- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

This Amendment No. 1 to Current Report on Form 8-K/A (the "Amendment") amends Item 1.01 of the Current Report on Form 8-K filed by Identive Group, Inc. on February 3, 2012 (the "Original Filing"), related to the acquisition of shares of payment solution AG. This Amendment is being filed solely to correct Bluehill ID AG's subsidiary status in the first sentence of Item 1.01. No other changes are made to the Original Filing and this Amendment does not modify or update any other information in the Original Filing.

**Item 1.01. Entry into a Material Definitive Agreement.**

On January 30, 2012, Bluehill ID AG, a majority-owned subsidiary of Identive Group, Inc. (the "Company"), acquired approximately 58.8% of the outstanding shares of payment solution AG, a company organized under the laws of Germany ("payment solution"), pursuant to the terms and conditions contained in Share Exchange Agreements, each dated January 30, 2012 (the "Agreements"), and entered into individually with 18 selling shareholders of payment solution (the "Selling Shareholders") in Germany and Switzerland. In exchange for the shares of payment solution, the Company issued an aggregate of 1,357,758 shares of its Common Stock to the Selling Shareholders, having a value of approximately EUR 2.35 million (or approximately US\$3.03 million), or EUR 40,000 per 1% ownership interest in payment solution. The amount of consideration for the payment solution shares was determined by arms-length negotiations between the Company and the Selling Shareholders. Mountain Partners AG, a significant stockholder of the Company, was a selling shareholder and held approximately 10.0% of payment solution. Daniel Wenzel, a director of the Company, is an affiliate of Mountain Partners. In addition, under the terms of the Agreements, no Company Common Stock shall be issued in connection with the acquisition of payment solution shares if it would result in an increase of 5% or more in outstanding Company Common Stock or voting power. Approximately 2.4% of the outstanding Common Stock was issued in the transaction.

The foregoing description of the Agreements does not purport to be complete, and is qualified in its entirety by reference to the form of the Agreements, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by this reference.

**Item 3.02. Unregistered Sales of Equity Securities.**

The disclosure provided in Item 1.01 of this Report is hereby incorporated by reference into this Item 3.02. The issuance of the shares of Company Common Stock under the Agreements was made to qualified investors outside the United States in reliance on the exemption provided by Regulation S under the U.S. Securities Act of 1933 from the registration requirements of such Act, as well as comparable exemptions under applicable foreign securities laws. The shares have not been, and will not be, registered under the U.S. Securities Act of 1933 and are subject to applicable restrictions on transfer.

**Item 8.01.**

**Other Events**

On February 1, 2012, the Company issued a press release announcing the acquisition of shares of payment solution AG. A copy of the press release is filed herewith as Exhibit 99.1 and is incorporated herein by this reference.
