The purchase price for the Merger is \$60 million in cash plus up to an aggregate of \$50 million in earnout payments based on Health Grid achieving certain revenue targets over the next three years (subject to adjustments for net working capital, cash, debt and transaction expenses, in each case on the terms and subject to the conditions set forth in the Merger Agreement). The Merger is expected to close in the second quarter of 2018, subject to the satisfaction of customary closing conditions (as described below).
