Gilat Announces First Quarter 2011 Results

Petah Tikva, Israel – May 17, 2011 – Gilat Satellite Networks Ltd. (NASDAQ: GILT), a worldwide leader in satellite networking technology, solutions and services, today reported its results for the quarter ending March 31, 2011.

Revenues for the first quarter of 2011 were \$80.0 million, compared to \$57.1 million in the first quarter of 2010, up 40%. Operating income for the first quarter of 2011 was \$0.8 million compared to \$0.1 million in the first quarter of 2010. Net income for the first quarter of 2011 was \$0.4 million or \$0.01 per diluted share, compared to a net income of \$0.6 million or \$0.02 per diluted share in the comparable period in 2010.

On a Non-GAAP basis, operating income for the period was \$3.9 million compared to \$0.4 million in the first quarter of 2010. Non-GAAP net income for the period was \$2.6 million or \$0.06 per diluted share, compared to a net income of \$1.0 million or \$0.02 per diluted share in the comparable period in 2010.

Gross margins reached 36.4% in the first quarter of 2011 compared to 34.3% in the comparable period in 2010, and EBITDA margins were 10% compared to 6% in 2010.

“Gilat ended the first quarter with overall growth in revenue and strong gross and EBITDA margins. Our strategy to increase R&D and invest in our future while we improve our profitability is continuing as planned,” said Amiram Levinberg, Gilat’s Chief Executive Officer and Chairman of the Board. “Our recent contract win in Australia is a strong show of faith for Gilat’s technology and our overall delivery capabilities.”

Notes:

(1) The attached summary financial statements were prepared in accordance with U.S. Generally Accepted Accounting Principles (GAAP). The attached summary financial statements are unaudited. To supplement the consolidated financial statements presented in accordance with GAAP, the Company presents Gilat's EBITDA before the impact of non-cash share-based payment charges, depreciation and amortization and other costs related to acquisition transactions. Non-GAAP presentations of net income, EBITDA and earnings per share are provided to enhance the understanding of the Company's historical financial performance and comparability between periods.

Press Release (cont.)

(2) Operating income before depreciation, amortization, non cash stock option expenses as per SFAS 123(R) and other costs related to acquisition transactions ('EBITDA') is presented because it is a measure commonly used and is presented solely in order to improve the understanding of the Company's operating results and to provide further perspective on these results. EBITDA, however, should not be considered as an alternative to operating income or net income for the period as an indicator of the operating performance of the Company.

Similarly, EBITDA should not be considered as an alternative to cash flows from operating activities as a measure of liquidity. EBITDA is not a measure of financial performance under generally accepted accounting principles and may not be comparable to other similarly titled measures for other companies. EBITDA may not be indicative of the historic operating results of the Company; nor is it meant to be predictive of potential future results. Reconciliation between the Company's Operating income and EBIDTA is presented in the attached summary financial statements.
