensation was derived from the management fees we pay to our Manager.

While this vote is advisory and not binding on us, it will provide information to us and the compensation and nominating/corporate governance committees regarding shareholder sentiment about our executive compensation philosophy, policies and practices, which the compensation and governance committee will be able to consider when determining whether the management fee payable pursuant to the management agreement is appropriate. Our Manager is responsible for paying all compensation expense associated with managing us and our subsidiaries. We pay our Manager a management fee and our Manager will use the proceeds from the management fee to pay compensation to its officers and personnel, including our executive officers. Our Manager will make all decisions relating to the compensation of our officers and personnel, including our executive officers, based on such factors as our Manager may determine are appropriate.

For these reasons, the board of directors recommends that stockholders vote in favor of the following resolution:

“RESOLVED, that the compensation paid to the company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THIS RESOLUTION.

**PROPOSAL 3
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our audit committee has appointed Ernst & Young LLP, or Ernst & Young, to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2014, and shareholders are asked to ratify the selection at the Annual Meeting. We expect that representatives of Ernst & Young will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of Ernst & Young is not ratified, our audit committee will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR 2014.

Relationship with Independent Registered Public Accounting Firm

In addition to performing the audits of our financial statements and management’s assessment of the effectiveness of the internal control over financial reporting, Ernst & Young and its affiliated entities, or E&Y, provided audit-related services for us during 2013 and 2012. The aggregate fees billed for 2013 by E&Y and 2012 by E&Y for each of the following categories of services are set forth below:

Audit Fees: The aggregate fees billed by E&Y for audit and reviews of our 2013 financial statements were \$1,275,000. The aggregate fees billed by E&Y for audit and reviews of our 2012 financial statements were \$875,000.

Audit-Related Fees: The aggregate fees billed by E&Y for audit related services during 2013 were \$216,205. The aggregate fees billed by E&Y for audit-related services during 2012 were \$173,280. The audit-related services in 2013 and 2012 principally included due diligence and accounting consultation.

Tax Fees: The aggregate fees billed by E&Y for tax services for 2013 were \$90,500. The aggregate fees billed by E&Y for tax services for 2012 were \$84,500.

All Other Fees: The aggregate fees billed by E&Y for all other services for 2013 were \$72,125. The aggregate fees billed by E&Y for all other services for 2012 were \$18,109 and principally included consulting services.

The audit committee has also adopted policies and procedures for pre-approving all non-audit work performed by our independent registered public accounting firm. Specifically, the audit committee pre-approved the use of E&Y for the following categories of non-audit services: SEC filings, including comfort letters, consents and comment letters; accounting consultations on matters addressed during the audit or interim reviews; review, including the issuance of a comfort letter, relating to commercial asset securitizations; and tax compliance and consultations. Our audit committee approved the hiring of E&Y to provide all of the services detailed above prior to such independent registered public accounting firm’s engagement. None of the services related to the Audit-Related Fees described above was approved by the audit committee pursuant to a waiver of pre-approval provisions set forth in applicable rules of the Securities and Exchange Commission.
