A signed voting instruction card or other authorization by a beneficial owner of the Company’s Shares that does not specify how the beneficial owner’s Shares should be voted will be deemed an instruction to vote such Shares “FOR” the election of the nominees for Director named in this Proxy Statement. Beneficial owners should consult their broker or other nominees for instructions as to how to revoke any voting instructions.

In the event that a Quorum is not present at the Annual Meeting, or in the event that a Quorum is present but sufficient votes to approve any of the proposals are not received, the chairman of the Annual Meeting may adjourn the Annual Meeting without notice other than announcement at the Annual Meeting.

The Company has outstanding one class of capital stock, consisting of common stock, par value \$0.001 per share (the “Common Stock”). Pursuant to the Company’s Certificate of Incorporation, the Board is authorized to provide for the issuance from time to time of up to 40,000,000 shares of Common Stock, par value \$0.001 per share (“Common Share” or “Share”), and 10,000,000 shares of preferred stock, par value \$0.001 per share, consisting of one or more series (the “Preferred Stock”). The Company currently has no shares of Preferred Stock outstanding. Each Common Share is entitled to one vote at the Annual Meeting with respect to each matter to be voted on, with pro rata voting rights for any fractional Shares. Each Common Share entitles the holder to cast one vote for as many individuals as there are Directors to be elected and for whose election the Common Share is entitled to be voted. No Common Shares have cumulative voting rights. Directors are elected by the affirmative vote of a plurality of the votes cast by all Common Shares present in person or represented by proxy. On the record date, April 12, 2016 (the “Record Date”), the following number of Common Shares of the Company was issued and outstanding:

- (5) “Interested Directors” are “interested persons” (as such term is defined in the 1940 Act) of the Company. Messrs. Siegel and Shilowitz are considered “interested persons” because of their affiliation with the Advisor.

Additional information about each Director follows that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Board believes has prepared him or her to be an effective Director. The Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with the Advisor, other Company management, service providers, counsel and independent auditors, in order to exercise effective business judgment in the performance of their duties. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (e.g., accounting, finance or law); public service or academic positions; experience from service as a board member or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. To assist them in evaluating certain legal matters, the Independent Directors are counseled by their own independent legal counsel and also may benefit from information provided by the Company's counsel; both counsel to the Independent Directors and the Company have significant experience advising investment companies and Company Board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Board Composition and Leadership Structure

The 1940 Act requires that at least 40% of the Directors be Independent Directors. Additionally, reliance on certain exemptive rules under the 1940 Act require that a majority of the Directors be Independent Directors in order to rely on such rules. Currently, three of the five Directors are Independent Directors. The Independent Directors exercise their informed business judgment to appoint an individual of their choosing to serve as Chairman, regardless of whether the Director happens to be independent or a member of management. The Board has determined that its leadership structure, in which the Chairman of the Board is an interested person of the Company, is appropriate because the Independent Directors believe that an interested Chairman has a personal and professional stake in the quality and continuity of services provided by management to the Company. The Independent Directors have determined that they can act independently and effectively without having an Independent Director serve as Chairman and that a key factor for assuring that they are in a position to do so is for the Directors who are independent of management to constitute a majority of the Board. Emil Henry is the lead Independent Director of the Company.

Board's Oversight Role

The Board's primary role is oversight of the management of the Company. As is the case with virtually all investment companies, service providers to the Company, primarily the Advisor and its affiliates, have responsibility for the day-to-day management of the Company, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers. The Board's Audit Committee (which consists of all of the Independent Directors) meets regularly, and between meetings the Audit Committee Chair has access to the Company's independent registered public accounting firm and to the Company's Chief Financial Officer. The Advisor and other service providers have adopted a variety of policies, procedures and controls designed to address the Company's particular risks. However, it is not possible to eliminate, or even to mitigate, all of the risks applicable to the Company. The Board receives reports from Company counsel and the Independent Directors' own

independent legal counsel regarding regulatory, compliance and governance matters. The Board's oversight role does not make the Board a guarantor of Company investments or of Company activities or the activities of any of the Company's service providers.

Compensation of Directors and Executive Officers

During the fiscal year ended December 31, 2015, the Board held four meetings. Each Director of the Company attended at least 75% of the meetings of the Board and of any Committee of which he or she was a member. The compensation paid by the Company to the Independent Directors for the fiscal year ended December 31, 2015 is set forth below. No compensation is paid by the Company to the Interested Directors. No officers of the Company received compensation from the Company.

