ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement on Form S-3 that we filed with the Securities and Exchange Commission, or the SEC, using a “shelf” registration process for the delayed offering and sale of securities pursuant to Rule 415 under the Securities Act of 1933, as amended, or the Securities Act. Under the shelf registration process, we may, over time, sell any combination of the securities described in this prospectus in one or more offerings. This prospectus provides you with a general description of the securities that we may offer. As allowed by SEC rules, this prospectus does not contain all the information you can find in the registration statement or the exhibits to the registration statement. We will not use this prospectus to offer and sell securities unless it is accompanied by a prospectus supplement that more fully describes the securities being offered and the terms of the offering. Any accompanying prospectus supplement or free writing prospectus may also add to, update or supersede other information contained in this prospectus. Before purchasing any securities, you should carefully read this prospectus, any prospectus supplement and any free writing prospectus together with the information incorporated or deemed to be incorporated by reference herein as described under the heading “Where You Can Find More Information” in this prospectus. All references to “we,” “our,” “us,” and the “Company” in this prospectus mean Whitestone REIT and its consolidated subsidiaries, including Whitestone REIT Operating Partnership, L.P., or our Operating Partnership, which is a Delaware limited partnership formed by us on December 31, 1998, except where it is made clear that the term means only Whitestone REIT.

FORWARD-LOOKING STATEMENTS

This prospectus and any accompanying prospectus supplement, including the documents incorporated by reference into this prospectus and any accompanying prospectus supplement, contain forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended, or the Exchange Act. Forward-looking statements provide our current expectations or forecasts of future events and are not statements of historical fact. These forward-looking statements include information about possible or assumed future events, including, among other things, discussion and analysis of our financial condition, anticipated capital expenditures required to complete projects, amounts of anticipated cash distributions to our shareholders in the future and other matters. These forward-looking statements are not historical facts but are the intent, belief or current expectations of our management based on its knowledge and understanding of our business and industry.

Forward-looking statements are typically identified by the use of terms such as “may,” “will,” “should,” “potential,” “predicts,” “anticipates,” “expects,” “intends,” “plans,” “believes,” “seeks,” “estimates” or the negative of such terms and variations of the words and similar expressions, although not all forward-looking statements include these words. These statements are not guarantees of future performance and are subject to risks, uncertainties and other factors, some of which are beyond our control, are difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements.

Forward-looking statements that were true at the time made may ultimately prove to be incorrect or false. You are cautioned not to place undue reliance on forward-looking statements. We undertake no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results. Factors that could cause actual results to differ materially from any forward-looking statements made in or incorporated by reference into this prospectus and any accompanying prospectus supplement include:

- the imposition of federal taxes if we fail to qualify as a REIT in any taxable year or forego an opportunity to ensure REIT status;
- uncertainties related to the national economy, the real estate industry in general and in our specific markets;
- legislative or regulatory changes, including changes to laws governing REITs;
- adverse economic or real estate developments in Texas, Arizona or Illinois;
- increases in interest rates and operating costs;

- availability and terms of capital and financing, both to fund our operations and to refinance our indebtedness as it matures;
- decreases in rental rates or increases in vacancy rates;
- litigation risks;
- lease-up risks, including leasing risks arising from exclusivity and consent provisions in leases with significant tenants;
- our inability to renew tenant leases or obtain new tenants upon the expiration of existing leases;
- our inability to generate sufficient cash flows due to market conditions, competition, uninsured losses, changes in tax or other applicable laws; and
- the need to fund tenant improvements or other capital expenditures out of operating cash flow.

The forward-looking statements should be read in light of these factors and the factors identified in the “Risk Factors” incorporated by reference into this prospectus and any accompanying prospectus supplement from our most recent Annual Report on Form 10-K, our Quarterly Reports on Form 10-Q and other reports and information that we file with the SEC.

WHITESTONE REIT

We are a fully integrated real estate company that owns and operates commercial properties in culturally diverse markets in major metropolitan areas. Founded in 1998, we are internally managed with a portfolio of commercial properties in Texas, Arizona and Illinois.

In October 2006, our current management team joined the Company and adopted a strategic plan to acquire, redevelop, own and operate Community Centered Properties. We define Community Centered Properties as visibly located properties in established or developing culturally diverse neighborhoods in our target markets. We market, lease, and manage our centers to match tenants with the shared needs of the surrounding neighborhood. Those needs may include specialty retail, grocery, restaurants, medical, educational and financial services. Our goal is for each property to become a Whitestone-branded business center or retail community that serves a neighboring five-mile radius around our property. We employ and develop a diverse group of associates who understand the needs of our multicultural communities and tenants.

