Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

It is anticipated we will report a net loss for the three months ended December 31, 2005 of approximately \$1.9 million compared to net income of approximately \$54,000 for the three months ended December 31, 2004. The net change is principally related to charges of approximately \$1.3 million related to the amortization of the beneficial value ascribed to conversion rights of the convertible debentures sold in July 2005 and value of warrants issued in connection with the convertible debentures and conversion of a note payable.
