 This footnote is being revised to correct the vesting terms of the performance-based restricted stock units. If Omnicell meets certain total shareholder return objectives as compared to the NASDAQ Healthcare Index (the "Index"), 25% of the eligible awards will vest immediately on the date that the Compensation Committee formally certifies the company's performance, with the remaining eligible awards vesting in equal increments semi-annually over the subsequent three-year period beginning on June 15th and December 15th of the year after the date of grant and each subsequent year. The number of units that are subject to time-based vesting are between 0% to 120% of the shares set forth herein, depending upon the Company meeting certain stock performance objectives compared to the Index. The maximum number of units that may vest is 16,360 (as rounded by the Compensation Committee)."