We conduct our business in an umbrella partnership REIT, or UPREIT, structure pursuant to which all of our properties are owned and operated by our Operating Partnership (or wholly owned subsidiaries thereof). We serve as the general partner of our Operating Partnership. As the general partner of the Operating Partnership, we have the exclusive power to manage and conduct the business of the Operating Partnership, subject to certain customary exceptions. Units of limited partnership interests in our Operating Partnership, or OP Units, are redeemable at the option of OP Unit holders for cash based on the then-current value of one common share or, at our sole option, common shares on a one-for-one basis. In our UPREIT structure we have the ability to acquire properties on a tax-deferred basis to the sellers of such properties utilizing OP Units as consideration.

Our executive offices are currently located at 2600 South Gessner, Suite 500, Houston, Texas 77063, and our telephone number is (713) 827-9595. Our website can be accessed at www.whitestonereit.com. However, the information located on, or accessible from, our website is not, and shall not be deemed to be, a part of this prospectus, any accompanying prospectus supplement or any free writing prospectus or incorporated into any other filings that we make with the SEC.

RISK FACTORS

Investment in any securities offered pursuant to this prospectus involves substantial risks. Before acquiring securities from us, you should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 10-K, our subsequent Quarterly Reports on Form 10-Q and the other information contained in this prospectus, as updated by our subsequent filings under the Exchange Act, and the risk factors and other information contained in any accompanying prospectus supplement. The occurrence of any of these risks might cause you to lose all or part of your investment in the offered securities. Please also refer to the section entitled "Forward-Looking Statements" in this prospectus.

Our ratios of earnings to combined fixed charges and preference dividends for the years ended December 31, 2010, 2011, 2012, 2013 and 2014 are set forth below. USE OF PROCEEDS

Unless we specify otherwise in an accompanying prospectus supplement, we intend to use the net proceeds from the sale of securities by us for general corporate purposes, which may include acquisitions of additional properties, the repayment of outstanding indebtedness, capital expenditures, the expansion, redevelopment and/or improvement of properties in our portfolio, working capital and other general purposes. Any allocation of the net proceeds of an offering of securities to a specific purpose will be determined at the time of such offering and will be described in an accompanying prospectus supplement.

DESCRIPTION OF SHARES

General

We are organized as a REIT under the laws of the state of Maryland. Rights of our shareholders are governed by Maryland law, including the statute governing REITs formed under the laws of that state, or the Maryland REIT law, our declaration of trust and our bylaws. The following description of the terms of our shares is not complete, but is a summary. For a complete description, we refer you to Maryland law and our declaration of trust and bylaws. See “Where You Can Find More Information.”

Authorized Shares

Our declaration of trust provides that we may issue up to 400,000,000 common shares of beneficial interest, \$0.001 par value per share, and up to 50,000,000 preferred shares, \$0.001 par value per share. In addition, our board of trustees, without any action by our shareholders, may amend our declaration of trust from time to time to increase or decrease the aggregate number of shares or the number of shares of any class or series that we have authority to issue. As of April 27, 2015, we had 23,232,760 common shares outstanding and no preferred shares outstanding.

Pursuant to Maryland law and our declaration of trust, no shareholder will be liable for any debt, claim, demand, judgment or obligation of any kind of, against or with respect to us by reason of being a shareholder, nor shall any shareholder be subject to any personal liability whatsoever, in tort, contract or otherwise, to any person in connection with our property or affairs by reason of his being a shareholder.

Common Shares

Subject to the preferential rights of any other class or series of shares of beneficial interest and to the provisions of our declaration of trust regarding the restrictions on ownership and transfer of shares of beneficial interest, holders of our common shares are entitled to receive distributions when authorized by our board of trustees and declared by us out of assets legally available for the payment of distributions, and to share ratably in our assets legally available for distribution to our shareholders in the event of our liquidation, dissolution or winding up, after payment of or adequate provision for all of our known debts and liabilities. All of these rights are subject to the preferential rights of any other class or series of our shares and to the provisions of our declaration of trust regarding restrictions on ownership and transfer of our shares.

Subject to the provisions of our declaration of trust regarding restrictions on transfer and ownership of our shares, and except as may otherwise be specified in the terms of any class or series of common shares, each outstanding common share entitles the holder to one vote on all matters submitted to a vote of shareholders, including the election of trustees. There is no cumulative voting in the election of trustees, which means that the holders of our common shares entitled to cast a majority of all the votes entitled to be cast can elect all of the trustees then standing for election, and the holders of the remaining shares will not be able to elect any trustees.