	Board Meeting and Committee Meeting Fees	Pension or Retirement Benefits Accrued as Part of Company Expenses
Clara Miller	\$49,000	None
Emil Henry	\$59,000	None
Alan Ginsberg*	\$59,000	None

*Audit Committee Chair

The Company did not reimburse the Independent Directors for out-of-pocket expenses incurred in attending the Board and Committee meetings for the period ended December 31, 2015.

ended December 31, 2015. The functions of the Audit Committee are to (a) assist the Board in its oversight of (i) the integrity of the financial statements of the Company; (ii) the independent registered public accounting firm's (the "Independent Auditor") qualifications and independence; (iii) the performance of the Company's internal audit function and Independent Auditor; and (iv) the compliance by the Company with legal and regulatory requirements and (b) prepare an audit committee report as required by Regulation S-K under the 1934 Act. The Audit Committee approves the selection and retention of the Independent Auditor, which is then ratified by both the full Board and a majority of the Independent Directors. The Audit Committee Charter, which describes the Audit Committee's purpose and duties, is available at www.stonecastle-financial.com. Audit Committee Report

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Company's Annual Report for the fiscal year ended December 31, 2015.

The Audit Committee reviewed with the Independent Auditor, which is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). In addition, the Audit Committee has discussed with the Independent Auditor the Independent Auditor's independence from management and the Company, including the Independent Auditor's letter and the matters in the written disclosures required by the PCAOB provided to the Audit Committee.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Company for accounting, financial management, or internal control purposes. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not guarantee that the audit of the Company's financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Independent Auditor, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Committee Charter and those discussed above, the Audit Committee recommended to the Company's Board that the Company's audited financial statements be included in the Company's Annual Report for the

fiscal year ended December 31, 2015.

Other Board-Related Matters

The Board identifies nominees by first evaluating the current members of the Board willing to continue in service. The Board otherwise has not established any specific minimum qualifications that must be met for the Board to consider a nominee. In nominating candidates, including candidates recommended by stockholders as provided below, the Board will take into consideration such factors as it deems appropriate, including to the extent required, compliance with the independence and other applicable requirements, of the federal securities laws, the listing standards of NASDAQOMX and any other applicable laws, rules or regulations; a candidate's experiences, qualifications, attributes or skills described above

under “Information About Each Director’s and Nominee’s Experience, Qualifications, Attributes or Skills;” and personal and professional integrity, character, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Board considers appropriate. The Board may consider whether a potential nominee’s professional experience, education, skills, and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board’s membership and collective attributes. Such considerations will vary based on the Board’s existing membership and other factors, such as the strength of a potential nominee’s overall qualifications relative to diversity considerations. The Board will consider Director candidates recommended by Stockholders and submitted in accordance with applicable law and procedures as described in this Proxy Statement (see “Submission of Stockholder Proposals” below.)

Stockholders who wish to send communications to the Board should send them to the Secretary of the Company at 152 West 57th Street, 35th Floor, New York, NY 10019. All such communications will be directed to the Board’s attention.

The Company does not have a formal policy regarding Director attendance at the annual meetings of stockholders. Each Director of the Company attended at least 75% of the meetings of the Board and of any Committee of which he or she was a member.

Required Vote

The election of Mr. Ginsberg as a Director requires the affirmative vote of a plurality of the votes cast by the holders of the outstanding Shares of the Common Stock present and entitled to vote.

SUBMISSION OF STOCKHOLDER PROPOSALS

Stockholders who do not wish to submit a proposal for inclusion in the Company’s proxy statement and form of proxy for the 2017 annual meeting of stockholders in accordance with Rule 14a-8 under the 1934 Act may submit a proposal

for consideration at the 2017 annual meeting of stockholders in accordance with the By-laws of the Company. The Company's By-laws currently require stockholders wishing to nominate Directors or propose other business to be brought before the Company's 2017 annual meeting of stockholders to provide timely notice of the proposal in writing to the Secretary of the Company and, in the case of such other business, such other business must otherwise be a proper matter for action by the stockholders. To be considered timely, any such notice must be delivered to the principal executive office of StoneCastle Financial Corp. at 152 West 57th Street, 35th Floor New York, NY 10019 not earlier than February 9, 2017, nor later than 5:00 p.m., E.T., on March 10, 2017. If such proposals are not "timely," then proxies solicited by the Board for next year's annual meeting may confer discretionary authority to such proxies to vote on such proposals at their discretion. Any such notice by a stockholder must set forth all information required by the Company's By-laws with respect to each nominee or other matter the stockholder proposes to bring before an annual meeting.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Tait, Weller & Baker LLP ("Tait Weller") has been selected to serve as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2016. The Company knows of no direct financial or material indirect financial interest of Tait Weller in the Company. A representative of Tait Weller will not be present at the Annual Meeting, but will be available by telephone to respond to appropriate questions and will have an opportunity to make a statement, if the representative desires.

