Amendment and Restatement of the Pegasystems Inc. 2004 Long-Term Incentive Plan

At the Annual Meeting of Stockholders of Pegasystems Inc. (the "Company") held on July 12, 2011 (the "Annual Meeting"), the Company's stockholders approved the Pegasystems Inc. Amended and Restated 2004 Long-Term Incentive Plan (the "Plan"). The Plan was previously approved by the Company's Board of Directors, subject to the approval of the Company's stockholders, and became effective with such stockholder approval on July 12, 2011.

As a result of such stockholder approval, the Plan was amended and modified in the following manner:

- The total number of shares of the Company's common stock available for awards granted under the Plan was increased by 5,000,000, so that the aggregate number of awards that may be granted under the Plan is 12,000,000 shares;
- The term of the Plan was extended from March 10, 2014 through May 18, 2021;
- In addition to stock options, the Plan was clarified to enable the Company to grant other types of equity awards that constitute "qualified performance-based compensation" under Section 162(m) of the Internal Revenue Code (the "Code"), including categories of performance goals on which the Company may base an executive's performance-based incentive compensation;

Edgar Filing: PEGASYSTEMS INC - Form 8-K

- Awards under the Plan and shares obtained pursuant to or upon exercise of such awards are subject to forfeiture, setoff, recoupment or other recovery if the Plan administrator determines in good faith that such action is required by applicable law or Company policy;
- The provisions for making grants of RSUs under the Plan were clarified;
- Provisions were added to clarify that awards under the Plan will comply with Section 409A of the Code regarding nonqualified deferred compensation arrangements or will satisfy the conditions of applicable exemptions; and
- The Plan administrator is provided with discretion to facilitate the achievement of the material purposes of the Plan in jurisdictions outside of the United States where differences in local law, policy or custom may require modification of the terms of the Plan or terms and conditions not included in the Plan.

A more complete description of the terms of the Plan and the material amendments and modifications thereto can be found in "Proposal No. 4 - Approval of the Pegasystems Inc. Amended and Restated 2004 Long-Term Incentive Plan" (pages 30 through 41) in the Company's definitive proxy statement dated May 23, 2011, and filed with the Securities and Exchange Commission on May 23, 2011. The foregoing descriptions are qualified in their entirety by reference to the Plan, a copy of which is filed as Exhibit 10.01 to this report.