Holders of our common shares have no preference, conversion, exchange, sinking fund or redemption rights, have no preemptive rights to subscribe for any of our securities and generally have no appraisal rights unless our board of trustees determines that appraisal rights apply, with respect to all or any classes or series of shares, to one or more transactions occurring after the date of such determination in connection with which shareholders would otherwise be entitled to exercise appraisal rights.

Preferred Shares

Edgar Filing: Whitestone REIT - Form S-3

Preferred shares may be issued from time to time, in one or more series, as authorized by the board of trustees. Prior to the issuance of any preferred shares, our board of trustees is required by Maryland law and by our declaration of trust to designate the series to distinguish it from all other classes and series of shares, specify the number of shares to be included in the series, and set the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption for each such series.

If we offer preferred shares, the accompanying prospectus supplement will describe each of the following terms that may be applicable in respect of any preferred shares offered and issued pursuant to this prospectus:

5

- the specific designation, number of shares, seniority and purchase price;
- any liquidation preference per share;
- any maturity date;
- any mandatory or optional redemption or repayment dates and terms or sinking fund provisions;
- any dividend rate or rates and the dates on which any dividends will be payable (or the method by which such rates or dates will be determined);
- any voting rights;
- any rights to convert the preferred shares into other securities or rights, including a description of the securities or rights into which such preferred shares are convertible (which may include other preferred shares) and the terms and conditions upon which such conversions will be effected, including, without limitation, conversion rates or formulas, conversion periods and other related provisions;
- the place or places where dividends and other payments with respect to the preferred shares will be payable; and
- any additional voting, dividend, liquidation, redemption and other rights, preferences, privileges, limitations and restrictions, including restrictions imposed for the purpose of maintaining our qualification as a REIT under the Internal Revenue Code of 1986, as amended, or the Code.

Power to Reclassify Our Shares

Our declaration of trust authorizes our board of trustees to classify and reclassify any of our unissued common shares and preferred shares into other classes or series of shares. Prior to issuance of classified or reclassified shares of each class or series, our board of trustees is required by Maryland law and by our declaration of trust to designate the class or series to distinguish it from all other classes and series of shares, specify the number of shares to be included in the class or series, and set the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption for each class or series. Thus, our board of trustees could authorize the issuance of common or preferred shares with terms and conditions that could have the effect of delaying, deferring or preventing a transaction or a change in control that might involve a premium price for holders of our common shares or otherwise be in their best interest.

Power to Issue Additional Common Shares and Preferred Shares

We believe that the power of our board of trustees, without shareholder approval, to amend our declaration of trust from time to time to increase the aggregate number of shares or the number of shares of any class or series that we have authority to issue, to issue additional common shares or preferred shares, and to classify or reclassify unissued common or preferred shares and thereafter to cause us to issue such classified or reclassified shares provides us with flexibility in structuring possible future financings and acquisitions and in meeting other needs that might arise. These actions can be taken without shareholder approval, unless shareholder approval is required by applicable law or the rules of any stock exchange or automated quotation system on which our securities may be listed or traded. Although our board of trustees does not have a present intention of doing so, it could authorize us to issue a class or series of shares that could, depending upon the terms of the particular class or series, delay, defer or prevent a transaction or a change in control in the Company that might involve a premium price for holders of our common shares or otherwise be in their best interest.

Restrictions on Ownership and Transfer

In order for us to qualify as a REIT under the Code, our shares must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of twelve months or during a proportionate part of a shorter taxable year. Also, not more than 50% of the value of our outstanding shares may be owned, directly or indirectly, by five or fewer individuals (as defined in the Code to include certain entities such as qualified pension plans) during the last half of a taxable year. These requirements do not apply to the first year for which an election to be a REIT is made.

Our declaration of trust contains restrictions on the number of our shares that a person may own. Unless otherwise exempted by the board of trustees (as described below), no person or persons acting as a group may acquire or hold, directly or indirectly, more than 9.8% (by value or by number of shares, whichever is more restrictive) of our outstanding common shares or more than 9.8% (by value or by number of shares, whichever is more restrictive) of the outstanding shares of any class or series of our preferred shares.

Our declaration of trust further prohibits (i) any person from owning our shares if that ownership would result in our being “closely held” under Section 856(h) of the Code or otherwise cause us to fail to qualify as a REIT and (ii) any person from transferring our shares if the transfer would result in our shares being beneficially owned by fewer than 100 persons. Any person who acquires or intends to acquire any of our shares that may violate any of these restrictions, or who is the intended transferee of our shares that are transferred to the trust for the charitable beneficiary, as described below, is required to give us immediate written notice or, in the case of a proposed or attempted transaction, 15 days prior written notice and provide us with such information as we may request in order to determine the effect of the transfer on our status as a REIT. The above restrictions will not apply if our board of trustees determines that it is no longer in our best interests to continue to qualify as a REIT.