Change in Independent Registered Public Accounting Firm

KPMG LLP ("KPMG") previously served as the Company's independent registered public accounting firm from July 1, 2014 to November 19, 2015, and Rothstein Kass, P.A. (d/b/a Rothstein Kass & Company, P.C.) ("Rothstein Kass") previously served as the Company's independent registered public accounting firm for the Company's initial fiscal year through June 30, 2014. Prior to KPMG's engagement, effective June 30, 2014, KPMG acquired certain assets of Rothstein Kass and certain of its affiliates. As a result of this transaction, effective June 30, 2014, Rothstein Kass resigned as the independent registered

public accounting firm for the Company. The Board and its Audit Committee approved the engagement of KPMG as the independent registered public accounting firm to audit the Company's financial statements for the fiscal year ended December 31, 2014. On November 19, 2015, the Board and its Audit Committee terminated KPMG's appointment as the Company's independent registered public accounting firm and approved the engagement of Tait Weller as the independent registered public accounting firm to audit the Company's financial statements for the fiscal years ending December 31, 2015 and 2016.

The selection of Tait Weller and the previous selection of KPMG did not reflect any disagreements with or dissatisfaction by the Company, the Board or the Company's Audit Committee with the performance of either of the Company's prior independent registered public accounting firms, KPMG or Rothstein Kass.

KPMG's report on the Company's financial statements for the Company's fiscal year ended December 31, 2014 did not contain any adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles. During the Company's fiscal year ended December 31, 2014 and through November 19, 2015, there were no disagreements between the Company and KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused it to make reference to the subject matter of the disagreements in connection with its reports. During the fiscal year ended December 31, 2014 and through November 19, 2015, there were no "reportable events" within the meaning of Item 304, paragraph (a)(1)(v), of Regulation S-K under the Securities Exchange Act of 1934, as amended ("Regulation S-K").

Rothstein Kass's report on the Company's financial statements for the Company's fiscal year ended December 31, 2013 did not contain any adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles. During the Company's initial fiscal year and through the subsequent interim period preceding Rothstein Kass' resignation, there were no disagreements between the Company and Rothstein Kass on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Rothstein Kass, would have caused it to make reference to the subject matter of the disagreements in connection with its reports. During the fiscal year ended December 31, 2013 and through June 30, 2014, there were no "reportable events" within the meaning of Item 304, paragraph (a)(1)(v), of Regulation S-K under the Securities Exchange Act of 1934, as amended ("Regulation S-K").

As indicated above, the Company has appointed Tait Weller as the independent registered public accounting firm to audit the Company's financial statements for the fiscal years ending December 31, 2015 and 2016. During the Company's fiscal years ended December 31, 2014, and for the period from January 1, 2015 through November 19, 2015, neither the Company nor anyone on its behalf consulted Tait Weller, and during the Company's initial fiscal year, and through the subsequent interim period preceding Rothstein Kass's resignation, neither the Company, nor anyone on its behalf, consulted with KPMG, on items which: (i) concerned the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) concerned the subject of a disagreement (as defined in paragraph (a)(1)(iv) of Item 304 of Regulation S-K) or reportable events (as described in paragraph (a)(1)(v) of said Item 304).

Edgar Filing: StoneCastle Financial Corp. - Form DEF 14A

Set forth in the table below are audit fees and non-audit related fees billed to the Company by Rothstein Kass and KPMG for professional services for the fiscal year ended December 31, 2014 and Tait Weller for the fiscal year ended December 31, 2015, respectively.

	<u>Audit Fees*</u>	<u>Audit-Related Fees*</u>	<u>Tax Fees**</u>	<u>All Other Fees***</u>
2014	\$40,000	\$20,500	\$2,500	\$0
2015	\$45,000	\$9,000	\$3,000	\$0

*“Audit-Related Fees” include services related to consents, comfort letter and bring down letters in conjunction with the initial public offering of the Company’s common stock.

** “Tax Fees” are those fees related to Tait Weller and KPMG’s tax consulting services, including primarily the review of the Company’s income tax returns.

*** “All Other Fees” include the aggregate fees billed for products and services provided by Tait Weller and KPMG, other than the reported services.

†Prior to July 1, 2014, Rothstein Kass served as Independent Auditor to the Company. Effective July 1, 2014, KPMG acquired certain assets of Rothstein Kass and was selected to continue as the Company’s independent public accounting firm.

The Company’s Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by Tait Weller to the

Company, and all non-audit services to be provided by Tait Weller to the Company's Advisor and any entity controlling, controlled by or under common control with the Company's Advisor ("Affiliates") that provides on-going services to the Company, if the engagement relates directly to the operations and financial reporting of the Company. Alternatively, the Audit Committee also may delegate pre-approval to one of its members subject to subsequent reporting to the Audit Committee. All of the audit and non-audit services described above for which Tait Weller or KPMG billed the Company fees for the fiscal year ended December 31, 2015 were pre-approved by the Audit Committee as required.

Except for the Tax fees disclosed above, there were no non-audit fees billed by Tait Weller for services rendered to the Company and rendered to the Advisor or its affiliates that provide ongoing services to the Company for the fiscal year of the Company ended December 31, 2015.
