Summary of the decisions taken at the Extraordinary General Shareholders' of ARACRUZ CELULOSE S.A., held on May 30, 2009

I. Conversion of Preferred Stock into Common Stock

- I. i. Approval was given by the common shareholders of Aracruz Celulose S.A. ("Aracruz" or "Company") for the conversion of an aggregate of 577,163,421 (five hundred seventy seven million, one hundred sixty three thousand, four hundred twenty one) Aracruz Class 'A' and Class 'B' preferred shares into Aracruz common shares at the ratio of 1 (one) Aracruz Class A or Class B preferred share, as the case may be, for every 0.91 (ninety-one hundredths) Aracruz common share to be issued as a result of the approved stock conversion. The effectiveness of this resolution is dependant upon the ratification of such share conversion by the Company's preferred shareholders (see item III.i below).
- I. ii. As a result of the decision outlined in the preceding sub item, a total of 525,218,713 (five hundred twenty five million, two hundred eighteen thousand, seven hundred thirteen) Aracruz nominative common shares, with no par value, shall be issued and assigned to the holders of Aracruz Class A or Class B preferred shares that will be cancelled as a result of this approved stock conversion.
- I. iii. As a result of the stock conversion, the Company's subscribed capital stock, amounting to R\$ 2,871,781,288.11 (two billion, eight hundred seventy one million, seven hundred eighty one thousand, two hundred eighty eight reais and eleven cents), shall be represented by 980,609,412 (nine hundred eighty million, six hundred nine thousand, four hundred twelve) nominative common shares with no par value.
- I. iv. The common shares that, due to this conversion, are to be assigned to the present holders of Aracruz preferred shares, confer the same rights as those pertaining to the currently issued and outstanding Aracruz common shares, and the holders shall enjoy in full all the benefits attributed to such currently issued and outstanding common stock, including dividends and any capital remuneration that may be approved.
- I. v. Given that the conversion calculations, as a result of the stock conversion, will yield fractions of newly-issued Aracruz common shares for some shareholders, Aracruz's controlling shareholder, Votorantim Celulose e Papel S.A., will donate to minority shareholders who, as a result of the conversion described herein, would hold a fractional share, the amount of shares necessary, so that such shareholders do not hold fractional shares, and the amount of shares they will own as a result of the conversion is rounded up. Shareholders holding Aracruz preferred shares as of today and shareholders who purchased Aracruz preferred shares on the floor of the BM&FBovespa S.A. - Bolsa de Valores, Mercadorias e Futuros ("BM&FBovespa") and settled such transactions on May 29, 2009 either (i) at the BM&FBovespa's Depository Center (*Central Depositária de Ativos*) or (ii) at Banco Itaú S.A., custodian for Aracruz's

- I. vi. The Company's management is responsible for taking all the necessary steps to conform the American Depository Receipts Program listed with the New York Stock Exchange NYSE to the resolutions approved at this meeting

II. Alteration of the By-Laws

Paragraph 2. Capital increases deriving from the capitalization of profits or reserves shall take place, as a rule, without any change in the number of issued and outstanding shares; in the event of the distribution of new shares due to a capital increase from the capitalization of profits or reserves, such shares must be of the same kind as those already issued.

IV. i. In the light of news that the business newspaper *Gazeta Mercantil* will no longer be in circulation after June 2009, the Company's official announcements that have been previously published with that periodical will now be published in the business newspaper *Valor Econômico*.