Our board of trustees may, in its sole discretion, exempt, prospectively or retroactively, a person from the 9.8% ownership limits. However, the board of trustees may not exempt a person unless, among other information, such person submits to the board of trustees information satisfactory to the board of trustees, in its reasonable discretion, demonstrating that (i) such person is not an individual, (ii) no individual would be considered to beneficially own shares in excess of the 9.8% ownership limits by reason of the exemption of such person from the 9.8% ownership limits and (iii) the exemption of such person from the 9.8% ownership limits will not cause us to fail to qualify as a REIT. The person also must agree that any violation or attempted violation of these restrictions will result in the automatic transfer of the shares causing the violation to the trust for the charitable beneficiary, as described below. Our board of trustees may require a ruling from the Internal Revenue Service, or IRS, or an opinion of counsel in order to determine or ensure our status as a REIT or that compliance is no longer required for REIT qualification.

Any attempted transfer of our shares that, if effective, would result in our shares being beneficially owned by fewer than 100 persons will be null and void and the proposed transferee will not acquire any rights in the shares. Any attempted transfer of our shares that, if effective, would result in violation of the 9.8% ownership limits discussed above or in our being “closely held” under Section 856(h) of the Code or otherwise failing to qualify as a REIT will cause the number of shares causing the violation (rounded to the nearest whole share) to be automatically transferred to a trust for the exclusive benefit of one or more charitable beneficiaries, and the proposed transferee will not acquire any rights in the shares. The automatic transfer will be deemed to be effective as of the close of business on the Business Day (as defined in the declaration of trust) prior to the date of the transfer. Shares held in the trust for the charitable beneficiary will be issued and outstanding shares. The proposed transferee will not benefit economically from ownership of any shares held in that trust, will have no rights to dividends or other distributions and no rights to vote or other rights attributable to the shares held in that trust. The trustee of the trust for the charitable beneficiary will have all voting rights and rights to dividends or other distributions with respect to shares held in that trust. These rights will be exercised for the exclusive benefit of the charitable beneficiary. Any dividend or other distribution paid prior to our discovery that the shares have been transferred to the trust for the charitable beneficiary will be paid by the recipient to the trustee upon demand. Any dividend or other distribution authorized but unpaid will be paid when

Edgar Filing: Whitestone REIT - Form S-3

due to the trustee. Any dividend or other distribution paid to the trustee will be held in trust for the charitable beneficiary. Subject to Maryland law, the trustee will have the authority (i) to rescind as void any vote cast by the proposed transferee prior to our discovery that the shares have been transferred to the trust and (ii) to recast the vote in accordance with the desires of the trustee acting for the benefit of the charitable beneficiary. However, if we have already taken irreversible corporate action, then the trustee will not have the authority to rescind and recast the vote.

7

Within 20 days of receiving notice from us that any of our shares have been transferred to the trust for the charitable beneficiary, the trustee will sell those shares to a person designated by the trustee, whose ownership of the shares will not violate the above ownership limitations. Upon the sale, the interest of the charitable beneficiary in the shares sold will terminate, and the trustee will distribute the net proceeds of the sale to the proposed transferee and to the charitable beneficiary as follows. The proposed transferee will receive the lesser of (i) the price paid by the proposed transferee for the shares or, if the proposed transferee did not give value for the shares in connection with the event causing the shares to be held in the trust (e.g., a gift, devise or other similar transaction), the Market Price (as defined in our declaration of trust) of the shares on the day of the event causing the shares to be held in the trust and (ii) the price received by the trustee from the sale or other disposition of the shares. Any net sale proceeds in excess of the amount payable to the proposed transferee will be paid immediately to the charitable beneficiary. If, prior to our discovery that shares have been transferred to the trust, the shares are sold by the proposed transferee, then (i) the shares shall be deemed to have been sold on behalf of the trust and (ii) to the extent that the proposed transferee received an amount for the shares that exceeds the amount he was entitled to receive, the excess shall be paid to the trustee upon demand.

In addition, shares held in the trust for the charitable beneficiary will be deemed to have been offered for sale to us, or our designee, at a price per share equal to the lesser of (i) the price per share in the transaction that resulted in the transfer to the trust (or, in the case of a devise or gift, the Market Price at the time of the devise or gift) and (ii) the Market Price on the date we, or our designee, accept the offer. We will have the right to accept the offer until the trustee has sold the shares. Upon a sale to us, the interest of the charitable beneficiary in the shares sold will terminate and the trustee will distribute the net proceeds of the sale to the proposed transferee.

