Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Amount reflects aggregate number of shares of Common Stock received after exercise of options to purchase 200,000 shares of Common Stock. The exercise was a "cashless exercise" that covered the cost required for the exercise of the options and the statutory tax liability

(1) associated with such exercise. The difference between the aggregate number of 200,000 shares underlying the options and the 53,145 shares ultimately acquired by the reporting person represents 146,855 shares withheld by the issuer at a market price of \$2.31 per share to cover such costs.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
