Item 9. Regulation FD Disclosure.

In connection with the ongoing proceedings of Chart Industries, Inc. (the "Company") under Chapter 11 of the United States Bankruptcy Code, administered under Case No. 03-12114, the Company announced today that the United States Bankruptcy Court for the District of Delaware confirmed the Joint Prepackaged Plan of Reorganization, as amended (the "Plan") which was originally filed by the Company and certain subsidiaries on July 8, 2003. The Company expects the Court to enter the confirmation order tomorrow and the Plan to become effective within the next two weeks.

Upon consummation of the Plan and the Company's emergence from Chapter 11, the Company's existing senior debt of approximately \$255.7 million will be converted into a \$120 million term loan and an initial 95% equity ownership position in the reorganized Company. The Company's senior lenders also have agreed to convert the Company's current \$40 million debtor-in-possession financing facility into an amended and restated \$40 million revolving credit exit facility. The Company's existing shareholders will initially own 5% of the reorganized Company, with an opportunity to acquire up to an additional 5% of equity under certain conditions through the exercise of warrants. Pursuant to the terms of the Plan, all general unsecured creditors will be paid in full on their prepetition claims or otherwise have their prepetition claims reinstated.

A copy of the Company's press release is attached as Exhibit 99.1 and incorporated herein by reference.