All certificates evidencing our shares will bear a legend referring to the restrictions described above.

Every owner of more than five percent (or such lower percentage as required by the Code or the regulations promulgated thereunder) of our outstanding shares, within 30 days after the end of each taxable year, is required to give us written notice, stating his, her or its name and address, the number of shares of each class and series of our shares which he, she or it beneficially owns and a description of the manner in which the shares are held. Each such owner shall provide us with such additional information as we may request in order to determine the effect, if any, of his, her or its beneficial ownership on our status as a REIT and to ensure compliance with the ownership limits. In addition, each shareholder shall upon demand be required to provide us with such information as we may request in good faith in order to determine our status as a REIT and to comply with the requirements of any taxing authority or governmental authority or to determine such compliance.

These ownership limits could delay, defer or prevent a transaction or a change in control in the Company that might involve a premium price for the holders of some, or a majority, of our outstanding common shares or which such holders might believe to be otherwise in their best interests.

Transfer Agent and Registrar

The transfer agent and registrar for our common shares is American Stock Transfer and Trust Company, LLC.

General. Our declaration of trust provides a perpetual existence and permits us to be terminated upon the affirmative vote of the holders of a majority of the outstanding shares entitled to vote and the approval of a majority of the entire board of trustees. Our bylaws require us to conduct annual meetings of our shareholders for the purpose of electing trustees, each of whom will serve for a three-year term, and to transact any other business as may properly come before the shareholders.

Our Board of Trustees. Our declaration of trust provides that the number of our trustees may be determined pursuant to our bylaws, and our bylaws provide that such number may be established, increased or decreased by the board of trustees but may not be fewer than one or more than fifteen. Our board of trustees is divided into three classes, with each trustee holding office for three years and until his successor is duly elected and qualifies. Any vacancy may be filled only by the affirmative vote of a majority of the remaining trustees in office, even if the remaining trustees do not constitute a quorum, and any trustee elected to fill a vacancy will serve for the remainder of the full term of the trusteeship in which the vacancy occurred.

The board of trustees is responsible for the management of our business and affairs. We currently have a total of five members on our board of trustees. Of our five current trustees, four are considered independent trustees. Each trustee will serve until the annual meeting of shareholders at which his three-year term ends and until his successor has been duly elected and qualifies. Although the number of trustees may be increased or decreased, a decrease will not have the effect of shortening the term of any incumbent trustee. Any trustee may resign at any time and may be removed for cause by the shareholders upon the affirmative vote of not less than two-thirds of the shares then outstanding and entitled to vote generally in the election of trustees.

Our trustees must perform their duties in good faith and in a manner reasonably believed to be in our best interests. Further, trustees must act with such care as an ordinarily prudent person in a like position would use under similar circumstances, including exercising reasonable inquiry, when taking actions. Our declaration of trust provides that a trustee may be removed only for cause upon the affirmative vote of not less than two-thirds of the shares then outstanding and entitled to vote generally in the election of trustees. This provision, when coupled with the exclusive power of our board of trustees to fill vacancies on the board of trustees, precludes shareholders from (i) removing incumbent trustees except for cause upon a substantial affirmative vote and (ii) filling the vacancies created by such removal with their own nominees.

Business Combinations. Under Maryland law, “business combinations” between a Maryland REIT and an interested shareholder or an affiliate of an interested shareholder are prohibited for five years after the most recent date on which the interested shareholder becomes an interested shareholder. These business combinations include a merger, consolidation, share exchange, or, in circumstances specified in the statute, certain transfers of assets, certain share issuances and transfers, liquidation plans and reclassifications involving interested shareholders and their affiliates. An interested shareholder is defined as:

any person who beneficially owns ten percent or more of the voting power of the trust’s outstanding voting shares; or an affiliate or associate of the trust who, at any time within the two-year period prior to the date in question, was the beneficial owner of ten percent or more of the voting power of the then-outstanding shares of the trust.

A person is not an interested shareholder under the statute if the board of trustees of the trust approved in advance the transaction by which the person otherwise would have become an interested shareholder. However, in approving a transaction, the board of trustees may provide that its approval is subject to compliance, at or after the time of approval, with any terms and conditions determined by the board of trustees.

After the five-year prohibition, any business combination between a Maryland REIT and an interested shareholder generally must be recommended by the board of trustees of the trust and approved by the affirmative vote of at least:
